The Pledge

I pledge
My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
And my health to better living,
For my club, my community,
and my country.

Who's Whoot Staff

. . . Staff members of the 1943 WHO'S WHOOT: John Aiken, Lucille Owen, Betty Lou Wiley, and Cecil Eyestone. Harold Riley, one of the assistant business managers, is not shown in this picture.

At the beginning of the 1942-43 school year, Collegiate 4-H members were assigned to committee positions on the general staff of the 1943 WHO'S WHOOT yearbook.

The editor and business manager of the book, and their assistants, are elected from the club at large in the spring of the preceding year. These four officers select the committee chairmen and members from a list of volunteers.

Climax of the work of the staff comes when the book is published and the staff enjoys an early morning breakfast in picnic fashion.

The editor and his assistant are concerned with the managerial aspects of the book, while

the business heads arrange advertising trips to such Kansas cities as Wichita, Kansas City, Hutchinson, and Topeka. The committee chairmen direct committee work in such necessary preparation as measuring, cutting, and pasting the pictures for the book and writing and typing articles for the book.

Present day restrictions on publications have made the publishing of the 1943 book an even greater endeavor, and the successful completion of a book not greatly altered from the standards of past years is an inspiring accomplishment. The staff is proud to present a picture of club work through the 1943 WHO'S WHOOT.

WHO'S WHOOT STAFF—*Back Row:* Florence L. Houghton, Rose Ann Scholz, Wilma Vance, Dorothy Simmons, Merna Vincent, Keith G. Jones, Wayne L. Good, Wayne O. Coltrain, Cecil L. Eyestone, Louise J. Parcel, Willa J. Havelly, Lorraine Corke. *Fifth Row:* Darrel A. Russell, Donald E. Riffel, Lyle D. Snider, Arleta R. Boyer, M. Louise Markley, Voiland E. Engle, Merle Eyestone, John R. Collegiate 4-H Club

Again as in years past, the Collegiate 4-H Club was one of the most popular, active, and largest organizations at Kansas State College. Led by Lois-jo Bartell, who received a silver loving cup for selling the most memberships, the club reached a membership of 427 members. These members came from all counties of Kansas and also from other states. Anyone who is interested in 4-H work is invited to join. During the year, the club lost over 130 members many of whom have gone into the service.

Officers of the club are elected each semester of the college year. Leading the club this year were Keith Jones of Reno County and Cecil Eyestone of Leavenworth County. The presidents with other officers and committees planned many interesting and enjoyable programs and activities for its members. The club holds two meetings each month and four parties are given each semester. Highlights of these parties are a dinner-dance held during December and a spring semi-formal during April. The club has also been active in doing its part in the war effort. The club has contributed over \$60.00 to the Red Cross and the World Student Service Fund, two very worth while service organizations.

Many members of the club have spent a number of hours working on this WHO'S WHOOT under the able direction of Lucille Owen, editor and Betty Lou Wiley, business manager. Despite the shortage of printing material and the proper transportation facilities, the WHO'S WHOOT has again reached a desirable goal. Other activities sponsored by the Collegiate 4-H Club include a half-hour radio program every Saturday afternoon over STATION KSAC, a student loan fund, and assisting with the annual 4-H Round-up on the college campus each June. The club also has a reading table and a small office in the state 4-H Club office where its members may meet for committee meetings

... Winners in 1942 membership contest: Lois-jo Bartell, trophy winner; Florence Houghton, Cecil Eyestone, Marie Rizek, and Juanita Nicholas—runners up.

... Collegiate 4-H Club Members dance at their annual Fall Dinner Dance.

and work on the different programs carried on by the club. Much time is spent here working on the WHO'S WHOOT.

Each year the club sends a delegate to the American Youth Foundation Camp, Camp Miniwanca, at Shelby, Michigan. This member is selected on the basis of his service to the club. Keith Jones received this award last year.

At the spring semi-formal dance, outstanding seniors of the club are given special recognition for rendering service. Their names are then put on the bronze plaque honor roll in the state club office. The seniors honored this year were Lucille Owen, Betty Lou Wiley, Helen Stagg, Keith Jones, Tommy Benton, and Darrell Russel.

On the Air

RADIO

Collegiate 4-H members are radio artists! The Collegiate 4-H Club Radio Committee plans and conducts a half-hour radio program each Saturday from Station KSAC at 1 p.m. The committee this year was headed by Helen Ramsour, Helen Stagg, and Merle Eyestone. Others working on the Radio Committee this past year were Ed Buss, Betty Lou Wiley, Raymond Walker, Bernard Knowles, Beth Stratton and Dwight Jones.

Talent for the programs is chosen chiefly from the club members themselves. The programs include vocal and instrumental selections; campus news, supplemented by county and state 4-H news; readings and poetry; discussions, talks and short skits. A model meeting was presented one Saturday by a group of Collegiate 4-H'ers. This is an annual custom of the Club. Special programs were presented for National 4-H Mobilization week.

Preceding the Collegiate broadcast is the half-hour program beginning at 12:30 p.m. sponsored by the State 4-H Club Office. Master of ceremonies is either Mr. M. H. Coe, State Club Leader, or one of the assistant leaders from the state office. Information concerning 4-H projects and problems connected with them are discussed by Extension specialists and college professors. This program, combined with the Collegiate half-hour, offers a source of information, entertainment, and inspiration. It affords an excellent opportunity to 4-H Club members over the state to learn what other club members are doing. With this knowledge comes an inspiration for each club member to "make the best better!"

... Members of Collegiate 4-H Club ready to broadcast.

... Collegiate Quartet gives out.

