ACTIVITY PROGRAMS OF A SELECTED LIST OF 1939 STATE FARMERS
TOGETHER WITH A COMPLETE LIST OF THE 1939 STATE FARMER CLASS

A Statement. With the increase in size of the state farmer class it has become increasingly difficult to include activity writeups of the entire state farmer class. This year 20 state farmer programs will be written up. In selecting this list types of farming programs was kept in mind. It is needless to state that no state farmer candidate was included in this group who did not have a satisfactory record in scholarship and leadership, as well as a strong farming program.

INDEX OF 20 SELECTED PROGRAMS

HONORARY STATE FARMERS

Louis C. Aicher, Superintendent, Hays Experiment Station, Hays, Kansas.
 F. W. Bell, Professor of Animal Husbandry, K.S.C., Manhattan, Kansas.
 T. O. McClung, Insurance, Manhattan, Kansas.
 Dr. C. V. Williams, Professor Vocational Education, K.S.C., Manhattan, Kansas.

Wilbur Blake, Clay Center Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture work. Last year he was secretary of his chapter and he now holds the office of vice president. He has had several important F.F.A. committee assignments and is on the chapter basketball team. He is on his chapter judging team which will participate in the State High School Judging Contest held at Manhattan, this year. Wilbur took an active part in organizing and managing the chapter cooperative sheep and poultry projects.

Enterprise Type:	1937	1938	1939
Feed Crop	: 5 A cane	: 5 A sorgo : 1 A Hybrid corn	: 5 A sorgo : 5 A Hybrid corn
Cash Crop	:	: 33 A wheat	: 35 A wheat
Breeding Live-stock	: 1 purebred Hereford : heifer	: 1 Hereford cow : 1 Duroc gilt : 7 Western ewes	: 2 Hereford heifer : er : 1 Duroc sow : 7 Western ewes
Fattening Live-stock	:	: 1 Hereford steer : 19 Duroc pigs	: 1 Hereford steer

Wilbur is to be particularly commended for his efficiency in carrying his farming program. His present net worth totals \$445.86.

Edward Buss, Holton Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He is an outstanding student. He has held the office of chapter treasurer for two years and is now chapter vice president. He is a member of the high school band and the high school orchestra. He has represented his chapter in several judging contests.

Enterprise Type:	1936	1937	1938	1939
Feed Crop	:	:	: 5 A corn	: 16 A corn
Breeding Live-stock	: 6 ewes : 1 sow and : litter	: 7 ewes : $\frac{1}{2}$ int. in ram : 1 gilt	: 11 ewes : $\frac{1}{2}$ int. in ram : 2 sows and : litters	: 15 ewes and 16 : lambs : $\frac{1}{2}$ int. in ram : 1 Spotted : Poland China : sow & 6 pigs

Edward Buss, Concluded

Enterprise Type:	1936	1937	1938	1939
Fattening Live-stock	4 wethers 3 pigs	3 wethers 4 pigs	7 wethers	
Dairy				1 Guernsey heifer
Poultry	Chickens	1/3 int. in chickens	1/3 int. in chickens	1/3 int. in chickens

Edward's record books show that he has taken considerable interest in keeping accounts. His farming program shows good management. His present net worth totals \$344.46.

As supplementary farm practice work Edward has culled the farm flock, castrated hogs, put guard rails in farrowing house, built a chicken feeder and treated seed oats.

Jim Cunningham, ElDorado Chapter of F.F.A., is a senior in high school and is now enrolled in his second year of vocational agriculture. Last year he was president of his chapter. He is a very good student and was one of the four high chemistry students representing his high school at the Chemistry Conference at Kansas University last year. He is junior assistant Scout Master and attended the National Boy Scout Jamboree in 1937. He has won a letter in track every year and this year is track captain. He plays in the high school orchestra and band. He is a member of the team representing his chapter in the State High School Judging Contest at Kansas State College this year.

Enterprise Type	1938	1939
Feed Crop	4 A field corn	10 A corn 5 A Atlas 4 A oats
Pasture Crop		4 A wheat 1 A alfalfa
Cash Crop	10 A Atlas 1 A potatoes 1 A popcorn	10 A corn 5 A Certified Atlas 1 A potatoes 1 A popcorn 8 A Certified Fulton oats

Jim Cunningham, Concluded

Enterprise Type	1938	1939
Soil Building Crops Or Practices		Terrace farm yard Seed alfalfa
Breeding Livestock	1 sow and 2 litters	1 purebred Spotted Poland China sow 2 purebred Spotted Poland China gilts and 19 pigs 12 Western ewes and 9 lambs
Fattening Livestock	2 baby beef	12 pigs 4 calves
Poultry		75 hens 100 broilers

Jim's application for the State Farmer degree was attractively submitted. His record books were complete, accurate and detailed. His present net worth totals \$1186.20.

