FOREWORD

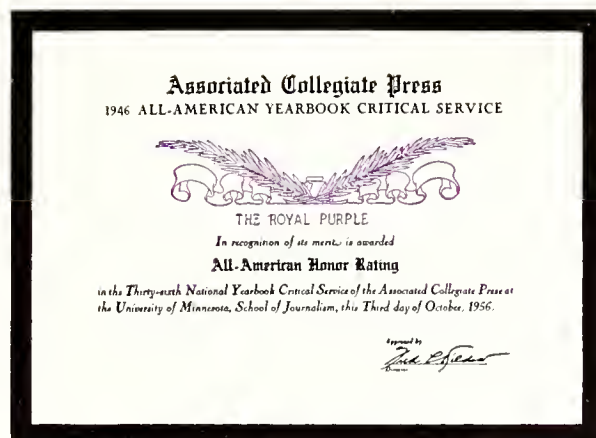

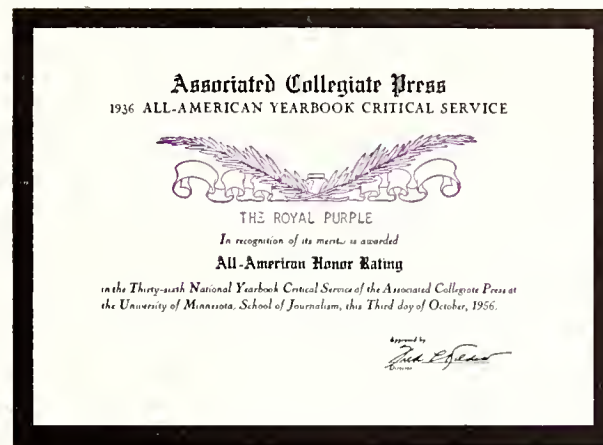

This year we are celebrating the golden anniversary of the Royal Purple. In 1909 the Royal Purple was selected as the name of the Kansas State college year-book, which would be an annual publication. The first student publication of permanent importance was the College Symposium, published in 1891. Class books, known by various names, were also published by the classes of 1896, 1898, 1900, 1904, 1905, 1906, and 1907. The class of 1908 issued only a pamphlet.

Nineteen fifty-nine will especially be remembered as the year Kansas State became a University in name as well as in fact, and the first time the Wildcat basketball team was rated the nation's number one team in the final major college basketball polls.

In the words of the 1909 staff, "We trust that the record of college life contained within, is complete." We of 1959 hope it provides a lasting memory for you.

DEDICATION

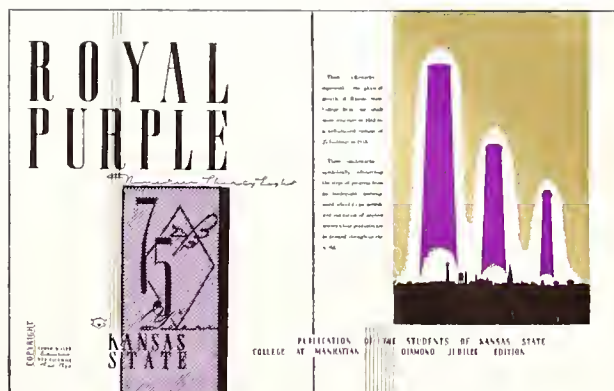

In commemorating the Golden anniversary of the Royal Purple it seems fitting that those who made these 50 Kansas State college year books possible should be remembered.

As the years pass by we realize further what the Royal Purple means to us—the picture of a friend we can't quite place, a certain memorable Homecoming, professors who inspired us, or familiar buildings. Those who came to Kansas State before us spend many happy moments reminiscing through the Royal Purple.

If it weren't for our editors this wouldn't be possible. It was the editors who worked many hours to publish the books. They struggled to get complete coverage of campus events and to meet ever-pressing deadlines.

It is to these editors of the past 50 Royal Purples, their staffs, and the two long-time sponsors, H. W. Davis and C. J. Medlin, that we dedicate the 1959 Royal Purple.

The short-cut through Anderson hall is used by students rain or shine. Ivy-covered Anderson was con-

structed between the years 1878 and 1884, and has housed Kansas State's administration ever since.

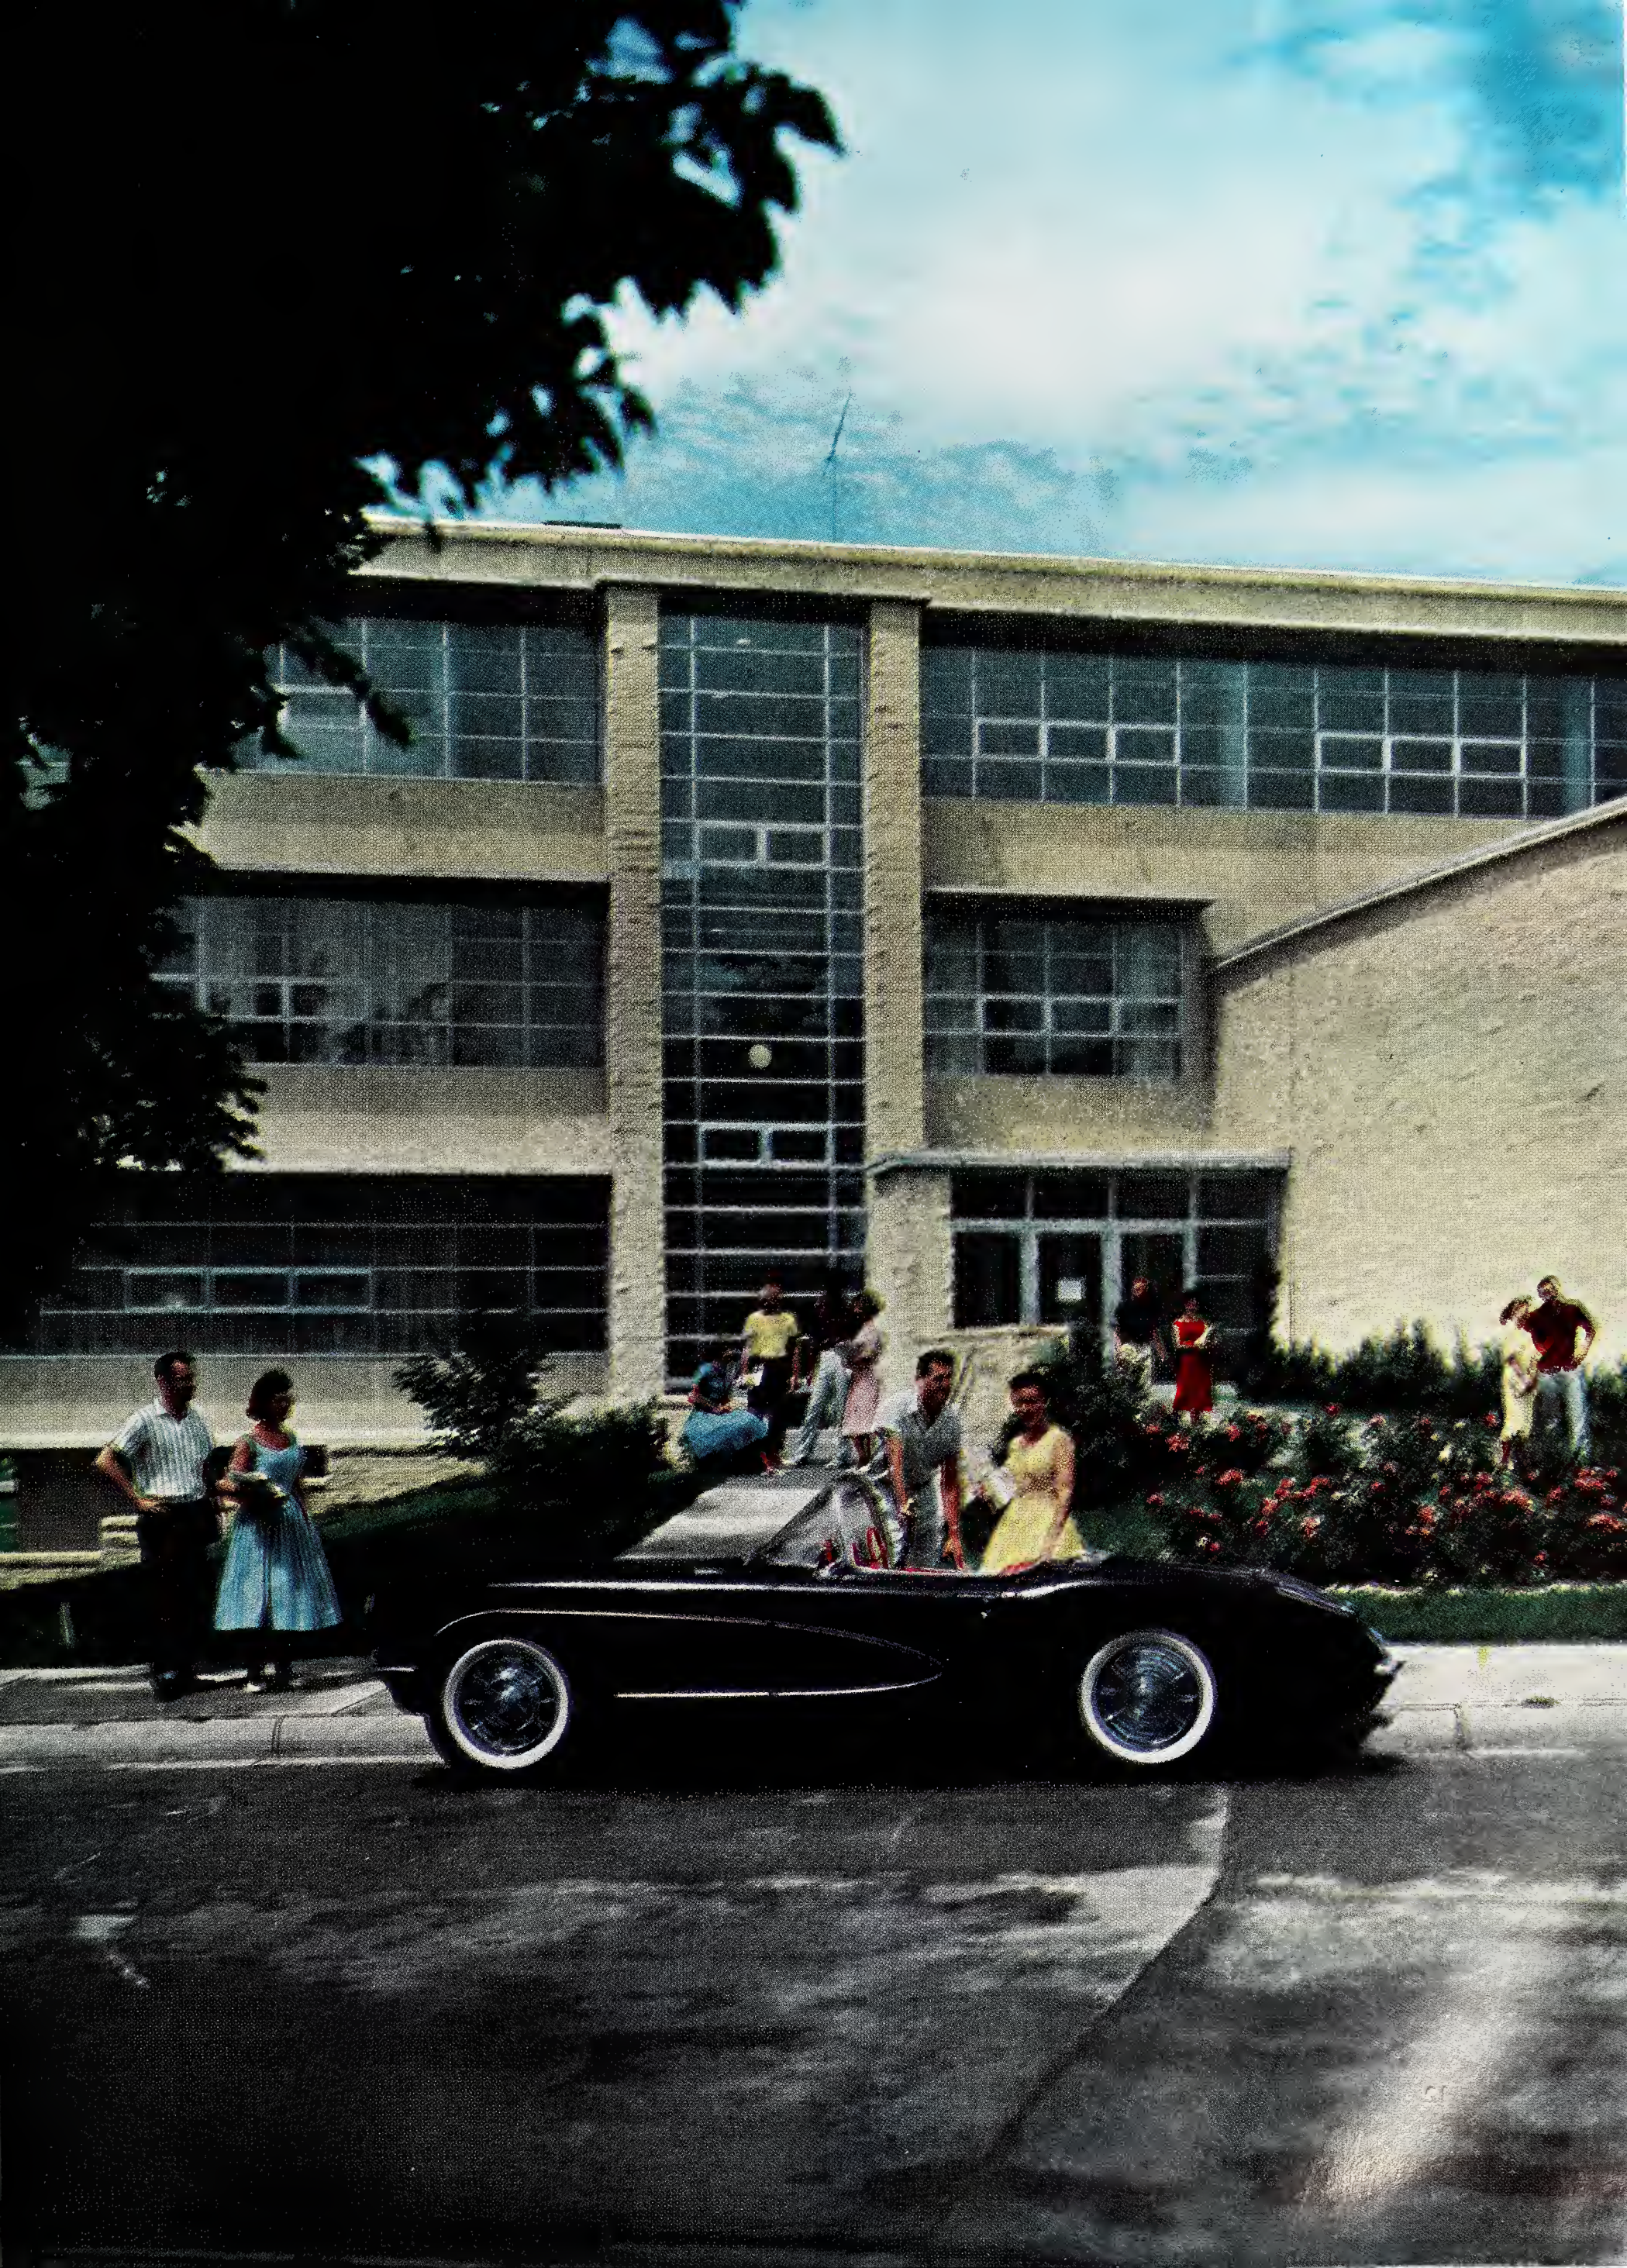

The Student Union is always the center of campus activity with its coffee breaks, meetings, and parties.

Home of the Education department is Holton hall (at right). All students working for teaching certificates

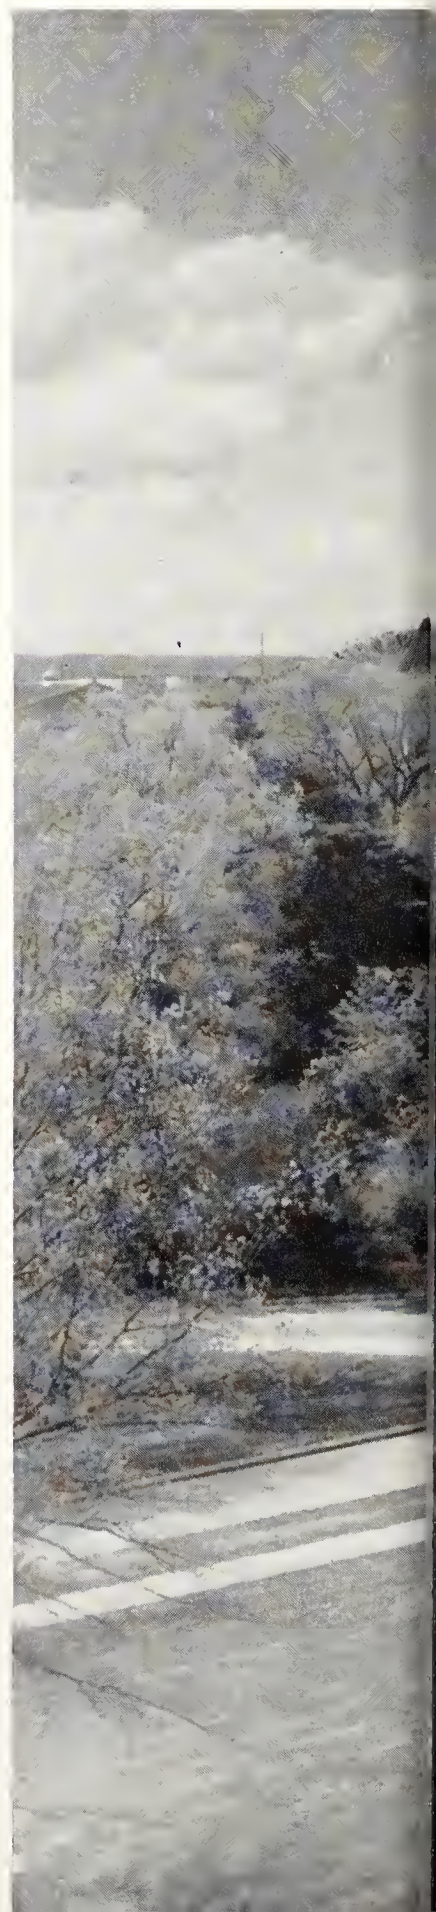

have classes in this building. Next door is Eisenhower hall, which houses the Arts and Sciences offices.

The new agricultural engineering wing to Seaton hall was ready for the fall semester. It was added to a 1952 Engineering addition.

The campus in bloom is indeed a sight to see. K-State boasts more than 4,000 trees. Of the some 185 spe-

cies, only 85 are native to Kansas. In the background is the city of Manhattan—as seen from the “hill.”

The steps of Waters hall, home of the School of Agriculture, provide a stopping place between classes.

