OF KANSAS

Dedication

Achievement of the goal is the ideal for which 4-H club members have been striving. It is to Dean Call who has expressed his confidence in our ability to achieve these goals, that we dedicate this book.

Honorary Members

- F. D. FARRELL..... *President of the Kansas State Agricultural College*
- M. H. COE*State Club Leader*
- MARGARET M. JUSTIN.....*Dean of Home Economics, Kansas State Agricultural College*
- A. J. SCHOTH *Assistant State Club Leader*
- L. E. CALL *Dean of Agriculture, Kansas State Agricultural College*
- H. UMBURGER..... *Dean of the Division of Extension, Kansas State Agricultural College*
- EDNA BENDER..... *Assistant State Club Leader*
- AMY KELLY *State Home Demonstration Leader*

Honorary Club Member

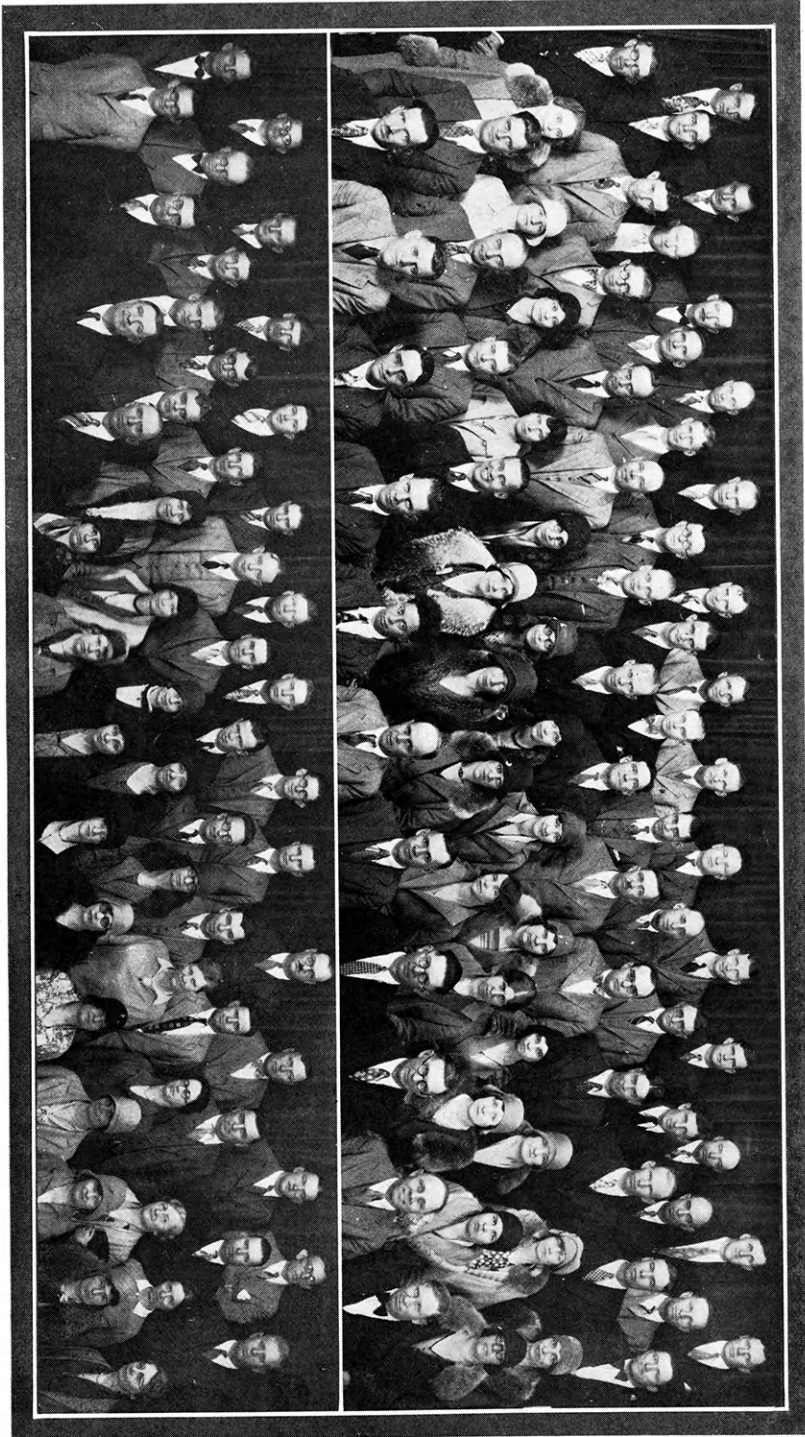

A spark of sunshine on a cloudy day—that is what Mr. "Jimmy" Hartley and his harmonica seem in the midst of our 4-H Club gatherings. Always happy and everybody's friend, this royal entertainer has found a place in the hearts of all who know him. Music has been called the next thing to heaven, and when Mr. Hartley starts his harmonica warbling it seems closer yet.