QUARTET

Collegiate 4-H Club is justly proud of its male quartet composed of the following members: Wayne Good, Crawford County, first tenor; Keith Yost, Lane County, second tenor; Leon Findley, Barber County, baritone; Joe Zollinger, Geary County, bass. Elaine Rohrer of Dickinson County is their accompanist. Keith Yost was called to the Armed Forces during the year and was replaced by Bill Hawley of Harvey County.

The quartet sings at many 4-H meetings and broadcasts throughout the year. Its members are selected by the department of music from the Collegiate 4-H Club at large. Miss Hilda Grossman is the director. They sing songs of popular and semi-classic nature.

This music group is at present one of the most popular music groups, not only on the campus, but in Manhattan program circles as well. We realize this when we note that the group is asked to sing at many outstanding campus and civic functions—pleasing audiences of all types. They sing at banquets, at churches, assemblies, and various campus and civic club programs.

DANFORTH FOUNDERS CLUB

Composing a part of the student body of Kansas State College are members of the college Danforth Club. Eligibility to the club—in its third year of existence—requires that the members be enrolled at Kansas State College and be former Miniwanca campers. The club is a chapter of the American Youth Founders Fellowship.

Serving as president prior to his entrance

to the Armed Services, Jim Cunningham was succeeded by the vice-president, Chet Peters. Other officers of the club for the year 1942-43 were Elaine Rohrer, secretary-treasurer; and Mary Ruth Vanskike, corresponding secretary.

The club is an outgrowth of a desire for a common expression of the worthiness of the Foundation and a furtherance of its teachings.

KANSAS STATE COLLEGE

Kansas State College of Agriculture and Applied Science was established July 2, 1862. In February of 1863 the college was located at Manhattan, opening September 1, 1863.

The college has three purposes. One is to give to the young men and women of Kansas undergraduate and graduate instruction in agriculture, engineering and architecture,

home economics, general science, and veterinary medicine, and to encourage sound thinking and good citizenship. Secondly, its purpose is to investigate scientifically the state's problems in agriculture and the industries. Lastly, the college serves, through the Division of College Extension, a highly organized system of agricultural education carried directly to the farm homes of the state.

COUNTY CLUB AGENTS

One-sixth of the 4-H Club members in Kansas are in the eight counties which employ county club agents.

Quality of 4-H Club work is raised to a higher level and the benefits of the 4-H Club program are brought to many more boys and girls where there are county club agents devoting their full time to the program.

These men and women direct the organization of the 4-H Club program in their respective counties. They give project training, promote activities, train demonstration and judging teams, and help in all activities which develop better farm and community life.

Nine men have gone from county club agent positions into the armed forces. They are Kenneth Johnson, Albert Pease, Charles Pence, Oscar Norby, Kenneth Porter, Kenneth Kirkpatrick, Eugene Watson, Winzer Petr, and John Hanna.

National 4-H Club Camp

WASHINGTON TRIP

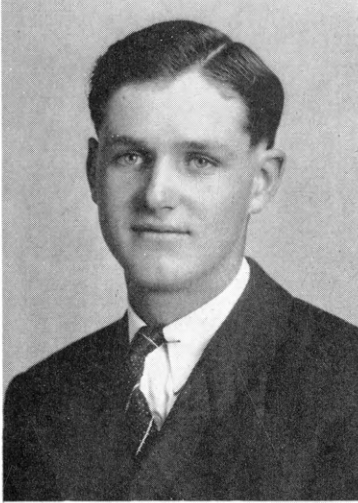

Betty Lou Collins of Bourbon County, Clifford Houghton of Mitchell County, Maurine Babb of Riley County, and James Shively of Allen County have been selected to receive the 1942 state junior leadership awards. These four young people have been chosen because of their outstanding work in junior leadership in local, county, state and national 4-H Club activities. Because of the Washington trip award, they are now members of the Master 4-H Club, an honorary organization for state 4-H Club leadership winners. Since the National 4-H Club Camp will not be held this year, plans have been made for these winners to attend the American Youth Foundation Camp at Shelby, Michigan.

Betty Lou Collins has been especially active in the promotion of 4-H Club work in Bourbon County. She has completed twenty-nine projects during the seven years she has been a club member. She has also been a member of thirty demonstration and judging teams.

Clifford Houghton has been a 4-H Club member eight years and during that time he has missed only five club meetings. He has participated wholeheartedly in all club and county-wide activities, including demonstration and judging team work. He has also been interested in all phases of the conservation activity.

Maurine Babb has been a 4-H Club member for ten years and has participated in all club and county-wide activities. She was county champion in clothing, leadership, style revue, and home improvement at various times during her 4-H Club career.

James Shively has been particularly active in poultry, livestock, crops, and dairy projects. Last fall he was a member of the Allen County livestock judging team which won first prize in the national dairy judging contest. James was awarded the Who's Who scholarship at the 1942 Round-up.

1942 WINNERS

BETTY LOU COLLINS

CLIFFORD HOUGHTON

MAURINE BABB

JAMES SHIVELY

Capper Scholarship Winners

As a member of the D. I. Y. Junior 4-H Club for 8 years, Emagene Martin has devoted the last 3 years to being an active member in 4-H Club leadership. Having been enrolled 7 years in foods work, 5 years in clothing, 6 years in poultry, and 3 years in garden and livestock, she holds an outstanding project record. Besides working on these projects her activities in club work are numerous, which include chorus, music appreciation, band, dramatics, and model meetings. She also worked on conservation and safety. In these 2 projects she has an excellent record, having been selected state conservation champion and girls' safety champion for 1942.

Emagene has made worth-while use of her leadership work by serving as president, vice-president, parliamentarian, and health leader in her local club. She was council representative from her local club, and was elected president of the county council in 1942.