Students leaving Eisenhower hall head for the Union or elsewhere. Eisenhower's addition, soon to be added

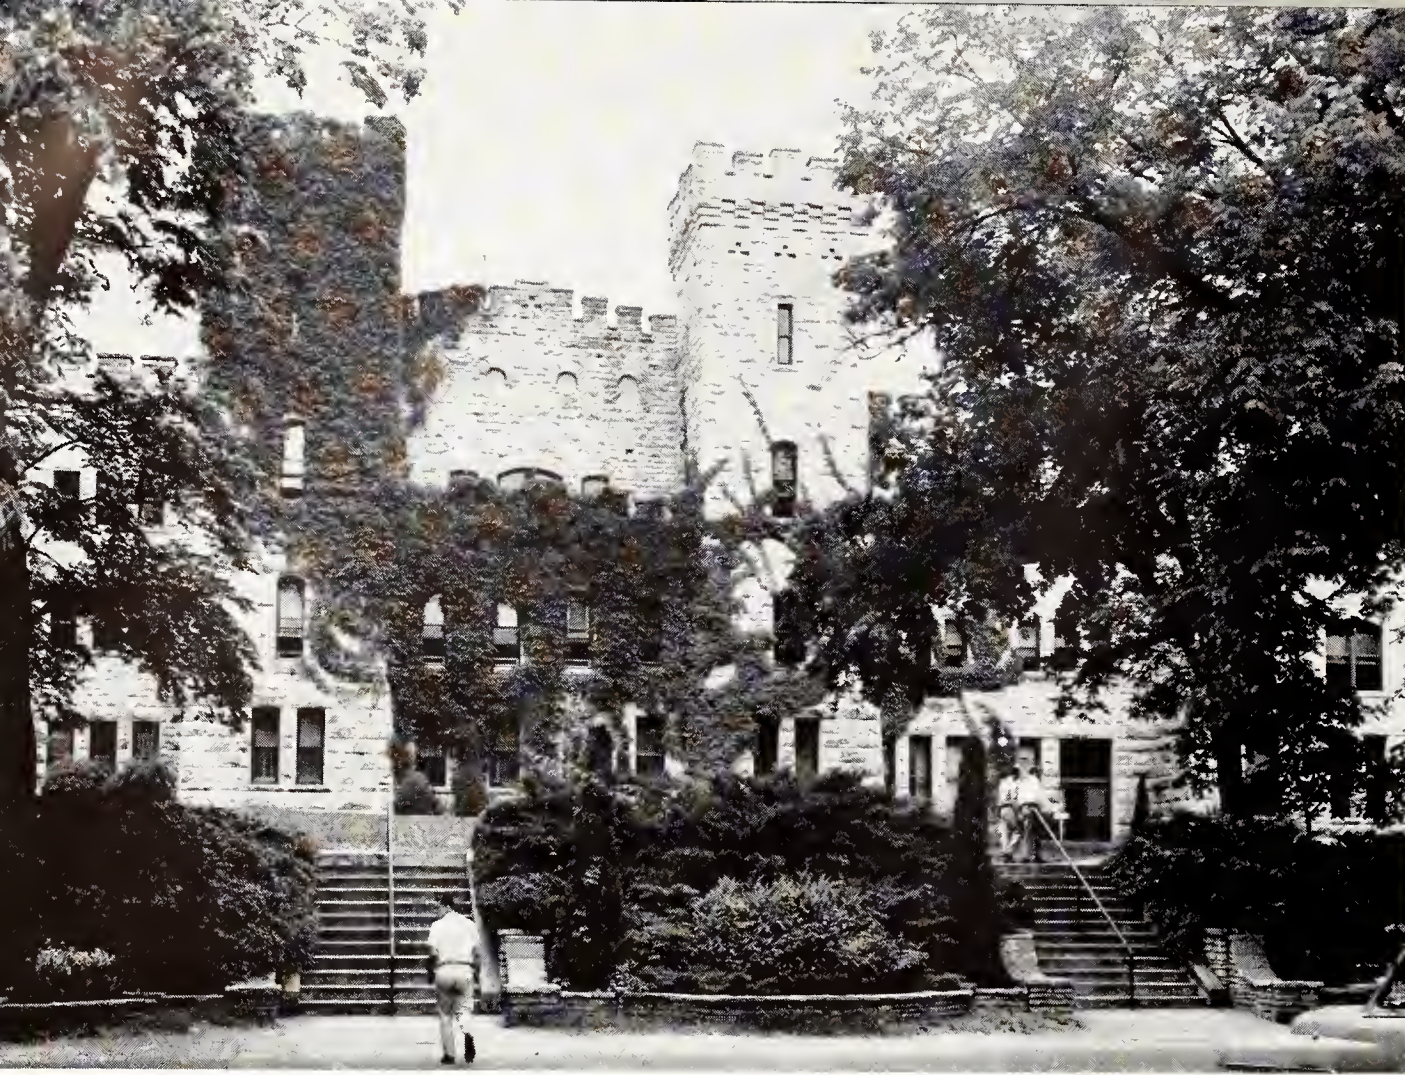

to the north end, will house large classrooms equipped with public address systems and television conduits.

A Natural Frame sets off the College auditorium and Fairchild hall for the observant viewer.

A summer wedding in Danforth chapel culminates a campus romance for these two Kansas State students.

Manhattanites who travel along Anderson avenue's busy thoroughfare see this view of the Kansas State campus, ivy-covered Nichols gymnasium.

Many poodles and cats have occasion to drop by this building—Dykstra Veterinary hospital. Here animals

are treated by veterinarians and student interns who attend clinic sessions to gain experience.

Willard hall houses classes in the physical sciences. Red-bud trees in bloom lend color to the picturesque

stone building as students stroll along Mid-campus drive on their way to classes, back to dormitories.

Vine-covered Dickens hall is typical of many campus buildings which resemble medieval castles. At right are the K-State greenhouses.

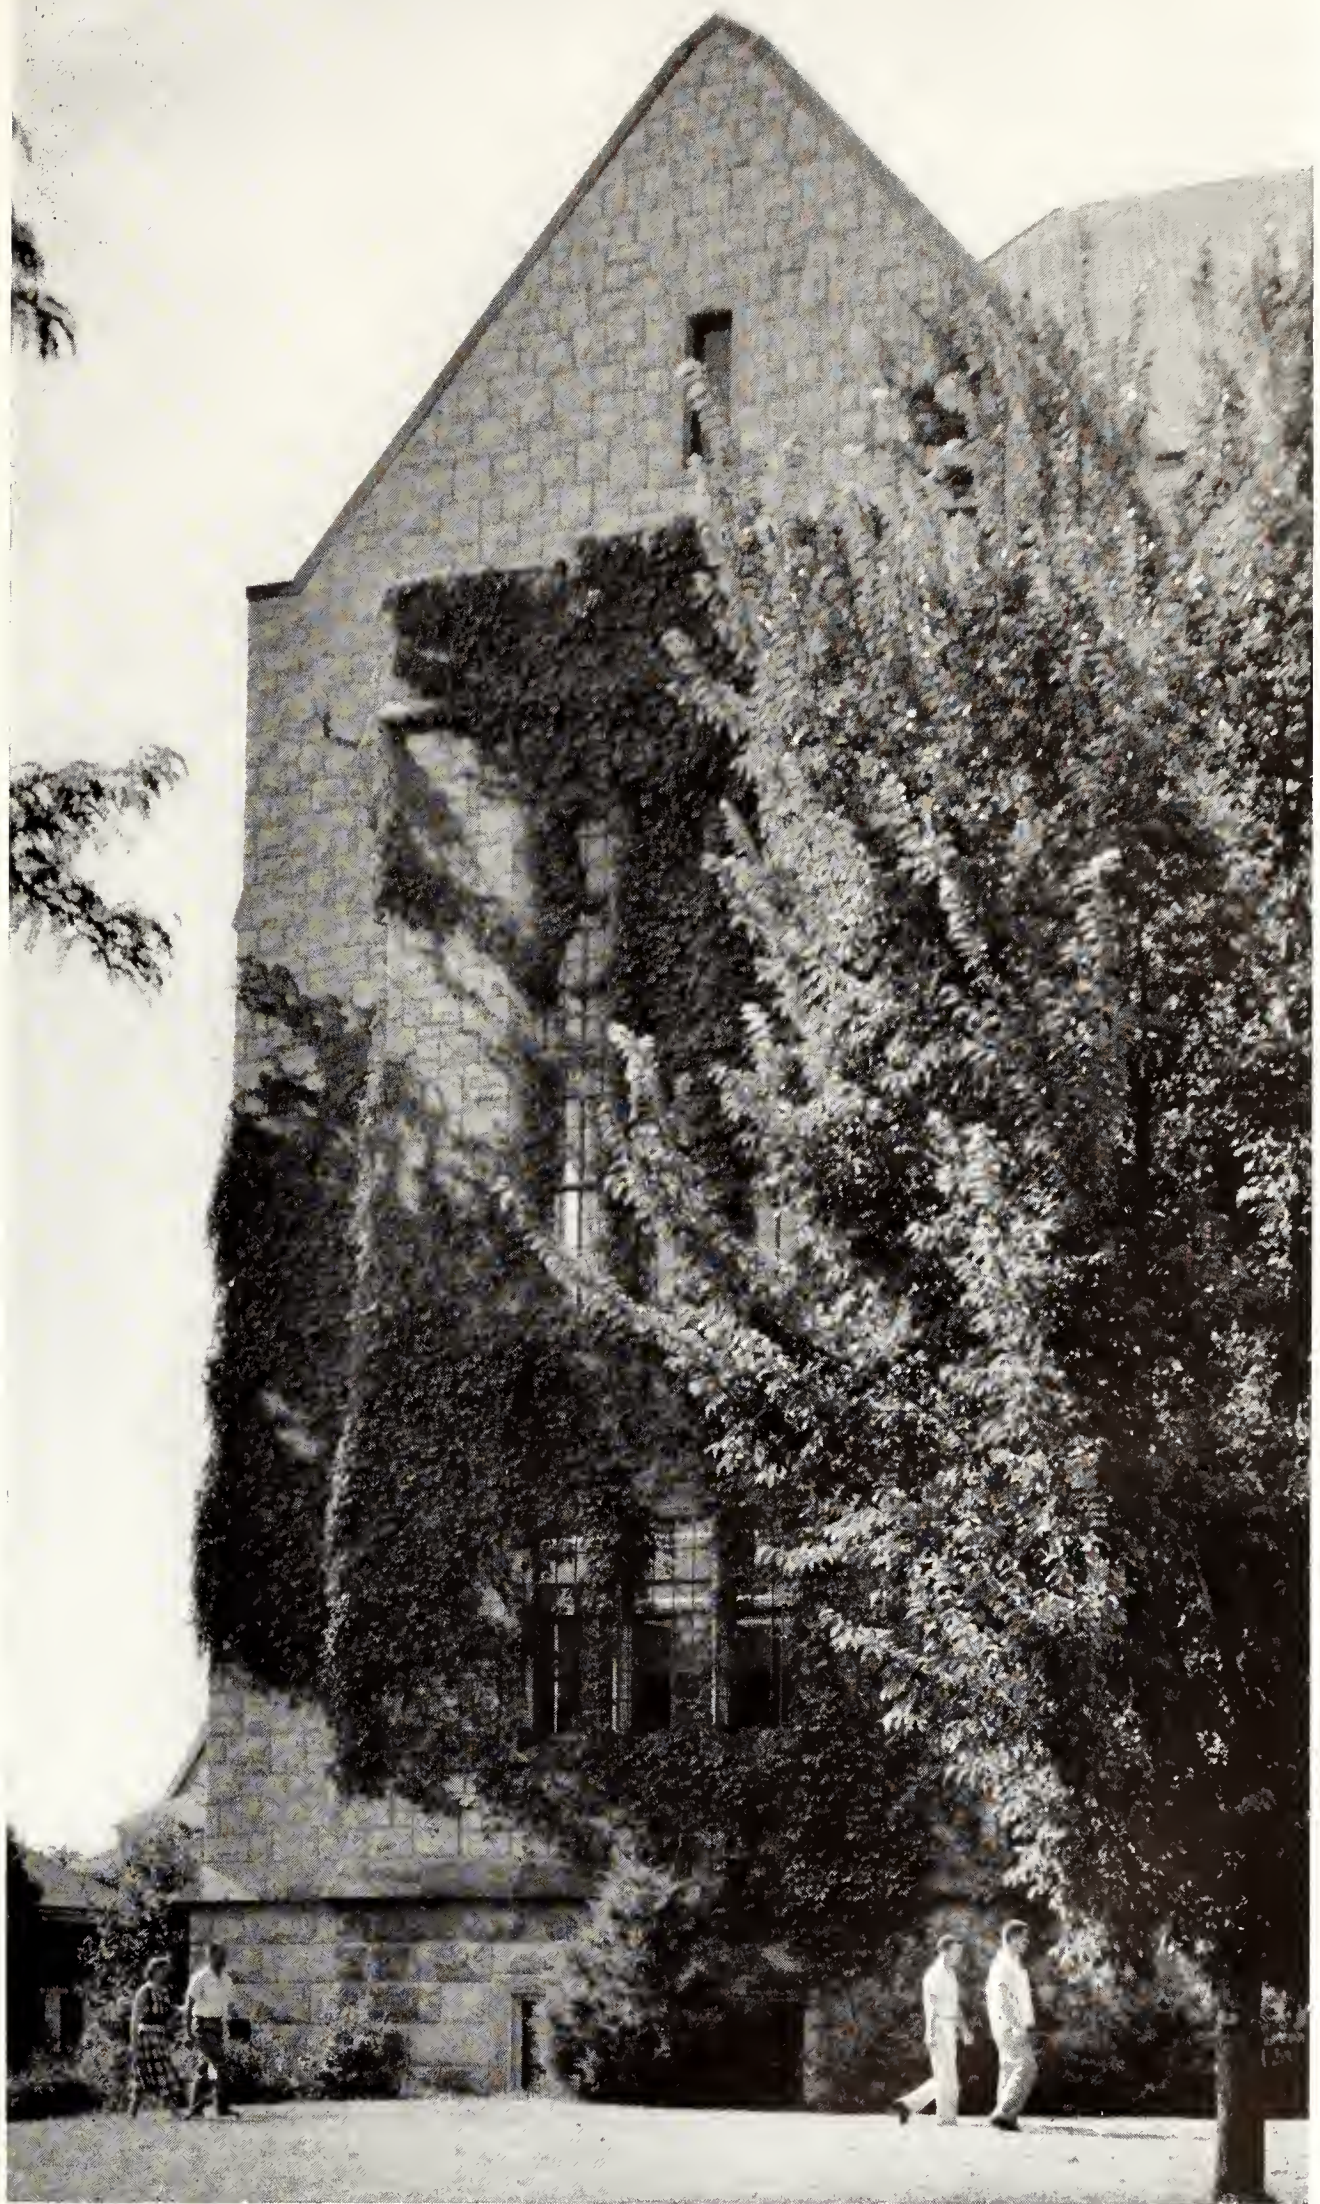

Members of the class of 1958 wind their way from Anderson hall to the Ahearn field house.

Greeting the graduates are friends and family. K-State graduates in '59 should total 1,700.

From early morning till late at night students come in and out of the big four floor Farrell library, housing 220,000 volumes, in the heart of the campus.

Focus of campus activity is the "road to the Union" along Vattier drive. Trees in front of K-State's School

of Engineering and Architecture (right) shade students on their way to afternoon Coke dates.

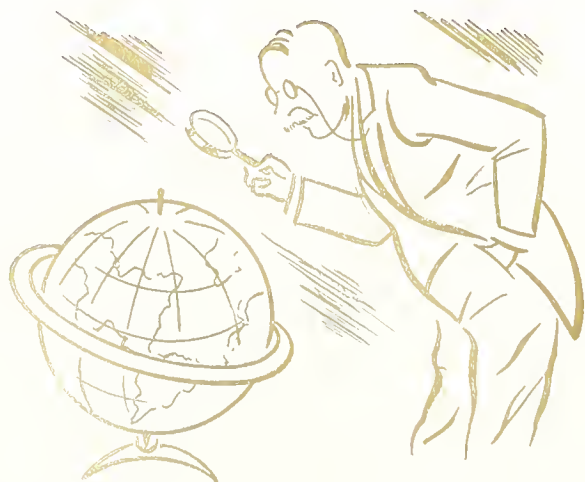

Kansas State finally became a University and University Day was proclaimed during the 1959 spring semester. The name was officially changed from Kansas State College of Agriculture and Applied Science to Kansas State University of Agriculture and Applied Science by the state legislature and signed by the governor on March 20.

PRESIDENT

McCain's ninth year at Kansas State is eventful; Four lend assistance to chief

Kansas State's 1958-59 school year, Pres. James A. McCain's ninth here, proved one of the most eventful in history. As the President said, "Each year seems more exciting than its predecessor, and this one was no exception."

President of the University of Montana before coming to K-State, Dr. McCain commented that his job "sometimes makes you feel like a juggler—you have to keep so many balls bouncing in the air at once."

Dr. McCain pointed to a number of accomplishments during the academic year: K-State was one of seven schools allocated funds for nuclear reactors by the Atomic Energy com-

President McCain likens his job to that of a juggler—its many phases must be always co-ordinated.

President McCain talks to assistants: H. J. Wunderlich, A. L. Pugsley, Dan Beatty, and Max Milbourn.

mission; a 650 IBM computer was installed; construction was completed on the Margaret Justin home economics building; and the men's memorial scholarship house was opened. A recreation area at the Tuttle Creek dam site was also initiated. In addition, the Endowment association collected \$145,000 in gifts—more than ever before; and over \$1 million came from other outside sources. Nearly half of the entering freshmen ranked in the upper fourth of their high school classes.

The three most important phases of the President's job are: 1) educational leadership, 2) interpretation of the institution to the public, and 3) development of support for the institution.

Lending key assistance to the President during the academic year were Herbert J. Wunderlich, dean of students; Albert L. Pugsley, dean of academic administration; Daniel D. Beatty, business manager; and Max Milbourn, the President's assistant.

The only Democrat in the history of Kansas to be re-elected governor is George Docking, Lawrence banker.

REGENTS

Board sets policies for Kansas schools; recommends \$15 million building program

The Kansas Board of Regents is a policy-making body for the five state-supported colleges, the school for the deaf, and the school for the blind. On the agenda at its regularly monthly meetings are the budget and building programs, curriculum changes, and authorization of leaves of absence.

Approving a \$15 million "crash" building program for colleges and universities, the regents recommended the plan to the 1959 Legislature. Purpose of the program would be to channel funds already ear-marked for building into stepped-up construction to make sure facilities will be ready to meet the needs of rising enrollment during the next 10 years. The Board also recommended the change of the College's name to Kansas State University of Agriculture and Applied Science.

Regents whose terms expired December 31 were McDill Boyd, Ray Evans and L. D. Morgan. Evans was re-appointed. New appointees were Charles V. Kincaid and Leon Roulier.

SENATE

Faculty senators form educational policies; approve new plan for retiring staff members

Faculty participation in formulation of educational policies is the aim of the Faculty senate. Policies decided upon by the senate find expression in the academic program, extra-curricular activities, faculty selection, improvement of instruction, and public relations.

1958-59 chairman Roman J. Verhaalen reports approval for a new faculty retirement plan by the Senate. In the past the College had no monetary provisions for retiring faculty members.

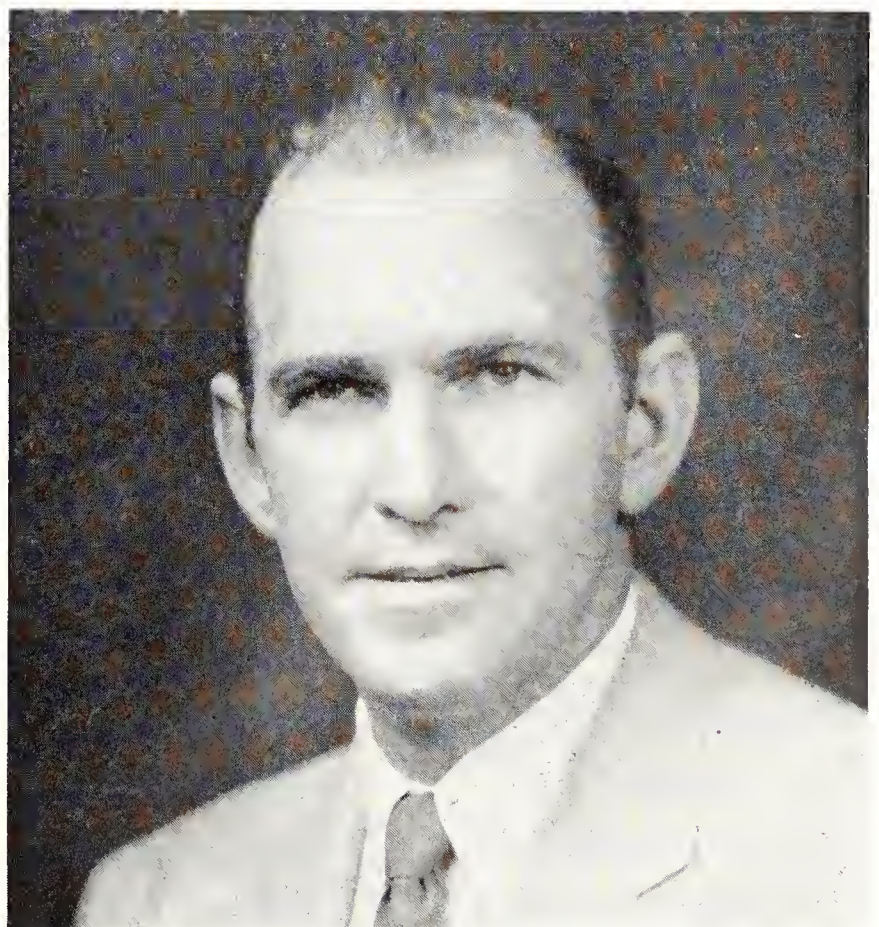

Two senators are elected from each undergraduate school and the Extension division, plus one additional senator for each 35 faculty members. Senators are elected for a term of three years and take office the first of April in the year elected.

The Senate has two major committees and three councils—Academic Affairs, Faculty Affairs, Public Relations, Student Affairs, and Athletics—and a number of sub-commit-

tees, ranging from graduate study promotion to campus sanitation.

Ex-officio members are the President, the deans of the respective schools, the dean of academic administration, the dean of students, and the head of the campus library.

Chairman of the Faculty senate for 1958-59 is Roman J. Verhaalen, director of Continuing Education.

