ACTIVITY PROGRAMS OF A SELECTED LIST OF 1940 STATE FARMERS  
TOGETHER WITH A COMPLETE LIST OF THE 1940 STATE FARMER CLASS

With the increase in size of the State Farmer class it has become increasingly difficult to include activity writeups of the entire group. Twenty-six State Farmer programs are herewith presented. In selecting this list types of farming programs were kept in mind.

INDEX OF 26 SELECTED PROGRAMS

\*Activity programs written up.

Carl Eeurskens, Neodesha Chapter of F.F.A., is a senior in high school and is now enrolled in his third year in vocational agriculture. His scholarship is good. He has served his chapter as secretary, treasurer and vice president and was a member of the team representing his department in district judging schools and the State High School Judging Contest at Kansas State College.

Enterprise Type:	1938	1939	1940
Feed Crop			3 A kafir
Breeding Livestock	1 purebred Poland: China gilt 4 purebred Shrop- shire ewe lambs	5 ewes 1 Shropshire buck: 4 lambs 1 sow and 6 pigs	3 purebred Shropshire ewes 1 purebred buck 22 Western ewes 2 Poland China gilts
Fattening Livestock	1 Angus steer	2 Hereford steers: 1 veal calf	2 Hereford steers
Dairy	1 purebred Guern- sey cow 1 purebred Guern- sey heifer	1 Guernsey cow 1 Guernsey heifer: 1 Guernsey bull	2 Guernsey cows 1 Guernsey bull 1 Guernsey and Hereford heifer
Poultry	100 broilers	80 broilers	35 broilers
Equipment	Show outfit	Show outfit $\frac{1}{2}$ interest in manure spreader	Show outfit $\frac{1}{2}$ interest in manure spreader 4 sheep feeders

Carl has a strong livestock program which has resulted in a net worth of \$429.

As supplementary farm practice work Carl has established the use of a purebred sire on his home farm. He has planned rations and kept feed records for chickens, sheep, hogs and cattle, vaccinated calves, wormed sheep and castrated pigs. Carl has treated oats for smut, has spread manure on the fields, plowed wheat stubble instead of burning, and influenced his father not to burn pasture. He has made two double trees, built three sheep feeders, repaired cars and repaired a manure spreader.

\*\*\*\*\*

Bud Bolton, Smith Center Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is on the honor roll regularly and ranked seventh in the 1939 State Spelling Contest. He is now reporter of his chapter. Bud has been a member of the Hi-Y, the dramatic club, the glee club and the band and for two years a member of the football and the track squad. He has successfully competed in several local and district judging schools.

Enterprise Type:	1938	1939	1940
Feed Crop	5 A corn		
Cash Crop	5 A corn	10 A corn 10 A Colby milo	10 A corn 10 A Colby milo 25 A oats
Breeding Livestock	3 Poland China sows 2 Shropshire ewes	3 Poland China sows 25 spring pigs 1 Poland China boar 1 Shropshire ram 17 ewes	5 Poland China sows 2 Poland China boars 1 Shropshire ram 30 ewes 1 Angus heifer
Fattening Livestock		8 fall pigs	1 steer
Dairy			2 Holstein heifers 1 Holstein bull
Poultry		100 broilers	100 broilers 100 pullets
Equipment	10 panels 3 self feeders 10 metal troughs	10 panels 3 self feeders 10 metal troughs 1 wooden trough 1 gas engine	10 panels 3 self feeders 10 metal troughs 1 wooden trough 1 gas engine 1 mower 1 cultivator 1 set double trocs

Bud's application was attractively presented, well illustrated and his record books were complete, neat and accurate. His net worth is \$1067.61.

## Bud Bolton, Concluded

As supplementary farm practice work Bud has selected a herd boar and breeding gilts, castrated and butchered hogs, helped remodel and build a straw loft in the poultry house, selected rams, docked and castrated lambs and dehorned calves. He has refloored a hay rack, remodeled an A type hog house, repaired fences, kept the mail box painted and rearranged the farm shop. He has cooperated fully in the Smith Center F.F.A. cooperative class projects and has bought ewes and marketed wool cooperatively.

\*\*\*\*\*

Russell Bouchey, Stockton Chapter of F.F.A., is a senior in high school and is now enrolled in his second year of vocational agriculture because this is only the second year for the department at Stockton. Russell has an excellent scholarship record and was awarded scholarship certificates in his freshman, sophomore and senior years. He has been secretary of his chapter, vice president of the freshman class, junior class president, and a member of the debate team and the S club. He has played basketball four years and football and baseball one year each. Russell discussed vocational agriculture before the Stockton Rotary Club and has participated in district judging schools.

Enterprise Type:	1939	1940
Pasture Crop	Hog pasture	Hog pasture
Cash Crop	10 A Blackhull wheat 5 A Colby milo 5 A Flynn barley	10 A Colby milo 15 A Flynn barley
Breeding Livestock	2 purebred Poland China sows 1 Shorthorn heifer 6 gilts	2 purebred Poland China sows 1 Shorthorn cow
Fattening Livestock	1 steer 3 barrows	1 steer
Equipment	Hog houses	Hog houses

Russell's record books were complete, neat and accurate. He has a net worth of \$366.50.

As supplementary farm practice work he has butchered hogs and beeves, docked lambs, caponized poultry, castrated lambs and pigs, built hog equipment, planted fruit trees and aided in landscaping the school yard. Russell was an active member of the Stockton F.F.A. cooperative swine, poultry and sheep projects.

\*\*\*\*\*

Phillip Cooper, Chanute Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He has been chapter reporter and F.F.A. Yearbook chairman. He has played on the F.F.A. and intramural basketball teams and has taken part in dramatics. Phillip has participated in local and district F.F.A. public speaking contests and represented his chapter in the 1940 State F.F.A. Public Speaking Contest at Kansas State College. Phillip has a high scholarship record. He has successfully exhibited livestock from his farming program.