Personality and entertainment are by no means the limits of this well-loved character. He is teaching us to reproduce the wonderful music so we can share it with our friends. At least one thousand Kansas 4-H members are now playing the harmonica due to Mr. Hartley's guidance. More music and more joy go hand in hand in our club work. No longer does a gathering seem complete without him. He has been with us at our state fair encampments for the last three years, and has attended our last two round-ups. It is with a real thrill of pleasure that we look forward to seeing Jimmy again.

"THE EXTENSION FORCE"

Whos Who Officers

LOIS STARBUCK, *President*HAZEL HEDSTROM, *Secretary*ELLEN BLAIR, *Vice President*LEONARD REES, *Treasurer*

The Who's Who 4-H Club represents the outstanding ten per cent of the club members of the state. Candidates are chosen each year at the 4-H Club Round-up.

Officers are elected to serve for a term of one year. Last year's officers have served efficiently and faithfully and have shown by their records and achievements that they have made their election into the Who's Who Club a stepping stone for greater achievement.

The object of the club is to stimulate interest in leadership and 4-H Club activities in the club member's home community and to give special recognition of honors to those most active in this work. The club members have been instrumental in increasing the enrollment of club members in the state.

Kansas Collegiate 4-H Club

BEN KOHRS, *President*

LEONARD REES, *Corresponding Secretary*

EBUR SCHULTZ, *Vice President*

JOE GREENE, *Secretary-Treasurer*

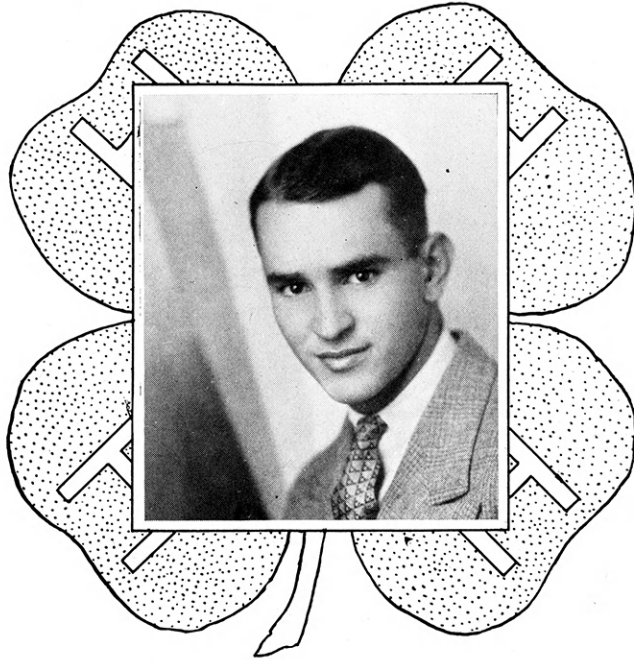

The Collegiate 4-H Club was organized December 12, 1927, by a group of former 4-H club members and leaders attending college. The purpose of the organization is to promote a wider acquaintance among its members, to maintain and increase their interest in club work, to develop leaders in the field of club work, to aid in any campus activity relating to club work, to further the best interests of the Kansas Agricultural College, and to interest other club members to come to this college.

During the first semester of the organization's existence the organization set forth as a goal the establishment of a 4-H Club Loan Fund for 4-H club members attending college. This goal was reached on December 20, 1929, when the Club turned over to the Alumni Association for administration the sum of \$1,000.

In the fall of 1928, the Club took over the editing of the *Who's Whoot*, a year book of Kansas 4-H club members and their achievements. The book was enlarged from forty-eight pages to sixty-four pages. The price was lowered, and instead of only two hundred and fifty copies, fifteen hundred were printed and distributed to all the State 4-H Club Departments and the club members attending the State 4-H Club Round-up in the spring.

The Club fosters the broadcasting of 4-H Club programs over the radio every Monday and Friday from 4:30 to 5:00. The aim of the program is to interest 4-H Club members throughout the State and elsewhere in the Kansas State Agricultural College and inform them of the experiences of those attending college.

Leaders

Leonard Rees of Dickinson County was declared the outstanding boy in Advanced 4-H Club Leadership work in Kansas for 1929. By virtue of this distinction he won the \$150 Folger scholarship to the Kansas State Agricultural College. This scholarship is offered annually by the Folger Coffee Company of Kansas City, Missouri, for the outstanding leader in 4-H Club activities.