ADMINISTRATION

Staff adds new assistant dean of students, director of research, counseling director

Herbert J. Wunderlich, Dean of Students, gives advice and guidance to students, along with setting student policies. He also advises the Student Governing association.

New Assistant Dean of Students, Ron E. A. Jackson, obtained experience in student problems while at the Counseling Center. In his new position he advises international students and is ex-officio member of Tribunal.

Margaret Lahey, Associate Dean of Students, works for the welfare of women students through Associated Women Students, organized house directors, Panhellenic, and the Interdorm council.

E. M. Gerritz, as Registrar, has started a high school visitation program. Alumni activities are co-ordinated by Kenney Ford.

Deans Ron E. A. Jackson, Margaret Lahey, and Herbert J. Wunderlich work for better student conditions.

Administrative Officials—TOP ROW: K. M. Heywood, Endowment and Development Director; Donald P. Hoyt, Counseling Center Director; Wendell Kerr, Veteran's Service. BOTTOM ROW: Dr. Benjamin Lafene, Student Health Director; Ralph Perry, Comptroller; Chester Peters, Placement Center Director.

Gingrich, Physical Plant Superintendent.

Ralph Perry oversees general business transactions. Maintenance of College buildings is supervised by R. F. Gingrich. Chester Peters finds jobs for students and faculty.

New Director of Academic Research is Thomas D. O'Brien, who works with A. B. Cardwell, head of general research. The entire College history is kept by C. M. Correll, while William F. Baehr manages the 220,000 volume library. F. D. Farrell is President Emeritus, and K. M. Heywood supervises endowments.

A new Student Health Center will facilitate Dr. Benjamin Lafene and staff in their care of students. Student housing and living standards are approved by A. Thornton Edwards. New counseling director, Donald Hoyt, helps students with problems. Wendell Kerr is the special adviser to ex-servicemen.

Chuck Wingert, student body president, is the executive head of student government at Kansas State.

SGA

Chuck Wingert heads campus government; Student Council visits Kansas high schools

The Student Governing association of Kansas State college is composed of three main branches: executive—student body president, legislative—Student Council, and judicial—Tribunal. All students carrying six hours or more are members of SGA. Over 200 students took an active part during the year by working on SGA committees and the Student Council.

Student body president Chuck Wingert handles all SGA correspondence and as an ex officio member of Student Council, must pass all bills made by this group. He was elected in the all-school spring election along with the council members, representing the six schools.

Many high school students were reached by Student Council members in a program that featured several television programs and visits to high schools throughout Kansas. Changing the name of Kansas State college to Kansas State university, putting up permanent signboards on the campus, establishing a bulletin board for the SGA, and publishing a list of faculty members teaching each class were some of the main objectives of the council, headed by chairman Larry French.

Larry French, Student Council chairman, works with Tom Cour and Winkie Killian in the Union SGA office.

Acting on violations of College rules are Tribunal members: Andy Stewart, Phil Warnken, Bill Mollohan,

Barbara David, Alberta Curry, Bill Patton, Gordon Smith, Donald Wilbur, and Ralph Dakin.

TRIBUNAL

Judicial body of student government takes action on violations of College rules

Tribunal is the judicial power of the Student Governing association. Six student justices, one from each school, and three faculty justices, appointed by President McCain, make up the body. Justices are nominated by their respective school councils, and their names are submitted for approval from the President. No justice may serve in any other

student government office while on the Tribunal. Justices may serve a maximum term of three years.

The Tribunal upholds the Kansas State Honor Code established by the Student Council to promote good citizenship. The group meets once a week to rule on cases of violations of the College rules. Cases are tried behind closed doors unless the defendant requests a public trial. The Tribunal submits its decision to the President for approval and then refers its ruling to the dean of students.

Bill Patton served as chancellor, Barbara David was clerk for the second year, and Andy Stewart was attorney general.

Chancellor Bill Patton guides the case decisions of the eight other 1958-59 K-State Tribunal justices.

Student Council members work late into the night tabulating votes in a student government election.

AWS

Women's council sponsors all-women's day, penny-a-minute night, and voting discussion

"It's a Woman's World" was not only the slogan of all-women's day at K-State, but was a theme that united the Associated Women Students of the College in their attempt to make this a better "woman's world."

Each woman student is automatically a member of AWS. Every 50 women living in an organized house or dormitory are represented by a member on the AWS council. This council, with the aid of committee chairmen and a judicial board, works for the unification and the social and educational welfare of the women students. AWS works closely with Associate Dean of Students, Margaret Lahey, and has jurisdiction over all areas in which Miss Lahey has authority.

Among the new activities of AWS were an orientation program for freshmen dormitory officers, a discussion on voting procedure before the November election, and a plan to affiliate freshmen living in Manhattan with

BOARDS

Twenty-nine activities receive \$200,122 from student fees; board governs publications

The Apportionment board divides student activity fees among campus organizations after requests for funds are made at hearings before the board. For the 1958-59 school year, \$200,121.55 was apportioned for 29 activities. Comprising the board are three

students selected by the Student Council, three faculty members appointed by the President, and the student body president.

The Board of Student Publications makes policies concerning the Collegian, Royal Purple, and Student Directory. Three student members are elected in the all-spring elections, and three faculty members are appointed by the President. The board employs the graduate manager of Student Publications, Inc., awards contracts, and selects the editors and business managers of the publications.

Reviewing the business policies of the student publications are Board of Student Publications, members,

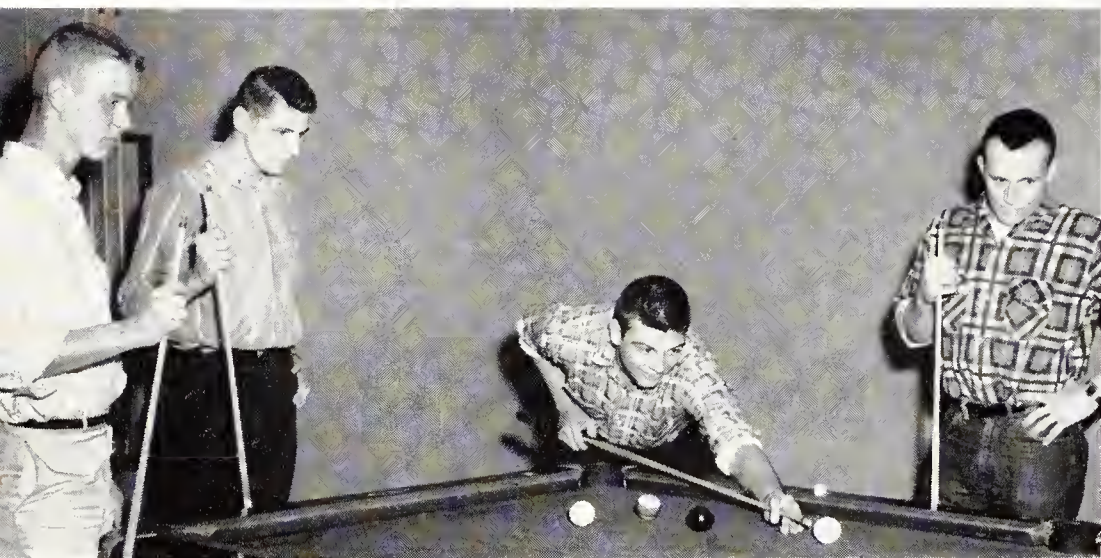

Fritz Moore, Lynn Moxley, chairman Ralph Lashbrook, Sharon Totten, Charlene Strah, and Byron Ellis.

UNION

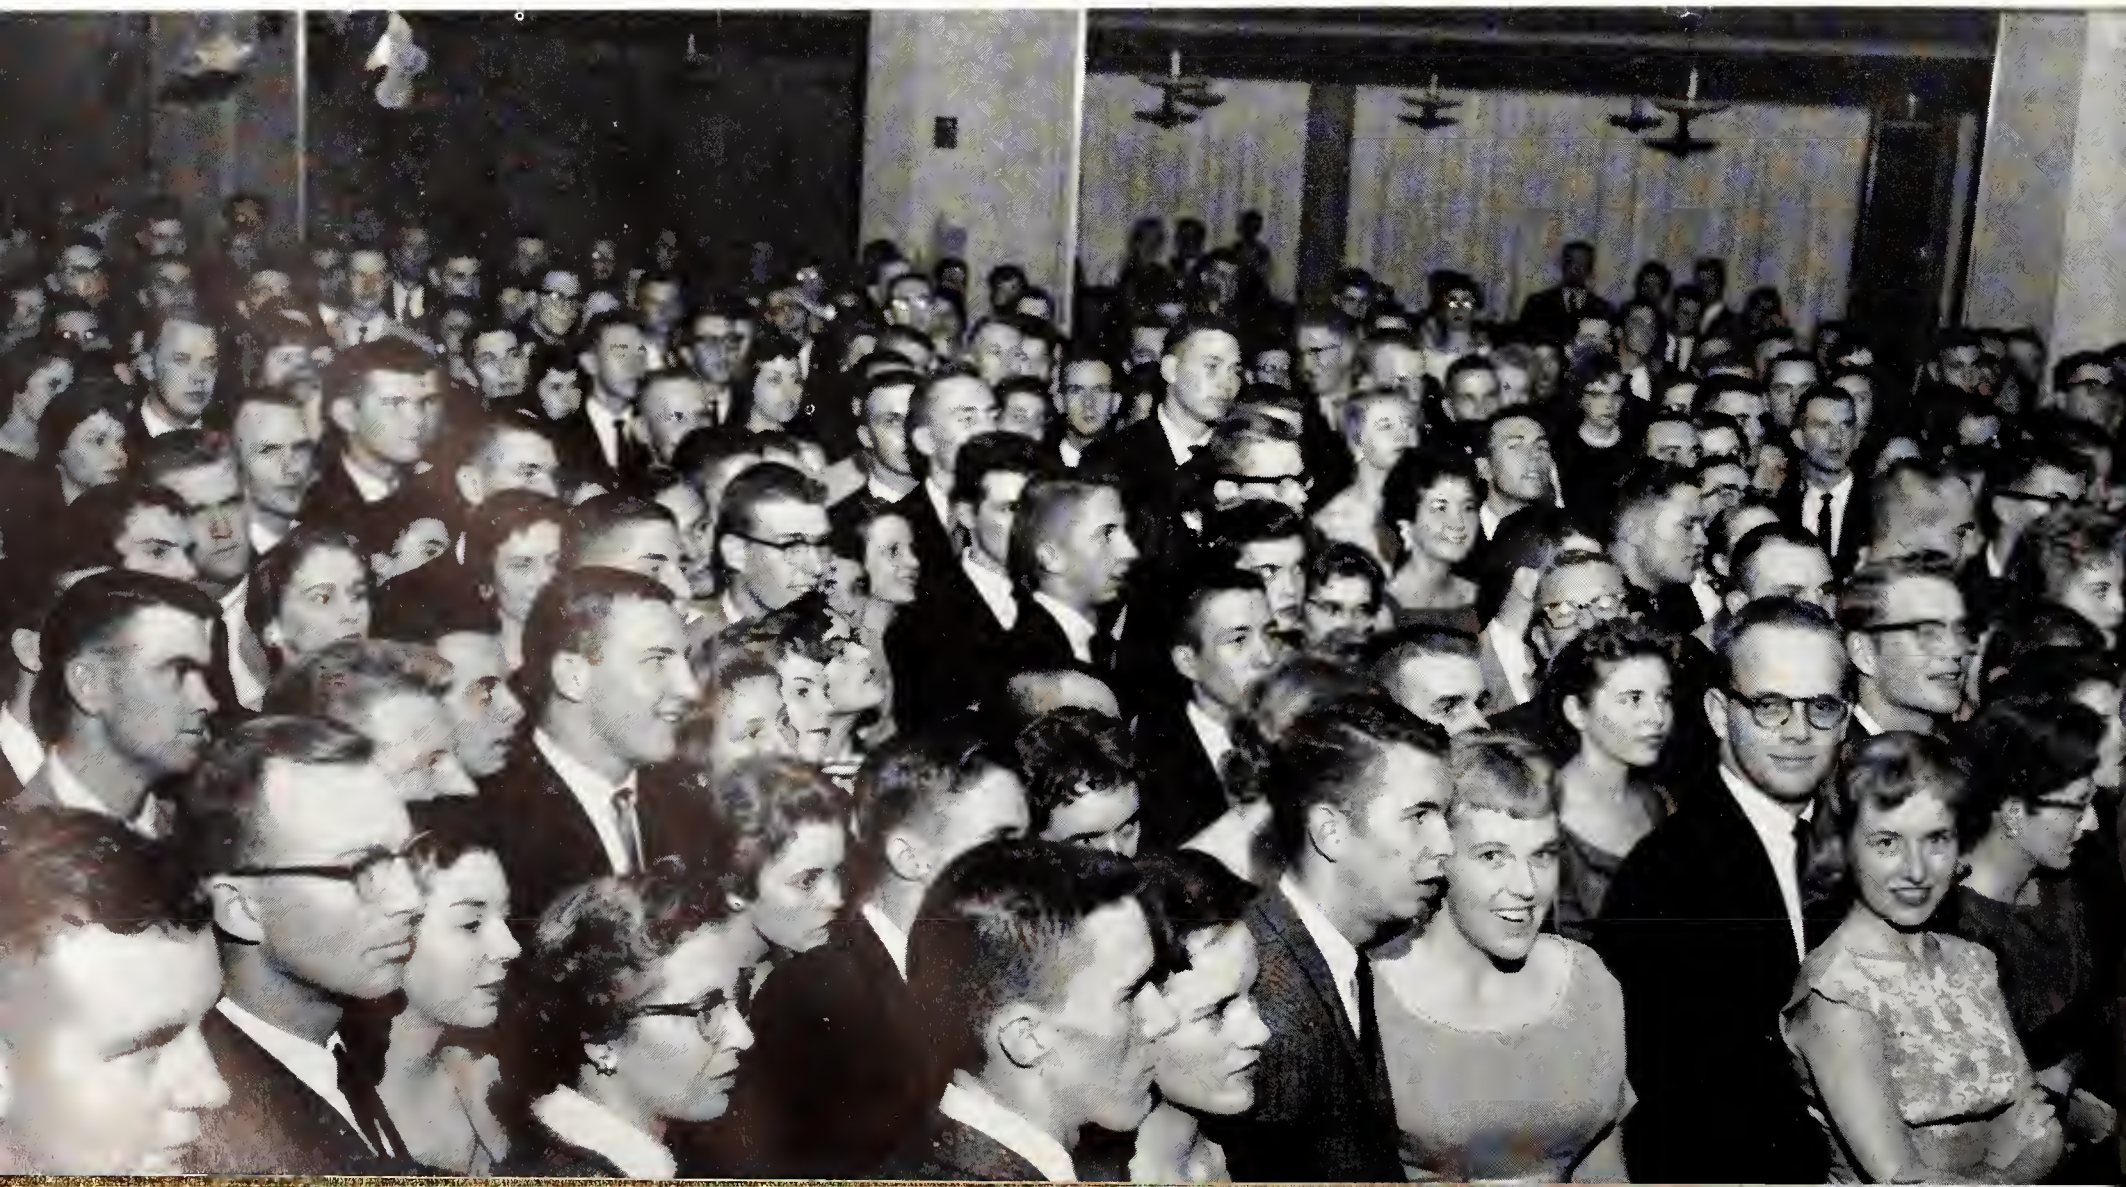

*Plans are made to enlarge student center;
Loren Kottner ends fourth year as director*

Boasting one of the best programs in the nation, the K-State Union effectively led in campus activities during the 1958-59 school year. Though the Union was only in its third year of use, plans were already made to en-

Kottner directs Union four years

Loren Kottner spent his fourth year as director of the Union in 1958-59. He came to K-State before the Union was opened, and spent some 50 to 60 hours in the building each week. His duties include direct supervision of five Union departments—program, maintenance, foods, games, and business. The director got able assistance from program director Ollie White, program advisers Sue Cooley and Barbara Ericson, engineer Clarence Shandy, food service director Merna Zeigler, and accountant Walt Smith. As program director, White coordinated the Union's student activities, working closely with students.

Union facilities serve students

With the Union Governing Board and the Union Program Council leading the way, the Union set the mode for campus leisure time. Facilities included bowling, billiards, ping-pong, ballroom space, meeting space, television, a little theater, a browsing library, and the state room—a snack bar.

AGRICULTURE

Ag school makes changes for the future; K-State faculty in India enlarges to 13

Probably the most lasting and far-reaching events in agriculture during 1958-59 were those least noticed by students or the public. Agriculture school's professors, researchers, and extension educators recognized that a technological revolution has struck.

Work during the year has centered around plans for the future and changes necessary to help students, farmers, and homemakers fit better into the changing world. Many think these plans call for changes in curriculums, research, and extension methods as drastic as the changes that have struck the agricultural industry since World War II.

Ag Honors Program to Begin

New curriculums are to provide students with more general training to fit them for a greater number of services and professions rather than giving them intensive training for one job that may not exist by the time they reach middle age. Also included is an ag student honors program to start in September.

and trees? Prof. Leon Quinlan's horticulture class studies the problems of landscaping and terracing.

Assistant Dean of Agriculture Clyde W. Mullen helps ag students with personal and academic problems.

Another facet of the greatly expanded responsibilities is exchange work, through the U. S. government, in India. The K-State agriculture, home economics, and veterinary science faculty in India has been enlarged to 13.

Meanwhile, 27 faculty members from Indian colleges and universities have been given advanced training on the Manhattan campus. This beneficial program is by contract with the International Cooperation Administration and the government of India.

Weber Returns to India

Head of the entire agricultural program at K-State, Dean Arthur D. (Dad) Weber, was asked to serve for three months with other U. S. scientists and administrators to survey India's needs, and to help officials of India plan for her future. Two other members of the faculty, Dr. W. F. Pickett and Dean E. E. Leasure, were sent on a two-month mission to survey progress of work being done by K-State in India for the U. S. government.

Killing and dressing chickens is one of the most important projects of the Farm Poultry Production class.

K-State's student judging teams were very active and successful groups this year. They participated in 15 inter-collegiate contests held, for the most part, in Chicago or Kansas City. A first place in poultry, a second place in crops, and five third-place honors were some of the awards won by the judging teams.

Ag Magazine Receives Award Again

The Kansas State Agricultural Student Magazine, for the second consecutive year, was the only publication in the nation to place in all four categories of the national agricultural magazine contest.

Ag Council is the student governing body of the Agriculture school. Bryan Barr served as 1958-59 president and Dean Clyde W. Mullen was adviser. Ag Week, the Ag Barnwarmer dance, and the Little American Royal continued their traditional roles of furnishing the high points for students in agriculture.

ARTS & SCIENCES

School offers two-thirds of College credit hours; builds additions to two buildings

Over two-thirds of the total credit hours earned by Kansas State students this year were in the School of Arts and Sciences. The school's enrollment is the largest on campus with over 2,500 students, and the Education department heads the school with over 1,000 students preparing to enter the teaching profession.

With the abolishment of pre-enrollment second semester, the School of Arts and Sciences inaugurated a system in which students used their own initiative in making appointments with their advisers. The students and advisers worked out tentative proof tickets ahead of semester enrollment. Emphasis was put on plans for long-range advisement.

Acting Dean Paul M. Young is responsible for the academic program in the School of Arts and Sciences. One of his main interests is to improve the quality of instruction by maintaining and filling positions with the most competent faculty members possible.

Kedzie, Eisenhower Get Additions

Construction began this year on additions to two campus buildings. Kedzie hall will have a \$375,000 addition and Eisenhower hall will have a \$525,000 addition. Both are expected to be completed during the 1960-61 school year. The addition to Kedzie will provide for the expansion of the College Press, more classrooms, and a large photographic

laboratory, with windows which will allow people to watch students working on pictures.

The Eisenhower addition will actually be a separate building located just north of the present Eisenhower hall and south of the Library. It will house 10 classrooms, each seating 100 students, and a lecture hall seating 300. The large classrooms are being built to accommodate the growing enrollment and the shortage of instructors.

Programs of study that fit the individual needs of students are prepared, and these students are given the change to develop to the level of their own capacities. Emphasis is put on special seminars and discussion classroom sessions for these top students.

ENGINEERING

School expands during '58-59 academic year, adding department, division, \$550,000 wing

Expansion was the key word for the School of Engineering and Architecture in 1958-59. A new department—Nuclear Engineering—and a Division of Engineering and Industrial services were added early in the school year.

M. A. Durland—Dean of the School of Engineering and Architecture, Director of the Engineering Experiment station, and Director of the Division of Engineering and Industrial services—headed the busy school during the year, his tenth at the position.