Enterprise Type:	1938	1939	1940
Feed Crop		1 $\frac{1}{2}$ A corn 5 $\frac{1}{2}$ A kafir	5 A corn 10 A kafir 2 A oats
Pasture Crop			$\frac{1}{4}$ A oats - clover
Breeding Livestock	1 registered Hereford cow and bull calf 2 registered Shropshire ewes $\frac{1}{2}$ interest in 1 Shropshire ram	1 registered Hereford cow and heifer calf 1 registered Hereford bull 1 registered Poland China sow and 2 litters 1 registered Poland China boar 2 registered Shropshire ewes and lambs $\frac{1}{2}$ interest in 1 Shropshire ram	1 registered Hereford cow and calf 1 registered Hereford heifer 1 registered Poland China sow and 2 litters 1 registered gilt and boar 3 registered Shropshire ewes and lambs $\frac{1}{2}$ interest in a Shropshire ram
Equipment	$\frac{1}{2}$ interest in sheep feeder 2 rope halters 1 cultivator	$\frac{1}{2}$ interest in sheep feeder halters, curry comb, etc. 1 cultivator	$\frac{1}{2}$ interest in sheep feeder halters, curry comb, etc. 1 cultivator 1 hog shed

Phillip has a net worth of \$317.15.

As supplementary farm practice work he has culled poultry, wormed sheep, planted trees, pruned fruit trees, cleaned up the farmstead and built and organized a tool chest. He has been active in the Chanute program of cooperative purchasing and marketing.

\*\*\*\*\*

Clinton Davies, Reading Chapter of F.F.A., is a junior in high school and is enrolled in his third year of vocational agriculture. Clinton has a high scholarship record having been on the honor roll twelve out of fifteen six weeks periods. He has been secretary and vice president of his F.F.A. chapter, vice president of the student council and has played in the orchestra and sang in the operetta, boys glee club and mixed chorus all through his high school years. Clinton has played baseball and basketball and represented his chapter in district judging contests.

Enterprise Type:	1938	1939	1940
Food Crop	1 A Red kafir 14 A Midland corn	15 A Yellow corn	15 A Midland corn
Soil Building Crops Or Practices	Plowing under stalks	Disking under stalks	Barnyard manure Disk under stalks
Breeding Livestock	1 Duroc Jersey gilt	1 Duroc Jersey sow	1 Duroc Jersey sow 1 Duroc Jersey gilt
Fattening Livestock	1 veal calf	1 litter of cross bred pigs 2 beef calves	2 beef calves
Equipment		1 A type hog house	1 A type hog house 1 tool cabinet 1 rope halter

Clinton typed his diary and plans. The accounts were complete and accurate showing a net worth of \$499.01.

As supplementary farm practice work Clinton helped build straw sheds for sheep and hogs, repaired farm buildings and equipment, docked lambs, castrated lambs and pigs, butchered and cut up meat, tested seed corn, poisoned grasshoppers, and built chinch bug barriers. Clinton has planted ten orchard and two shade trees, and seeded the lawn to lespedeza and Kentucky blue grass. He has served on the F.F.A. banquet committee, planned F.F.A. radio programs and was captain and manager of the F.F.A. baseball team in 1939.

\*\*\*\*\*

Burton DeBaum, Washburn Chapter of F.F.A., is a senior in high school and is now completing his third year in vocational agriculture. Burton has served his chapter as secretary and reporter and is now president of the Washburn Duroc Breeder's Association. He was president of the sophomore class, junior class president, and a member of the school council. Burton has been awarded letters in football, basketball and track. He was a member of the glee club three years, and took part in dramatics. Burton was a member of the 1939 live-stock judging team in the State High School Judging Contest at Kansas State College.

Enterprise Type:	1938	1939	1940
Feed Crop	4 A Atlas sorgo	4 A Atlas sorgo 3 A corn	8 A Atlas sorgo 6 A oats
Pasture Crop		1 A Sudan	2 A Sudan $\frac{1}{2}$ A rape
Breeding Livestock	12 ewes 1 ram 3 sows	29 ewes 1 ram 3 sows	28 ewes 1 Southdown ram 2 Duroc Jersey gilts
Fattening Livestock	4 fat lambs	8 fat lambs 24 fat pigs	10 fall pigs 11 spring pigs 26 spring lambs
Poultry	200 broilers	200 broilers	100 White Rock broilers
Equipment	shears feed pan bucket electric brooder chick waterer	self feeder automatic waterer A type hog house	2 feed bunks 1 bucket wool card and shears 2 chick feeders 2 chick waterers 5 panels

Burton's accounts were neat and carefully kept showing a net worth of \$455.61.

As supplementary farm practice work Burton has provided pasture for sheep and hogs, has creep fed lambs, docked lambs, wormed ewes, built shade and provided an automatic waterer and a self feeder for hogs, planted certified seed and practiced seed treatment. He has aided in removing old fences and cleaning up the farm yard, planting trees and shrubs, helping crush rock for the drive and paint the house. Burton's services have been in demand by his neighbors for culling hons and docking and castrating lambs.

Wayne Deeds, Bird City Chapter of F.F.A., is a senior in high school and is enrolled in his third year of vocational agriculture. He has been chapter reporter for the past two years, was secretary of the freshmen class, participated in football, basketball and track, sang in the boys glee club, the mixed chorus and F.F.A. minstrel and was a member of the junior play cast. Wayne has taken part in many district judging schools and represented his chapter in the State High School Judging Contest at Kansas State College in 1938.

Enterprise Type:	1938	1939	1940
Cash Crop		7 A certified Colby milo	80 A summer fallow wheat. Insured with Crop Ins. Corp.
Soil Building Crops Or Practices			In case the wheat is released by the Crop Insurance committee the first of May, 26 acres of sunac to be certified will be planted and the rest to summer fallow.
Fattening Livestock	1 Hereford steer $\frac{1}{2}$ interest in 2 Hereford steers:	1 Hereford steer $\frac{1}{2}$ interest in 2 Hereford steers:	4 Hereford steer calves

Wayne submitted carefully kept and accurate records showing a net worth of \$276.49.