She was a blue-ribbon winner last year in the state style revue contest. Her projects in club work, which number 29, show a gross income of \$1,235.60.

So you can readily understand why Emagene was awarded a trip to the National Club Congress in 1942 for outstanding work in the 4-H Club.

Donald F. Swartz, Nemaha county, has been an outstanding member of the Rustlers 4-H Club for the last 7 years, 3 years of which he did junior leadership work. Leaving no stone unturned, Donald has held all the important offices, not only in his local club, but in the county 4-H Club council as well.

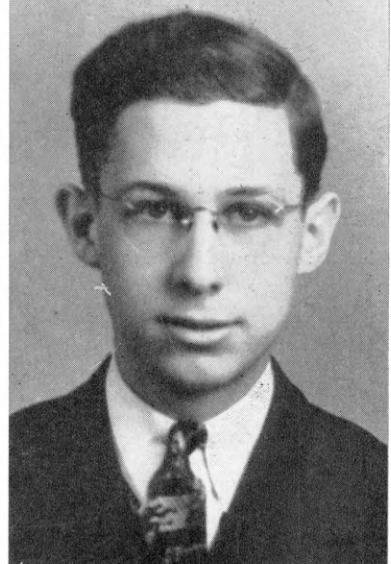

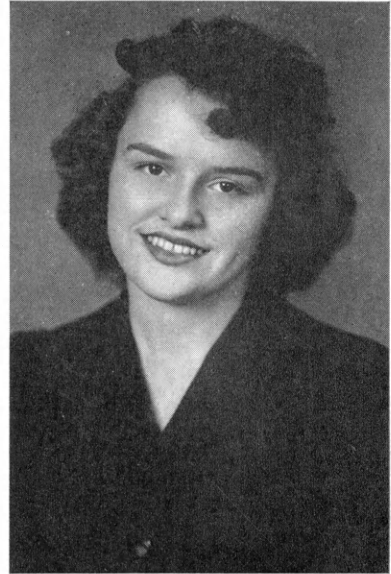

His work has been especially well done, having completed 100 per cent of his projects each year. His record on the projects includes feeding 35 head of livestock, 300 chickens, and planting 15 acres of corn, 7 acres of sorgo, also 2 $\frac{1}{4}$ acres of garden and potatoes.

Donald was a member of the state painting demonstration team in 1941 and was among the 10 highest ranking club members in judging team work for 2 different years at the Kansas Free Fair.

Like Emagene, he has taken an active part in conservation activities, placing special emphasis on safety on the farm and safe driving.

In 1941 he was selected county champion club member and was awarded a trip to the National Club Congress.

"I have 13 cows and calves. Seven of these are registered. I have a one third interest in a registered herd bull and own 6 gilts that will raise spring pigs. These together with 6 acres of feed crops and \$300 I have in the bank are from 4-H projects," Donald reports.

H. Coe. *First Row:* Virginia Harlow, Louise Hardwick, Dorrae Jantz, Mary Brown, Mildred Hall, Barbara Rogers, Hope Leland, Miss Sloan. *Not in Picture:* Robert Acre and Harold McKinney.

CHICAGO TRIP

Twenty-four 4-H Club members represented Kansas at the annual 4-H Club Congress, November 29 to December 3 at Chicago. Accompanying the members were four adult leaders. The delegation consisted of state champions.

