🗖 Call to Librarians to teach classes	Jun 15		
🗖 Schedule three Library Days during semester1 Faculty, 1 Grad, 1 Joint	Jul 1		
Reserve rooms and technology such as laptop carts	Jul 2		
🗖 Input classes in library class registration system	Jul 15		
🗖 Compose class information page and post on website	Jul 15		
Work with library marketing unit to create posters and signs	Jul 15		
Compose short letters to Faculty and Graduate students			
Distribute letterspreferably via a Listserv at least two to three weeks prior to first sessions	Aug 3		
Monitor registrations and questions about classes	Aug 3		
Post about Library Days on social media (Twitter, blog, Facebook)			
Proof signs; triple check to ensure they will be printed and ready for Library Days			
Send out reminders to librarians about classesprovide link to registration system	Aug 12		
🗖 Check on technology	Aug 14		
Get up before dawn; consume enough caffeine so that you are wired, but not jittery; head to work with the sun; put out signs; triple check technology; print out registration sheets and distribute to librarians; print out your own handouts if you are teaching; GO!			
Move between classes; check on technology; orient lost faculty and grad students; make sure all librarians have shown up; bemoan the rain; decide that a student holiday isn't a good day to hold Library Days; celebrate with librarians who have good turnouts; brainstorm librarians who had no one attend to increase attendance			
Shut down technology; put away signs; check for lost flash drives or mugs; collect registration sheets	Aug 17		
Enter attendees in registration system to ensure record of number of attendees and for which classes	Aug 18		
Compose survey(s); distribute to attendees for feedback	Oct 10		
Add task Reorder Re	ward