As supplementary farm practice work he has dehorned and branded cattle, docked lambs, castrated calves, pigs and lambs, vaccinated calves and hogs, trained horns, culled poultry, dressed hogs, turkeys and chickens, broke two colts to ride, selected milo heads for seed, took moisture tests, treated seed for smut, repaired the combine, built fences and repaired buildings. Wayne planted more than 200 trees on the farmstead, removed cacti from pasture, helped plan and install a garden irrigation system, helped build an irrigation dam in the creek, aided in painting the house and building a foundation floor for the wash house. Wayne cooperated with the Cheyenne County Farm Bureau and Colby Experiment Station in growing certified Colby milo.

\*\*\*\*\*

Ralph Dodd, Morrowville Chapter of F.F.A., is a junior in high school and is now enrolled in his third year in vocational agriculture. Ralph has made the honor roll every six weeks during his high school career and ranks in the upper one-sixth of the junior class. Ralph is reporter for his chapter this year. He has played basketball and participated in intramural and F.F.A. sports. He has had parts in the junior class play and the high school operetta. Ralph has had successful judging experience in district contests and was a member of the team representing his school in the State High School Judging Contest at

## Ralph Dodd, Concluded

Enterprise Type:	1938	1939	1940
Feed Crop	5 A Blackhull kafir	5 A Atlas 5 A corn	10 A Atlas 20 A corn
Cash Crop		18 A wheat	18 A Kawvale wheat
Breeding Livestock	5 Western ewes 1 purebred Chester White gilt	20 Western ewes $\frac{1}{2}$ interest in 1 registered Shropshire ram 2 purebred Chester White sows and litters	20 Western ewes 1 purebred Shropshire buck 1 purebred Chester White gilt 1 sow and litter
Fattening Livestock		1 purebred Here- ford calf	1 purebred Hereford steer
Dairy		1 purebred Hol- stein heifer	1 purebred Holstein heifer
Poultry	50 turkeys	90 Leghorn pullets	50 White Leghorn hens
Equipment		1 hog trough	1 creep feeder 1 grain feeder 3 hog troughs

Ralph has a net worth of \$400 and his plans and accounts are neat and complete.

As supplementary farm practice work he has treated and tested corn and sorghum seed, field selected seed, pruned cherry trees, set out strawberry plants, vaccinated and castrated livestock, planned rations, repaired and re-modeled farm equipment and buildings and selected livestock for breeding purposes. Ralph has subscribed to magazines for the farm home and has organized the home farm shop. He has cooperated with his fellow F.F.A. members in conducting cooperative enterprises, buying feed and ewes, and marketing wool and lambs.

\*\*\*\*\*

Lyle Engle, Abilene Chapter of F.F.A., is a senior in high school and has completed three years of vocational agriculture. Lyle has served his chapter as president, vice president and treasurer. He has been a member of the Hi-Y for four years, was on the track team as a sophomore, competed in several district judging schools and was a member of the 1939 team entered in the State High School Judging Contest at Kansas State College. In scholarship Lyle is among the high ranking group in the Abilene high school.

Enterprise Type:	1937	1938	1939	1940
Feed Crop		:15 A Atlas : sorghum	:20 A Atlas	:15 A Atlas
Pasture Crop		: Native pasture : Wheat pasture	: Native pasture : Wheat pasture	: Native pasture : Barley pasture
Cash Crop		:15 A oats	:15 A wheat	:70 A wheat
Soil Building Crops Or Practices		: Use of manure	: Use of manure	: Use of manure
Breeding Livestock	: 7 Shropshire : ewes	: 8 Shropshire : ewes	: 7 Shropshire : ewes and ram	: 7 Shropshire : ewes and ram
Dairy			: 1 Holstein : heifer	: 1 Holstein : heifer
Poultry		: 4 geese and : goslings	: 4 geese and : goslings	: 4 geese
Equipment	: 2 feeders	: 2 feeders : 1 hay rack	: 2 fooders : 1 hay rack : combs and : brush	: 2 feeders : combs and : brushes : 1 hay rack : 1 tool : cabinet

Lyle's records show a net worth of \$531.09.

As supplementary farm practice work Lyle selected dairy breeding stock, planned dairy rations, kept dairy feed and production records, cared for cows at calving time, treated ailments of calves, culled hens, cared for ewes at breeding and lambing time, and treated crop seeds for smut. Lyle was also responsible for painting the interior of the farm home, building yard gates,

Lyle Engle, Concluded

repairing walks and steps, planting shrubs and adding to the home library. Lyle has been active in all F.F.A. athletics and has served as chairman of the committee in charge of cooperative beef, swine and poultry enterprises.

\*\*\*\*\*

Voiland Engle, Abilene Chapter of F.F.A., is a senior in high school and has completed three years of vocational agriculture. Voiland has been president of his chapter, a member of the student council, a member of the glee club for three years and a member of an operetta cast. He has played on the F.F.A. basketball team, successfully exhibited his dairy heifer at the Central Kansas Free Fair, participated in several judging contests and was a member of the 1939 team at the State High School Judging Contest at Kansas State College.

Enterprise Type:	1937	1938	1939	1940
Feed Crop		9 A cane	10 A oats 10 A cane	10 A Reid's Yellow Dent 10 A Atlas
Pasture Crop	:Native pasture	:Native pasture :Wheat pasture	:Native pasture :Wheat pasture :Volunteer oats	:Native pasture
Cash Crop		8 A wheat 20 A oats	50 A wheat 10 A oats 12 A barley	80 A Tenmarq wheat 10 A Red Texas oats
Soil Building Crops Or Practices		:Terracing :Manure on cane	:Hauling manure :Rotation of : crops	:Hauling manure :Rotation of : crops
Breeding Livestock			:33 Western ewes : 4 lambs	:27 Western ewes : 1 Shropshire : buck
Dairy	: 1 two year old: : Holstein	: 2 Holstein : cows	: 2 Holstein : cows : 1 Holstein : heifer	: 2 Holstein : cows : 2 Holstein : heifers : 2 Holstein : calves

## Voiland Engle, Concluded

Enterprise Type:	1937	1938	1939	1940
Equipment	: 2 buckets : 1 stool	: combs and brushes : 2 buckets : 1 stool	: feeders : hay rack : combs and brushes : 2 buckets : 1 stool	: buckets : stools : feeders : hay rack : combs and brushes

Voiland's records show a net worth of \$1318.93.