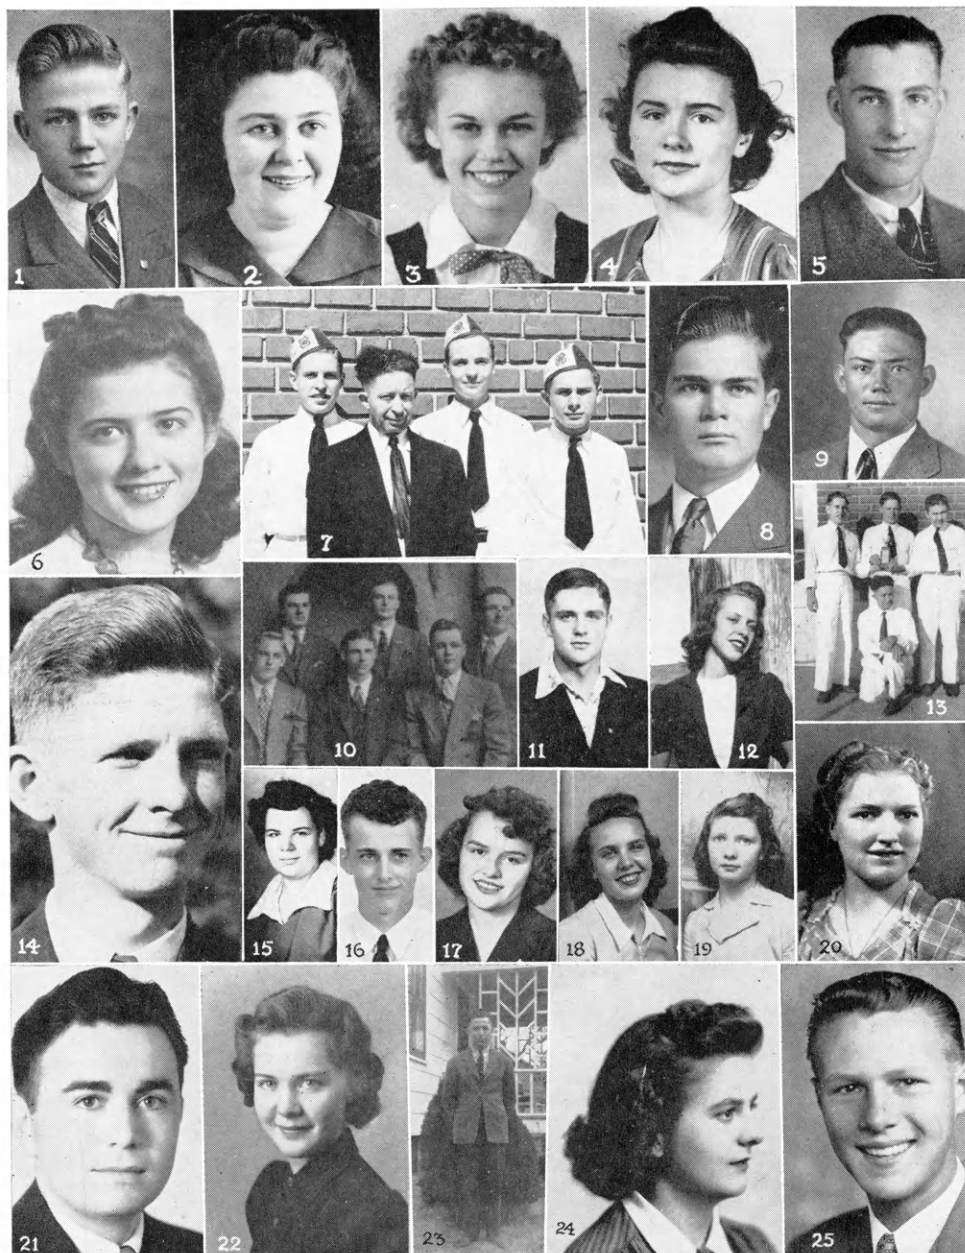

Visits to various places such as the Chicago Art Institute, Planetarium, International Livestock Exhibition, and the Field Museum of Natural History were interesting educational trips. Special dinners and programs were given to the club members by leading industrial organizations. Well-known radio, music,

and stage stars provided entertainment thrills for the delegates.

The National Club Congress is an excellent opportunity to meet and exchange ideas and experiences with outstanding 4-H members from states all over the United States as well as from Canada.

Marie Brown of Reno County was a blue ribbon winner in the National 4-H Dress Revue at the Club Congress and was rated as one of the best contestants in this national contest.

State Champions

1. Robert Acre, Jr., wheat. 2. Maxine Weidenhaft, safety girl. 3. Arlene Rife, home improvement. 4. Mary Marie Brown, style revue. 5. Wylie Cornelius, corn. 6. Mildred Hall, health. 7. Clair Parcel, '41, New York City. 20. Ronald Robb, '33, and children. 21. John Kepley, '38. 22. Merna Vincent, '41, K. S. C. student. 23. Mary Tilton Conger, '27, and son, Larned. 24. Prof. Franklin L. Parsons, '27, and Joanne, Manhattan.

AMERICAN YOUTH FOUNDATION CAMP

The pictures on the following page were taken at Camp Miniwanca at Shelby, Michigan, by the Kansas delegation. Camp Miniwanca is a summer camp offering a four-fold training program featuring mental, physical, social and religious development of the individual.

To four girls outstanding in Kansas club work goes the honor of attending this camp during the first two weeks of August each year; four boys are chosen for the same honor and they attend the camp during the last two weeks of August each year. This year the boys' delegation was awarded the plaque for being the most outstanding group attending camp from any state—indicative of the expert character of the groups selected. Three leaders from the state at large and an outstanding Collegiate 4-H Club member were also representatives of the 1942 summer camp from Kansas.

Former Danforth winners who attend Kansas State College, and who are striving to carry out the four-fold program inspirationally presented to them at Miniwanca, have organ-

ized a campus Danforth Founders Club. They are seeking to further their training in leadership.

1942 summer camp winners were:

Doris Hertschmidt, Osborne County

Eleanor Mundt, Crawford County

Marjorie Landgraf, Finney County

Adaline Svoboda, Ellsworth County

Betty Whitley, Sumner County

Constance Lofthouse, Ford County

Don Carttar, Sedgwick County

Johnny Womack, Allen County

Billy Beale, Neosho County

Everett Dykes, Stafford County

Marshall Kirk, Scott County

Bernard Knowles, Saline County

Miss Annabelle Dickinson, Leader, Allen County

Miss Irene Morris, Leader, Morris County

Mr. Charles Hageman, Leader, Wilson County

Keith Jones, Collegiate 4-H Club, Reno County

MASTER 4-H CLUB

In 1927 a club was organized and titled the Master 4-H Club of Kansas. This title is befitting of the members of the club, for they are truly the master 4-Hers of Kansas. To each of the 64 members at some time has gone the honor of being awarded the state leadership award which is a trip to the National 4-H Club Camp at Washington, D. C. The club increases in membership each June when the new winners for the year are initiated into the club at Round-up.

The picture shown on the opposite page portray the fact that Master Club members are now living at various places over the nation—each one serving to carry out the ideals of good living, profounded to him by 4-H club work, in his business; in his family; in his educational pursuits; or in the service of his country.