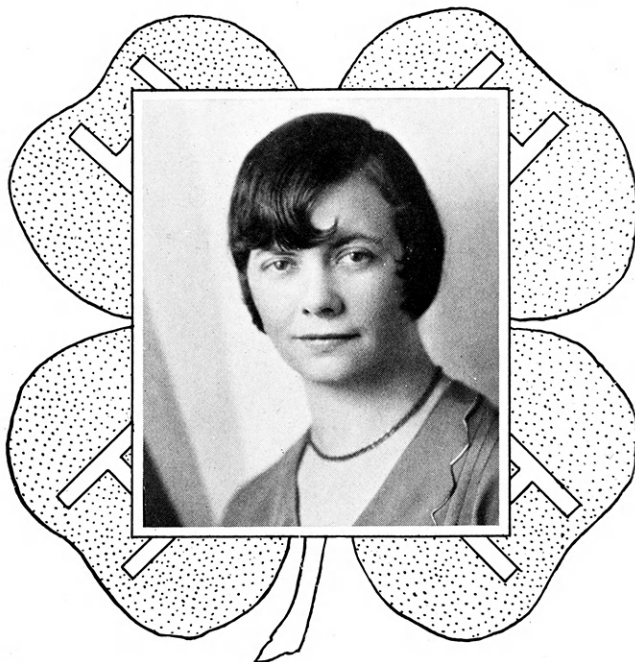

Rees has been a 4-H Club member since 1925. Included in his activities of 4-H Club work is the completion of eleven different projects. He holds the unusual distinction of having assisted in the leadership of his club ever since he became a 4-H Club member. One of the most notable trips awarded him was a trip to the National 4-H Club Encampment, Washington, D. C., in 1928. For two years he was president of his community 4-H Club.

At the present time this youthful farm leader is especially active in 4-H Club activities along with his college work at the Kansas State Agricultural College, being one of the best boosters of the Collegiate 4-H Club.