As supplementary farm practice work he has selected breeding stock, planned dairy rations, kept dairy records, improved the dairy equipment, fitted dairy animals for show, castrated lambs and calves, docked lambs, culled poultry, repaired the poultry house, pruned grape vines, eradicated bindweed, laid out terraces, stopped gulleys, treated oats, wheat and barley for smut and cared for the farm garden. Voiland has painted barns and sheds, planted a windbreak, improved the lawn, refinished floors and wired the dwelling house for electricity. He cooperated with other agencies in conducting a county fertility plot using different fertilizers on wheat.

\*\*\*\*\*

Douglas Faulconer, Clay Center Chapter of F.F.A., is a senior in high school and enrolled in his third year of vocational agriculture. He has not missed a day of school since his enrollment in the seventh grade and has been on the honor roll each six weeks during high school. Douglas has been reporter and president of his chapter, freshman class vice president, church librarian, and has participated in football, baseball, softball and track. He represented his chapter in the 1939 F.F.A. Public Speaking Contest, has had the responsibility of several important F.F.A. committees and has had a successful judging experience.

Enterprise Type:	1937	1938	1939	1940
Feed Crop			:10 A barley	:10 A oats
Cash Crop		: 2 A hybrid : corn		
Breeding Livestock		: 2 ewes : 1 sow	:10 ewes : 4 sows	:15 ewes : 2 gilts : 1 cow

## Douglas Faulcner, Concluded

Enterprise Type:	1937	1938	1939	1940
Poultry	:21 chickens	:	:	: a small flock : of R.I.R. : chickens
Fattening Livestock	: 1 pig	:16 pigs	:37 pigs :11 lambs	:
Equipment	:	:	: sheep feeder : hog feeder	: feeders : a small shop : of my own

Douglas has kept careful personal expenses in his farm record book and his net worth is \$313.54.

As supplementary farm practice work Douglas has serviced tools at home, made two sets of punches and chisels, has practiced welding and soldering and built and repaired equipment for the home and farm. He has established improved hog feeding on the home farm, cared for ewes at lambing time, docked and castrated lambs, treated sheep and hogs for disease, and has improved the farmstead by planting trees.

\*\*\*\*\*

John Freedlun, Olathe Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He was secretary of his chapter in 1938-39 and now holds the office of president. John competed in the State F.F.A. Public Sneaking Contest in 1938 and is a member of this year's judging team which has competed in district contests and the State High School Judging Contest held at the Kansas State College. He has been a member of the F.F.A. basketball team for three years and a member of the Hi-Y, school band and play casts each year that he has been enrolled in high school.

Enterprise Type:	1938	1939	1940
Feed Crop	:	:	: $\frac{1}{2}$ interest in 20 A : oats : 10 A sorgo

John Freedlun, Concluded

Enterprise Type:	1938	1939	1940
Breeding Livestock	: 1 purebred Poland : China sow : 50 White Leghorn : hens	: 1 Guernsey cow : 1 Poland China sow : 50 White Leghorn : hens : 10 ewes	: 1 Guernsey cow : 1 Poland China sow : and 8 pigs : $\frac{1}{2}$ interest in 180 : hens : 2 Guernsey dairy : heifers : $\frac{1}{2}$ interest in 50 : Western ewes and : lambs

John kept fine record books including production plans and accounts. His net worth is \$1074.05. The quality of both his stock and production practices was good.

As supplementary farm practice work John helped construct a dairy barn, a machine shed, and a brooder house. He helped erect a windmill and remodel a hen house. John wormed and culled the farm poultry flock and mixed dairy and poultry rations. He limed alfalfa ground and planted shade trees.

\*\*\*\*\*

Raymond Green, Mound City Chapter of F.F.A., is a senior in high school and has completed three years of vocational agriculture. He is now president of his chapter, was treasurer one year and chairman of the program committee for two years. Raymond has an excellent scholastic record having been on the honor roll for seven semesters. He played football in 1936 and 1939, and in his junior year Raymond had parts in the F.F.A. and class plays. He has represented his chapter in both judging and farm mechanics at the State High School Judging Contest at Kansas State College.

Enterprise Type:	1937	1938	1939	1940
Food Crop	: 6 A Blue and : White corn	: 6 A Laredo : soybeans : 8 A Blackhull : grain sor- : ghums	: 10 A corn : 18 A Kanota oats	: 10 A Blue and : White corn : 8 A Kanota : oats : 6 A Blackhull : sorghums
Pasture Crop		: 18 A Korean : lespedeza	: 18 A Korean : lespedeza	: 8 A Korean : lespedeza

Raymond Green, Concluded

Enterprise Type:	1937	1938	1939	1940
Cash Crop		18 A Kawvale wheat	7 A Kawvale wheat	
Breeding Livestock	1 purebred Poland China sow and litter	1 purebred Poland China sow and litter	2 Poland China sows 19 pigs	2 Poland China sows 10 Hampshire ewes
Dairy	3 Jersey cows	1 Jersey cow 3 Jersey heifers	1 Jersey cow 2 Jersey heifers	3 Jersey cows

Raymond's records show a net worth of \$1664.19 with a major part of his income derived from the sale of dairy products.

For supplementary farm practice work Raymond has blood tested chickens, dehorned cattle, castrated lambs and pigs, vaccinated livestock, mixed feed, applied lime and fertilizers, helped lay off and build 200 rods of terrace, set out 300 strawberry plants, and seeded sweet clover. Raymond has built concrete steps and has aided in building, repairing and remodeling farm buildings and equipment.