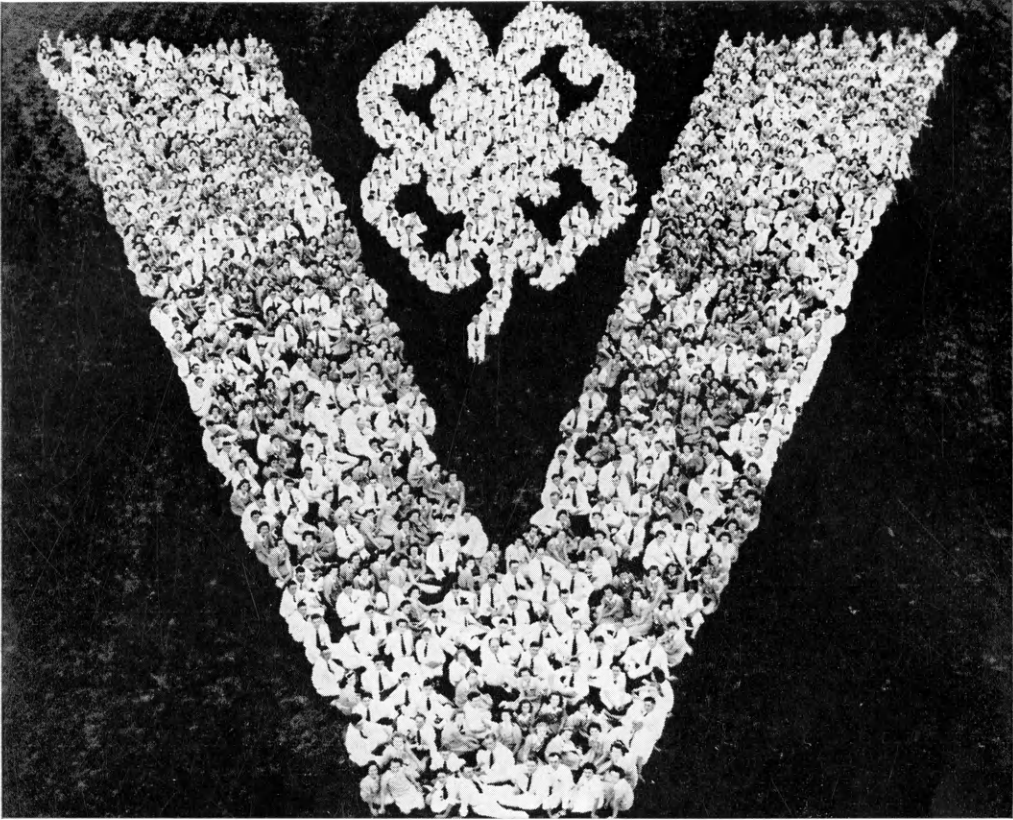

The officers of the club are: President, Merna Vincent; Vice - President, Bernard Knowles; Secretary-Treasurer, Betty Whitley; Historian, Martha Wreath Streeter.

American Youth Foundation Camp

1. Council ring. 2. Lake Michigan. 3. Kansas wins the plaque. 4. Vesper dune. 5. Roberta, Miniseino, Marcile. 6. Beach supper. 7. Kodaya. 8. Mr. Payne. 9. Tent area. 10. Stony lake. 11. Mess hall. 12. Kansas girls delegation. 13. Old Baldy. 14. Kansas boys delegation.

State 4-H Round-up

A program adapted to the war effort was the highlight of the annual state 4-H Club Round-up which 1,234 club members and leaders attended for one week last June.

Classes organized for the Round-up program gave instruction in vital phases of food production and utilization and in activities vital to the war effort and contributing to citizenship building and morale improvement. Group activity permits exchange of ideas and gives opportunities for social contacts that make for greater development of the individual. Club members return home with new and inspirational ideas for more successful club work during the year to come, and for enrichment of rural home and community life.

It is at this time that a copy of the WHO'S WHOOT—official 4-H Club year-book is given out to each delegate and

finds its way into many Kansas homes throughout the state.

The Round-up program has ever been a worth while one; now more than ever is 4-H work and what it symbolizes of value to the family, community, state, and nation.

Contest winners during the week were:

Music Appreciation Contest: County winner: Montgomery County. High Individual: Wilma Hildebrand, Meade County.

Model Club Meeting Contest: Blue Ribbon Winners: Dickinson County, Butler County.

Band and Orchestra Contest: Blue Ribbon Winner: Dickinson County.

Who's Who 4-H Club

BERNARD KNOWLES

CONSTANCE LOFTHOUSE

CLARENCE ENGLE

Club members of the upper ten per cent of club work in the state of Kansas comprise the Who's Who 4-H Club—a state honorary 4-H Club. All members are at least fifteen years old, and have done outstanding work in community projects—being ranked in the upper ten per cent of club members in their counties. All of which deems membership in the club to be an honor well worth attaining.

New members to the club are chosen during the annual state Round-up each June when applications are considered by a committee for the club. Initiation services are held at this time and pictures of club members are taken for the WHO'S WHOOT.

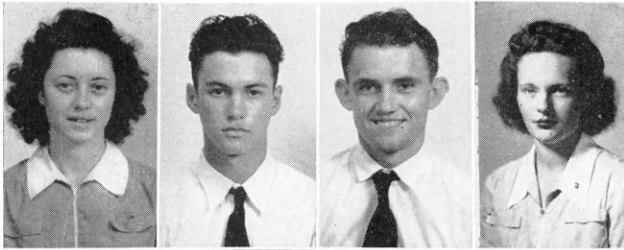

Retiring officers at last year's Round-up were Clair Parcel, Comanche County, president; Leslie Kohl, Sedgwick County, vice

president; Merna Vincent, Rice County, Secretary-treasurer.

New officers selected to serve until the 1943 Round-up are Clarence Engle, Dickinson County, president; Bernard Knowles, Saline County, vice-president; Constance Lofthouse, Ford County, secretary-treasurer.

A \$150 scholarship to Kansas State College is awarded each June by the Who's Who 4-H Club to an outstanding 4-H member of Kansas. The 1942 scholarship was awarded to James Shively of Allen County. Other winners in recent years are Louise Parcel, Comanche County, 1941; Clair Parcel, Comanche County, 1940—now in the Armed Forces; Theda Fayne Inslee, Pratt County, 1939, who graduated from Kansas State College this spring.

Kansas 4-H Club Work

A typical model club meeting group of Kansas 4-H Club members—the basis of Kansas 4-H Club work.