Of Merit

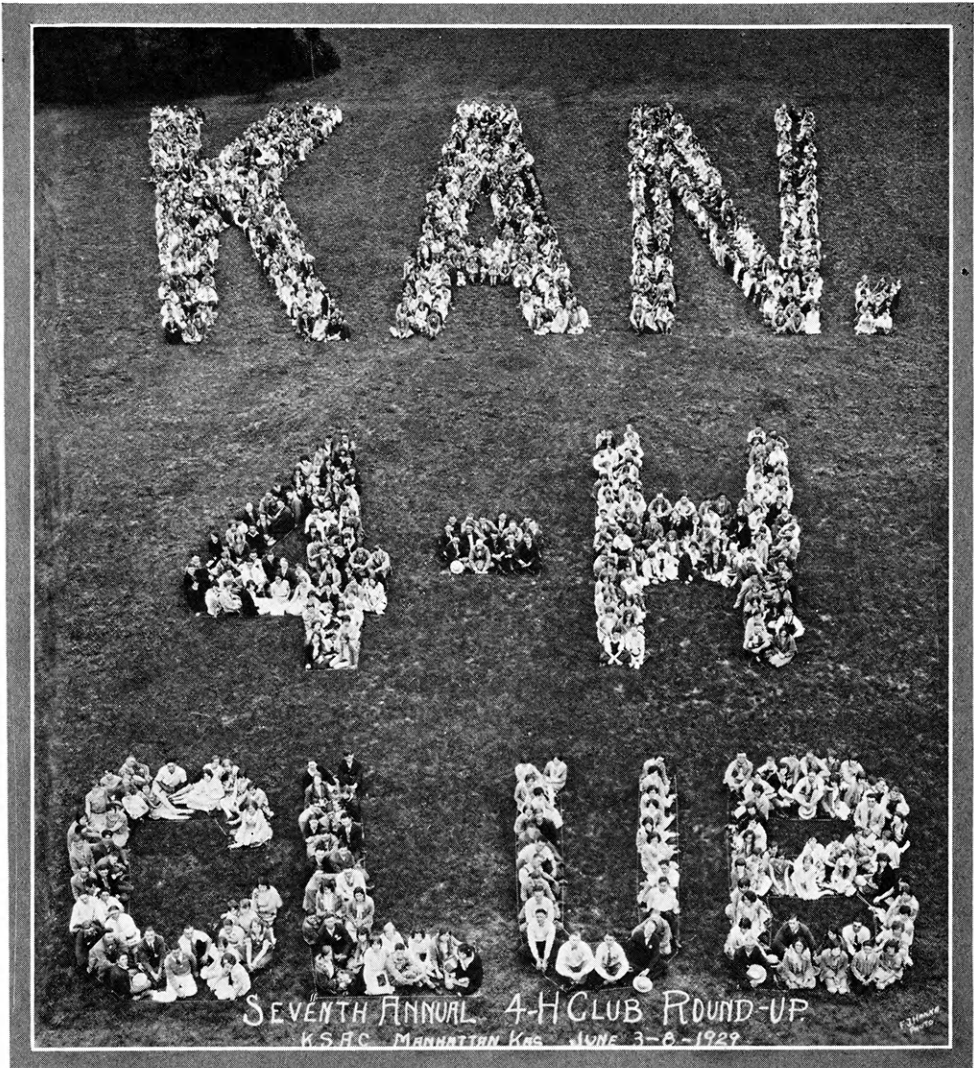

Edith Painter of Meade County was awarded the Folger scholarship for being the outstanding girl leader in Kansas 4-H Club activities for 1929. Like the award for the outstanding boy leader this \$150 scholarship to the Kansas State Agricultural College is given annually by the Folger Coffee Company of Kansas City for Advanced Leadership work in the 4-H Clubs of Kansas.

Since 1922, Miss Painter has been actively engaged in the 4-H Club activities in her county. She has completed three years of sewing, three years of foods, and three years of leadership work. She was a member of the judging team that competed at the National Club Congress and International Livestock Show in Chicago in 1925. She was State Home Economics Champion in 1925 and president of the State Who's Who 4-H Club in 1926.

While attending the Kansas State Agricultural College the past two years she has continued her interest in 4-H Club work, and is one of the leaders in the Collegiate 4-H Club, an organization comprised only of former 4-H Club boys and girls who are now attending college.

1929 4-H Club Round-Up

The seventh annual 4-H Club Round-Up was the most successful in the history of club work in Kansas. More than thirteen hundred outstanding 4-H Club folks, representing sixty-six counties gathered on the Kansas State Agricultural College campus, June 2 to 8 for this notable feature of 4-H Club work. The usual custom of housing the boys in the Nichols Gymnasium and the girls at Van Zile Hall was followed. All meals were taken at the College Cafeteria.

The program consisted of a series of interesting features such as instructional work on 4-H projects or those related thereto, music contests, nature studies, sight seeing trips, athletics, educational tours, and a number of similar projects of interest and help to 4-H Club people. With this special entertainment and the influence of competent leaders, every boy and girl was inspired with new and greater ideals.

In connection with the program, special attention should be given to visitors of merit who gave an added stimulus to the Round-Up through their worthwhile contributions. Some of these outstanding personages are given below: Miss Margaret Streater of the Victor Talking Machine Company; Mrs. Edna Bowling Bush of the Farmer's Wife; Mr. James Hartley of the Hohner Harmonica Company; Miss Ellen Pennell of the Successful Farmer; Mr. George Catts, Agricultural Commissioner of the Chamber of Commerce, Kansas City, Mo.; Mr. L. B. Pollom, Supervisor of Vocational Agriculture. More than twenty-five departments on the campus co-operated and assisted with the program at the Round-Up. Thus the entire affair was truly an all-college activity. A special program was arranged for the 200 leaders who were in attendance for the entire time during the four mornings of the Round-Up week.

Sincere appreciation should be expressed for the enthusiastic support and encouragement given by President Farrell, Dean Umberger, and the entire extension division in connection with the Round-Up.

Competition was practically doubled in the contests which fact made them more interesting as well as more satisfactory.

The winners of the various contests were:

CONTESTS AND DEMONSTRATIONS

HEALTH—

Mildred Snouffle, Miami County.
Donald Wilson, Reno County.

STUNT NIGHT (16 contestants)—

Saline County—Spring Salad.

CHORUS CONTEST—

Montgomery County.

HOME ECONOMICS—

Shawnee County.

MUSIC MEMORY CONTEST—

County—Lyon County.
Julia Ellen Crow—Shawnee County.
High Individual (Violin).

AGRICULTURE—

Pratt County.

ORCHESTRA CONTEST—

County—Sedgwick County.

NEWS WRITING—

Josephine O'Brien, Labette County.

JUDGING TEAMS

BAKING—

County—Saline.
Individual—Ruth Wilson, Saline.

CLOTHING—

County—Bourbon County.
Individual—Rose Marie Knocke,
Miami County.

LIVESTOCK JUDGING—

County—Brown County.
Individual—Howard Scheutz,
Brown County.

POULTRY JUDGING—

County—Norton County.
Individual—John Ary, Edward County.

DAIRY JUDGING—

County—Norton County.
Individual—Arden Booth, Brown County.