\*\*\*\*\*

Earl Herman, Solomon Chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He has been watch dog and secretary of his chapter, class vice president one year and president of his class two years. Earl's scholarship record is excellent. He was awarded scholarship honors in both his freshman and sophomore years. He is a member of the Solomon high school basketball and football teams and the Solomon Valley baseball team. Earl was a member of the junior play cast, took part in the high school Easter cantata and has been a member of the Solomon F.F.A. orchestra and the Solomon town band.

Enterprise Type:	1938	1939	1940
Feed Crop		3 A Blackhull kafir	3 $\frac{1}{2}$ A oats 3 A Atlas
Pasture Crop		1 $\frac{1}{2}$ A millet	1 A sudan
Soil Building Crops Or Practices			2 $\frac{1}{2}$ A alfalfa

## Earl Herman, Concluded

Enterprise Type:	1938	1939	1940
Cash Crop	: 5 A Blackhull : wheat	: 7 A Blackhull : wheat : 3 A oats	: 10 A wheat
Breeding Livestock	: 1 purebred Short-horn cow and calf	: 2 beef cattle : 2 Duroc Jersey sows : 13 fat hogs	: 2 Duroc Jersey sows : 1 Angus cow : 4 heifers
Fattening Livestock		: 1 Shorthorn heifer : 1 Angus steer	
Poultry	: 90 White Rock chickens : 7 hens	: 185 chicks : 7 hens	: 160 laying hens : 200 chicks : 50 broilers
Equipment	: chick feeders	: chicken house : range shelter : range water : interior equipment for laying house:	: hay feeders for hogs : hog trough : 2 chick feeders : 2 chick waterers

Through the observance of good production and management practices Earl has attained a net worth of \$786.69 and was named the Honor Farmer of the Solomon F.F.A. chapter in 1939.

As supplementary farm practice work Earl has planned rations for livestock, built dairy, poultry and hog equipment, vaccinated and castrated calves and pigs, sheared sheep, cared for sows at farrowing time, dehorned cattle and fitted stock for show. Earl drew up a plan for landscaping the farmstead and has planted 100 Chinese elm shade trees. He helped wire the dwelling house for electricity, refinished the kitchen floor and repaired the roof and chimney. He is collecting a vocational agriculture library.

\*\*\*\*\*

Raymond Kaup, Smith Center Chapter of F.F.A., is a senior in high school and has completed two years of vocational agriculture. Raymond has an excellent scholarship record his name appearing on the honor roll regularly. He is president of his chapter, and president of the student council and has been F.F.A. vice president. Raymond is a member of the debate team and for four years has been a member of the Hi-Y, glee club, and the football team. He

## Raymond Kaup, Concluded

represented his chapter in the State High School Judging Contest last year and was a member of the Meats Team representing Kansas in the National Contest at Kansas City and has competed in many local and district judging schools.

Enterprise Type:	1938	1939	1940
Feed Crop	10 A kafir	5 A kafir	10 A kafir
Pasture Crop	10 A sudan		
Cash Crop		80 A wheat	40 A wheat
Breeding Livestock	10 ewes 1 ram	10 ewes	10 Western ewes
Fattening Livestock		1 sow and 8 pigs	3 Duroc Jersey gilts and litters
Dairy	1 Holstein cow	1 Holstein cow and calf	1 Holstein cow and calf
Poultry		5 turkey hens 50 poults	10 turkey hens

Raymond's application was attractively presented and his accounts were neat. His net worth was \$520.76.

As supplementary farm practice work Raymond has kept cost accounts on the home farm, culled the laying flock, put a straw loft in the hen house, built equipment for the poultry house, such as nests, dropping boards and feeders, selected gilts, castrated hogs, calves, and lambs, docked lambs, dehorned calves, and butchered hogs and sheep. He has repaired and rebuilt fences, repaired the woodshed, removed brush and stumps and reorganized the home shop. Raymond has cooperated with his fellow F.F.A. members in managing a laying flock, fattening an Angus beef calf and in cooperatively buying ewes and marketing wool.

\*\*\*\*\*

Theron Kent, Highland Park Chapter of F.F.A., is a senior in high school and is enrolled in the Farm Management course. He ranks in the upper 25 per cent of his chapter in scholarship and is F.F.A. treasurer this year. He has been active on F.F.A. committees, a member of the high school glee club three years and the high school musicale in 1940. Theron has participated in district dairy and livestock judging schools, was fifth in the Auburn F.F.A. Corn Husking Contest and took part in an F.F.A. parliamentary demonstration before the high school assembly.

Enterprise Type:	1938	1939	1940
Feed Crop		4 A Reid's corn	5 A hybrid corn
Cash Crop	1 A Cobbler potatoes		1 A garden
Soil Building Crops Or Practices		Planted corn on contour	Fertilize corn ground
Breeding Livestock	2 purebred Poland: China gilts	2 purebred Poland: China gilts 1 purebred Duroc Jersey gilt	1 purebred Poland China gilt 1 purebred Duroc Jersey gilt
Fattening Livestock	5 purebred Poland: China pigs	9 purebred Poland: China pigs	9 purebred Poland China pigs 2 purebred beef calves
Poultry	45 White Rock pullets 160 Bronze turkeys	50 White Rock pullets 24 Bronze turkeys	50 White Rock pullets 100 Bronze turkeys
Equipment	1 hog house 1 hog trough 2 turkey feeders 1 waterer	2 hog houses 2 turkey feeders 1 waterer 1 hog trough 1 brooder house	2 hog houses 2 turkey feeders 1 waterer 1 hog trough 1 self feeder 1 brooder house home shop 4 panels

Theron Kent, Concluded

Theron's record books are neat and his accounts complete, showing a net worth of \$381.70.

As supplementary farm practice work Theron has kept production records on a herd of ten cows, mixed dairy feed, raised hogs on clean ground, self fed hogs, butchered hogs, castrated pigs, dehorned and castrated calves, culled poultry and moved a brooder house to clean ground. He planned and planted the home garden, planted 80 acres of sweet clover, built soil saving dams, practiced weed control on a 30 acre pasture and painted and repaired farm buildings. Theron has been a member of the Highland Park cooperative hog project, assisted in conducting the Topeka Dairy Judging School two years, was chairman of the finance committee and has brought farming program stock cooperatively.