4-H Club work has been a big factor in bringing rural boys and girls in contact with the finer things in life including better practices in agriculture, home making, and community service. These boys and girls are trained for leadership. They receive actual experience in democratic living when they join a club and have a voice in planning a program that fits the practical needs of youth in the community.

Club work is conducted in every county in Kansas. Each member carries an agricultural or home economics project. In 1942, the value of these 37,817 projects amounted to more than a million and a half dollars. Boys and girls have a personal interest in the success of a project which yields a financial return and is vital to the war effort as is the production of food and construction and conservation of clothing and farm and home equipment. For 1943, every effort is being made to fit the entire program into the national situation. Clubs are working with the slogan "Feed a Fighter in '43" in mind. Every club is figuring on producing food equivalent to the amount necessary to feed a certain number of men in the armed service. Such activities as health programs, safety, and citizenship ceremonies have been revaluted and members

have been making a very real contribution to building good citizenship. 4-H Clubs have participated in all war drives; such as, collection of scrap metal, waste fat, selling and buying bonds, contributing to the Red Cross, and preserving food for school lunches.

To meet the war situation, membership-at-large permitting boys and girls to be club members even though far away from an organized club is being introduced. Also a war effort project is being set up to meet the needs of these members-at-large and of younger members.

The success of any community club is due in great part to the leaders who often are parents of club members and who give generously of their time and energy to make the organization a worth while one. Many of the older members step into 4-H Club adult leadership as soon as they get beyond 4-H age and thus are able to continue in the program.

As college students, Kansas 4-H Club boys and girls rank high in initiative, leadership ability, scholarship, and participation in worth while activities. It is a fact that 29.7 per cent of the students enrolled at Kansas State College are former 4-H Club members. Many of these students return to the farm after receiving a college education. Others find places in a great variety of responsible positions. Some return to Extension as agents, subject matter specialists, or supervisors.

4-H Club work reaches 20,000 youth enrolled in 1,051 community clubs. This year 77.5 per cent of all the projects undertaken in the state were completed.

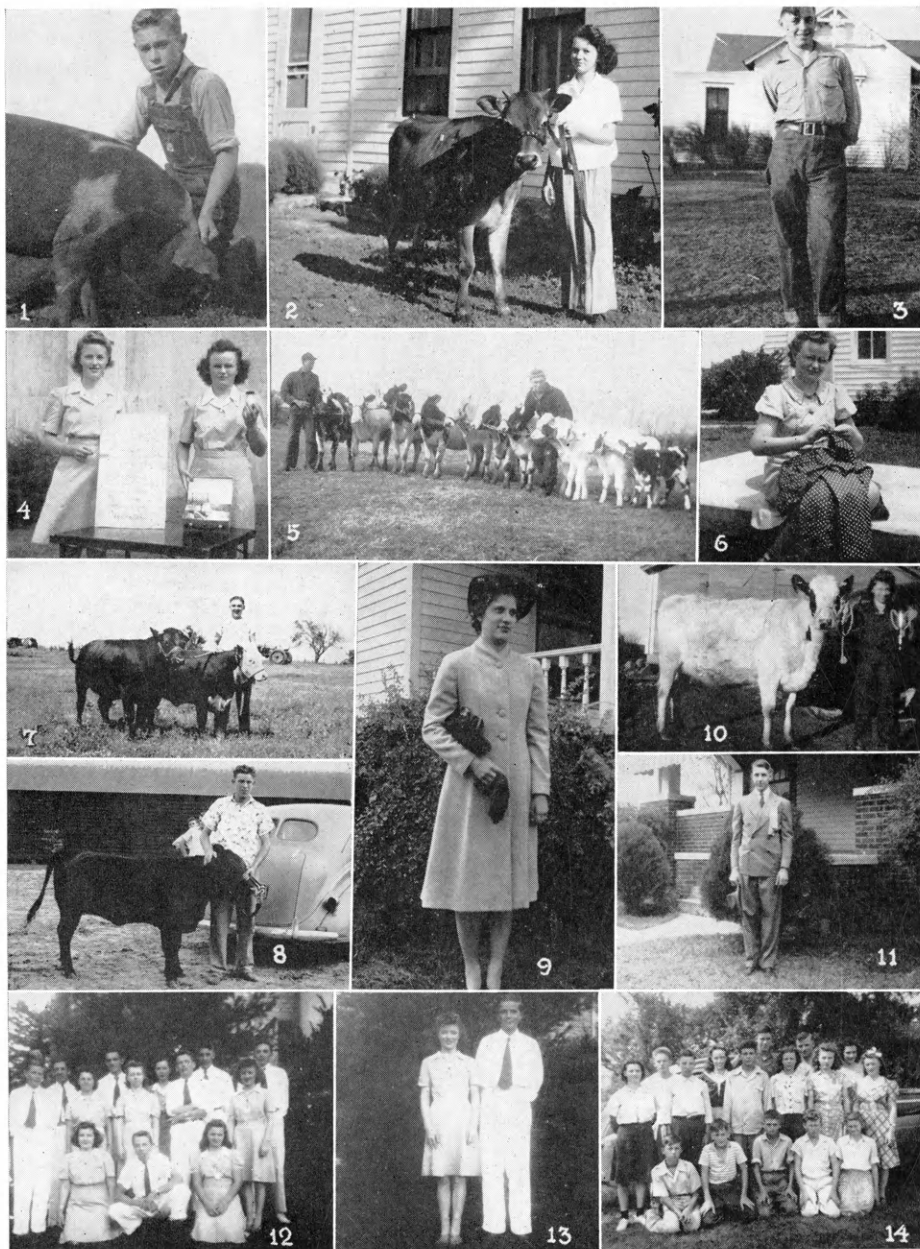

A million and a half rural youth including every state in the Union participated in club work last year. The program also reaches to Alaska, Hawaii, Puerto Rico, and Canada.