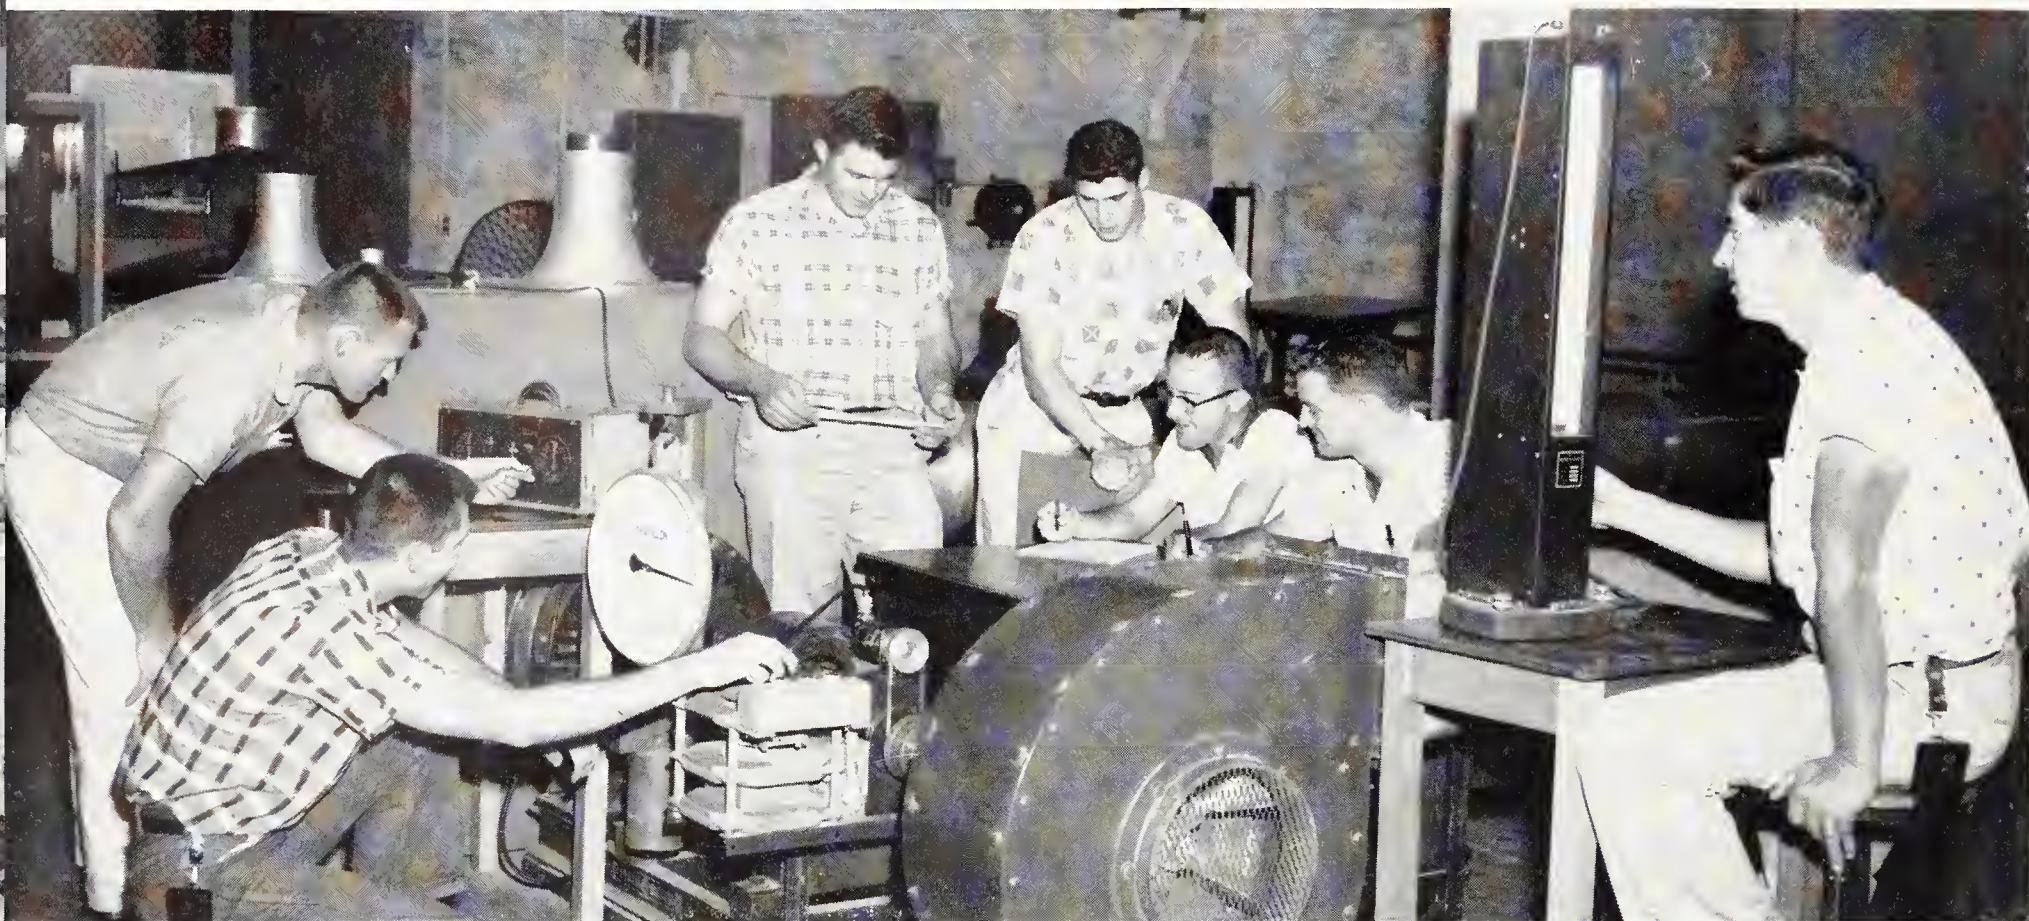

He received able assistance from Associate Dean Richard Potter, Assistant to the Dean K. K. Gowdy, and Prof. L. S. Hobson, who served as associate director of the Experiment station and the Division of Engineering and Industrial services.

The school's 155 educators taught approximately 2,000 engineering students during 1958-59 in nine departments. Dr. W. R. Kimel, a member of the engineering staff since 1946, took the job as head of the new Nuclear Engineering department. During 1958-59, there were 115 undergraduate students in the new curriculum. Three full-time staff members taught them.

AEC Grant Aids New Department

During the year, the department was building two sub-critical nuclear reactors. An Atomic Energy commission grant of \$91,453 was used in purchasing, designing, and constructing equipment for use by those who are to follow in the Nuclear Engineering department. Though the new department spent the school year in Seaton hall, it anticipated completion of a proposed \$280,000 Nuclear Laboratory building.

The new Division of Engineering and Industrial services was begun as a means of coordinating and developing services to engineering groups and industries. L. S. Hobson, associate director of the division, assumed a key role in its functioning.

The division did research related to engineering and architecture. It assisted the state of Kansas in beginning new industries, and it assumed the responsibility of the industrial surveys carried on by the experiment station during the preceding 10 years.

Ag Engineers Get New Quarters

Another highlight of the academic year was the opening of a three-story agricultural engineering wing shortly before school started. The new addition built to the north end of Seaton hall, cost \$550,000, and provided ag engineers with adequate quarters for the first time in the school's history.

Dean Durland, aside from other duties, was faculty adviser of the Engineering School council. Bill Harrison, a nuclear engineering senior, was president of the council. Members of the group chosen in the all-school spring elections considered affairs that related to students and student activities. Two members were editor and business manager of the K-State Engineer, official publication of engineering students.

Ralph Scott Heads '59 Open House

"Design for the Future" was the theme of the 1959 Open House of the school. The nine departments and the Military Science department entered exhibits. Open House chairman Ralph Scott, a mechanical engineering senior, was responsible for coordinating all Open House activities.

HOME ECONOMICS

Six freshmen participate in school's first honors program; building nears completion

In launching its first honors program this fall, the School of Home Economics honored six freshmen in the top five per cent of their class. The purpose of the new honors program is to give the advanced student an opportunity to receive a more intense concentration in her major field and a more wide and general education program.

New Building Is Nearly Completed

The new \$1,900,000 Margaret M. Justin Home Economics building is scheduled to be completed this summer. The building will accommodate work now located in four different campus buildings, in bringing the six departments together for the first time. It will be the only structure on campus built with complete centralized air-conditioning. Preliminary plans for the three-story native limestone structure started five years ago, and began materializing at the ground-breaking ceremony September 19, 1957.

Council Plans Hospitality Day

Hospitality Day is the main spring event of the council. Kansas high school girls are invited to visit the school and its departments in order to become better acquainted with the College home economics program. The council also presents the interest award which is given each spring to one of the home economics clubs. The presentation is based on worthy projects, attendance, and program quality.

VET SCHOOL

New degrees offered for first time in 1959; Dean Leasure takes inspection trip to India

K-State's School of Veterinary Medicine offered three degrees for the first time in 1959. One was an M.S. degree in anatomy, and the others were Ph.D. degrees in physiology and pathology.

Other highlights of the 1958-59 academic year included a grant of \$47,700 received from the National Institutes of Health in Washington, D. C., which was to be applied toward the remodeling of Burt hall, and the school's second annual open house during the fall semester.

Dean E. E. Leasure, chief administrator of the school, spent the first two months of 1959 inspecting Kansas State's International Cooperation administration technical assistance team in India. During his absence, Dr. J. W. Lumb acted as head of the school.

During 1958-59, there were 273 students enrolled in veterinary medicine, including four women. The school is the only one at K-State which is selective in its enrollment. Students are picked on the basis of pre-veterinary grades, oral examinations, and high school records.

Student governing group of the school is the Junior American Veterinary Medical association. It encompasses all students in the curriculum, and is the counterpart of the American Veterinary Medical association.

GRAD SCHOOL

Graduate council elects members first time; approves Ph.D., Master's degree programs

The Graduate council formulates and reviews policies concerned with graduate study. Dean of the Graduate school and nine graduate faculty members elected by the graduate faculty to represent each academic school and major area of graduate study compose the council.

In 1957, the council was designated as the executive committee of the graduate faculty, and this year, for the first time, members were elected instead of appointed.

New programs leading to the Master's degree were approved in anatomy, geography, philosophy, and regional planning. Also, new Doctor of Philosophy programs were approved for chemical engineering, zoology, pathology and physiology in veterinary medicine, and electronics in electrical engineering.

Dean of the Graduate school for the thirteenth year and chairman of Graduate council is Harold Howe.

A night out for bowling is enjoyed by departmental league bowlers in the Union's modern new alleys.

FACULTY

Staff members socialize, get acquainted during varied extra-curricular activities

This year there was an expanded program of "extra-curricular" activities for faculty members. New programs were weekly faculty luncheons and the women's play night in Nichols gymnasium.

The College social club, an organization for faculty women and wives, featured Ann Pillsbury at its opening session and also gave a dinner to which the men were invited.

The Faculty Folk Dance club meets once a month in Umberger hall for an evening of fun and relaxation.

Other extra-curricular activities include departmental gatherings, bowling, and workouts in the gymnasium.

Housing at Kansas State university expanded this year as the first memorial scholarship house housing 45 men and two new married student apartment buildings for 48 families were opened. Work also continued on the first men's dormitory for 600 students, and plans were made for another scholarship house to be ready for use during 1960.

FOUR COUNCILS

Coordinate Greeks, pledges, dorm-dwellers

Four councils co-ordinate activities for the women's residence halls, sororities, fraternities and Greek pledges. These are the Interdorm council, Panhellenic council, Interfraternity council, and the Interpledge council.

The Interdorm council strives to create unity, and establishes policies for the women's halls. This council consists of 13 representatives and Dean Margaret Lahey, sponsor. Deanna Swift was president this year. Projects included presentation of a scholarship cup.

To promote good relations among the sororities, scholarship, and high standards are the purposes of Panhellenic council. Under presi-

dent Alberta Timm, major changes in the rush rules were made and a quota limit on memberships was set. Mary Frances White acted as sponsor as the group worked on Rush Week, Homecoming, Greek Week, and the Panhellenic teas.

To co-ordinate and represent the K-State fraternity system is the purpose of Interfraternity council. Garry Lassman was president and V. D. Foltz was faculty adviser. Projects for the 44-member group included Greek Week, Rush Week, and a foreign students' Christmas party.

Pledge problems are under the jurisdiction of the Interpledge council, which was headed this year by Don Johnson. Dr. Charles Goetinger supervised as the group planned such projects as scholarships, and the Interpledge dance. The 32 members worked for closer ties among all fraternity and sorority pledges.

ALPHA CHI OMEGA

Builds new house, places second in grades

Good news frequented the Alpha Chi Omega house this year as plans were completed for a new, \$165,000 dwelling northwest of the campus. The house, designed by the father of an Alpha Chi, will house 52 women. Members hope to move in by fall. The front of the house will be accented by cedar and green paneling to represent Alpha Chi colors.

Socially, the chapter honored its new house-mother, Mrs. Cheryl Clingan, at a special tea, entertained at the annual Christmas party, and went Christmas caroling at hospitals. Kay Slade was Barnwarmer Queen attendant.

Members still had time to bring their grades to second place among sororities last spring.

Alpha Xi Delta sorority increased from 56 to 71 members this year. Congratulations go to Alpha Xis for Pretzel Bowl Queen Sharon Knox, Military Ball Queen Roberta Wray, and for placing first in the 1958 Interfraternity Sing and third in Y-Orpheum.

Activities and social events also kept the Alpha Xis busy. Members were president of Frog club, on Integrity party executive council, and Y-Orpheum executive secretary. At the top of their social calendar were the annual Pink Rose formal, special mothers' and fathers' weekends, and an alumnae dinner.

CHI OMEGA

Has Homecoming Queen, third in Y-Orpheum

Seventy-five Chi Omegas began the year with the chapter's annual Hay Hop. More excitement was in store when Kaydene Dashen was elected Homecoming Queen. During the year members participated in Chimes, Mortar Board, and Phi Kappa Phi. A Chi Omega was secretary of Student Council, another a cheerleader, and three members were on Union Program Council.

Other social events were the spring formal, Christmas house party, Dad's and Mom's weekends. Chi Omega-ATO tied for third in the 1958 Y-Orpheum. The Chi Os ended their year by presenting a social science scholarship award to an outstanding graduating senior.

CLOVIA

Sorority changes rush from spring to fall

Major revisions were made in Clovia's rush system this year, the most important of which was the time, which was changed from spring to fall. Scholarship was important to new and old members alike, with eight of the 26 holding scholarships. Further emphasis was placed on high academic records by the alumnae who honored the members with outstanding grades.

Clovia can boast of officers in various campus organizations, including FTA, Kappa Phi, and Collegiate 4-H. Others participated in such organizations as Alpha Lambda Delta, Mathematics club, and Phems. Two girls received especially high honors. One was awarded the Santa Fe scholarship at the National 4-H Club Congress and the other is an International Farm Youth Exchange delegate in Brazil.

Although the women share domestic duties in the cooperative house, they still had a busy social schdule, which included seasonal parties, teas, a formal dinner-dance, and a weekend visit from the Minnesota Beta chapter.

KAPPA DELTA

"Be Sharp" Homecoming theme wins first place

Kappa Delta sorority started off the year by winning first place in the Homecoming house decorations contest. At Christmas time Marilyn Johnston was crowned Snow Princess of Alpha Kappa Lambda, and at the IPC dance, Karen Bloomberg was crowned Pledge Queen.

The 60 members were active as president of Panhellenic, in Mortar Board, Angel Flight, Orchesis, Phi Kappa Phi, Alpha Delta Theta, Mu Phi Epsilon, Alpha Lambda Delta, Omicron Nu, and on the Royal Purple staff. Mrs. James Naismith, housemother for the last two years, was the wife of the inventor of basketball. The big social events for the KDs were their Emerald Ball and annual Christmas party.

Chapter boasts FTA, Mortar Board presidents

Proud owners of the Kappa Kappa Gamma Key distinguished themselves in many activities. The chapter boasted the president and two other members of Mortar Board, four Chimes members, chairman of home economics Hospitality Day, and the Presidents of Future Teachers of America and Political Science club.

Kappas, Barbara Huff, Judy Horn, and Deanna Durham, were attendants to the Homecoming, Military Ball, and Flush Bowl queens. Social activities included special weekends for alumnae and fathers, and Founders' Day.

PI BETA PHI

Places first in scholarship for third year

Pi Beta Phi was first in scholarship among sororities during 1957-58, for the third straight year. Pi Phis were also well represented in the realm of queens with Connie Morgan, Homecoming Queen attendant; Brenda Morgan, Barnwarmer Queen; Jan Stewart, Miss K-State; Charlene Strah, Pi KA-Sig Ep Duad Queen; and Winkie Killian, Military Ball Queen attendant.

Pi Phis had two on Student Council, two cheerleaders, Royal Purple editor, and YWCA president. Seven were in Chimes and one in Mortar Board. The chapter placed second in the 1958 Interfraternity Sing. Special social events were the "Tea House of Ring Ching" fall party, Christmas house party, and spring formal.

FARM HOUSE

Tops fraternity grade list for 51st semester

Modern indeed is the Farm House at 1830 College Heights which members occupied in the spring of 1956.

Receiving top scholastic standing among fraternities last spring was Farm House. This standing has been maintained by the chapter 51 out of 69 semesters. Fifteen semesters the group took second place.

Outstanding in activities were Ron McCune and Martyn Apley, Student Council; Phil Warnken, Tribunal; and the presidents of American Society of Agricultural Engineers, Collegiate 4-H, YMCA, Milling association, Klod & Kernel klub, and Block and Bridle. The 41 members also participated in such activities as the wool and livestock judging teams, gymnastics team, Arnold Air Society, and Phi Kappa Phi.

Kappa Sigma, which has been at 1221 Thurston since 1929, began work this spring on a new \$250,000 house.

KAPPA SIGMA

Chapter breaks ground for \$250,000 home

Kappa Sigma broke ground for a new \$250,000 home this spring. The house, to be located at the corner of Quivera drive and College Heights road, will be completed during the 1959-60 fall semester.

Among those receiving Phi Kappa Phi recognition this year were six members of Kappa Sigma. Other outstanding activities of the 75 members were editor Jim Lewelling, and staff members of the K-State Engineer, president of Alpha Epsilon Rho, president and vice president of Young Democrats, and members on Engineering Open House executive council.