GRAIN JUDGING—

County—Pawnee County.
Individual—Walter Heedel, Geary County.

The Master 4-H Club

Top Row left to right: Lloyd Davies, Lyon Co.; Boyd Worthington, Harper Co.; Ben. Kohrs, Dickinson Co.; Leonard Rees, Dickinson County.
Bottom Row: Lois Starbuck, Sherman Co.; Nola McCormick, Sedgwick Co.; Mary Hellmer, Lyon Co.; Ellen Blair, Franklin County.

The Master 4-H Club is an honorary organization of 4-H Club members who have won trips to the National 4-H Club Encampment, Washington, D. C. The Club was organized at the Seventh Annual 4-H Club Round-Up held on the campus of the Kansas State Agricultural College in June, 1929.

The purpose of the organization is to link together the National 4-H Encampment delegates by meeting once each year at the 4-H Club Round-Up. The membership now consists of the delegations of 1927, 1928, and 1929. The 1927 delegation consisting of Lois Lumb, Clay County; Mary Tilton, Lincoln County; Frank Parsons, Sherman County, and Frank Zitnik, Cherokee County. The 1928 delegation of Lois Starbuck, Sherman County; Nola McCormick, Sedgwick County; Lloyd Davies, Lyon County, and Leonard Rees of Dickinson County. The 1929 delegation of Ben Kohrs, Dickinson County; Ellen Blair, Franklin County; Mary Hellmer, Lyon County, and Boyd Worthington of Harper County.

These members can rightfully be proud of their new organization as it is the first of its kind to be organized in the United States.

NATIONAL ENCAMPMENT DELEGATES TO WASHINGTON, 1930

From Left to Right—Miss Amy Kelly, State Home Demonstration Leader; Boyd Worthington, Harper County; Miss Mary Hellmer, Lyon County; Ben Kohrs, Dickinson County; Miss Ellen Blair, Franklin County; Mr. M. H. Coe, State Club Leader.

For the third time approximately a hundred and fifty delegates from forty-one states and Hawaii gathered on the Mall of the United States Department of Agricultural grounds at the National Capitol, Washington, D. C., in the interest of 4-H Club work.

The program was divided into sight seeing trips, discussional conferences and camp fire meetings. At the conferences, problems of 4-H club work were discussed and suggestions for their betterment were made. Sight-seeing trips were taken to the Library of Congress, The Capitol, Pan-American Union Building, National Museum, Arlington Cemetery, Mount Vernon, Bureau of Printing and Engraving, Lincoln Memorial and others.

Mrs. Hoover's visit to the Camp and her invitation to the club members for them to come and visit, as she stated it, "Her part of the White House" will always be one of the most treasured of all the trips.

The Kansas delegation on its way home stopped off for a day in Chicago to see the prominent buildings and visit Mr. G. L. Noble, Secretary, National Committee on Boys' and Girls' Club work. A day's boat excursion on Lake Michigan proved to be a great experience for those who had not ridden on large bodies of water.

This 4-H Club year book is published annually to show the rapid changes and improvements that are taking place in Kansas 4-H Club work and to give club members and others throughout the state an opportunity to know about 4-H achievements.

This is the second year the Collegiate 4-H Club composed of former club members assumed the responsibility of editing the Who's Whoot as their contribution to the furtherance of club work. We hope its enlargements and improvements meet with the approval of its readers.

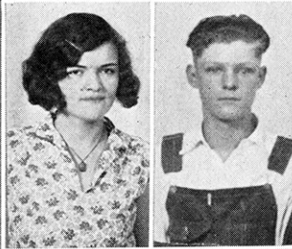

The staff wishes to thank all of those who have co-operated, and we wish to commend to our readers, those firms who have shown their interest in club work by taking advertising space in this book.

AIRPLANE VIEW OF K. S. A. C. CAMPUS

Kansas 4-H Club Radio Program

Radio programs are broadcast regularly Monday, Tuesday, Thursday and Friday at 4:30 o'clock from station KSAC, Manhattan.