Allen

1. Orla Hurst, South Logan Club, and his dairy project. 2. Lora Nell Smoot of the Gas City Club models her clothing. 3. The county chorus at the district festival held at Chanute. 4. Rosalia Hess and her poultry project. 5. Warren Johnson, Rainbow Club, harvesting his flax project. 6. Delegates at Camp Cauble. 7. Merle Wolf, county poultry champion, and his chickens. 8. Max Dixon and Thelma Beard, county health winners. 15. Gerald Beard, Sunshine 4-H Club. 16. Pat Lamb and Lois Shue, broadcast team at Round-up. 17. Wilson County blue ribbon booth at the Fat Stock Show. 18. Dorothy Hayward and Meredith Cassel working on handieraft at camp. 19. Jack Bagby, Rainbow Rustlers 4-H Club. 20. Another blue ribbon booth at the Fat Stock Show from Wilson County.

Wyandotte

1. Bonner Springs Club enjoying an outing. 2. Beth Stratton, Union Pacific Scholarship winner. 3. Scene at 4-H Fair. 4. Winners in best groomed boy contest. 5. Style revue winners at 4-H Club Fair. 6. Russell Hart taking care of corn project. 7. Scene at 4-H Club Fair. 8. Booth at 4-H Club Fair. 9. Helen Olsen with sheep project. 10. Richard Partridge with his sheep project. 11. Dorothy Jean Hart with 4-H Club project. 12. Betty Yunghans and her 4-H calf.

New Friends

In Acknowledgment

We want to thank all of those who have made possible the publishing of this 1943 WHO'S WHOOT — the business firms who boost 4-H Club work, the members of the yearbook staff who have worked diligently and the counties who have submitted many fine snapshots of their local club program.

Lucille Owen
Betty Lou Wiley

and last but not least—

advertisers

give 'em a hand, folks—

"I bought my Baby PIG for 75c... and sold her three LITTERS for \$678.60. I used STALEY'S PRO-LASS PIG and HOG SUPPLEMENT all the way through."

4-H CLUB BOYS AND GIRLS... S-T-R-E-T-C-H FEED for PROFITS!

● WITH a scarcity of feed threatening to hamper food production, it is vital that unnecessary wastes be eliminated. Every precaution must be taken to utilize to the fullest extent the high protein feeds available.

The profits you make will not depend on demand . . . the demand exists . . . but on a sound feeding and management program. Start with good livestock and good baby chicks. Practice strict sanitation. Use good management, and feed STALEY'S well balanced rations.

Such a program will help your stock make rapid, uniform growth at low cost.

News of the Livestock Trade

Windsor, Mo., High School Boy Reports on Successful Marketing of 29 Pigs in Three Litters From 75-Cent Sow—More to Come.

YOUTHFUL success in hog raising was an interesting topic at the Kansas City stockyards yesterday following the receipt of a letter by Edgar Blomquist of the Martin, Blomquist & Lee Live Stock Commission company from George Stiles of Windsor, Mo., 13-year-old high school boy.

"I am a boy 13 years old," the letter said. "This is my first year in high school. I am going to give you a brief history of my hogs. I bought my spotted Poland China sow when she was a baby pig for 75 cents. She was the smallest of the litter. I raised her on the bottle. The ten hogs you hold for me last week were her third litter. In the three litters I have raised twenty-nine hogs. One litter averaged 220 pounds, one 225-pounds and one 215 pounds. They were all marketed before they were 6 months old. The average price per head has been \$23.40. I am expecting some more baby pigs soon. You may expect my next shipment around the last of September or the first of October."

"Of course I wouldn't say anything about her unless I could say something good. And, oh boy, is this good . . ."

— 4-H —

"Who was the first man?" asked the teacher of Cecil.

"George Washington was the first man. He was first in war, first in peace, and first in the hearts of his countrymen."

"Oh, no," said the teacher, "Adam was the first man."

"Oh, well, Teacher, if you want to bring foreigners in on it, you may be right," conceded Cecil.

— 4-H —

"It all comes back to me now," sang the skunk as the wind changed direction.

THE LAST OF THE MOHICANS

As lonely as a traffic cop

I mourn those sunny days of yore

When every spinster had a crop

Of beaux to rally 'round her door.

Today the one unmarried male

At large in our community

Is as elusive as a quail . . .

What's more, he's sixty-three.

— 4-H —

A man from a small town attending a convention in a big city, took in a show which featured the display of the maidenly form to a greater extent than that to which he was accustomed, and the next day he was obliged to go to an oculist to have his eyes examined.

"After I left the show last night," he explained, "my eyes were red and inflamed and sore."

The oculist examined his eyes, thought a moment and then remarked. "After this try blinking your eyes once or twice during the show; you won't miss much."

LOSS

A fidgety little man was searching on the floor beneath the theatre seat. Finally the woman next to him exclaimed, "What in the world is the matter with you? Have you lost something?"

"Yes'm," said the little man, meekly, "A caramel!"

"Do you mean to tell me you are making all that fuss over a caramel?"

"Oh, no, ma'am—it had my teeth in it!"

— 4-H —

"And please, Santa Claus," prayed the co-ed, "fill my stockings as well as God filled Betty Grable's."

— 4-H —

An elderly English gentlewoman strolled into a barn where a young man was milking a cow. With a snort she asked: "How is it you are not at the front, young man?"

"Because, madam," answered the milker, "there ain't no milk at that end."

4-H CLUBS TO THE FRONT

Millions of Americans probably never will know the difference between a beef steer and a dairy animal.