As supplementary farm practice work Jim has selected and successfully showed grain at state fairs. He won honors at the International Hay and Grain Show in Chicago in 1938. He has planned rations and kept records on the farm dairy herd, laid out and built a drainage system to carry water away from lots and barns, culled poultry, castrated pigs and lambs, and docked lambs.

John Easter, Abilene Chapter of F.F.A., is a senior in high school and has completed three years of vocational agriculture work. He is a good student and has held several chapter offices. He was treasurer in 1937, secretary in 1938, and is now president in 1939. Last year he competed in the State High School Judging Contest at Kansas State College and this year he will represent his chapter in the State F.F.A. Public Speaking Contest.

John Easter, Concluded

Enterprise Type:	1936	1937	1938	1939
Feed Crop			15 A Kanota oats	10 A Kanota oats
Cash Crop		12 A Tenmarq wheat	37 A Tenmarq wheat	37 A Tenmarq wheat
Soil Building Crops Or Practices			Plowed under sweet clover 15 A for oats	
Breeding Live- stock	2 grade ewes	2 Duroc Jersey gilts 3 grade ewes	3 Duroc Jersey gilts	4 Duroc Jer- sey 1 Duroc sow 3 pigs 1 boar
Fattening Live- stock	1 Angus beef calf	1 Angus calf	1 Hereford calf 1 Shorthorn calf	3 Shorthorn calves 4 fat hogs

John submitted complete and accurate accounts. His net worth totals \$826.73.

As supplementary farm practice work John has selected breeding ewes and ram for home farm, castrated and docked lambs, castrated hogs, dehorned beef calves, planned crop rotations for farm, planted 15 shade trees, introduced Tenmarq wheat on farm, culled the farm flock, remodeled poultry house and treated wheat and oats seed.

Everett Fieser, Norwich Chapter of F.F.A., is a postgraduate student and has completed two years of vocational agriculture work. He is a very good student and has held a number of offices. He was president of his chapter when a senior, president of his class two years, president of Hi-Y one year, and treasurer of Hi-Y one year. He was a member of the basketball team for four years, baseball team four years and competed in track events three years. He had parts in four class plays. He was a member of the live-stock judging team participating in the State High School Judging Contest at Kansas State College in 1938.

Everett Fieser, Concluded

Enterprise Type:	1937	1938	1939
Feed Crop		3 A Atlas sorgo	10 A Kanota oats
Cash Crop	6 A Blackhull wheat	10 A 101 wheat	10 A 101 wheat
Soil Building Crops Or Practices		Tree planting Terracing and con- touring	Disked oats ground on the contour
Breeding Live- stock	1 Chester White sow 1 purebred Short- horn cow 1 purebred Short- horn heifer	1 purebred Short- horn cow 1 purebred roan Shorthorn heifer 1 purebred regis- tered Spotted Poland sow 3 purebred Spotted Poland gilts 1 crossbred hoifer 1 crossbred heifer calf	9 Spotted Poland shoats 2 registered Spot- ted Poland sows 1/3 interest in registered Spot- ted Poland gilt 1/3 interest in registered Spot- ted Poland boar 3 purebred Spotted Poland gilt pigs 1 roan Shorthorn cow and calf
Fattening Live- stock			1 purebred Angus steer 1 crossbred heifer 5 Spotted Poland market hogs

Everett has a well balanced farming program showing a net worth of \$639.81.

As supplementary farm practice work Everett listed on contour, planted trees, painted the barn, shingled the poultry house, put concrete floors in the poultry house and in the grain bin, culled the home flock, sheared sheep, castrated lambs and pigs, wired the garage, and repaired machinery and farm equipment.

Harold Hackeratt, Alton Chapter of F.F.A., is a junior, has completed two years of vocational agriculture and is now enrolled in Farm Management. Harold has nearly an A average in all high school courses and is on the honor roll regularly.

Harold has served as F.F.A. secretary and president; Hi-Y president, C. E. secretary and vice president and sophomore class president. He has played football three years, basketball two years and was on the track squad one year. Harold was a member of the junior play cast, and has an outstanding judging record.