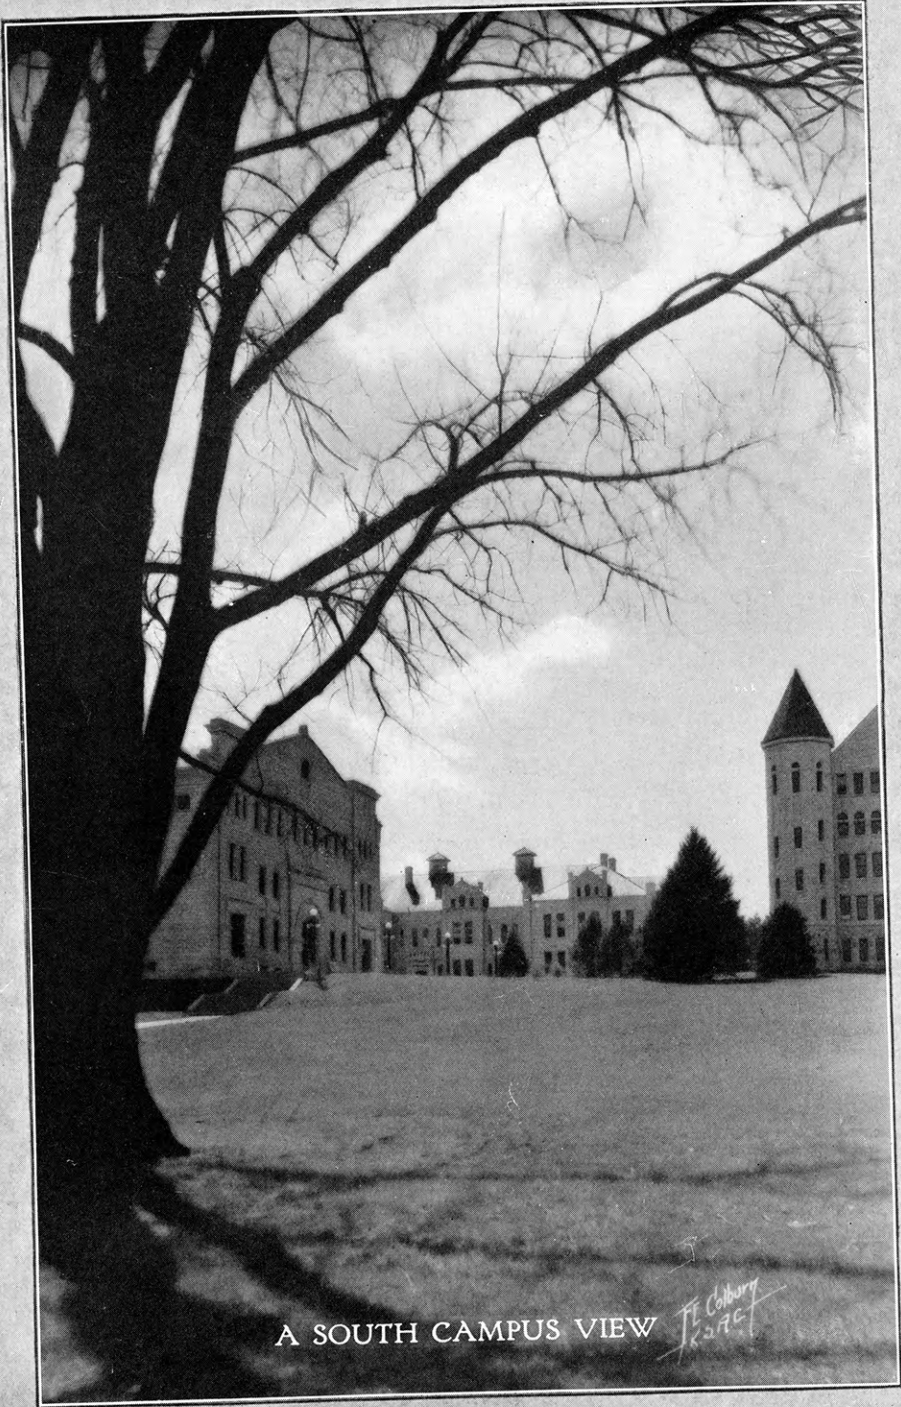

4-H radio programs from this station were inaugurated in October, 1926, with the purpose of presenting educational, inspirational and interesting material for club members, leaders and others interested in club work. The programs are divided into three parts—music for club members; and inspirational or practical talks and a third part devoted to news items, announcements, club reports, poems and other material. News of club meetings and items of state wide interest should be sent to the club department for the radio programs. Music and short talks are furnished by the Collegiate 4-H Club members; all former club members have an opportunity to take part in the programs.

On Tuesday and Thursday evenings music appreciation programs are broadcast and club members should become familiar with the musical compositions played each day.

The Kansas Club programs are heard by Nebraska, Missouri, Oklahoma and Kansas club members each day and frequently by members in other states more distant.

Reports from club members and leaders throughout the states show the Kansas Club programs are interesting and entertaining and have proved a great success.

The Beatrice Cream station maintained in your community provides a constant and dependable cash market at all times.

Beatrice Creamery Co.

Topeka, Kan.