LAMBDA CHI ALPHA

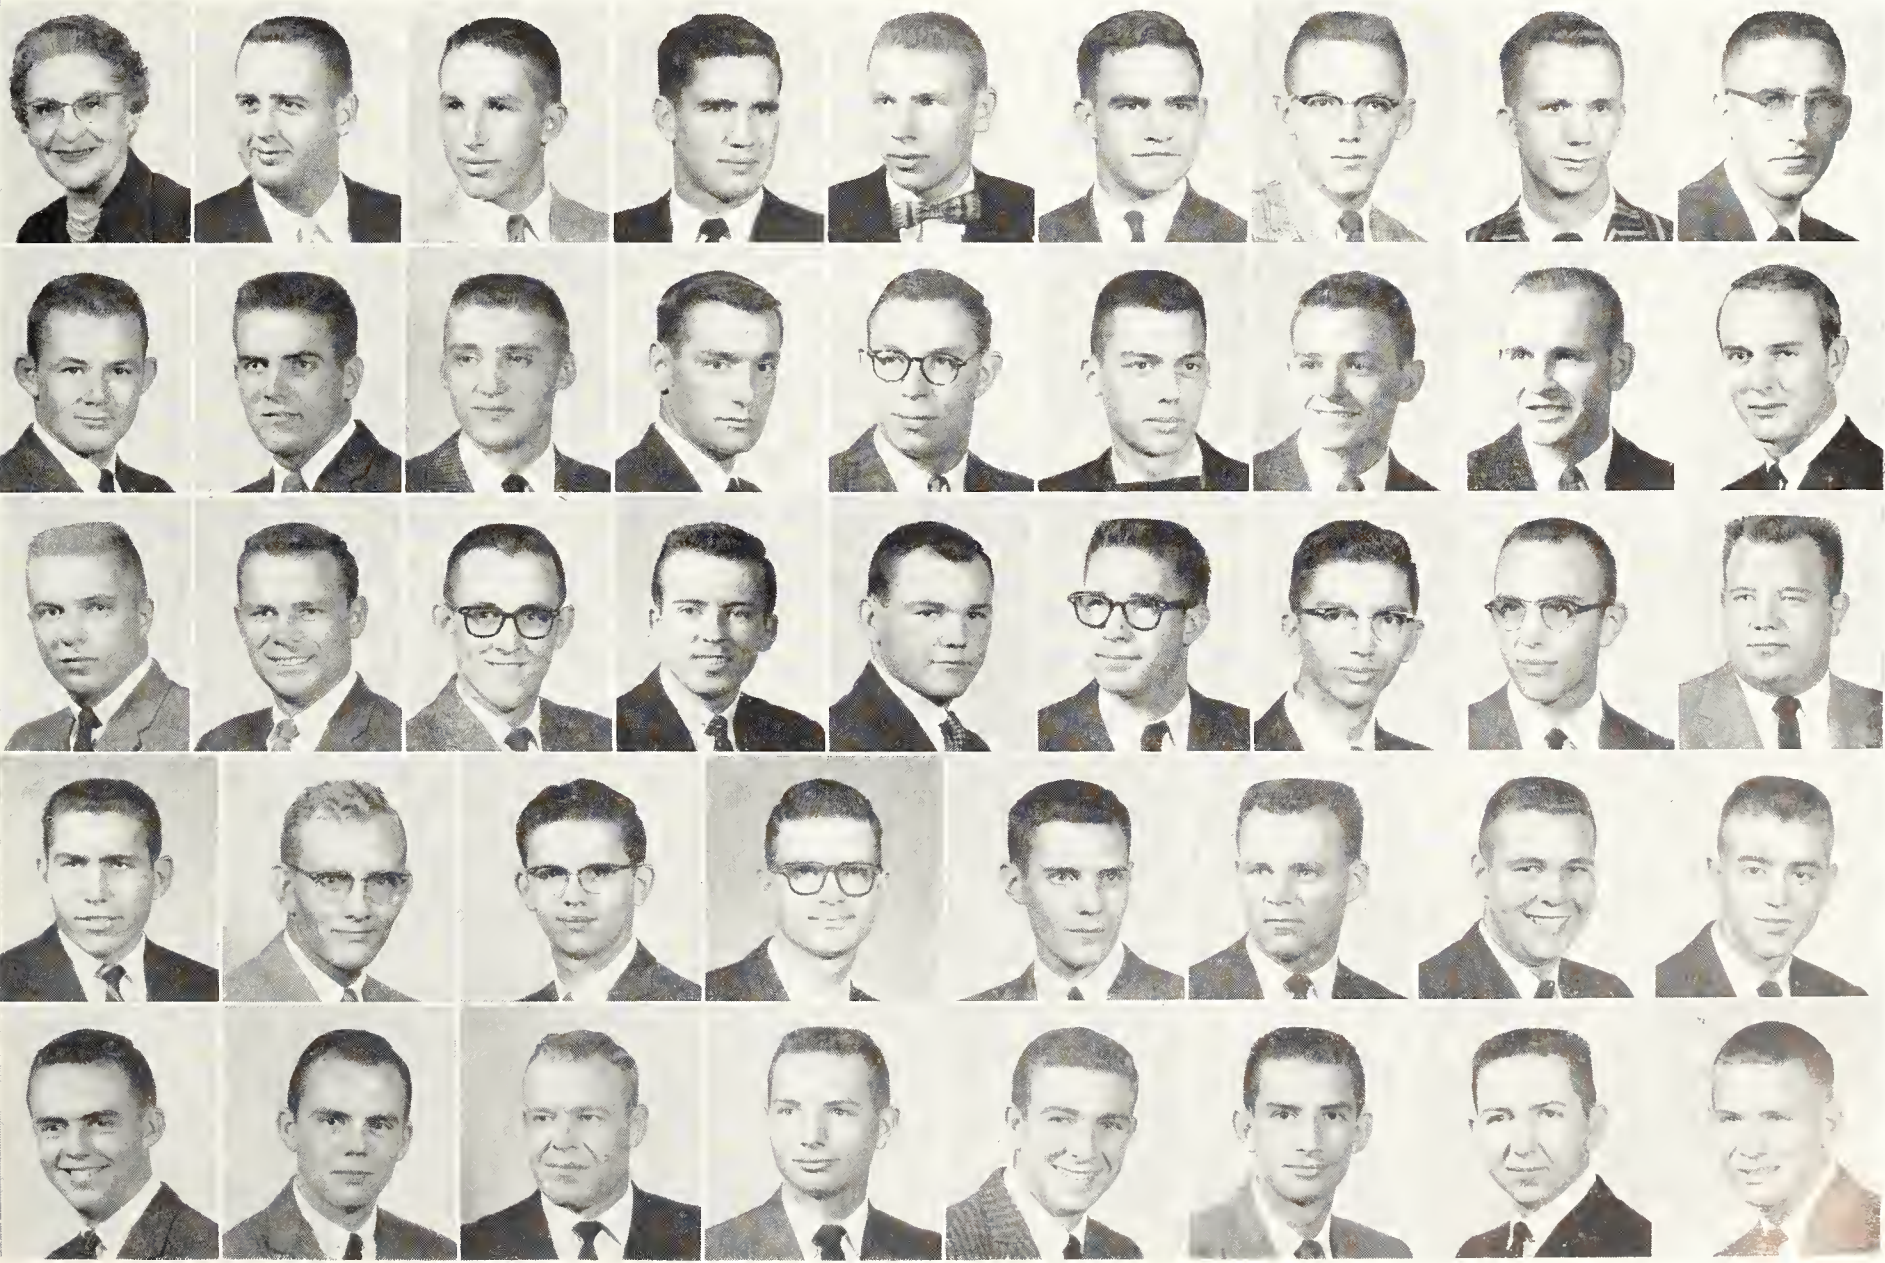

Chariot Relays' receipts go for scholarship

With the capturing of second place in the Homecoming float contest this year, the Lambda Chi Alphas have won or placed in the competition for the sixth straight year. The big event of the year for the Lambda Chis was sponsoring their annual spring Chariot Relays. For the fourth straight year the proceeds from the Relays were presented to the K-State Endowment association for financing a scholarship.

Lambda Chis were active in Eta Kappa Nu, Pi Tau Sigma, and the Agriculture School council. After graduation, Neil Scott became national traveling secretary of the fraternity. Highlights on the social calendar included the "Beat-nik" party, Desert Isle party, and the annual Crescent Ball.

PHI KAPPA

Consolidates with Theta Kappa Phi fraternity

A big event for Phi Kappa this year was the consolidation of the fraternity with another Catholic fraternity, Theta Kappa Phi. On April 29 the name became Phi Kappa Theta.

Phi Kappas won the second place trophy in the fraternity Homecoming house decoration competition. The big house project of the year was the completion of the recreation room.

The annual fall formal with Acacia, Hard Times party, and Fish formal were on the social calendar. Phi Kaps were president, vice president, and treasurer of Newman Club and campaign manager and treasurer of United States party. Joe Gardner was runner-up for Favorite Man on Campus in the fall.

PHI KAPPA TAU

Fires cannon after touchdowns in stadium

A special project of Phi Kappa Tau fraternity this year was the firing of a cannon in Memorial stadium after each touchdown at all home football games. The chapter received a trophy for having the highest scholarship in its five-chapter domain, and an achievement award at the 1958 national convention, and was presented a plaque for community service by the Manhattan Sertoma club.

The social calendar included a Christmas semi-formal, Cannon ball, spring formal, Pajama party, picnics, and exchange functions with sororities. The chapter participated in intramural basketball, horseshoe, and volleyball, and received a third place trophy for its bowling team.

The 30 Phi Tau members were also active in Alpha Phi Omega, Sigma Delta Chi, and Phi Eta Sigma. Phi Tau presidents were Roger Rickard, Philosophy club; John Totten, Chess club; and Ray Huebner, Wampus Cats. Eldon Miller was editor of the Collegian.

The Tekes also placed second in the 1958 Y-Orpheum and Gary Vacin won the 1958 intramural ping pong singles title. Special social events were the Corral party, Christmas party, and Red Carnation Ball.

Two TKE members were on Student Council and two on Arts and Sciences council. Jack Hamilton was president of Integrity party and Norman Olsen was chairman of the SGA Homecoming committee. Others were active in such activities as Alpha Zeta, Union Program council, varsity swimming and gymnastics, Arnold Air Society, Alpha Kappa Psi, and Sigma Tau.

THETA XI

Donald Potter is Pershing Rifles' commander

Theta Xi fraternity members are making plans to build a new chapter house within the next few years. The chapter revised and built an addition to its present house five years ago.

Donald Potter was commanding officer of Pershing Rifles this year and Bruce Kiniry was on the varsity baseball team. The 20 members also participated in football, basketball, and volleyball intramurals, Scabbard and Blade, Society of American Military Engineers, American Institute of Architecture, American Society of Mechanical Engineers, and the Kansas State Rifle team.

Housemother, Mrs. Ethel L. Barr, helped the Theta Xis with their main social events, the annual Christmas party, spring formal, and the Tuffy Strut. The theme of the Tuffy Strut was "Have Gun—Will Travel," with Richard Boone playing the part of Paladin. The house was decorated with saddles and bridles for the guests in western clothes.

Hall residents publish "North Wind" paper

Northwest hall was home for 189 freshman women last fall during their first semester of college life. In addition, 38 upperclassmen, including the resident assistants, lived in the dorm and helped get the freshmen off on the right foot toward successful college careers. Donna Dunlap was president of Northwest.

This year one big innovation was made in freshman dormitory study rules. Dean Margaret Lahey granted a request that there be quiet hours from 7:30 p.m. to 11:30 the next morning, rather than having compulsory study time—when no phone calls are allowed—from 8 to 10 p.m.

Other projects were raising money for a scholarship, adopting a needy family at Christmas, and co-sponsoring with Southeast a series of lectures on love and marriage.

Northwest "Plans a Wedding"

In late spring, sessions on planning a wedding were conducted by a member of the Home Economics staff.

A major social event was the "Golden Christmas" formal. Northwest's Judy Mai and Ma-teele Blessing were attendants to the Royal Purple queen.

Residents of Northwest hall live in attractive modern rooms for two, three, and four women on four floors.

SOUTHEAST

Hall has 70-member choir, changes policies

Southeast hall, sister-dorm to Northwest hall for freshmen, had 182 freshman residents and 33 upperclassmen this year. Eleven upper-class resident assistants received one hour's credit for counseling work which involved advising the freshmen and sitting in on corridor meetings.

Governing policy in the dorms underwent a major change this year as a direct result of the maturity demonstrated by residents—compulsory study time was relaxed and quiet hours extended to allow phone privileges throughout the evening.

Seventy Sing in Choir

Southeast's choir again thrived under the direction of Carol Korinek, who directed the freshmen last year. Seventy women participated in choir activities. Southeast also adopted a needy family at Christmas time. The spring Cotton Ball was a major social event.

Myrna Robertson was dorm president. Other outstanding members were Miss Korinek, president of Chimes, and Jean Keane, president of Whi-Purs.

Love, Marriage Discussion Topics

Lectures on love and marriage, co-sponsored with Northwest hall, were given on "It's People Who Marry," "Does Love Justify Everything," "Do Mixed Marriages Work," and "Insuring Marriage through Courtship."

VAN ZILE

Hall residents preside over six organizations

Van Zile hall, dormitory for upper-class women, had residents enrolled in each of the undergraduate schools at Kansas State this year, including veterinary medicine and engineering and architecture.

Built in 1926, Van Zile was redecorated last year. Membership increased to 174, which was 15 more residents than last year.

Outstanding Members Get Bouquets

A tradition among residents of the dormitory is that outstanding members are presented bouquets of red roses.

Cherie La Fromboise was chosen second attendant to the Royal Purple queen in February.

Home for 174 coeds during the 1958-59 school year was Van Zile hall, one of two upper-class dorms.

Other outstanding members were Bobbie Ritters, president of the Home Economics-Art club; Barbara Light, president of Orchesis; and Sue Fankhouser, president of Alpha Delta Theta. Three members were presidents of student reli-

Guests Invited to Spring Open House

Women of Van Zile are hostesses at a special open house in the spring to which their dates and members of the faculty are invited.

Other activities were adopting a family at Christmastime, caroling at Fort Riley, and entertaining at the annual Christmas formal and dinner, the Thanksgiving dinner, after-game coffees, exchange dinners, and participating in all women's intramurals.

Beverly Richardson was Van Zile hall president during the first semester and Sharon Studer was president during second semester.

Coeds concentrate on studies in the "rec" room. Ping pong and television are also popular pastimes there.

WALTHEIM

Hall gets trophies on Derby Day, Homecoming

"Apartment-style dorm living" characterizes the homey atmosphere of Waltheim hall. The upper-class women's dormitory, filled to capacity this year with 80 residents, was redecorated and modernized with new furnishings and fixtures. First semester president, Rogene Davis, noted a marked increase in cooperation and unity among residents. Carol Heidebrecht was president second semester.

Waltheim women won the independent Homecoming house decorations' contest and the first-place trophy for participation in Sigma Chi Derby Day. They also participated in all women's

SCHOLARSHIP HOUSE

Is Kansas State's first in 95-year history

The first scholarship house in K-State's 95-year history was opened last fall. The Endowment association purchased the house, formerly occupied by Pi Kappa Alpha fraternity. The house was made possible by a \$37,500 gift from an anonymous donor.

Men's Memorial Scholarship house provides low-cost housing for 45 high-caliber students. By helping with housekeeping, maintenance, cooking, and meal serving, each resident is expected to save from \$300 to \$400 a year. The house was repaired, redecorated, and refurnished before the men moved in.

William Mahieu was president of the scholarship house this year. Members participated in

all intramural sports, in Little United Nations and Homecoming activities. Members won the intramural free throw title. Plans are now being made for the Oscar Straube Memorial Scholarship house which should be ready in 1960.

Men's Memorial Scholarship house at 331 N. 17th housed 45 students during its first year of operation.

JARDINE TERRACE

Provides housing for K-State married students

Jardine Terrace, Kansas State's first permanent housing for married students, should have a total of 450 apartments by July if construction continues on schedule. A new building was occupied at the beginning of second semester, two more were ready in April, and another is scheduled for completion by the end of this semester. College officials still do not believe housing will be sufficient for the number of married students attending K-State, and an estimated 1,000 such students will still live off campus.

The first buildings in Jardine Terrace were dedicated in November of 1957. The development is named after K-State's seventh president, W. M. Jardine. Each of the two-story brick buildings contains 24 apartments. They are completely furnished and available with either one or two bedrooms.

Carroll Beardslee was elected mayor of Jardine by residents this year. Working with him were councils from North and South Jardine and Director of Housing A. Thornton Edwards.

Sending Daddy off to school in the morning is part of the routine in Jardine married students' housing.

COURTS

Councils govern Elliot and Hilltop housing

Both of K-State's temporary housing developments for married students, Hilltop Courts and Elliot Court, are each governed by a council made up of students living in the housing area. Election of the councilmen, along with a mayor for each of the two courts, is held each year.

Hilltop Council had 10 councilmen representing the 120 families in the court, while Elliot Council had five members representing 88 families. Carroll Dekat was mayor of Hilltop, while Alfred Davis was mayor of Elliot. A. Thornton Edwards was faculty adviser for the councils.

Both councils deal with any problems that arise in their respective housing development. Major problems dealt with this year by both councils were traffic, roads, and parking. Both councils have two students appointed to act as marshals in dealing with persons violating the rules set up by the councils. The councils also recommend ideas to the College administration for improving the two courts.

Future K-Staters get ready for a big snowball fight in one of K-State's temporary housing developments.

IOHC

Represents 90 independent K-State students

The Independent Organized House Council, in its third year at K-State, served as a coordinating and governing body for men's organized houses during the 1958-59 school year.

With Lee Miller of the House of Williams serving as president and Ron Jackson, assistant dean of students, acting as adviser, the group met monthly, representing approximately 90 students throughout the school term.

During the academic year, IOHC participated in the Homecoming parade, Parent's Day activities, and the Activities Carnival. The council annually awards a scholarship trophy to the independent house with the highest overall grades, as well as individual trophies for each intramural sport. O. K. House was presented the scholarship trophy during the fall semester for the grades of its members of the preceeding year.

SIGNA PHI NOTHING

Member is on dairy products judging team

Signa Phi Nothing enjoyed an active year at Kansas State during 1958-59. Members of the men's organized house participated in campus activities and took part in house functions at 307 N. 16th.

With Jim Shenk serving as president of the group, members belonged to the Klod and Kernel Klub, the Geology club, the Dairy club, and the Agricultural Economics club. Gene Allen was on the dairy products judging team.

The 18 members of the house participated in five intramural sports — football, basketball, volleyball, track, and softball. Highlights of the year's social activities included a picnic with Clovia sorority, and a hayrack ride-hamburger fry during the fall semester.

KASBAH

Member takes title in independent handball

Kasbah's 20 members made 1958-59 an active year at Kansas State, with one house member, Phil Litwak, winning the independent division singles championship in intramural handball. The independent organized house also entered a float in the chariot relays and participated in the Little United Nations assembly.

Dave Waters was president of the group. Major social events of the year were a hayrack ride, a Christmas dinner and party, and Thanksgiving and Easter dinners. Members were active in the American Society of Mechanical Engineers, the Independent Organized House Council, Collegiate 4-H club, Pershing Rifles, Wesley foundation, Westminster fellowship, and the Roger Williams fellowship.

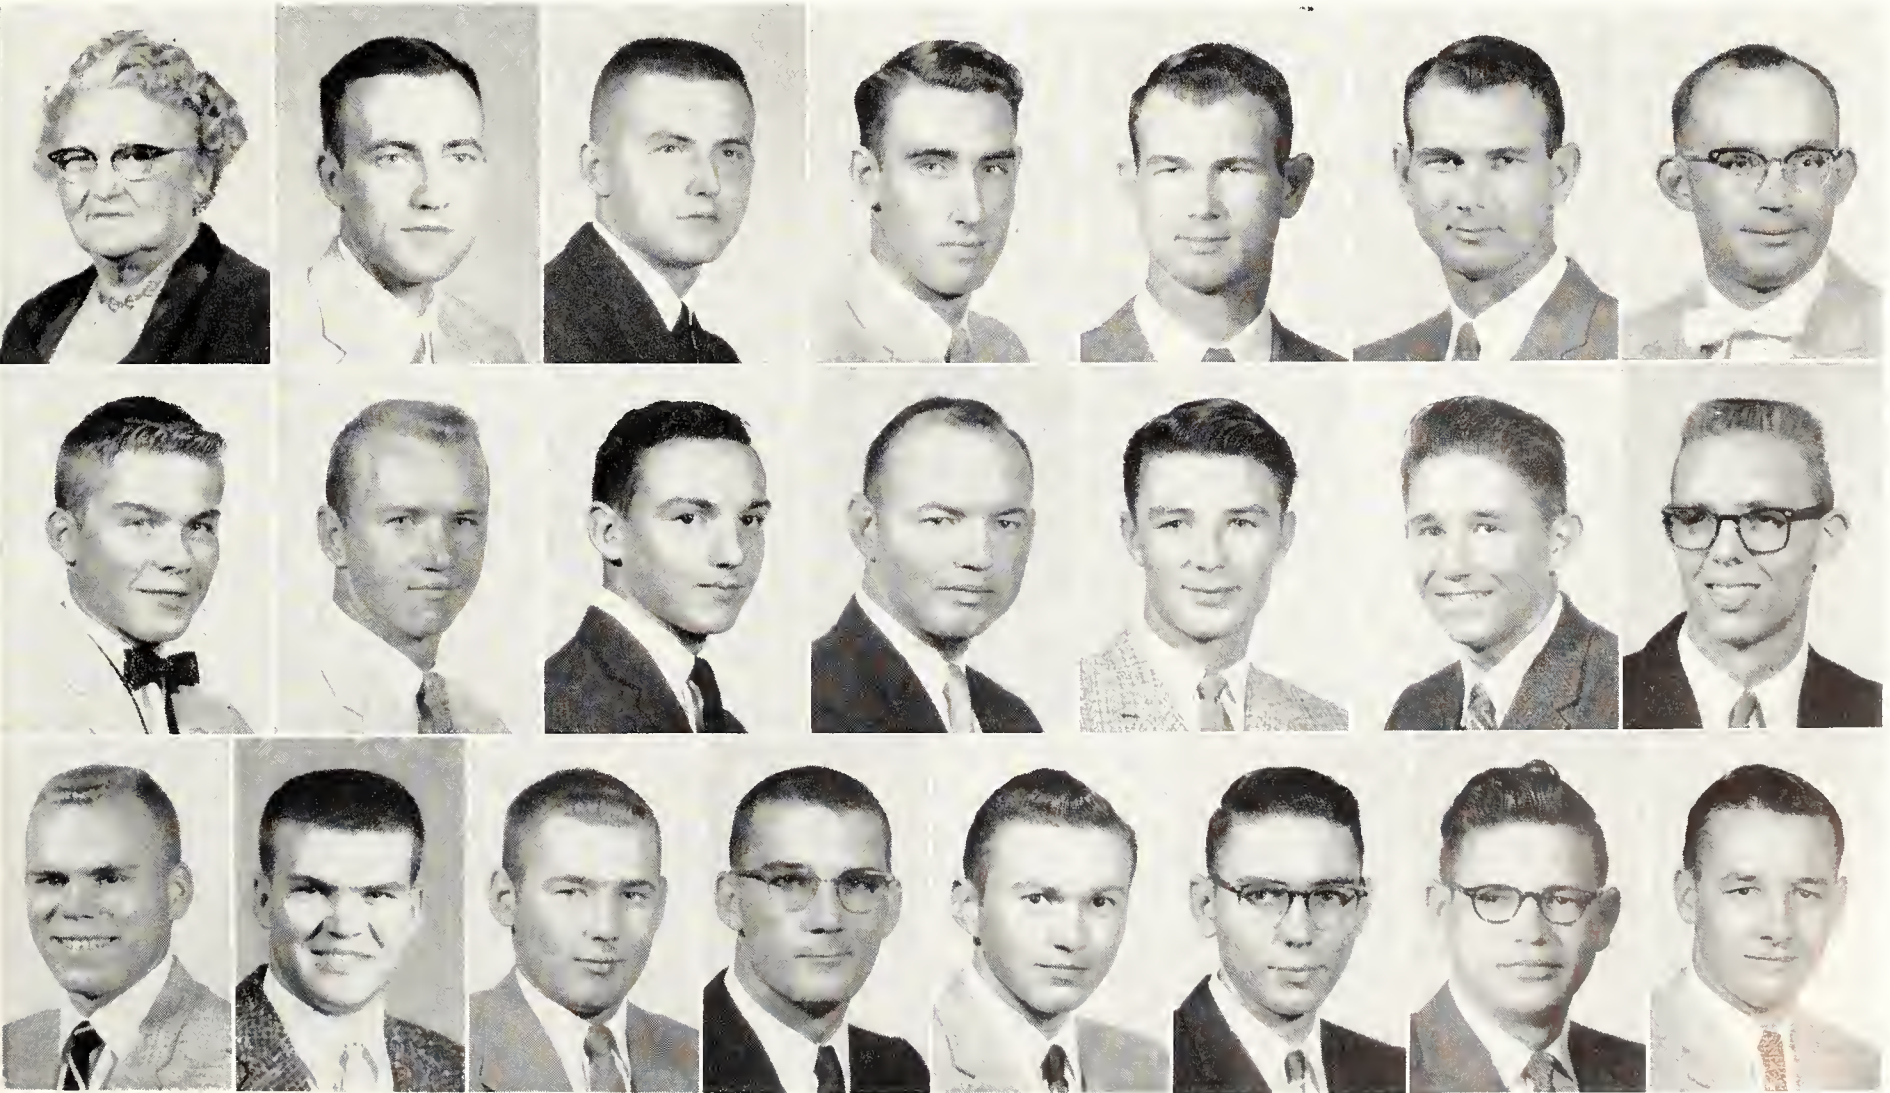

Besides handball, members participated in touch football, volleyball, basketball, and softball in the intramural sports program.

