

| Fall 2013

Connecting Across Topics (CAT) Communities are designed around student interests, and they offer mentoring from both a professor and an advanced undergraduate Learning Assistant who has been successful in the same classes.

**Enrollment.** To sign up, e-mail us at [kstatefirst@k-state.edu](mailto:kstatefirst@k-state.edu) or call us at (785)-320-1221 [anytime] or at (785) 532-7803 [during June orientation and enrollment]. Students may only sign up for one CAT community, and they should not sign up if they already have college credit for one or both of the main classes in the CAT community. Space is limited. Each learning community has only 22 seats.