Mr. Coe: "Did you ever see a Scotchman give six cents for a Hershey bar?"
Miss Bender: "No."
Mr. Coe: "You never will."

Dear Coach Dawson: "I am an ardent basketball fan, and I think I know something about the game; but will you please tell me who the man is that runs around blowing a whistle and stopping the boys just when they get going."—Exchange.

Some people don't have to turn out the light to be in the dark.

It's no wonder some women look faded—they are always casting withering glances at the men.

Many single men long for the peace and quiet of married life—so do two-thirds of the married men.

An Indiana editor wants to know what has become of the old fashioned mugs in barber shops—being shaved as usual.

Marion Davis: "What has eight legs and sings?"

Earl R: "A quartet."

Ethel B.: "What tree runs around the yard?"

Anna C.: "I don't know: what's the answer?"

Ethel B.: "Poultry."

Latin is a dead language,
As dead as dead can be.
It killed off all the Romans,
And now it's killing me.

Motorist (to lad he has just given a ride). "You don't often get a ride in a fine car. do you?"

Boy: "No, sir. The swell ones always pass me up."

When you hand the street-car conductor an old five dollar bill and he asks you if you haven't something smaller, be nonchalant and hand him a new five dollar bill.

Harvey Ott (at bakery)—"Gimme five cents' worth of holes with dough around 'em."

Edna: "They're going to stop all the street cars tonight."

Roma: "Why?"

Edna: "Oh, just to let the people off."

James Honeyman (upon seeing a group of magazine racks which were painted in two colors:) "Say, Mr. Haddock, what kind of paint is that?"

Mr. Haddock: "Why that's striped paint."

James: "Striped paint! I'd like to see some."

Haddock: "Well, it is over there in the cupboard. Go take a look."

(After searching through the cupboard for some time the puzzled student finally gave up the search.)

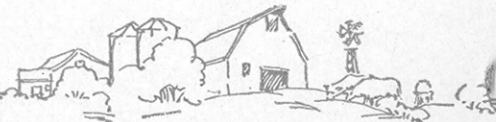

"This is your last chance," said the professor. "Study hard between now and examination—papers are in the hands of the printer. Are there any questions?"

"Who's the printer?" said a timid voice in the rear of the room.

YOUTH

Fortunate is the young man or young woman who stands on the threshold of life today. Never in history has there been greater opportunity for achievement.

Science has opened up possibilities undreamed of yesterday. Great strides are being made in the business world, in the commercial world, and most of all in the agricultural world.

Agriculture, the oldest occupation known to man, has followed something of a "hit and miss" method. But inspired by scientific research, by careful thought and planning, agriculture is taking its rightful place in world affairs.

"Without a vision the people perish." The 4-H Club work is creating a vision among a group of highly intelligent young people that will make farm homes the finest kind of homes in the world.

The 4-H Club is building ideals, training for leadership, and best of all it is laying the foundation for true education—the art of living.

Kansas Livestock Association

Owner and Publisher of

THE KANSAS STOCKMAN

semi-monthly publication devoted to the best interests of the live stock industry including beef and dairy cattle, hogs and sheep.

The Kansas Livestock Association is a mutual organization composed of substantial farmers and stockmen in every County in Kansas. Those who are not members now are invited to join. The annual dues of \$2.00 covers all expense.

Jesse C. Harper, President
Sitka, Kansas

J. H. Mercer, Secretary,
Topeka, Kansas

"Where are you going?"
"I'm trying to find where those pigeons live."
"What for?"
"Want some holes for my desk."

TWO KINDS

"Belle has a model husband."
"Sport model or working model?"

John H. "The hydrant, the cabbage, and the tomatoe ran a race. Which do you think won?"

Joe G. "Don't know; which?"

John H. "The cabbage came out ahead, the tomatoe is still to catchup, while the hydrant is still running."

Dick: What is the difference between the North pole and the South pole?"

Henry: All the difference in the world.

The Coach's Individuality

Football Coach (to player: Remember that football develops individuality, initiative, leadership. Now get in there and do exactly as I tell you.

Youngster: Mother. why is daddy so nearly bald?

Mother: Because he does a lot of thinking, my son.

Youngster: But why have you got so much hair mother?

Suffocated

Street Car Conductor: Madame, this transfer has expired.

Miss Bender: Well, you can't expect much else with the cars so poorly ventilated.

Forces Behind Agricultural Kansas

The 4-H Club program of training for boys and girls represents one of the greatest forces in Kansas agricultural and livestock development. The Kansas Free Fair stands wholeheartedly behind every 4-H club activity.

Kansas Free Fair Topeka

SEPTEMBER
8 to 13

A. P. BURDICK,
Secretary

Athletics are interfering with study, says one of our college presidents. The three Rs of today seem to be Rah! Rah! Rah!