Members of Acropolis, independent men's house at 515 N. 17th, were active in varied K-State activities. An outstanding member was Hubert Caspar, president of the 15th annual mid-continent conference of the American Society of Civil Engineers.

Acropolis residents participated in the varsity men's glee club, Newman club, Block and Bridle, Milling association, Klod and Kernel club, Masonic club, Society for the Advancement of Management, Geology club, K-State Players, and Pi Epsilon Delta.

Social activities of the house included a get-acquainted dinner in the fall, a Christmas party, and a moonlight serenade picnic. William L. Yandell was 1958-59 president, Mrs. Ethel Stockwell was housemother, and Dr. Chester Peters was faculty adviser. The group also played independent-intramural basketball, volleyball, horseshoes, and badminton.

PAL-O-MIE

Graduate women have various scholarships

The name of the graduate women's house, "Pal-o-mie," meaning Irish friendship, adds to the international atmosphere of the house since residents are from Korea, the Philippines, and other countries. "Pal-o-mie," 324 N. 15th, has been a graduate students house six years and an organized house since 1938.

Several members of the group have scholarships. Emiliano Novero, who is doing special work for Cornell university, holds an International Corporation Administration scholarship.

June Luett, "Pal-o-mie" president this year, has a National Lutheran council scholarship and Clinita Ford has a General Foods fellowship. Miss Luett is also a graduate adviser of the Lutheran Student association. Mrs. Myong Sook Kim has an international PEO scholarship from the Hays, Kan. chapter.

House of Williams residents make last-minute preparations before leaving for dates. The independent organ-

ized house at 1126 Bluemont was opened in 1939 under the present housemother, Mrs. Katherine Williams.

HOUSE OF WILLIAMS

Takes second in 1958 independent intramurals

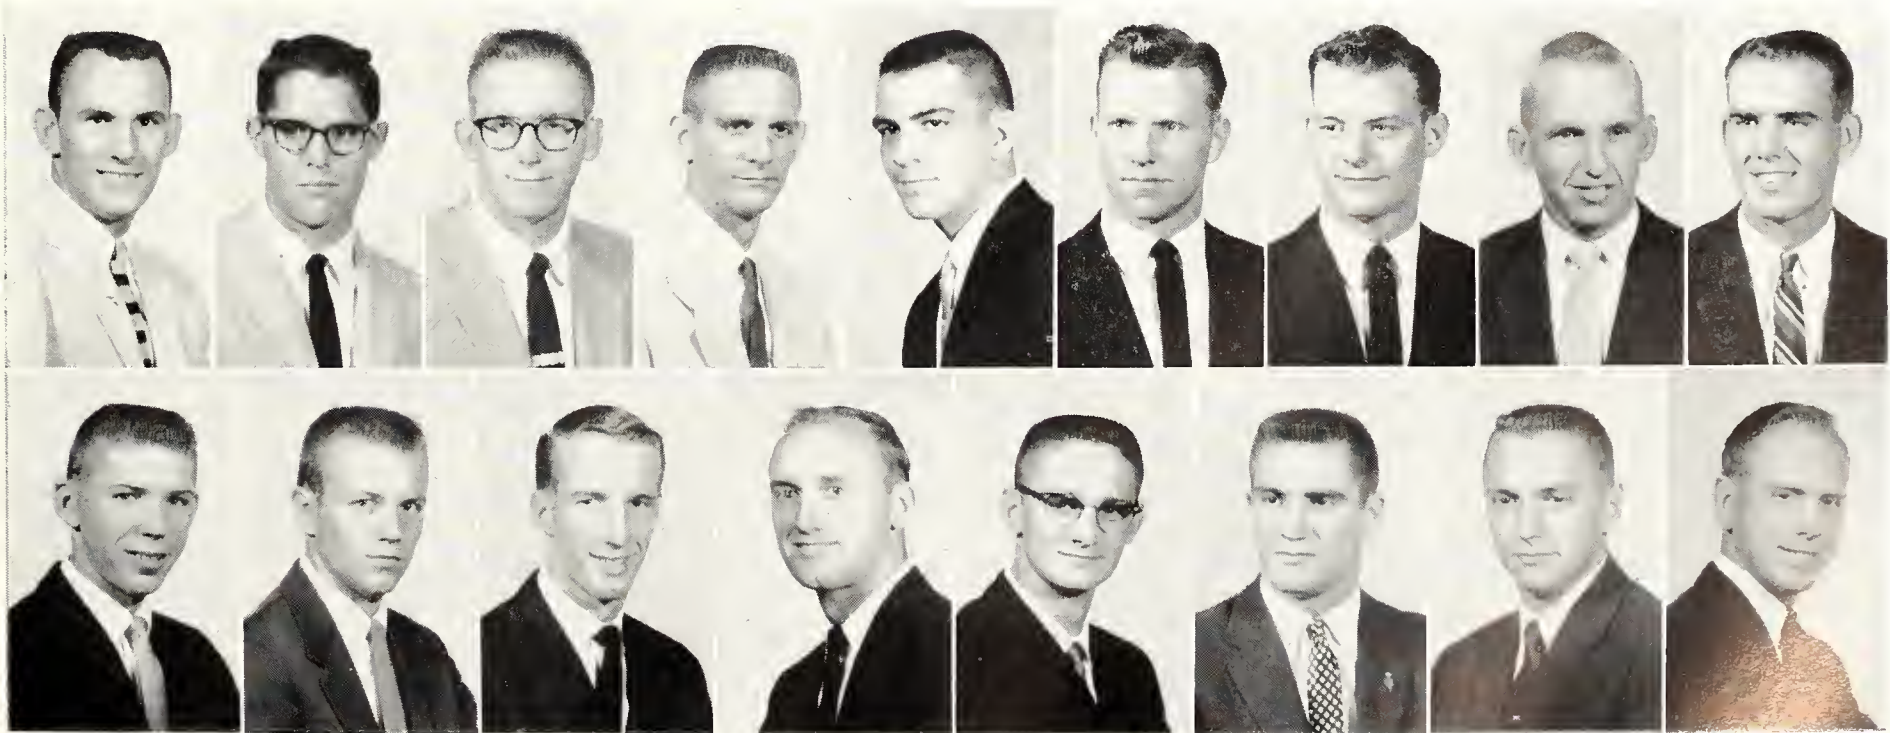

The House of Williams placed second in the independent division of K-State intramurals in 1958. Members were independent football champions and division basketball winners. Larry Grubb advanced to the semifinals in tennis singles.

In addition to ranking high in athletics, members of the house ranked high scholastically. Jerry Spencer had a scholarship from the Kansas Chapter of the National Electrical Contractors association and Gene Koester was a Putnam scholar.

The House of Williams, 1126 Bluemont, was organized 20 years ago. Gary Swenson was president first semester and George Bennett was president second semester. A hayrack ride and banquet-dance were social activities.

LA QUINTA

House changes name—formerly Hills Heights

Half of the 14 members of La Quinta during 1958-59 were from foreign countries. Two residents were from Formosa, two from Venezuela, and one each from Hawaii, India, and Cuba.

The house was originally named Hills Heights in 1956, but became La Quinta, Spanish for good house, last fall when the name was suggested by a student from Venezuela.

Charles Stillwell was president of the group and Mrs. Ernest Sylvester was housemother. Activities of the organized house at 910 N. Manhattan included a Christmas party, special holiday dinners, birthday celebrations, monthly house meetings, and several picnics.

LA CITADEL

Participates in Religious Emphasis Week

La Citadel was home for 15 Kansas State students this year. The independent organized house at 1423 Fairchild, originally home of Hills Heights, was organized three years ago. Lee Hoyt was president first semester and Ray Hawley, second semester.

On the K-State campus members participated in Sigma Tau, Sigma Theta Epsilon, Collegiate 4-H, Williston Geology club, Chaparajos club, Sports Car club, Jr. AVMA, and Clinic club. They also participated in Religious Emphasis Week by having a guest after-dinner speaker.

Ron McCutcheon, vice-president the fall semester, played baseball with the Kansas City Athletics farm system during second semester. Picnics and card marathons were among the group's social activities.

O. K. HOUSE

Gives Christmas party for underprivileged

A Christmas party for the underprivileged children of Manhattan was a special project of the 48 residents of the O. K. House this year. Louis Schuknecht was president first semester and Bruce Hand, second semester.

Charles Clinkenbeard was president of the Agricultural Economics club. Members were also active in Alpha Kappa Psi and Eta Kappa Nu. One member was awarded a Kansas State band key.

The O. K. House finished second in its division in football and third in swimming in the independent intramural program. The house also participated in intramural basketball and bowling. Social activities of the year included hour dances and several picnics.

O. K. House members, at 1409 Fairchild, listen to a guest speaker during the fall Religious Emphasis Week.

HOUSE OF BREC

Residents are active in ASCE, Rifle team

The House of Brec is home for 17 Kansas State men. It was organized in 1954 at 1414 Fairchild when the need for more housing for independent students became apparent.

President first semester was Duane Hoover. Second semester Ronald Barker had the top job. The organization participated in the Independent Organized House council program, had a Christmas party, and another party in the spring. IOHC activities taken part in included the scholarship program in which a scholarship award is presented to the independent house with the best grade average.

Men from House of Brec were active in religious organizations, the Kansas State Rifle team, the American Society of Civil Engineers, and Alpha Phi Omega, scouting service fraternity. The group entered intramural teams in basketball, volleyball, and tennis, and entered the Homecoming house decorations' contest.

Residents of House of Brec at 1414 Fairchild concentrate on studies. The house was organized in 1954.

PHI KAPPA PHI

Elects students ranking top scholastically

One hundred sixty-six students were elected to membership in Phi Kappa Phi, national scholastic honorary, during the year. For the first time second semester juniors in the top 3½ per cent of their class were selected.

First semester seniors elected were in the upper 5 per cent of their class while those initiated second semester ranked in the upper 7 per cent. Graduate students ranked in the upper 10 per cent of their class.

Initiates were honored with an informal reception during the fall semester and a banquet the spring semester. Each year Phi Kappa Phi awards certificates to the freshmen in the upper 10 per cent of each school.

HONORARIES

Recognize top K-State juniors and seniors

Chimes, junior women's honorary, "taps" women who have a minimum grade average of 2.8 and have shown outstanding qualities of leadership to the College. The motto of Chimes is "To lead with knowledge, to follow with intelligence, to seek the worthwhile in life."

Chimes members sold megaphones at the Iowa State football game, and ushered for all the Artist Series performances. Carol Korinek served as president, and Miss Golda Crawford was faculty sponsor.

Mortar Board Sells Homecoming Mums

Mortar Board, senior women's honorary, chooses women with a minimum grade average of 2.85 who have shown leadership in service to the College. President was Kay Eplee, and faculty sponsors were Mrs. John Helm, Miss Gertrude Lienkaemper, and Mrs. Ron Pettit.

Members of Mortar Board sold mums during Homecoming week. Money made from the annual mum sale was used for two \$150 scholarships given to a freshman and a sophomore woman.

Shelia Nelson, a chemistry student, was honored at the annual scholarship dinner for having the highest grades among freshman women the previous year, with an A average for 34 semester hours.

Blue Key Escorts Homecoming Royalty

Blue Key, senior men's honorary, selects men whose grade averages are above the all-men's average, and have shown outstanding leadership in campus activities.

President Bill Patton and adviser Dr. Chester Peters helped the senior men to accomplish their annual Homecoming projects. They announced the Homecoming queen finalists and the queen at special assemblies, escorted Homecoming royalty during the week, and were responsible for the Homecoming dance.

Another Homecoming game spectator receives a beautiful mum sold by Mortar Board president Kay Eplee.

FRESHMEN

Scholastic honoraries stress scholarship

Two of the newest organizations on campus are Alpha Lambda Delta, freshmen women's scholastic honorary, and Phi Eta Sigma, freshmen men's scholastic honorary. Alpha Lambda Delta was formally initiated at K-State in April, 1958 and Phi Eta Sigma was organized in February, 1957.

Membership in the organizations is extended to students who maintain a 3.5 grade average during one or both semesters of their

freshman year. The groups strive to promote high scholarship and to recognize those who have superior scholastic achievement.

Alpha Lambda Delta's membership soared to 62 this year, with the addition of 45 new members. Marilyn McCord was president and Marjorie Adams was faculty adviser.

Establishing a new chapter of Phi Eta Sigma was one of the major projects of the K-State chapter this year. The group also distributed "How to Study" pamphlets to all entering K-State freshmen, and started a tutoring service in chemistry for freshmen students. Eric Duesing was president and Brewster Rogerson was faculty adviser. The two freshmen honoraries had a joint banquet in the spring.

son, William W. Parath, Ron W. McCune. BOTTOM ROW: Charles V. DeGeer, William M. Sanders, Kenneth H. Carpenter, Duane E. Fredricksan, Billy D. Matthews, Jay L. Knox.

SIGMA ALPHA ETA

Stimulates interest in speech correction

Sigma Alpha Eta stimulates an interest among students in the field of speech and hearing. Students interested in working toward certification in speech or hearing correction and have a "B" grade average are eligible for membership. Dorothy Serrault was president first semester and Carolyn Huber, second semester. Dr. Albert W. Knox was adviser.

The group sold candy during the year to make money for a film on speech therapy to be used by Parent-Teachers' associations.

Sigma Alpha Eta—TOP ROW: Rasalie A. Austin, Jane E. Venard, Sandra Swanson. SECOND ROW: Lynne Martin, Carolyn Huber. BOTTOM ROW: Jeanne M. Hill, Charlene J. Thauvenelle, Pat M. Tramel.

PHI ALPHA MU

Recognizes top women in Arts and Sciences

Phi Alpha Mu, junior and senior women's honorary in the School of Arts and Sciences, requires members to be in the upper 15 per cent of the students having "B" or better grade averages.

A tea for sophomore women with "B" grade averages highlighted the activities of the organization headed by faculty sponsor Helen Wroten and president Janis Corbin. At the tea a scholarship was awarded to the junior with the highest grade average through her sophomore year.

Virginia Railsback, Judith Vogt, Marilyn McCord, and Sheila Nelson are honored for having all A grades.

SPEECH

Honoraries encourage high standards

Outstanding students in drama, forensics, and radio-television are recognized for their achievements by honoraries: Pi Epsilon Delta, Delta Sigma Rho, and Alpha Epsilon Rho.

Pi Epsilon Delta, national honorary for collegiate players, works to raise the standards of the university theatre. The group, led by Ken Nakari, president, and Earl Hoover, faculty adviser, sponsored exchange theatre trips with other colleges and set the rules and standards for the Kansas State Players. Members must have acquired 20 points for work on dramatic productions and have taken four hours of theatre courses.

DSR Sponsors Annual Speaking Contest

Sponsoring an annual public speaking contest and presenting an award to the outstanding beginning and senior debater were the main activities of Delta Sigma Rho, national forensics honor society. Members must be in the upper third of their class. Phil Reid was president and Dr. Charles Goetzinger, sponsor.

K-State Is Host for First Regional Meet

Alpha Epsilon Rho encourages and recognizes outstanding college radio and television students of high scholastic standing. Members must maintain a "B" average in radio-tv courses and a "C" over-all average.

MED TECH

Honorary provides practical training

Typing blood during Arts and Sciences Day was one way in which the girls of Alpha Delta Theta, medical technology honorary, put their academic training to practical use.

President Sue Fankhouser and adviser, Dr. J. O. Harris, planned such activities as two tours to major Kansas hospitals, sponsoring a bulletin board in Vet hall, sending delegates to the national convention in Lansing, Mich., and decorating Vet hall at Christmas.

CHEMISTRY

Local members receive national recognition

A long history of fine scholarship and research since 1899 is the heritage of Phi Lambda Upsilon, chemistry honorary, locally headed by Leroy Grantham.

Dr. Robert Kiser had an outstanding chapter to advise, as two of the local members were recognized by the national organization. Dr. W. G. Schreck serves as national treasurer. Dr. Fredrick Rossini received the national Honorary Membership award.

ANGEL FLIGHT

Marches in fall, spring Air Force reviews

Angel Flight members act as hostesses for social functions of Arnold Air Society, participate in military reviews, and aid the Military Science department in any way possible. Upperclasswomen are selected for membership on the basis of a 2.4 grade average, drill ability, personality, and interest. Jo Edwards was president first semester and Mary Jo Moriconi, second semester.

Members marched in the fall and spring Air Force reviews and were hostesses for a spring tea honoring senior members of Arnold Air Society. Judy McAlister was crowned queen of the annual Air Force Ball, and Brenda Morgan and Jan Stewart were selected as attendants.

Receiving an award for being the outstanding senior cadet of the first semester is Ken B. McNeill.

Dressed in navy blue uniforms with white hats, scarves and gloves are the members of Angel Flight, partici-

pating in the fall Air Force review. Commands are being called by Fran Schwartz, flight drill leader.

ARNOLD AIR

Sponsors AFROTC ball, Angel Flight

With the motto, "the warrior who cultivates his mind polishes his arms," Arnold Air Society strives to create better officers for the Air Force. Directed by commander, Larry Van Pelt, and sponsor, Capt. C. M. Smith, this honorary participated in a number of projects.

Flights on USAF aircraft, general airpower information sessions, social functions, and sponsorship of Angel Flight, the AFROTC Ball, and a Cadet Wives and Sweethearts club were some of the service society's activities.

GEOLOGY

Honorary improves Fairchild hall showcases

Scholastic, scientific, and social advancement of members is the purpose of Sigma Gamma Epsilon, geology honorary. President William Bryson and members improved Fairchild hall showcases, aided in display work, sponsored the Williston Geology club, and promoted sale of geologic supplies.

Bi-yearly banquets and dances and a spring geology field trip were social activities planned by the honorary group and sponsors, H. D. Pilkington and Henry Beck.

BUSINESS

Fraternity plans Business Machines school

Alpha Kappa Psi, the national professional business fraternity, is for students majoring in business administration or economics who have maintained a 2.5 grade average or better for at least two semesters. President John Simmons presided over the 45 members, and Eugene J. Laughlin was faculty sponsor.

