

## Striving for Harmony

Terrie K. Boguski,  
*President*

Harmony Environmental, LLC, is a woman-owned environmental consulting firm dedicated to improving environmental decision-making.

Our vision is to look beyond sustainability and promote a healthy environment for all people to enjoy.

Customers and communities are increasingly demanding more environmental information. What is the life cycle carbon footprint for your product? How will this project affect my community? How are you measuring “sustainability”? We can assist in providing the answers that your customers require.

Harmony Environmental, LLC offers comprehensive services tailored to the specific needs of the client. We provide resources, tools, and information for effective communication, decision-making, and project implementation.