\*\*\*\*\*

John Lawrence, Winfield Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He has been president and vice president of his chapter, home room president, student council representative, and a member of the Die Beste Society. He has a good scholarship record, was awarded a letter for scholarship in 1938 and was second in the state scholarship contest in woodworking. He was a member of the 1939 Farm Mechanics Team and was third in welding and sixth in concrete work.

Enterprise Type:	1938	1939	1940
Feed Crop			40 A row crop for silage
Pasture Crop		June sudan August barley for hog pasture	5 A Sudan 5 A August barley
Cash Crop		Planted 35 A of wheat for cash crop	
Breeding Livestock	24 Western ewes 1 ram 1 purebred Duroc Jersey gilt 1 purebred Poland China gilt	20 Western ewes 1 ram 10 purebred Duroc Jersey sows 2 purebred Duroc Jersey boars	30 Western ewes 1 purebred Shropshire ram 10 purebred Duroc Jersey sows 2 purebred Duroc Jersey boars
Fattening Livestock		40 lambs 35 feeder pigs 1 Hereford steer	

John Lawrence, Concluded

Enterprise Type:	1938	1939	1940
Dairy	1 Jersey cow	1 Jersey cow	5 Jersey cows
Equipment	2 hog troughs 1 lamb creep 2 sheep panels for lambing pen	2 hog troughs 1 lamb creep 2 feed bunks 8 panels for lambing pens	6 hog troughs 1 lamb creep 4 feed bunks 12 panels for lamb pens

John's records show a net worth of \$639.75.

As supplementary farm practice work he has vaccinated 40 calves, docked and castrated 20 lambs and castrated five calves and 20 pigs. He has constructed two concrete feeding floors and a 50 ton concrete block silo. He has built an overhead bin in the barn, a hog shed, two self feeders, gates and many small pieces of farm equipment. John constructed a forge blower for the home farm shop. He planned and built an acetylene generator and installed electric lights on a tractor. He installed a scale to weigh feed and livestock on the farm and built a two acre farm pond. John has helped treat seed potatoes co-operatively and aided with the part time and adult evening classes.

\*\*\*\*\*

Linton Lull, Smith Center Chapter of F.F.A., is a junior in high school and is enrolled in his third year of vocational agriculture. He has been F.F.A. watch dog, freshman and sophomore class vice president, Epworth League president and a member of the Hi-Y. He has been a member of the boys glee club, the high school orchestra and band and the M. E. church choir. He has an outstanding athletic record and has been awarded letters in football, basketball and track. He has successfully competed in many local and district judging schools.

Enterprise Type:	1938	1939	1940
Feed Crop		7 A oats 26 A milo	7 A milo
Soil Building Crops Or Practices			26 A summer fallow

Linton Lull, Concluded

Enterprise Type:	1938	1939	1940
Breeding Livestock	2 registered Hereford heifers 4 breeding gilts and litters	3 registered Hereford heifers 2 calves 3 breeding gilts	3 registered Hereford cows and calves 1 yearling heifer 1 yearling heifer to be purchased
Fattening Livestock		3 Hereford steers	3 Hereford steers
Dairy	2 purebred milking Shorthorn heifers	2 purebred milking Shorthorn cows	
Poultry	25 pullets (from chicks) 145 chicks	50 heavy chicks 60 pullet chicks from combs	45 Leghorn laying hens
Equipment	chicken house waterer feeders	saddle bridle show blankets show halter 1 chicken feeder	

Linton's farm record books are neat, indicate careful planning and the accounts are accurate showing a net worth of \$860.42.

As supplementary farm practice work Linton has selected livestock for breeding purposes, balanced rations for cattle and hogs, vaccinated calves, graded lambs for market, culled chickens and put a straw loft and dropping boards in the poultry house. He has run contour lines and blank listed and drilled barley on the contour. Linton was an active member of the F.F.A. cooperative pig and calf enterprises and has purchased ewes and sold wool cooperatively.

\*\*\*\*\*

Harold McKinney, Coldwater chapter of F.F.A., is a junior in high school and is now enrolled in his third year of vocational agriculture. He is president of his chapter and was president of the Southwest District F.F.A. Officers Training School and of his sophomore class. Harold has been a member of the high school operetta three years and a member of the Epworth League and the basketball team. He has been active on judging teams, the Comanche County booth

## Harold McKinney, Concluded

committee and was awarded a prize for the best all around farming program in the Coldwater Chapter during 1939.

Enterprise Type:	1938	1939	1940
Feed Crop	5 A sorghum	10 A sorghum	10 A sorghum
Pasture Crop			40 A pasture 5 A Sudan
Cash Crop	5 A grain sorghum	10 A grain sorghums	10 A wheat 10 A grain sorghums
Soil Building Crops Or Practices		10 A summer fallow	20 A summer fallow
Breeding Livestock	8 ewes $\frac{1}{2}$ interest in registered Shropshire buck 1 gilt	1 gilt 24 ewes and lambs 1 registered Shropshire buck 1 sow	28 ewes and lambs 1 registered Shropshire buck 2 sows
Fattening Livestock	13 lambs	3 litters of pigs	
Equipment	1 sheep trough 1 hog trough	1 sheep trough 1 hog trough	

Harold's accounts were complete and very accurate showing a net worth of \$473.63.

As supplementary farm practice work Harold cared for a flock of ewes, castrated and docked lambs, culled 120 hens, mixed laying mash, built a mash hopper, disinfected and repaired the poultry house, oiled hogs, moved sows to clean ground for farrowing, and practiced ox warble control on dairy cattle. Harold has been active in preparing the county booth for the Hutchinson Fair, has taken part in the F.F.A. Officers Training School two years and has been a member of the Coldwater F.F.A. group projects.

