A WAY TO A HAPPY NEW YEAR

To leave the old with a burst of song,  
To recall the right and forgive the wrong;  
To forget the thing that binds you fast  
To the vain regrets of the year that's past;  
To have the strength to let go your hold  
Of the not worth while of the days grown old,  
To dare go forth with a purpose true,  
To the unknown task of the year that's new;  
To help your brother along the road  
To do his work and lift his load;  
To add your gift to the world's good cheer,  
Is to have and to give a Happy New Year.

- Robert Brewster Beattie

THE VICTORY FFA CONVENTION  
Bob Jones, Ottawa Chapter  
Kansas Delegate Number one \*

Our Victory FFA Convention was the most inspiring meeting I have ever had the pleasure of attending. The fellows whom I have met there are certainly "tops". When a group of boys get together and conduct their meetings in such an orderly and business-like manner, it is an occasion that will always be remembered.

I believe our organization is the greatest farm boy organization in America. This fact is recognized by truly great men, and was expressed by several speakers of National importance who were on our program. This shows that industry and the rest of the nation realize our position as it relates to present day agriculture.

In our business sessions we rejected the proposal that the number of American Farmers be changed from one per thousand members to one per five hundred members. Also voted down was the proposal that any Gold Emblem winner in the national better chapter contest, be barred from competition for two years after winning the Gold Emblem award. Local and state associations were urged to give more support to the Future Farmers of America Foundation, Inc.

As a member of the nominating committee, I had an opportunity to see first hand the quality of the officer candidates. Every boy interviewed had an outstanding farming program and an excellent leadership record. Almost without exception every delegate to the convention was either a Star Farmer of his state, or was an outstanding state FFA officer. I am sure that the boys who were elected to be our national officers for the coming year are worthy, and will work hard toward making it better.

I think that our State Association should have one experienced delegate at the National Convention each year, for it helps to keep our delegates better informed as to what is going on at the national convention. An experienced delegate also helps to keep Kansas out in front during discussion and in other activities connected with the convention.

I wish to thank the Kansas association for the opportunity of serving it as delegate to our national convention. It was truly an honor and a privilege.

Lose the day loitering, 'twill be the same story  
Tomorrow, and the next more dilatory,  
For indecision brings its own delays,  
And days are lost lamenting o'er lost days  
Are you in earnest? Seize this very minute!  
What you can do, or think you can, begin it!  
Only engage, and then the mind grows heated;  
Begin it, and the work will be completed.

- Goethe.

NATIONAL FFA CONVENTION  
Richard Chase, Eldorado Chapter  
Kansas Delegate Number Two\*

FFA members of Kansas, you may indeed feel proud of the honors which your state received at the Victory FFA Convention of our National Organization. Marshall Schirer, Frederick Kissinger, Allen Windhorst, and many other Kansas boys represented our State Association well and should be congratulated.

Bob Jones, Bill Edwards and I had the honor to act as delegates from the Kansas Association. Bob was delegate number one, having gained experience from the two previous conventions, while Bill and I served as delegate number two - my serving the first two days and Bill the last two days of the convention.

The National officers who presided at the convention conducted all meetings with the utmost efficiency. I'm sure that everyone present was appreciative of the planning and work which kept this convention of national scope running so smoothly.

This convention should be a challenge to each of us. Let us plan our work more thoroughly, work with the tools at hand more vigorously. May the Memorial Service stir us to peaceful thinking, and the American Farmer ceremony remind us that there are goals not yet attained.

I wish to thank the State Association with the deepest sincerity for giving me the privilege of representing it at the Victory Convention. It was a responsibility which I shall long remember with most pleasant memories.

\* - Served as delegate No. 2, October 21 and 22.

NATIONAL FFA CONVENTION  
Bill Edwards, Emporia Chapter  
Kansas Delegate Number Two\*

I attended the National Victory Convention in Kansas City as a delegate of the Kansas Association. I was greatly impressed by the ceremonies and programs. The retiring officers gave addresses which I cannot describe in words, but each gave ample proof of his sincerity of purpose, and loyalty to the Future Farmers of America organization.

I am very grateful that I was permitted to attend this National Convention and to meet all the men responsible for its success. I met boys from every state and made many new friends. You can't imagine the great size of the National FFA Convention. There were estimated to be 15,000 Future Farmers present.

I wish to express my thanks to the Kansas Association for the opportunity of attending the Victory FFA Convention, and it is my hope that in the future every Future Farmer may have an opportunity to attend a National FFA Convention.

