The Way We Were

Memories,
like the corners of my mind
Misty water color memories
of the way we were.
Scattered pictures
of the Smiles we left behind
Smiles we gave to one another
for the way we were.

Can it be that it was all
So simple then
or has time rewritten every line
If we had the chance
to do it all again
Tell me would we, could we

Memories,
maybe beautiful and yet
What's too painful to remember
we simply choose to forget
So it's the laughter
We will remember
Whenever we remember
the way we were
The way we were.

THE FUTURE

The best verse hasn't been rhymed yet,
The best house hasn't been planned,
The highest peak hasn't been climbed yet,
The mightiest rivers aren't spanned;
Don't worry and fret, faint-hearted,
The chances have just begun
For the best jobs haven't been started,
The best work hasn't been done.