Enterprise Type:	1937	1938	1939
Feed Crop	10 A Blackhull kafir	10 A Atlas sorgo	10 A Pink kafir 5 A Atlas sorgo
Pasture Crop			3 A wheat
Cash Crop	.1 A potatoes	.25 A potatoes	.25 A potatoes 80 A wheat
Breeding Live-stock	3 Shropshire ewes	5 ewes 1 purebred Hereford heifer 1 purebred Poland China sow	6 ewes and 6 lambs 1 purebred Hereford cow 1 purebred Hereford bull calf 1 purebred Hereford heifer 2 purebred Poland China sows 1 eight pig litter
Fattening Live-stock		1 Hereford baby beef	7 shoats
Poultry		100 chicks	

Harold submitted very neat, complete and accurate record books, showing a net worth of \$531.64.

Harold's supplementary farm practice program includes culling poultry, butchering, dehorning, vaccinating calves, treating seed, stopping gullies, laying out and building terraces, poisoning grasshoppers, overhauling farm machines, repairing farm buildings, and building gates and feed bunks.

Lowell Hatesohl, Linn Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. Last year he held the office of chapter vice president. This year he is president. He has played on the school baseball and basketball teams for four years. He had parts in the junior play and in the operetta cast last year. In 1938 he was on the shop team entered in the State High School Judging Contest at Kansas State College and this year he is a member of the chapter judging team.

Enterprise Type:	1936	1937	1938	1939
Feed Crop	6 A oats	6 A oats		15 A oats 17 A barley
Cash Crop			12 A wheat	12 A wheat
Breeding Live-stock	9 turkey hens and 1 tom	12 turkey hens and 1 tom	15 turkey hens and 1 tom	18 turkey hens and 1 tom
Fattening Live-stock	90 young turkeys	120 young turkeys	147 young turkeys	
Dairy		1 Holstein heifer	1 Holstein cow and calf	1 purebred Holstein cow 1 purebred Hol- stein heifer

Lowell submitted neat and accurate accounts showing a net worth of \$565.95.

As supplementary farm practice work, Lowell castrated lambs and pigs, culled the farm flock, mixed poultry mash and dairy rations, butchered hogs, wormed poultry, dehorned calves, treated sorghum seed and helped plant fruit trees and 125 trees for windbreak.

Warren Iwig, Highland Park Chapter of F.F.A., Topeka, is a senior in high school and is now enrolled in his third year of vocational agriculture. He is a good student and has been treasurer of his chapter for two years. He sings in the Glee Club, has been on the track team for three years, and has won three letters in football. He received honorable mention on the all Kansas Football team in 1938, and is now president of the "H" club.

Warren is a member of the judging team representing his chapter in the State High School Judging Contest held at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop		5 A Reid's Yellow Dent corn	5 A certified Pride of Saline corn
Breeding Live- stock	1 purebred Poland China gilt	1 purebred Poland China sow and litter	2 purebred Poland China gilts and 13 pigs 1 share in F.F.A. swine project
Fattening Live- stock		1 share in F.F.A. swine project	2 shares in F.F.A. swine project
Dairy			1 purebred Hol- stein cow $\frac{1}{2}$ interest in grade Holstein cow
Poultry	Share in F.F.A. laying flock pro- ject		

Warren has been very efficient in conducting his farming program. He submitted exceptionally fine record books. His present net worth totals \$272.95.

As supplementary farm practice work Warren has culled poultry, helped construct poultry house, milk house and engine room, mixed rations for poultry, dairy and swine, selected swine and dairy breeding stock for farm herd, kept dairy records, painted barn, bottled and marked milk and fitted dairy cattle for show.

Howard Johnstone, Wamego Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is an outstanding student. He was treasurer of his chapter in 1938 and now holds the office of secretary. He is a member of the school orchestra, brass quartet and glee club. Last year he competed in the State Farm Mechanics Contest and this year he is a member of the Chapter judging team entered in the State High School Judging Contest held at Kansas State College.