\* - Served as delegate No. 2, October 23 and 24.

1946 DISTRICT FFA LEADERSHIP SCHOOLS

The first district FFA "Officers Training School" was sponsored by the Shawnee Mission chapter in 1931. Each year since, with the exception of 1942, district FFA Leadership Schools have been conducted in Kansas.

The 1946 district FFA Leadership Schools were held in eleven centers, the centers being selected with a view to equalizing the travel distance.

The purpose of the FFA Leadership School might be classified in three categories, namely: (1) ritualistic improvement; (2) broaden knowledge of the FFA; (3) exchange of ideas on building and executing a worthwhile program of work.

The 1946 FFA Leadership Schools were organized in such a manner as to give maximum emphasis to boy participation. Much credit for the success of the 1946 FFA Leadership Schools must be given to the state FFA officers who assisted, local FFA advisers, and the local chapters assigned special roles on the program.

The following rankings will be of interest to all FFA members and advisers who attended a Leadership School, and should prove of interest to all Future Farmer members.

The high ten individuals in the state in the FFA Information Contest:

1st - Marvin Abitz, Onaga Chapter	99 points
1st - Eldon Shafer, Holton Chapter	99 points
1st - Keith McComb, Stockton Chapter	99 points
1st - Harold Thole, Stafford Chapter	99 points
1st - William Williams, Emporia Chapter	99 points
6th - Francis Jorgensen, Beloit Chapter	98 points
6th - Doyle Peaslee, Stockton Chapter	98 points
6th - Dean Thompson, Stockton Chapter	98 points
6th - Earl Bigge, Stockton Chapter	98 points
6th - Carl Martin, Colby Chapter	98 points
6th - Lowell Brown, Williamsburg Chapter	98 points
6th - Lester Pauls, Inman Chapter	98 points
6th - Wayne Stitt, Chanute Chapter	98 points

Eight boys tied for fourteenth place with a total score of 97 points.

\* - Total possible points in the 1946 FFA Information Contest equalled 101. From the above individual scores, it is evident that the FFA Leadership School is attaining the second purpose above listed.

To the Stockton chapter goes the honor of placing four boys in the high ten individuals in the state in the FFA Information contest.

## Leadership Schools (continued)

The high ten chapters in the state in the FFA Information Contest:

1st - Stockton, F. A. Blauer, Adviser	478 points
2nd - Emporia, Emory Groves, Adviser	474 points
3rd - Stafford, E. P. Schrag, Adviser	472 points
4th - Colby*, Ronald King, Adviser	470 points
5th - Beloit, Howard Bradley, Adviser	469 points

7th - Chanute, Chas. O. Carter, Jr., Adv.	463 points
8th - Onaga, Leonard Ottman, Adviser	458 points
9th - Alton, Everett Yoxall, Adviser	456 points
10th - Cherryvale, C. H. Young, Adviser	453 points

\* - Due to an error in the state office, too few copies of the FFA Information Test were sent to the Colby District Leadership School. Copies were available only for three-men teams. In compiling the team scores for the Colby District Leadership School, the figures were converted to a five man team by dividing the three man total score by three and multiplying the quotient by five.

The following rankings give the high five individuals, the high five chapters in the FFA Information Contest, and the high five schools in the FFA Ritual Contest for each of the 11 district FFA Leadership Schools:

 Richard Newell, Stafford Chapter

## Leadership Schools (continued)

Rueben Bauck, Lyndon Chapter  
Dick Marrs, Arkansas City Chapter  
Harold Johnson, Haven Chapter  
Lee Burroughs, Chanute Chapter

The Colby Chapter dramatized the FFA Creed at the Colby District FFA Leadership School. Anyone interested in this plan of presenting the Creed should write Ronald B. King, adviser, Colby Chapter.

The Manhattan Chapter pictorialized the FFA Creed at the Clay Center District FFA Leadership School in 1945. A description of this plan is set forth on page 9 of the November, 1945, issue of the Kansas Future Farmer Newsletter.

The more FFA members know about the Future Farmers of America the greater will be their respect for the organization. FFA officers (and advisers) too often are not adequately informed concerning the FFA. Ritualistic performance, especially the opening and closing ritual, constitute the "Show Window" of the FFA organization. It is important that all ritualistic performance be on a high standard, but especially important that the opening and closing ritual be well handled at all times. Parliamentary Procedure should be given more attention by chapter officers.