First semester, members of the club traveled to Kansas City, Mo., for one of their two professional tours. Other activities included a Business Machines school for graduating seniors in business administration, a pledge banquet and dance, and a spring picnic.

ECONOMICS

Honorary hears Docking, Miles at meetings

"To promote a better understanding of economics and to give recognition to outstanding economics majors" is the purpose of the Order of Artus, economics honorary. The K-State chapter was chartered in November 1957 with 20 members. Warren Keegan, first president, continued in office this year. W. B. Nelson was faculty sponsor.

Members must have a 2.75 over-all grade average, and have taken 12 hours of general economics. Gov. George Docking and Richard Miles, chief of the U. S. British Information service, spoke at professional meetings.

Order of Artus—TOP ROW: Donald F. DeCou, John R. Hildebrand, Tae Won Kim, Leo Cohen. SECOND ROW: J. A. Hodges, Willard A. Wright, James R. Hoath. BOTTOM ROW: Warren J. Keegan, Walter D. Fisher, Charles F. Moggie, Wallace B. Nelson.

JOURNALISM

Honoraries strive for professional ideals

Theta Sigma Phi, scholastic honorary for women in journalism, promotes the woman's role in the press. Members were upperclass women with B averages in journalism and C plus grades in other classes. Carol Sitz was president of the 12 member honorary and Miss Helen Hostetter was faculty adviser.

Theta Sigs took orders for and distributed commencement announcements both semesters. A Matrix Table banquet for women leaders in the community was held in the spring. Freshmen and transfer women were guests at a party to meet Theta Sig and faculty members.

Upperclass men planning to pursue journalism professionally in good scholastic standing made up the Sigma Delta Chi chapter. Jim Bell was president and C. J. Medlin was faculty adviser. Members attended the an-

MUSIC

Honorary presents and ushers at recitals

Presenting public recitals and ushering for College recitals were two of the major projects for the 15 members of the K-State chapter of Mu Phi Epsilon, national honorary for women in music. Election to Mu Phi Epsilon is based on scholarship, musical ability, character, and personality. The national organization, which was founded in 1903 at the Metropolitan College of Music in Cincinnati, Ohio, has grown to more than 80 collegiate chapters.

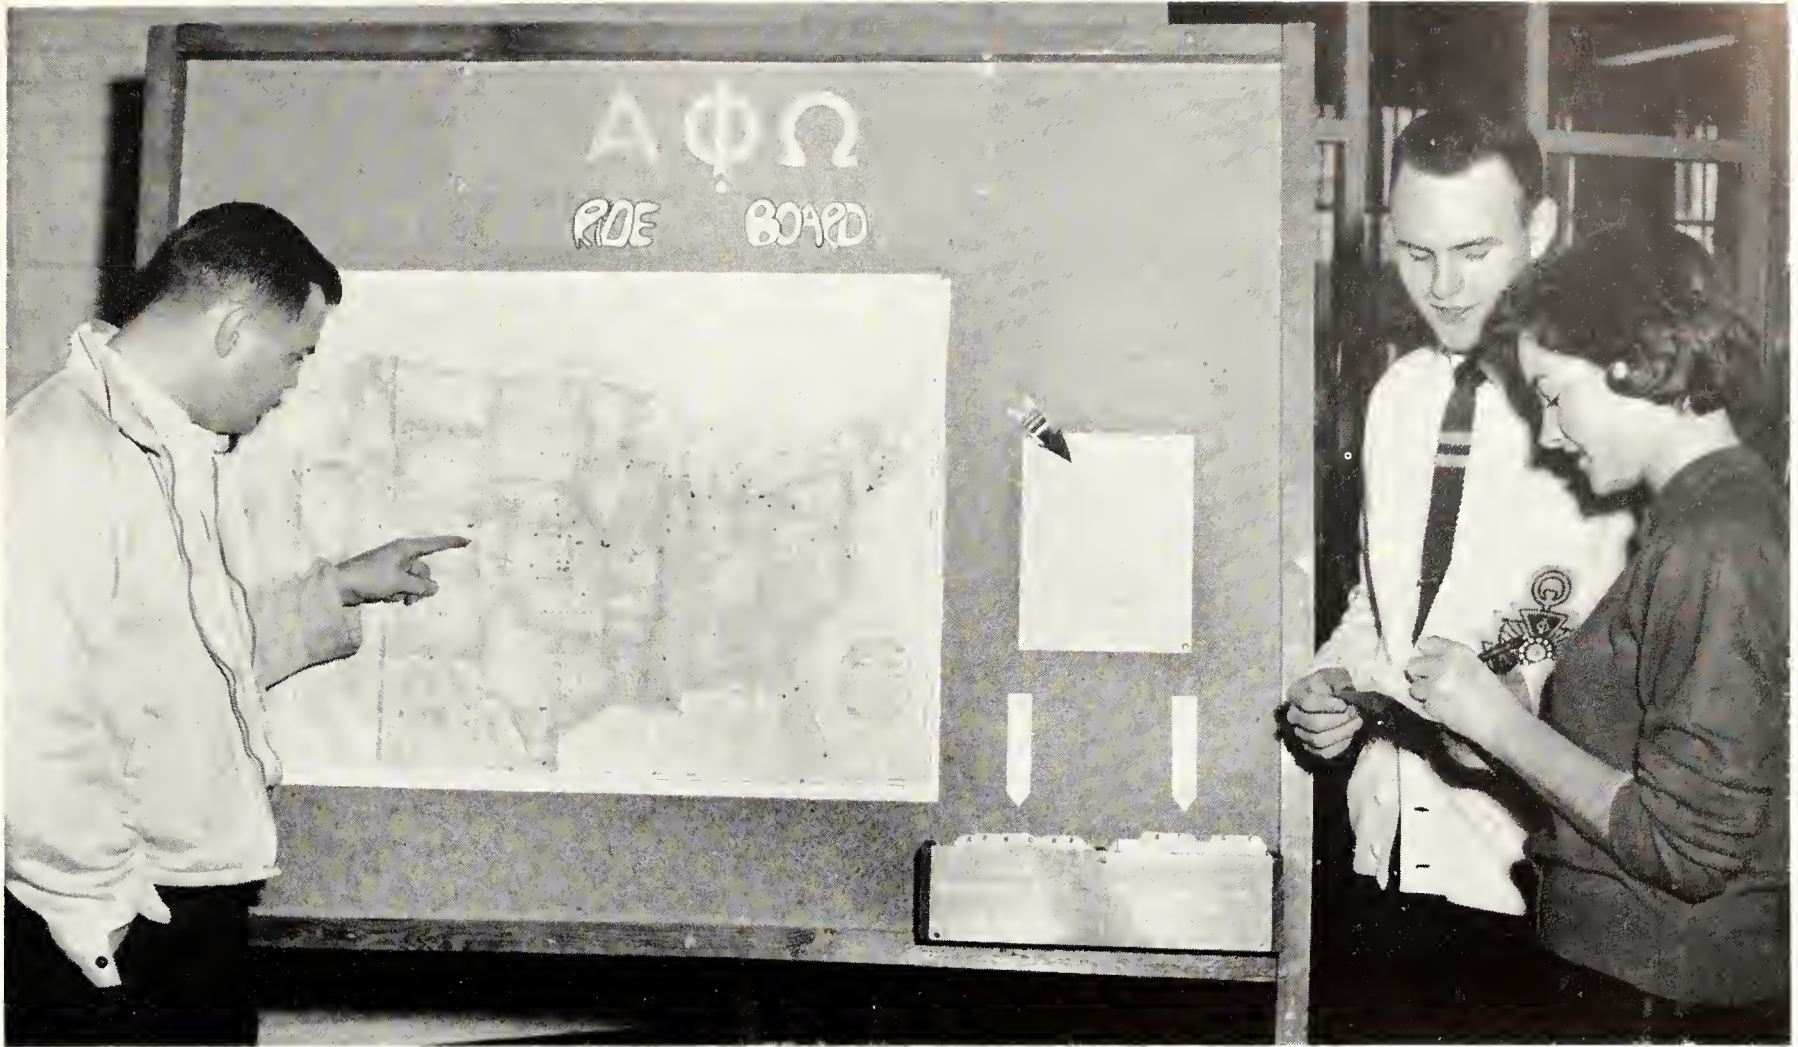

The K-State chapter, headed by Yvonne Hodges as president and Miss Marion Pelton as faculty adviser, caroled at an old folks' home, and supported national projects with magazine subscriptions. These projects included financial support of music scholarships and awards.

ART

Fraternity makes posters, visits art gallery

Delta Phi Delta is the honorary art fraternity on campus. The organization strives to promote art in the United States and to recognize scholarship and professional ability in the art field. The K-State chapter's money raising project this year was making posters and frames. The group also took a trip to an art gallery. A pledge banquet and the annual spring picnic were additional highlights during the year. This year's group numbered 15 members, headed by Lois Smith as president and J. Cranston Heintzelman as faculty adviser.

Membership is based on a 2.5 scholastic average in all subjects and a 3.0 average in art courses. The national organization was founded at the University of Kansas in 1909.

Two students take advantage of the ride service provided by Alpha Phi Omega. Set up in the Student

Union, the board was supplied with cards for vacation-bound K-Staters to sign to find riders or get rides.

SCOUTING

Fraternity donates campus bulletin boards

Donating a number of portable bulletin boards for use around the campus was one of the major projects of the year for members of K-State's chapter of Alpha Phi Omega, national scouting fraternity. The group present-

ed K-State's Wildcat mascot, Touchdown V, at all home games. The organization also sponsored the annual Ugly Man on Campus contest, a holiday ride service, tours of the campus for visiting groups, and assisted with the Manhattan scouting program. Lyle Clum was president of the 44-member group, while William Honstead was faculty adviser. The purpose of the fraternity is to promote service to the campus, community, and nation.

ALPHA MU

Milling organization stresses high standards

Encouraging and developing high standards of scholarship, character, leadership and fellowship are the goals of Alpha Mu, honorary milling fraternity.

Don Morrison presided over this group which had such varied activities as a display during Ag Week, fall and spring banquets and fall and spring smokers for the purpose of better acquainting the freshmen with the upperclassmen and faculty. Serving in an advisory capacity to this scholastic organization were E. P. Farrell and G. D. Miller.

ALPHA ZETA

Ag honorary celebrates 50th anniversary

Fiftieth anniversary of the K-State chapter of Alpha Zeta, honorary agriculture service fraternity, was celebrated in May.

Projects and activities for the year included maintaining the ag reading room, furnishing guides for the Formula Feed conference and the state FFA Convention, ushering for the Little American Royal, giving blood to the local hospitals, and recognizing the outstanding freshmen in agriculture and veterinary medicine. The 42 members elected Bryan Barr president. Paul Sanford served as adviser.

TAU SIGMA DELTA

Promotes architecture, awards scholarship

Tau Sigma Delta, architecture honorary, promotes leadership in the professions of architecture and architectural engineering. Members must have a 2.5 over-all grade average and good grades in design and structure

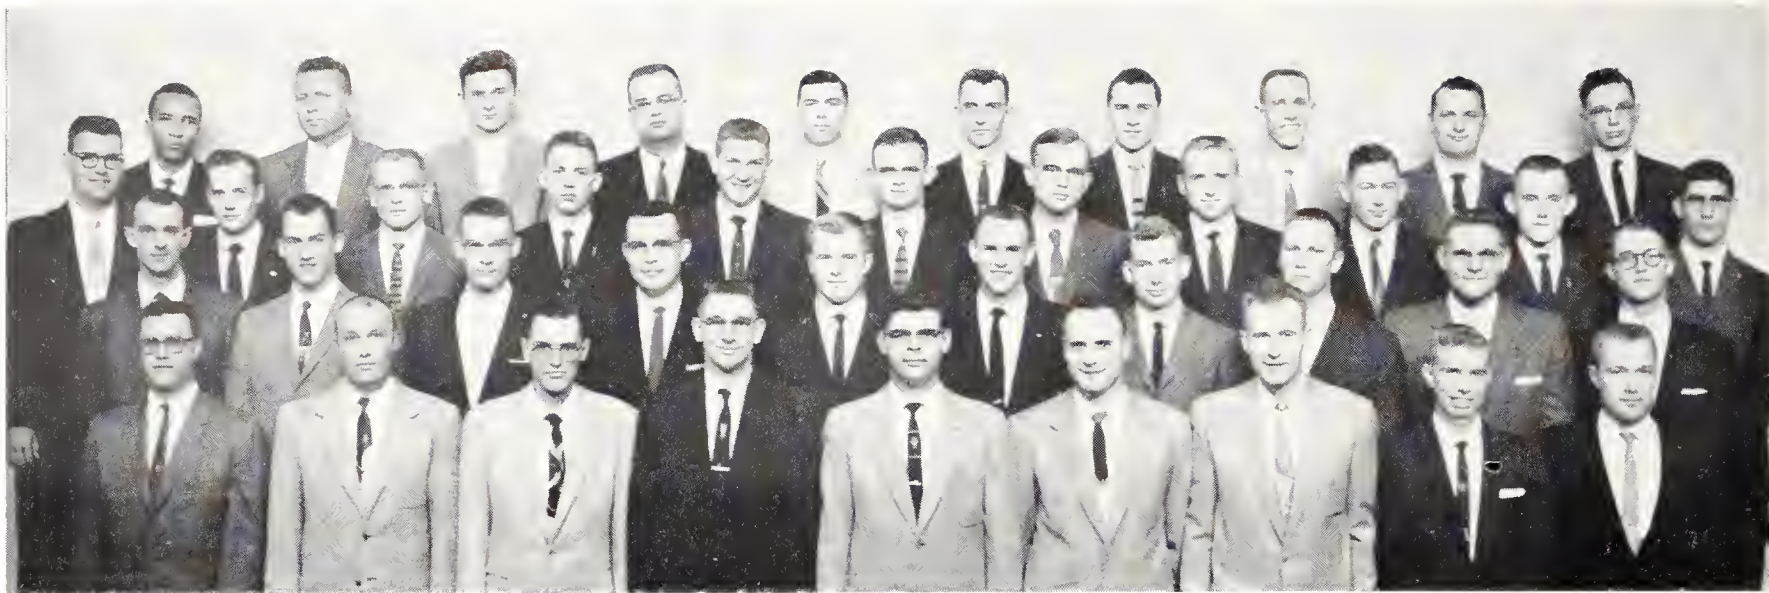

courses. William Peckham was president this year and John Helm Jr. was faculty sponsor of the group.

Members sold refreshments at Engineers' Open House, had an initiation banquet, and awarded a \$100 scholarship to an incoming freshman in architecture. The group also put on a skit characterizing four famous architects at an Engineering assembly and took a field trip to Kansas City where members visited several large architectural firms.

HONORARIES

Eta Kappa Nu, Pi Tau Sigma 20 years old

Two of K-State's engineering honoraries celebrated their 20th birthdays this year. They are Eta Kappa Nu, electrical engineering honorary, and Pi Tau Sigma, mechanical engineering honorary, both of which were founded on this campus in 1939.

Beta Kappa of Eta Kappa Nu has 94 members who ranked either in the top third of

their class as seniors, or the top fourth as juniors.

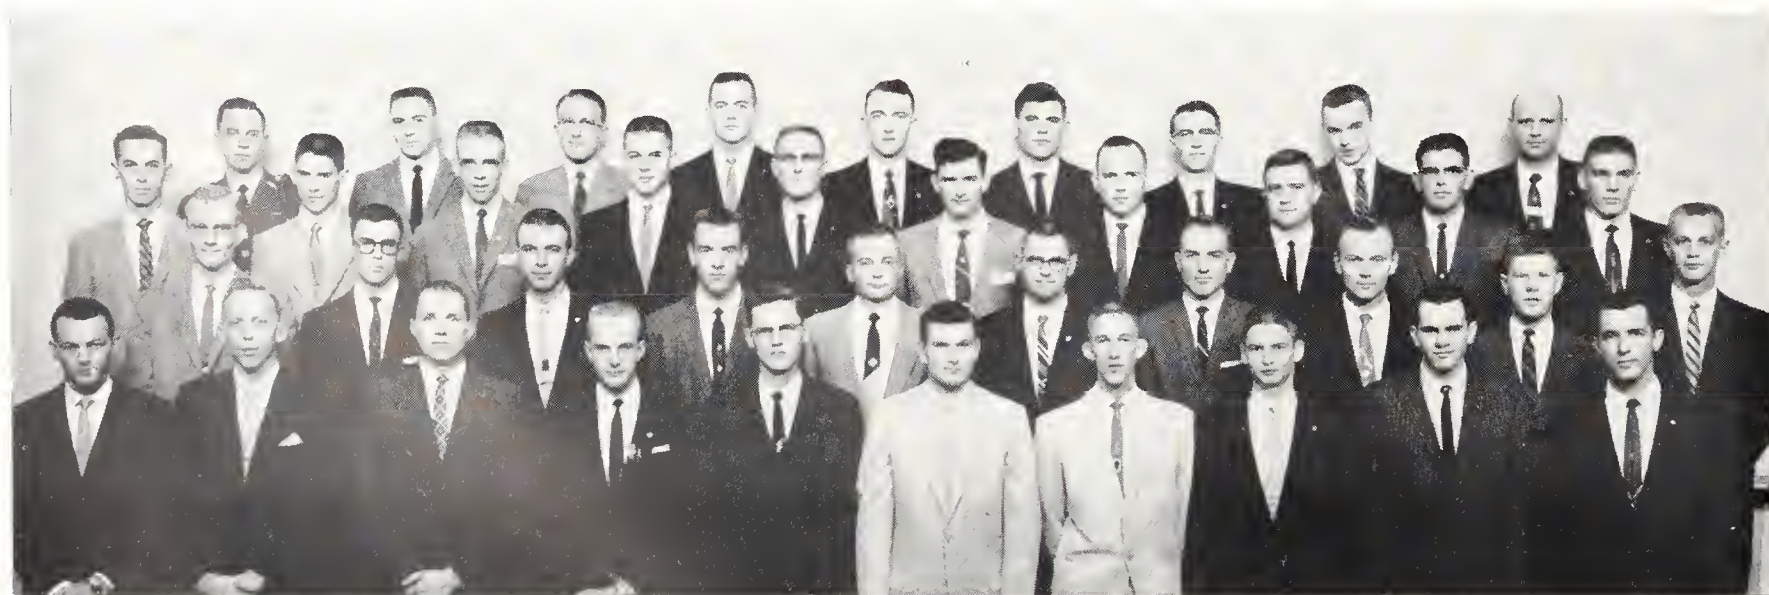

Of major benefit to the entire Engineering school are Eta Kappa Nu's slide rule classes and review sessions in physics. P. F. Garberich was president, R. M. Kerchner faculty adviser.

Rho chapter of Pi Tau Sigma honors the outstanding freshmen in mechanical engineering each year and conducts review classes for the engineer-in-training examinations.

Fostering high ideals in the engineering profession is the purpose of the organization which Ralph D. Cozine served as president this year. Robert E. Crank was faculty adviser.

organizations during the year. Services are held there each day during the Christmas and Lenten seasons.

RCC

Sponsors annual Religious Emphasis Week

The Religious Coordinating Council sponsored discussions relating science and religion during Religious Emphasis Week in November. Scientists and professional men spoke at seminars and an assembly. A fireside program was scheduled during the week for each

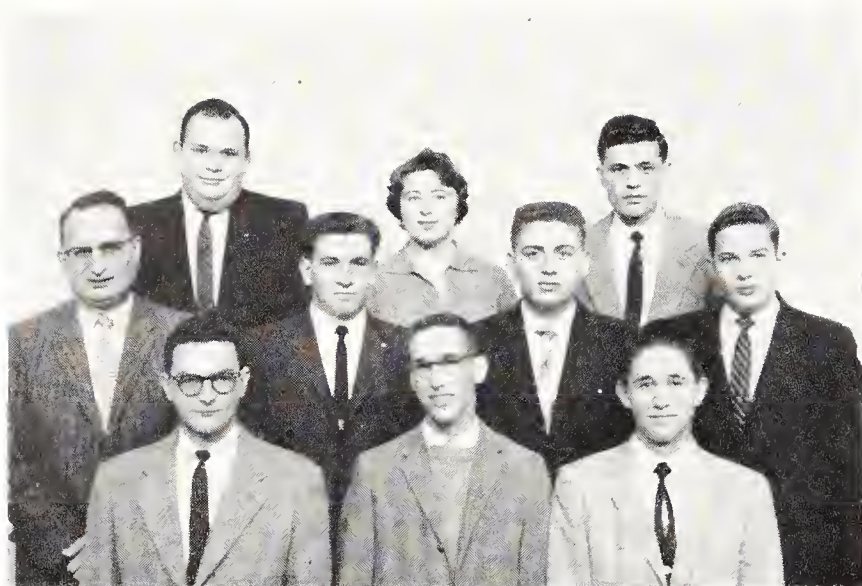

K-State organized house with local clergymen as guest speakers.