Howard Johnstone, Concluded

Enterprise Type:	1937	1938	1939
Feed Crop		4 A Atlas sorgo	2 A Atlas sorgo
Pasture Crop			2 A Sudan grass
Cash Crop	$\frac{1}{4}$ A cucumbers		7 A Reid's Yellow Dent corn
Breeding Live- stock		1 sow and litter	1 purebred Hamp- shire sow and litter 2 Hampshire breed- ing gilts 3 Shropshire ewes
Fattening Live- stock	1 baby beef		5 Hampshire bar- rows 20 Western lambs
Dairy		1 heifer	3 purebred Jersey heifers
Poultry	60 hens	150 chicks	50 White Wyandotte laying hens

Howard submitted neat and complete record books. His present net worth totals \$412.19.

As supplementary farm practice work Howard has partitioned the barn and built milking stalls for dairy cows, kept milk records, butchered, repaired farm machinery, built a sanitary runway for chickens and helped maintain a neat farmstead.

Paul Kelley, Solomon Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He is an outstanding student and has been on the high school honor roll every six weeks except the first one of his freshman year. In 1937 he was vice president of his chapter. This year he is president of his chapter and also president of the senior class. He has been a member of the debate team and also of the football and basketball teams for the last two years. He is concert master of the high school orchestra, had a part in the junior play and belongs to the Quill Club.

Enterprise Type:	1936	1937	1938	1939
Feed Crop			12 A Atlas	12 A Atlas cane
Cash Crop		20 A corn		80 A wheat
Breeding Live-stock	1 sow and litter of 9 pigs			
Fattening Live-stock				5 stocker steers
Dairy				1 Holstein cow
Poultry		250 chicks	396 chicks 99 laying hens	300 hens 500 chicks

Paul's record books were exceptionally neat, complete and accurate. His net worth totals \$358.65.

As supplementary farm practice work, Paul helped move and remodel a 250 bird poultry house, vaccinated 75 hogs, remodeled the farm shop, built a cistern, planted 15 acres of sudan pasture, planned a rotation for the farm, sodded the lawn with buffalo grass, built a modern kitchen unit in the house, and planted 12 shade trees.

Densal Laclef, Concordia Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is now secretary of his chapter and a member of the chapter judging team which will participate in the State High School Judging Contest at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop		6 A sorghum	6 A sorghum 7 A corn 15 A barley
Cash Crop	7 A wheat	7 A wheat	7 A wheat
Breeding Live-stock	9 Hampshire ewes 3 colts	9 ewes - 1 buck 4 horses (mares)	12 ewes, 1 buck, 9 lambs 4 mares 1 purebred Poland China gilt 1 Chester White gilt
Fattening Live-stock			1 purebred Short-horn heifer 1 Hereford heifer
Dairy		1 Guernsey cow 1 Guernsey heifer	2 Guernsey cows (1 registered) 1 purebred Guernsey heifer
Poultry		100 chicks	54 hens 300 chicks

Densal's farming program is completely planned, his record books are well kept, his program shows balance and variety. Good practices are being followed. His records show a net worth of \$1052.82.

As supplementary farm practice he repaired the hen house, culled the farm flock, dehorned cattle, castrated pigs, landscaped the yard, planted twenty-one shade trees, terraced the vineyard and pruned trees.

Randall Libby, Smith Center Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is treasurer of his chapter. For two years he has been on the football team and he was on the track team one year. He is a member of the glee club and represents his chapter on the judging team participating in the State High School Judging Contest at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop	3 A oats 2 A sorghum	3 A oats 4 A sorghum	5 A Kanota oats 10 A sorghum
Pasture Crop			5 A rye
Cash Crop	5 A wheat	22 A wheat	18 A wheat
Breeding Live-stock	14 ewes and 1 ram	30 ewes and 1 ram 1 bull calf 1 Holstein cow 1 sow and litter	45 purebred Shropshire and Western ewes 2 Shropshire rams 1 yearling Hereford bull 1 Holstein cow 2 purebred Duroc sows and litters
Fattening Live-stock	1 steer calf		
Poultry	25 hens-50 chicks	25 hens-100 chicks	20 laying hens 150 chicks 6 turkey hens 1 tom 100 poults

Randall's State Farmer application was attractively presented. His plans and accounts were detailed and accurate. His net worth totals \$1041.25.

As supplementary farm practice Randall has butchered hogs and sheep, culled the farm flock, castrated lambs, pigs and calves, remodeled poultry house, planted trees for wind break, and rearranged the farm shop.

John McCall, Lebanon Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is a straight A student. He is now president of his chapter, vice president of the glee club and treasurer of the band. He was president of his class when he was a freshman and again when he was a sophomore. John is a member of the student council, is on the first debate team, and sings in the glee club and mixed chorus. He is a member of the team representing his chapter in the State Judging Contest at Kansas State College this year.