\*\*\*\*\*

Bruce Neill, Miltonvale Chapter of F.F.A., is a junior in high school and now enrolled in his third year of vocational agriculture. Bruce has been on the honor roll all through high school. He has been vice president of his chapter, a member of the orchestra, the junior play cast and the football team. Bruce has represented his chapter in district judging contests.

Enterprise Type:	1938	1939	1940
Feed Crop	10 A Atlas	22 A Atlas 9 $\frac{1}{2}$ A oats	4 A forage sorghum 4 A grain sorghum
Pasture Crop			10 A rye
Cash Crop			20 A wheat
Breeding Livestock	1 Hereford heifer 1 sow	1 Hereford cow 1 Duroc Jersey gilt 1 heifer	2 cows 1 heifer 10 ewes
Fattening Livestock		8 pigs	1 deferred feeder
Work stock			2 horses
Equipment	cement hog trough:		sheep feeder hog trough

Bruce submitted neat, complete and accurate records. His net worth was \$342.84.

As supplementary farm practice work Bruce has selected breeding ewes, culled hens, treated hens for parasites, caponized chickens, dehorned calves, and vaccinated calves. He has treated oats and sorghum seed for smut, stopped gulleys and planted trees for a windbreak. He aided in installing a kitchen sink and repaired the house drain pipe. Bruce has been an active member of the Miltonvale F.F.A. cooperative sheep program.

\*\*\*\*\*

Lawrence Oestreich, Linn Chapter of F.F.A., is a senior in high school and has completed three years of vocational agriculture. He has been secretary and president of his chapter, treasurer of the Young People's Society, played baseball and basketball, was a member of the junior play cast, sang in the high school operetta four years, and was a member of the school octette. Lawrence has taken an active part in the F.F.A. Officers Training School, was in charge

## Lawrence Oestreich, Concluded

of a radio program presented over K.F.B.I., has exhibited livestock successfully, entered several district judging schools and represented his chapter in the 1940 State High School Judging Contest at Kansas State College.

Enterprise Type:	1937	1938	1939	1940
Feed Crop				2 A kafir 8 A corn 14 A rye
Cash Crop		5 A wheat	16 $\frac{1}{2}$ A wheat	
Breeding Livestock		14 sheep	17 sheep	29 Western ewes
Fattening Livestock			1 sow and 7 pigs	
Dairy	1 Holstein heifer	1 Jersey heifer		

Lawrence has planned his farming program carefully and submitted neat and complete records showing a net worth of \$309.25.

As supplementary farm practice work he has selected and tested seed for germination, treated seed for smut, poisoned gophers, culled poultry, sheared sheep, castrated lambs and pigs, butchered hogs and a beef, mixed poultry mash, serviced tools, reorganized the farm shop and built farm equipment. He has planted 50 trees on the home farm. Lawrence has been active on church and F.F.A. committees, was a member of the Linn Cooperative hog project three years and has purchased owes and marketed fat lambs cooperatively.

\*\*\*\*\*

Grant Poole, Manhattan Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He was secretary of his chapter last year and vice president during the current year. Grant was vice president of the junior class. His grades have been outstanding and he was awarded a scholarship letter in his junior year. Grant has been very active in school clubs having been a member of the Hi-Y three years, the science club one year and was on the program committee for the Junior-Senior banquet and the pigskin prom in 1939. He has had three years participation in band and two years in orchestra. In 1939 Grant represented his school in the State Farm Mechanics Contest, his team winning second place and Grant being high individual. He represented his chapter in the State High School Judging Contest at Kansas State College this year.

## Grant Poole, Concluded

Enterprise Type:	1938	1939	1940
Feed Crop	5 $\frac{1}{2}$ A certified Kanota oats	6 A Kanota oats	10 A Kanota oats 35 A Club kafir
Pasture Crop	$\frac{1}{3}$ A Sudan		2 A Sudan
Breeding Livestock	2 registered Hereford cows 1 registered Duroc Jersey gilt	2 registered Hereford cows 3 registered Duroc sows and 2 gilts	2 registered Hereford cows 1 registered Hereford heifer 1 registered Hereford calf 1 grade cow 5 registered Duroc Jersey sows and 43 pigs 1 registered Duroc boar
Fattening Livestock	2 litters pigs-18 2 purebred Hereford steer calves	4 litters pigs-39 3 purebred Hereford steer calves	4 Hereford calves on feed
Poultry	15 certified S.C. Rhode Island Red pullets	30 certified S.C. Rhode Island Reds 150 chicks	17 S.C. Rhode Island Reds 200 baby chicks
Equipment		2 large V type hog troughs	3 A type hog houses 2 wooden hog troughs

Grant has followed good production practices and his livestock shows good care and management. His cattle and hogs are purebred and the chickens certified. Grant's net worth is \$1119.60. His records are accurate, complete and neatly kept.

As supplementary farm practice work Grant has cared for cows at calving time, repaired farm buildings, built brooding coops and assisted in blood testing his mother's R.O.P. laying flock. He planned the landscaping of the home farmstead, has sodded the lawn to Bermuda grass, planted trees and shrubs on the lawn, repaired barnyard fences and planted an evergreen windbreak.

Grant's hobby is photography and he has installed a dark room, equipped for developing and has built a photo enlarger and a flash gun synchronizer.

Raymond Stalnaker, Arkansas City Chapter of F.F.A., has completed high school including three years of vocational agriculture and is now enrolled in the Arkansas City Junior College. He was president of his chapter in 1939 and has been F.F.A. sergeant-at-arms, Epworth League treasurer and Epworth League vice president two years. He was a member of the F.F.A. basketball and baseball teams, represented his department in district judging schools and was a member of the shop team in 1938 and the judging team in 1939 at the State High School Judging Contest held at Kansas State College.

Enterprise Type:	1937	1938	1939	1940
Pasture Crop				5 A sweet clover
Cash Crop		10 A Chiefkan wheat	25 A Chiefkan wheat	25 A Chiefkan wheat
Breeding Livestock	10 Western ewes	12 Western ewes	8 Western ewes 6 grade Native ewes	6 Western ewes 8 grade Native ewes

Raymond's records show a net worth of \$414.66.