Yet, with the present shortage of food these consumers are already expressing a deeper interest and a higher regard for farmers and farming.

As exponents of science in agriculture the 4-H Clubs will enjoy even more prestige and recognition.

This is a source of keen satisfaction to Capper Publications, Inc., because this organization was a pioneer booster and supporter for the 4-H movement.

Further, our publications will continue to champion every worthwhile project which might help or improve the position of youthful farm boys and girls in Kansas and America.

HOW

KANSAS CITY BENEFITS BY LOW COST ELECTRIC SERVICE

- Careful, long-range planning by business management of Kansas City Power & Light Co. provided this great area with adequate, low cost electric power.
- This has been a deciding factor in bringing large war and other industries to Kansas City, a distinct benefit to the community.
- Customers receive almost twice as much electricity for their electric dollar today as they did in 1920. Rate reductions since 1938 alone have saved customers one and one-half million dollars.
- These lowered rates have been given customers in spite of steadily rising costs of materials, supplies and labor. City and community have benefitted from a policy of better electric service at low cost.

HOME OF THE AMERICAN ROYAL LIVESTOCK & HORSE SHOW

This is an old joke---but the meaning is still good!

This picture is of an angel sitting on a snow bank, drinking a glass of milk, with white clouds and doves in the background.

This picture is of a negro, in a coal mine, shining his shoes, with black cats and bats in the background.

Who can prove it isn't so?

There are a good many other things we could claim are in these pictures and just because they can't be seen no one can prove they aren't there. It's the same in business — any concern can claim almost anything in its advertising and no one can prove those things aren't actually there — neither can any one be sure they really are there. So why is it that some companies' statements are always questioned while other companies' statements are always accepted at full "face value"?

The answer is confidence — confidence in the company name — confidence that comes from many years of satisfactory business experience. 4-H Club members have traded — with confidence — at Sears ever since the club was founded. Long before that their parents and even their grandparents learned they could depend on Sears.

So when you read statements about Sears quality, Sears values, Sears savings and Sears guarantee, you know they are really "there" and not just an angel on a snow bank or a negro in a coal mine.

SEARS, ROEBUCK AND CO.

KANSAS CITY, MO.

It's a

QUIZ, KIDS!

And here's the 64-DOLLAR QUESTION:

Why is the Kansas City Daily Drovers Telegram the paper for 4-H and Vocational Ag students to read?

That's EASY! Here's the Answer:

- The Drovers Telegram reports in full all 4-H events and winners at the major fairs and shows.
- Its purebred livestock columns will guide you to quality animals for club projects, and keep you informed on their prices.
- Its market news and features will keep you informed and alert on the market situation.
- Its special features on farming and livestock will teach you new methods, keep you posted on new ideas in agriculture.

If you own livestock, the Drovers Telegram is your business journal

YOU SHOULD BE READING IT REGULARLY!

Wayne Good—"They say all good-looking men are conceited—but I'm not."

Howard Borchardt—"If silence is golden—I'll never be a millionaire."

Toomy Benton—"They say all great men are dead—and I'm not feeling very good."

Merle Eyestone—"He's one of the minute-men, always a minute behind."

Keith Jones—"I make Romeo look like a bashful boy."

Arleta Boyer—"I was once killed by a train-of-thoughts."

Harold Riley—"A good combination—Keen sense, common-sense, but mostly non-sense."

— 4-H —

An American Negro soldier and a German soldier were face to face. It was one or the other. The Negro reverted to his trusty razor. He swiped out at the throat of the German with a mighty heave. The German said, "Missed me." But the Negro told him, "Jes' you try to move your head."

Livestock Exchange

KANSAS CITY, MISSOURI

We maintain a complete organization and are
in position to give first-class service in the
handling of all kinds and grades of livestock.
Your continued patronage solicited and ap-
preciated.

The ability to listen with the eyes, to appear to be fasci-
nated while the portals of the ear close tight and the mind
goes off on pleasant journeys of its own, is a purely femi-
nine accomplishment. God gives that gift to woman so she
may stay married to the same man for years, and still
smile.

— 4-H —

College is just like the laundry — you get out of it just
what you put into it — but you'd never recognize it.

— 4-H —

Bride (shopping for a stove): "Please, I'd like a little
oven."

Salesman (suavely): "Certainly, my dear, but do you
think this is just the place for it?"

— 4-H —

Louise Parcel: "Are hours good for one?"

Betty Moate: "No, but they are all right for two."

— 4-H —

Diner: "Do you serve crabs here?"

Waiter: "We serve anyone; sit down."

OLD
In Reputation
NEW

In Spirit

We are proud of our reputation for fine workmanship and service that dates back to the gay nineties. We cherish old friendships made during four decades in the engraving business • This is one reason why we keep abreast of the times. Our clients deserve the newest and best that can be produced • We believe in the good new things of the day: We believe in modern design, modern methods and modern equipment

Joe Jagger was commenting last Friday on the fact that his wife had joined the WAAC's. "I only regret," he declared, "that I have only one wife to give to my country."

— 4-H —

Romeo! Romeo! Where art thou, Romeo?
 Up in the balcony, it's cheaper.

— 4-H —

"Stand at attention!"
 "I am, sir. It's the uniform that's at ease, sir."

— 4-H —

A kiss is a peculiar proposition;
 Of no use to one, yet absolute bliss to two.
 The small boy gets it for nothing,
 The young man has to steal it,
 The baby's right, the lover's privilege,
 The hypocrite's mask.
 To a young girl, faith; to a married woman, hope.

— 4-H —

Senior—"I'm on my way to a picnic."
 Frosh—"Where's your lunch?"
 Senior—"Oh, a stranger here, eh?"