Last year John acted as chairman at the District F.F.A. Officers Training School.

Enterprise Type:	1937	1938	1939
Feed Crop	3 A sumac	7 $\frac{1}{2}$ A Atlas 1 A milo 5 A oats 5 A barley	5 A Atlas 8 A barley 8 A oats 3 A Colby milo
Cash Crop		6 A wheat	18 A wheat
Breeding Live-stock		1 Poland China sow and 3 gilts 3 Western ewes	1 purebred Poland China sow and 11 pigs 1 Hampshire sow and 3 pigs 3 Poland China brood sows and 22 pigs
Fattening Live-stock	2 Poland China pigs	4 spring pigs 6 fall pigs	
Dairy	1 Holstein heifer	1 Holstein heifer and calf	1 two year old Holstein heifer 2 Holstein heifer calves
Poultry	100 Red'dotte chicks of which 20 pullets were kept	47 White Rock hens, 5 roosters, and 50 chicks	200 chicks 17 White Rock chicks 2 White Rock males

John has a well balanced farming program. His net worth totals \$466.38. He submitted very fine record books. His plans were complete and his accounts were accurate.

John McCall, Concluded

As supplementary farm practice work John remodeled the poultry house, culled the farm flock, and balanced rations for poultry flock and dairy cattle. He is entered in the County Home Improvement Contest.

Alvin Otte, Downs Chapter of F.F.A., is a senior in high school and is now enrolled in his second year of vocational agriculture. He is a very fine student. Last year he was secretary of his chapter and had a part in the class play. This year he is president of his chapter and vice president of the senior class. He was a member of the shop team which won second place in the contest at Kansas State College in 1938.

Enterprise Type	1938	1939
Feed Crop	: 1 A Hays Golden corn : 1 A barley	: 5 A Hays Golden corn : 40 A barley : 5 A Kanota oats : 5 A Atlas sorgo
Breeding Livestock		: 1 purebred Spotted Poland : China gilt and 8 pigs
Fattening Livestock	: 1 Angus calf : 1 Hereford calf : 1 Shorthorn calf	: 3 Hereford calves : 1 Angus calf
Poultry		: 135 White Rock chicks

Alvin's net worth is \$296.65.

In carrying his farming program, Alvin has followed good production practices. His livestock show that he is a good feeder. He has influenced his father to establish the Angus and Holstein breeds on his farm in preference to dual purpose cattle.

As supplementary farm practice Alvin repaired the hen house, castrated pigs and calves, mixed and spread grasshopper poison, removed ox warbles from cattle, sodded the lawn with buffalo grass, and helped install stock scales.

Billy Pfrehm, Howard Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is a good student. He was secretary of his chapter in 1937 and now holds the office of president. He is also a member of the student council. He represents his chapter in the State High School Judging Contest at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop		5 A Darso	5 A corn
Cash Crop			5 A Darso
Breeding Live-stock	24 grade ewes $\frac{1}{2}$ interest	3 purebred Hereford calves 3 Shropshire ewes	3 purebred Hereford heifers 3 purebred Shropshire ewes 1 grade ewe lamb
Fattening Live-stock		2 grade Hereford calves	
Beef Cow		1 grade Shorthorn	1 grade Shorthorn
Poultry		16 Leghorn chicks	

Billy submitted neat record books. His accounts are complete and accurate. He is a good manager and has good quality stock. Billy's present net worth totals \$371.44.

As supplementary farm practice work Billy culled the farm flock, mixed laying mash, repaired the poultry house, treated seed wheat, painted house and barn, field selected seed and trimmed shade trees.

Lowell Query, Bird City Chapter of F.F.A., is a senior in high school, has completed two year's of vocational agriculture and is now enrolled in the No. 12 course. He is a good student and is a member of the National Athletic Honor Society.

Lowell was president of his chapter and vice president of the junior class last year. This year he is president of the senior class. He has been on the football and track teams for four years and on the basketball team one year.

Lowell Query, Concluded

He was a member of the judging team representing his chapter last year in the State Vocational Agricultural Judging Contest at Kansas State College.

