Dear Melinda,

Thank you for that information. Kelley Black can consider this email as written permission to use Tables 4 and 5 and Figure 2 as detailed below in the upcoming thesis. Please note that this permission does not cover any 3<sup>rd</sup> party material that may be found within the work. You must properly credit the original source, *Journal of Veterinary Diagnostic Investigation* (it should be noted as “in press” if the article has not published at the time of the reuse). Please contact us for any further usage of the material, including republication.

Best regards,  
Michelle Binur