A man was struggling with an empty van at the entrance to a shed which abutted on the road. A kind-hearted fellow who was passing observed his difficulty and went to his assistance. After half an hour's efforts the first man said, "It's no use, mate; we can't push it in."

"Push it in," replied the newcomer. "Good heavens! I thought we were pulling it out."

Mr. Coe: Now as you all know, the law of gravity explains why we stay on earth.

Gaylord Munson: But how did people stay on before the law was passed?

Not so dumb!

THE SENIOR'S ADVICE

The more you study,
The more you know,
The more you know,
The more you forget,
The more you forget,
The less you know.
So why study?

The less you study.
The less you know,
The less you know,
The less you forget,
The less you forget,
The more you know,
So why study?

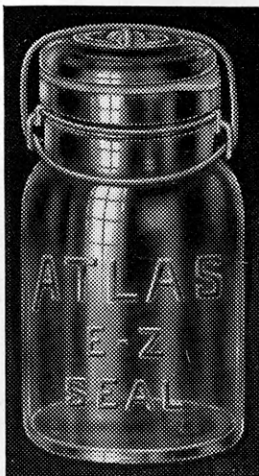

Only Face He Had, Too

A small St. Louis boy was sent with a note to the clinic doctor. The note ran:

"Please will you do something to Willie's face. He's had it for a long time, and it's spreading."

Have you received copies of
 Hazel-Atlas Glass Company's two NATIONAL

F. H. Betton, General Superintendent

L. G. Trickett, Secretary-Treasurer

I. P. Haren, Assistant Secretary & Treasurer

Officers of the American Royal Live Stock Show

Jas. C. Swift, President

W. H. Weeks, Vice-President

F. H. Servatius, Secretary

A. M. Paterson, Assistant Secretary

Earl Cain: What are you trying to do, rob the cradle. Phyllis? I saw you with Bud Sturgeon.

Phyllis: Are you jealous, Earl?

Miss Barkley (while explaining a theorem in geometry): Now watch the board while I go through it again.

Vernon F.: What would I have to give you to get a kiss?

Lois S.: Chloroform.

"Just my luck," said the prisoner as he threw the magazine across his cell in disgust, "nothing but continued stories and my execution is fixed for Friday."

A Bad Break

Instructor (to girl learning to drive): "Now, when you want to stop you must put on the brake."

Girl: "Oh! Why I thought the brake came with the car."

JOHNSON'S HATCHERY

BABY CHICKS AND CUSTOM HATCHING

218 West 1st Phone 4507 Topeka, Kan.

Every chicken in the flocks producing eggs for our hatchery has been rigidly culled and standardized for type, color, size, production, health and vigor and is free from disqualifications.

Every chick hatched in our incubators is B. W. D. controlled.

THE NATIONAL 4-H CLUB MAGAZINE

250 Glover Building Kansas City, Mo.

Owner of Dude Ranch—Yes, I can fix you up with a horse to ride. Do you want a flat English saddle or a saddle with a horn?

Ben Kohrs—Give me the English saddle. I don't believe there is enough traffic out here to use a horn.

A Ford car going along a country lane met a donkey and the following conversation took place:

The Donkey: "Good morning. What are you?"

The Ford: "I'm a motor car. What are you?"

The Donkey: "I am a horse."

Earl Johnson (to Frank Z. eating on an apple): "Look out for the worms, Zitnik."

Frank Zitnik: "When I eat an apple the worms have to look out for themselves."

You asked why a hen stands on one foot. Why, if she lifted both feet she's fall down.

Howard K.—“Murrel, you are the dummmest member in our club.”

Murrel A.—“Well, you don't have to go around bragging about it.”

Wanted—Man for gardening, also to take charge of a cow who can sing in the choir and play the organ.

Alice A.: Well I finally got in the movies.

Edith P.: You really did? How?

Alice A.: Oh, I paid the usual fifty cents.

Mrs. Flannagan—“Oi wanta pair of shoes fer moi boy.”

Salesman—French kid, ma'am?”

Mrs. F.—“No; he's Irish.”

Scotch Jokes

“Take longer steps, Jack,” advised the Scotch parent, “then you won't wear out your shoes so quickly.”

Officer: “Hey, where d' yuh think you're goin'?”

Mr. Dawson: “Be easy on me, officer. This is the first time I haven's had my wife along to tell me.”

.....Hatching Chicks

that's our business

We have the finest equipment and the best flocks obtainable. Nothing but pure-bred, strong, healthy, fully tested stock of exceedingly high egg type, real money makers in every sense of the word.