Enterprise Type:	1937	1938	1939
Feed Crop		20 A Sooner milo	160 A Colby milo $\frac{1}{2}$ interest
Cash Crop		5 A wheat 30 A Colby milo to be sold for seed is certified	35 A wheat seeded 10 A Colby milo
Soil Building Crops Or Practices			35 A for summer fallow in 1939
Breeding Live- stock		2 purebred Duroc Jersey gilts	2 purebred Duroc gilts to farrow
Dairy	1 purebred Hol- stein cow 1 purebred Hol- stein heifer	1 purebred Holstein cow 1 purebred Holstein heifer 2 purebred Holstein calves	2 purebred Hol- stein cows 1 purebred Hol- stein heifer 1 purebred Hol- stein bull calf

Lowell kept complete records and has a net worth of \$250.64.

Lowell used approved production practices in carrying on his farming program. The record books he submitted were complete and accurate.

As supplementary farm practice work, Lowell remodeled the farm poultry house, culled and wormed the farm flock, fitted and trained two Belgian stallions for the National Western Stock Show, Denver, built roof for wheat grain bin, has complied for 1939 wheat payment with his own farming program, summer fallowed for and planted trees for a farmstead windbreak, grew certified Colby milo.

Rudolph Smerchek, Washburn Chapter of F.F.A., Topeka, is a senior in high school and has completed three years of vocational agriculture work. He is an outstanding student. In 1937 he was treasurer of his chapter and school librarian. In 1938 he was secretary of his chapter, office clerk and vice president of the Dramatics Club. This year he is on the Senior Council. He was on the chapter team competing in the State High School Judging Contest at Kansas State College in 1938.

Enterprise Type:	1936	1937	1938	1939
Feed Crop			3 A sorghum 4 A corn	5 A Pride of Saline corn 5 A Kanota oats 7 A soybeans
Cash Crop		8 A corn		
Breeding Live-stock	1 Hampshire sow	2 Hampshire sows	1 Hampshire sow 2 Hampshire gilts	1 Hampshire sow 2 Hampshire gilts 1 filly Percheron colt
Fattening Live-stock	7 market hogs	12 market hogs	19 market hogs 20 weaning pigs	
Dairy	1 Ayrshire heifer	1 Ayrshire cow 1 Ayrshire heifer	1 Ayrshire cow 1 Ayrshire heifer	1 Ayrshire cow 3 Ayrshire heifers 1 Ayrshire bull
Poultry	150 White Rock and Rhode Island Red Pullets	275 pullet and hens	200 hens	150 laying hens

Rudolph has followed good production practices in carrying his extensive farming program. His accounts were complete and accurate. He has savings of \$500 in addition to \$417 productively invested.

Rudolph Smerchek, Concluded

As supplementary farm practice work, Rudolph remodeled the farm poultry house, culled the farm flock, castrated and docked lambs, castrated calves and pigs, butchered, pruned grape vines and apple trees, painted farm buildings, cleaned up the farmstead, helped build a garage and work shop, poisoned gophers, and planted temporary pasture for dairy cows.

Harry Stauffer, Frankfort Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is a good student. Harry was secretary of his chapter last year and is now vice president of the chapter. He has a letter in track and will represent his chapter in the State High School Judging Contest held at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop		12 A Kanota oats	15 A Kanota oats 15 A Prairie hay
Pasture Crop			70 A Native pasture
Soil Building Crops Or Practices			15 A sweet clover
Breeding Live-stock	35 turkey hens 5 turkey toms	35 turkey hens 4 turkey toms	30 Mammouth Bronze turkey hens 3 turkey toms 3 Poland China gilts 1 Poland China boar
Fattening Live-stock	430 turkeys raised to market	460 turkeys raised to market 15 hogs	Plans to raise 500 turkeys to market
Dairy			3 purebred Ayrshire cows 1 purebred Ayrshire 2 yr. old heifer 2 purebred Ayrshire heifer calves 1 purebred Ayrshire bull 4 grade milk cows 3 grade calves

Harry Stauffer, Concluded

Harry has an unusually large program, showing a net worth of \$1302.00. He is following good farm practices, his stock are well cared for and his records are complete, accurate and detailed.

As supplementary farm practice work, Harry has made butterfat test on home herd, castrated hogs, butchered hogs, built farrowing house, and filled small gullies to prevent soil erosion.

Frank Tarr, Coldwater Chapter of F.F.A., is a junior in high school and has completed two years of vocational agriculture work. He will be a member of the team representing his chapter in the State High School Judging Contest at Kansas State College this year.

Enterprise Type:	1937	1938	1939
Feed Crop			7½ A Crookneck milo
Cash Crop		20 A wheat ½ A potatoes	20 A wheat ½ A potatoes