As supplementary farm practice work he has dipped sheep, built a sheep feeder, creep fed lambs, fitted an Ayrshire cow for showing, pruned grapes, constructed two terrace outlets, overhauled a gas engine and constructed farm gates. He has marketed lambs and treated seed potatoes cooperatively. Raymond has conducted wheat and barley variety tests.

\*\*\*\*\*

Arthur Tunison, Olathe Chapter of F.F.A., is a high school graduate and has completed three years of vocational agriculture. He has an excellent scholarship record, was on the school honor roll regularly and is a member of the National Honor Society. Last year he was president of his chapter. He has been program committee chairman and a member of several other important F.F.A. committees. He was a member of the F.F.A. basketball team, junior high operetta, and was a member of the cast of both the junior and senior plays. He has shown livestock successfully, participated in several district judging schools, represented his department in the 1938 State Farm Mechanics Contest and the 1939 State High School Judging Contest held at Kansas State College.

Enterprise Type:	1937	1938	1939
Feed Crop	12½ A Kanota oats	10 A Kanota oats 5 A corn	

## Arthur Tunison, Concluded

Enterprise Type:	1937	1938	1939
Cash Crop			10 A corn
Breeding Livestock		1 Duroc Jersey gilt 10 Western ewes	2 Duroc Jersey gilts 10 Western ewes
Fattening Livestock		8 Duroc Jersey pigs	11 Duroc Jersey pigs
Dairy		1 Holstein cow	1 Holstein cow
Poultry		100 White Leghorn chicks	

Arthur planned his farming program carefully and had a neat record book showing a net worth of \$449.43.

As supplementary farm practice work he culled and wormed poultry, controlled mites, mixed egg mash, dressed and picked broilers and turkeys for market, castrated pigs, fitted a cow for show, treated oats for smut, and poisoned grasshoppers. He has overhauled a car and repaired a grain binder and a mower. He repaired the garage, built an insulated cooling vat in the milk house, mixed paint, painted the milk house and barn, pruned trees and set out small trees. Arthur has been prominent in chapter activities and an aid to his instructor in grading papers and conducting identification quizzes.

\*\*\*\*\*

Harvey Whitehill, Winfield Chapter of F.F.A., is a senior in high school and is now enrolled in his third year of vocational agriculture. He has been treasurer of his chapter and chairman of the F.F.A. earnings and savings committee. He has played softball and basketball and is a member of the Dio Beste Society. He has represented his chapter on livestock judging teams and in farm mechanics contests.

Enterprise Type:	1938	1939	1940
Feed Crop		3 A corn 7 A barley	5 A corn 5 A barley 10 A oats

## Harvey Whitehill, Concluded

Enterprise Type:	1938	1939	1940
Pasture Crop	12 A wheat	2 A wheat	2 A Sudan
Cash Crop	12 A wheat 2/5 A potatoes	1/5 A potatoes	10 A wheat
Soil Building Crops Or Practices			3 A soybeans
Breeding Livestock	64 breeding ewes 1 sow 1 cow 2 heifers	2 Shorthorn cows 2 Shorthorn heifers 38 Western ewes 2 Poland China sows 2 Poland China gilts	2 Shorthorn cows 1 Shorthorn heifer 40 Western ewes 2 Poland China sows
Fattening Livestock	24 lambs 9 pigs 2 calves	38 lambs 1 steer 9 hogs	
Equipment	1 sheep feeder	1 sheep feeder sheep panels	1 sheep feeder sheep panels

Harvey has a well balanced farming program showing a net worth of \$705.95.

As supplementary farm practice work Harvey has dehorned and vaccinated calves and castrated calves and lambs. He has aided in rebuilding the garden and yard fences, and has planted and trimmed shade trees. He has built many pieces of farm equipment such as feeders, bunks and gates. Harvey has aided in installing lights on a tractor. He has built a grain treater, built and painted a truck body and repaired a generator and a combine. He has helped to clean out a pond and to stop gulleys.

\*\*\*\*\*

Lyle Wonderlich, Alton Chapter of F.F.A., is a junior in high school and has completed two years of vocational agriculture. He has an excellent scholarship record and was on the honor roll regularly. He has been president and vice president of his F.F.A. chapter. Lyle has been vice president, secretary and treasurer of his high school class and Sunday school librarian. Lyle was a member of the track squad, Hi-Y, band and glee club. He took part in his class play and the high school minstral, cantatta and operetta.

Enterprise Type:	1937	1938	1939	1940
Feed Crop		8 A Atlas sorgo	4 A Atlas sorgo	5 A Atlas sorgo
			6 A barley	48 A barley
			2 A rye	2 A rye
Pasture Crop		1 $\frac{1}{2}$ A rye	2 A Sudan	2 A Sudan
		1 $\frac{1}{2}$ A Sudan		
Cash Crop	78 A wheat	78 A wheat	78 A wheat	78 A wheat
Breeding Livestock	5 ewes	8 ewes, 1 ram	9 ewes	12 ewes
		2 Hereford heifers	1 Hereford cow and calf	1 Hereford cow and calf
			1 Hereford heifer	
Fattening Livestock	1 stocker steer	1 Hereford steer	1 Hereford steer	1 stocker steer
Equipment			1 feeder	1 feeder
			1 straw shed	1 straw shed

Lyle's net worth is \$454.91 including \$200 in government bonds and Building and Loan.

As supplementary farm practice work he has sheared sheep, drenched ewes, docked lambs, castrated swine, lambs and calves, vaccinated calves, tested cows for tuberculosis, selected breeding stock, and mixed balanced rations. He has planted a windbreak, sodded the lawn to buffalo grass, painted the barn and helped paint the house. He has full listed for feed, built soil saving dams, and controlled cacti in the pasture. He repaired a corn binder, a wheat binder and a mower, serviced tools, and built other small articles for the home and farm.

\*\*\*\*\*