The 1946 FFA Information Test had a total of 101 possible points, as compared with 102 points in the 1945 test, 68 points in the 1944, and 79 points in the 1943 Information Test. The 15 Year FFA History, the FFA Manual, Volume XVII of the Kansas Future Farmer Newsletter, and the September number of the current year's issue of the Newsletter were used in formulating the 1946 FFA Information Test.

Reports indicate that a few chapters failed to participate in the opening and closing Ritual Contest due to the fact that some of the advisers had recently been discharged from the armed forces and had not had sufficient time to acquaint themselves with the full purpose of the FFA Leadership School. The state office wishes to express its appreciation for the fine spirit of cooperation evinced in each of the eleven districts in which FFA Leadership Schools were held.

CORRECTION

On page 29, November 1, 1946, issue of the Kansas Future Farmer, the Alton Chapter was listed as having placed third in the central area in the Hutchinson Fair booth exhibit. This was an error. Osborne Chapter, A. W. Miller, adviser, placed third instead of the Alton Chapter.

- -FFA- -

CONGRATULATIONS

Effingham Chapter, A. G. Jensen, adviser, with 92 paid up FFA members leads the chapters in the state association to date. Emporia Chapter with 68 and the Holton Chapter with 64 members rank second and third respectively.

ATTENTION REACTIVATED CHAPTERS

Reactivated chapters sometimes find part of the FFA paraphernalia missing or badly damaged. Early attention should be given to reconditioning or replacing any damaged or missing paraphernalia necessary to comply with objective number sixteen, 1946-47 Kansas Association of FFA Program of Work, as set forth on page 8, September 15, 1946, Future Farmer Newsletter. The state FFA office at Manhattan, Kansas, can furnish the following:

Charter*	.50¢
Creed*	no charge
Purposes*	no charge
Picture, Henry Groseclose*	no charge
Secretary's Book	.30¢
Treasurer's Book	.30¢
Official FFA Manual	.15¢
FFA Song	.15¢
FFA Song (Quartette Arrangement)	.25¢

\* - To be framed under glass.

The miniature plow is furnished by John Deere, and pictures of Washington and Jefferson are furnished by Swift and Company. A cover letter from the state office is necessary when ordering either the plow or the pictures.

Official FFA emblems for the various stations are available through the Chapter Supply Company, Danville, Illinois. The U. S. Flag and FFA officer station satin drapes are also available through the Chapter Supply Company.

Local chapter advisers should at the earliest possible moment make available a complete set of FFA paraphernalia, have it properly placed and make use of same.

FFA LIBRARY

Check the September 15, 1946, issue of the Kansas Future Farmer Newsletter, pages 8 and 9, and compare your FFA chapter library with the minimum chapter library as set forth in objective number seventeen, Kansas Association of FFA 1946-47 Program of Work.

Note: Add to this list the HISTORY OF THE KANSAS ASSOCIATION OF FUTURE FARMERS OF AMERICA 1929-1943. Each FFA chapter in Kansas is entitled to three copies of this History. The State Association will be glad to replace lost or damaged copies of the Kansas FFA History upon request. Write A. P. Davidson, Department of Education, Kansas State College.

NEVADA - Harold Feil of the Carson Valley Chapter has been interested in shop activities since he entered high school four years ago. During his first year in vocational agriculture he made farm gates, sharpened saws, and other hand tools. At home he reconstructed a small shed as a work shop, added a new roof, and built a tool bench. He also bought a few hand tools of his own. The second year he bought more tools including a power saw and grinder. In farm shop at school he learned how to forge and weld and build such projects as tractor hitches for hay rakes and grain drills. The third year he continued to increase and improve his home farm shop program and constructed a machinery storage shed. Other farm jobs included building cattle guards, concrete feeding platforms, etc. In partnership with his father he purchased a new tractor for the ranch. In the school shop he learned metal lathe work and practiced electric and gas welding. He also built many items of furniture and did farm repair work. This is his last year in school, and he is continuing to specialize in shop work. He built a post hole digger that fits onto the tractor and has a full set of implements for it. He intends to build a 20 x 20 foot tool shop this fall.

OHIO - Clarence Kaiser, Jr., a 19-year-old Future Farmer of Hilliards, won the Grand Champion award of the Holstein show at the 1946 Ohio State Fair with his 4-year-old cow, Hengerveld Segis Josephine.