The council is a 42 member group of elected representatives from each campus religious organization to coordinate campus religious activities. Lyle Clum was president and Dr. Webster Sill was faculty sponsor. The council worked closely with Dr. William Tremmel, director of religious activities, to plan Christmas and Easter assemblies and an all-College religious program each month.

HILLEL

Foundation unites Jewish students on campus

The B'nai B'rith Hillel foundation is the religious, cultural, and social organization for Jewish students at Kansas State. The organization, one of 200 in the United States, was founded at K-State in 1946.

President of the 20 member group was David Garfinkle. Under his leadership and that of Dr. Max Milner, faculty sponsor, the group brought Irving Levitas of Kansas City to the campus. Levitas, director of education

of the B'nai Jehudah foundation, spoke on "Pasternak-Moses versus Marx."

Hillel presented the annual brotherhood award for the promotion of religious work on the Kansas State campus during the year.

NEWMAN

Club gets first center, full-time chaplain

For the first time this year, the Kansas State Newman club had a center of its own and a full-time chaplain. The Rev. Carl Kramer was in charge of the Catholic Student center at 711 Denison. Plans were made to build a new student center at that location within the next few years.

President Joe Gardner led the group in its bi-weekly meetings. J. P. Callahan was faculty adviser. The 440 member club, largest religious organization on campus, also had weekly religious lectures and Sunday evening suppers.

Members attended a weekend retreat in March at the Seven Dolors church in Manhattan, with a guest speaker providing the spiritual inspiration. The annual Newman club banquet honoring the club's patron, Cardinal Newman, was also held along with several other parties.

CHRISTIAN

Fellowship members support missionaries

President Dennis Duell led the Kansas State Christian Fellowship toward its motto: "To Know Christ and Make Him Known." The fellowship is the local chapter of the Inter-Varsity Christian Fellowship of America and was started on campus in 1946. Dr. Herbert Moser is faculty sponsor of the approximately 40 member organization.

The main activities of the group include supporting missionaries with monetary gifts and working with other Inter-Varsity chapters in this area.

BAPTIST

Student Union has retreat, youth revival

"To provide the connecting link between the student's campus life and church life" is the purpose of the Baptist Student Union. President Bob Moyer presided over the approximately 20 active members of the two-year-old group, organized in March of 1957.

Richard Taylor was the faculty sponsor, and Lynn Stewart became the director in February. A pre-school retreat in Topeka, a Thanksgiving dinner for international students, and a youth revival were among the group's activities for the year.

WESTMINSTER

Makes plans to build new student center

As Westminster fellowship completes its 38th year on campus, plans are being made for a new \$125,000 student center. Fellowship members hope the new building, which will be in the 1000 block on Denison, will be ready for occupancy by the fall of 1960.

Sponsoring agency of Westminster is the Presbyterian church, but not all 312 members

belong to this denomination. Bringing "Christian understanding of life as interpreted by the Presbyterian heritage," is the club's purpose.

Dr. Emerson Abbendroth, pastor to students, carries out policies set by the local advisory committee, of which Dr. Paul Sanford, faculty adviser, is chairman. Miss Jane Forsberg is full-time secretary. President of Westminster first semester was John Garrett and second semester, Leslie Dole. Students on the planning committee for the building are Mr. and Mrs. Dale Taylor and Vickie Holmstrom.

METHODIST

Groups participate in service activities

K-State's three organizations for Methodist preference students are Wesley foundation, Sigma Theta Epsilon, and Kappa Phi.

Wesley foundation was organized on the K-State campus 35 years ago. During this time, the group has been sponsored by the Rev. and Mrs. B. A. Rogers. Under the leadership of Dean Knewton, president, the group has undertaken the support of a Czechoslovakian refugee student. They help support Mr. and Mrs. Dean Schowenderdt, who are

missionaries to Korea and K-State graduates.

Sigma Theta Epsilon is the Methodist men's service group. The 63 members participate in service projects and activities under the direction of Jerry Hundly, president. Homer Socolofsky and Norman French are faculty sponsors. Activities include weekly clean-up for Wesley, an annual Sweetheart banquet, and an exchange meeting with Kappa Phi.

Kappa Phi, Methodist women's service group, was under the leadership of president Barbara DeLange. Members participate in the annual patronesses' dessert, Philitia Breakfast, made choir robes as a work project, and sponsored a party at the IOOF home.

LUTHERAN

Association observes twentieth anniversary

The Lutheran Student association observed its twentieth anniversary at K-State this year. First organized in 1923, the club discontinued in 1933 and reorganized in 1939.

Under the leadership of Tom Johnson, president, and Miss Inez Ekdahl and Dr. Phillip Nordin, faculty sponsors, the group gave food to needy families, attended a training conference, had fellowship with other campus religious groups, and had postgame social hours.

New students and their parents are entertained by the Lutheran Student association during orientation.

MENNONITE

Fellowship increases membership to 50

Mennonite fellowship increased its membership from 30 to 50 this year under the leadership of Fremont Regier, president, and Ernest Goertzen, faculty sponsor.

The organization, which was founded at Kansas State in 1955, provides fellowship and recreation for persons of the Mennonite faith.

Activities of the year included monthly meetings, picnics, and a slidearama. The group also had a smorgasbord, spring banquet, and entertained students from Tabor college and Bethel college with coffee hours.

BAPTIST

Student group hears missionaries this year

Missionaries from Japan, the Belgian Congo, and China presented talks at the weekly meetings of the College Baptist Student fellowship during the year. These meetings were preceded by fellowship suppers.

The group's choir, under the direction of Carlyle Thompson, sang at church services at the College Baptist church and also presented cantatas at Thanksgiving, Christmas, and Easter. Gary Cromwell was president of the 40-member organization and Dr. and Mrs. Herbert Moser were sponsors.

DSF

Has morning watches, fellowship dinners

Reaching students in a significant way as a part of the Christian church (Disciples of Christ) is the purpose of the Disciple Student fellowship. Under the leadership of Richard Skelton, president, and Walter Abel, faculty adviser, the group participated in church school classes, study groups, state and national conventions and retreats.

Members also attended morning watches Monday through Friday, and on Sunday evenings had fellowship dinners and programs, along with several parties during the year.

USF

Attends Colorado retreat between terms

A retreat to Colorado between semesters for study and recreation highlighted the year for the United Student fellowship of the Congregational Christian and Evangelical Reformed churches. Another yearly highlight is the presentation of a Sunday morning church service. The group's purpose, to discuss Christian ideals in daily living, was carried out in its activities.

Under the direction of President Ken Peirce and faculty adviser Dr. Maurice Woolf, the group grew from 15 to 25 members.

KAPPA BETA

Is affiliate of Disciples of Christ church

Joan Brockman was president of Kappa Beta, organization for women of the Disciples of Christ church, this year. Under her leadership, Kappa Beta carried out work projects with the Disciple Student fellowship.

Working through the group's national chapter, the women helped to pay the expenses of a foreign student to attend the National Ecclesia.

The 15 members of Kappa Beta participated in a work week and help week. They also gave food to a needy family. Gwendolyn Tinklin was faculty sponsor.

ROGER WILLIAMS

Fellowship has membership of 100 students

For the first time this year the Roger Williams fellowship has had an ordained minister as student director. The Rev. Dale Turner was brought to the campus for this purpose early in the school year.

Affiliated with the Baptist student movement through the Kansas and American Baptist conventions, the K-State group has grown since 1951 to its present membership of 100.

Under the leadership of Betty Johnson, president, and Dr. and Mrs. Paul M. Young, faculty advisers, the group presented a play, "No Room at The Hotel."

GAMMA DELTA

Encourages fellowship for Lutheran students

Encouraging and maintaining fellowship and keeping students within the church is the purpose of Gamma Delta, 35-member Lutheran students' organization on campus.

It had exchanges with the Lutheran Students association and the Kansas university chapter of Gamma Delta this year. It met for suppers and picnics, and members attended the Rocky-Plains convention for Gamma Delta in Estes Park, Colo., in October. Under the direction of Bob Cochran, faculty sponsor, the annual convention will be at K-State next fall. President of the group first semester was Neal Meitler; second semester, Roger Riggert.

EUB GROUP

Helps plan for new church in Manhattan

Evangelical United Brethren Student fellowship had a house and pastor for the first time this year. The Rev. Cecil Findley was sponsor.

Organized in 1955, the fellowship remodeled the pastor's house for a meeting area and helped with plans for a new church in Manhattan. A site west of town has been purchased and construction is hoped to be completed next fall.

With first semester president, Leroy Pickett, and second semester head, Robert Baer, leading the way, activities included picnics, a hobo party, and performances by the mixed quartet.

YWCA

Sells internationally-made gifts at Y-Mart

The Young Women's Christian association sold international gift items at its annual Y-Mart sale in Calvin lounge. Kay Nordstrom was president and Miss Joyce Ansdell was faculty sponsor to over 100 women in the organization. The YW, one of the oldest clubs on campus, was established in 1885.

The YWCA is a Christian organization seeking the development of religious, social, service, and educational interests of its members. The club took a tour of Manhattan churches and held morning devotions two days before Thanksgiving and Christmas. Favors were sent to the Odd Fellows Old Folks' home at Christmas.

YWCA sponsored several current affairs panel discussions during the year, served coffee to faculty members during registration, sponsored a Love and Marriage seminar with YMCA, and joined in the Activities jamboree.

Customers crowd around the display table at the Y-Mart sale in Calvin lounge. Internationally made

gifts were sold during the Christmas shopping season. Proceeds were used to finance YWCA projects.

FTA members are given the chance to see how a teacher communicates with deaf and dumb children

as she conducts a normal classroom session. This was one of the programs presented at the club meetings.

AERONAUTICS

Students visit Wichita aircraft factories

The Kansas State Student Branch of the Institute of Aeronautical Sciences took a field trip to Wichita to tour the Cessna and Boeing aviation companies in December. The 12 club members also had monthly meetings. Larry Lydick was president and Wilson Tripp served as faculty adviser.

Any student enrolled in an engineering or science is eligible for membership. The club's purpose is the advancement and dissemination of knowledge of the theory and practice of the aero-space sciences.

FTA

Chapter membership is largest in the nation

The Kansas State Future Teachers of America chapter had 521 members this year making it the largest of the 679 national chapters. FTA provides opportunities for pre-vocational experiences in teaching. Carol Engle was president, Dr. John DeMand faculty adviser.

Local delegates attended the state convention at Fort Hayes State college in April. Gary Boelling was state president and Dorothy Serault was state treasurer. Two outstanding seniors were presented awards at the annual spring recognition banquet.

POLITICOS

Sponsor Little United Nations assembly

Sponsoring the Little United Nations assembly with Gale McGee, Wyoming Senator, as the guest speaker was the big project of the Political Science club this year. The group of nearly 30 students met to encourage participation in political and governmental affairs. President was Barbara Huff and faculty sponsor was Dr. Louis H. Douglas.

The organization also helps government majors in relation to vocational uses of education in social science. It entertains local political speakers at its regular meetings and takes several field trips.

CHANCERY

Club founds national pre-law organization

Chancery club, founded at Kansas State in 1951 by faculty sponsor A. D. Miller, has spread to universities throughout the South and Midwest. The national club and a convention have been necessary for organizational and policy forming purposes. The nearly 35 K-State members, interested in the legal profession, promote development of a training program to prepare for the study of law.

With Bill Washington as Chief Justice, the club was represented at the national convention, staged a Christmas banquet, visited Kansas university and Washburn law schools.

DEBATE TEAM

Brings home trophies from all tournaments

With the perfect record of returning from every tournament with a trophy, the K-State debate team completed its most successful year. In collegiate competition this year, the speech group was awarded 13 trophies. Especially worthy of note were first-place awards won at the Kansas university group action tournament, the women's division at the Northwest tournament, and the junior women's divisions at the Baylor university tournament, and the Amarillo Golden Spread tournament.

Debaters Go on Extensive Trips

Combining fun and travel with their work were the debaters and their sponsor, Charles Goetzinger and assistant forensic director, James Robbins, as they entered competition in many states. They traveled to the Forensic Festival in Lubbock, Texas, the Broncho Speech Festival in Edmond, Okla., the Golden Spread tournament at Amarillo, Texas, the Northwest Debate tournament at St. Thomas College in St. Paul, Minn., the Missouri Valley Forensic tournament in Austin, Texas, the Delta Sigma Rho National tournament in Cleveland, and additional contests at Emporia, Winfield, Waco, Texas, Missouri, and Montana. K-State took its turn acting as host for a novice tournament held here.

Applying the mechanics of good debate technique, team members improve themselves through practice.

Team Enters Variety of Events

Besides entering over 260 competitive debates at the various tournaments, the speech group also competed in poetry reading, extemporaneous speaking, group discussion, oratory, dramatic interpretation, after-dinner speaking, and salesmanship.

Each spring at a special recognition dinner, the two top debaters, chosen by the staff, are honored. Selected from the 30 debate participants this year were Dan Hahn, outstanding graduating senior debater, and Gracella Lane, outstanding first-year debater. Their names will be engraved, along with previous winners, on the Delta Sigma Rho plaques.

ENTOMOLOGICAL

Club sponsors state society and its journal

Holding meetings for the discussion of entomological and related subjects and acting as a sponsor for the Kansas Entomological society and for its journal is the Kansas State College Entomological club. Membership is

extended to those interested in, associated with, or actively engaged in entomological work. This year approximately 45 students belonged to the organization.

Stuart Ratcliff was president and Prof. Donald A. Wilbur was faculty sponsor. Several of the meetings throughout the year were in the form of social gatherings. A Christmas party and an annual fall picnic were among the main social activities.

WHI-PURS

Promote good sportsmanship, mark cards

Open to all freshman women on campus is Whi-purs, one of three K-State pep clubs. The 220 members this year worked toward the club's purposes—to promote and exhibit good sportsmanship; to develop personalities of sincerity, enthusiasm, and friendliness; and to engage in projects that would benefit the athletic program on the campus.

Members of Whi-purs, headed by president, Jean Keane, and faculty sponsor, Barbara Ericson, wore white sweaters and purple skirts to all home football and basketball games, and to their classes on game days.

The group sat in a special section at games along with Purple Pepsters, upperclass women's pep club, and Wampus Cats, men's pep club. These groups also worked with the Union Flash Card Committee in marking and distributing cards, and marched in the Homecoming parade.

VETERANS

Organization donates to county blood bank

The Kansas State College Veterans organization was organized in 1955 to develop a more harmonious social relationship among veterans and to give beneficial services to both community and college.

With Kyle G. Tilson as president this year and Wendell R. Kerr as faculty sponsor, the group was active in campus politics, donated to the Riley County blood bank, bought supplies at discount for students, and had parties and bi-monthly meetings. The 160 member organization is open to all veterans on campus—students, faculty, and foreign veterans.

ISA

Members have Christmas party for children

Independent Students association promotes the interest of the non-Greek students at K-State. The approximately 25 members this year were headed by Charles Swanlund.

The organization opened the year with a membership drive and a get-acquainted party. Other activities included meetings, a valentine party, and spring picnic. At Christmas time needy Manhattan children from five to seven years old were guests at a party. A program was presented and the children were given toys, donated by local merchants and made or repaired by members of the club.

ARAB CLUB

Teaches Arabic language, has variety shows

Teaching the Arabic language to interested persons was one of the major projects this year of the Arab-American Club. The organization's programs also included discussion of the various problems of the Arab world, Arabian variety shows, and special Arab speakers.

The group sponsored an Arabian dinner to promote better relations and understanding between Arab and American students on campus. Mahmoud Hamad served as president of the 23-member group. W. H. Barth was faculty adviser. The club, organized in 1957, is one of the newest groups on campus.

COSMOPOLITAN

Club sponsors annual Feast of Nations dinner

"Above All Nations is Humanity" is the motto of the Cosmopolitan club. The organization's major project this year was sponsoring the annual Feast of Nations, at which foods from various countries were served. Handicraft and other objects from 50 countries were exhibited by club members at the International Open House.

A series of programs was given during the year in which students from one country or a closely-knit group of countries presented information about their homeland. Feliciane Sarmiente was president of the 113-member group, while Cecil Miller was faculty adviser.

FROG CLUB

Gives show, "Splashes from a Paint Box"

Thirty new members, chosen on the basis of tryouts, started the year for the Frog club. In the fall a demonstration of synchronized swimming was given on Arts and Sciences Day.

Second semester featured the annual water show, under the direction of president Barbara Herzog and faculty sponsor Nola James, which was the product of the club's weekly practices. The theme for this year's show was "Splashes from a Paint Box."

PHEMS

Sponsor Playday, Foreign Student Show

Phems, the organization for women majoring in physical education, sponsors a foreign student talent show each year. It also conducts a Playday for high school students, a Christmas party, intramurals, a senior banquet, and hosts speakers. Headed by faculty adviser Eva Lyman and president Kathy Horridge, the club has a goal of promoting interest and professional growth in physical education at Kansas State.

ASTRONOMY

Club has annual "Star Party" in early spring

For the purpose of advancing and promoting interest in astronomy, the K-State Astronomy club was formed and now consists of 25 members. Ron Cook was president this year, and Jack Robinson, faculty sponsor.

Members met every other Friday night for business meetings and the remaining Friday nights for observation meetings. The big event of the year is the annual "Star Party" in the early spring during an astronomical event, such as a comet or eclipse.

Frog club members interpret an artist's colors in a performance in Nichols, "Splashes from a Paintbrush."

RADIO

Club members improve station facilities

Promoting closer participation in emergency communication networks and improvement of station facilities were the main projects of president Larry Danewitz and the other 19 members of the Kansas State Amateur Radio club this year. Capt. C. M. Hughes was faculty sponsor.

The purpose of the organization is to promote radio knowledge and fraternalism among radio amateurs at Kansas State university. To be a member, one must be a K-State student and have an interest in radio technique.

CERVANTES

Club sponsors Pan-American celebration

Promoting the study of Spanish and Spanish-American culture and creating better understanding between Spanish and English speaking peoples are the purposes of the Club Cervantes. Again this year the group sponsored a Pan-American Day observance and the second annual declamation contest.

The members of the Kansas State chapter traveled to Kansas university to participate in the annual Cervantes Day observance. Jose Salcedo was president of the 35-member organization. Faculty advisers were Thirza Mossman and Manuel D. Ramirez.

INDUSTRIAL

Education club stresses new opportunities

Acquainting students with the latest developments in industrial education and the opportunities for success in the field is the purpose of the Industrial Education association. A major change for the association was the switch of the industrial arts curriculum to the curriculum of industrial education.

This year the association had 22 active members, seven more than last year. Arthur Post was president of the organization, and Earl G. Darby was faculty adviser. The members' major project this year was working on their Engineers' Open House display.

GEOLOGISTS

Comprise 165-member Williston seminar

Williston Geology club is a 165-member seminar group designed to bring all geology students together for speakers and other programs. The 20-year-old organization is sponsored by Sigma Gamma Epsilon, geology honorary, and Dr. Henry V. Beck. President was Bill Bryson.

Club Travels to Black Hills

Highlighting this year's activities was a field trip to the Dakota Black Hills. Visits were also made to the largest gold mine in the United States and the Williston oil basin.

Wives Meet to Learn About Geology

The Geology Gems were behind the geology majors all the way. The Gems are a group of about 35 wives of students and faculty members in the department. They meet socially twice a month to learn more about their husbands' chosen field of study—earth science.

Organized in 1956, the club raised money to buy a plastic-covered relief map of the U. S. this year. The women sponsored a barbecue in the fall, a Christmas party, and a spring picnic. Diplomas were given to wives whose husbands graduated by faculty sponsors, Mrs. Henry Beck and Mrs. Dean Pilkington. This year's presidents were Mrs. Mack Gasaway and Mrs. Marlene Faulkender.

Williston Geology Club—TOP ROW: Jamil J. Qasim, Claude W. Shenkel, Donald A. Eck, Arthur B. Sperry, H. Dean Pilkington, J. R. Chelikowsky, Lavern Snodgrass, Louis Riseman, William S. Smith, Alton R. ORCHESIS

Promotes understanding of creative dances

Orchesis, modern dance club, promotes interest in dance and develops self-confidence, poise, friendliness, and skill. Miss Judith Hodge was faculty sponsor and Barbara Light was president of the 40-member club. Junior and senior groups, which meet separately, are determined at tryouts each semester.

Two dance programs were performed and films were shown at the Fine Arts festival. Seven dances representing a broad range of moods and themes were performed at the annual Orchesis dance concert in December.

Orchesis members perform a modern dance sequence during their concert in the Auditorium in December.

GEOGRAPHY

Society promotes interest during first year

The Kansas State Geography society was organized this year by Dr. Herbert Rau to promote interest in geography among students and faculty members. Fourteen students who had completed five hours of geography

and had a 2.0 grade average joined the club and elected Paul Meier the first president.

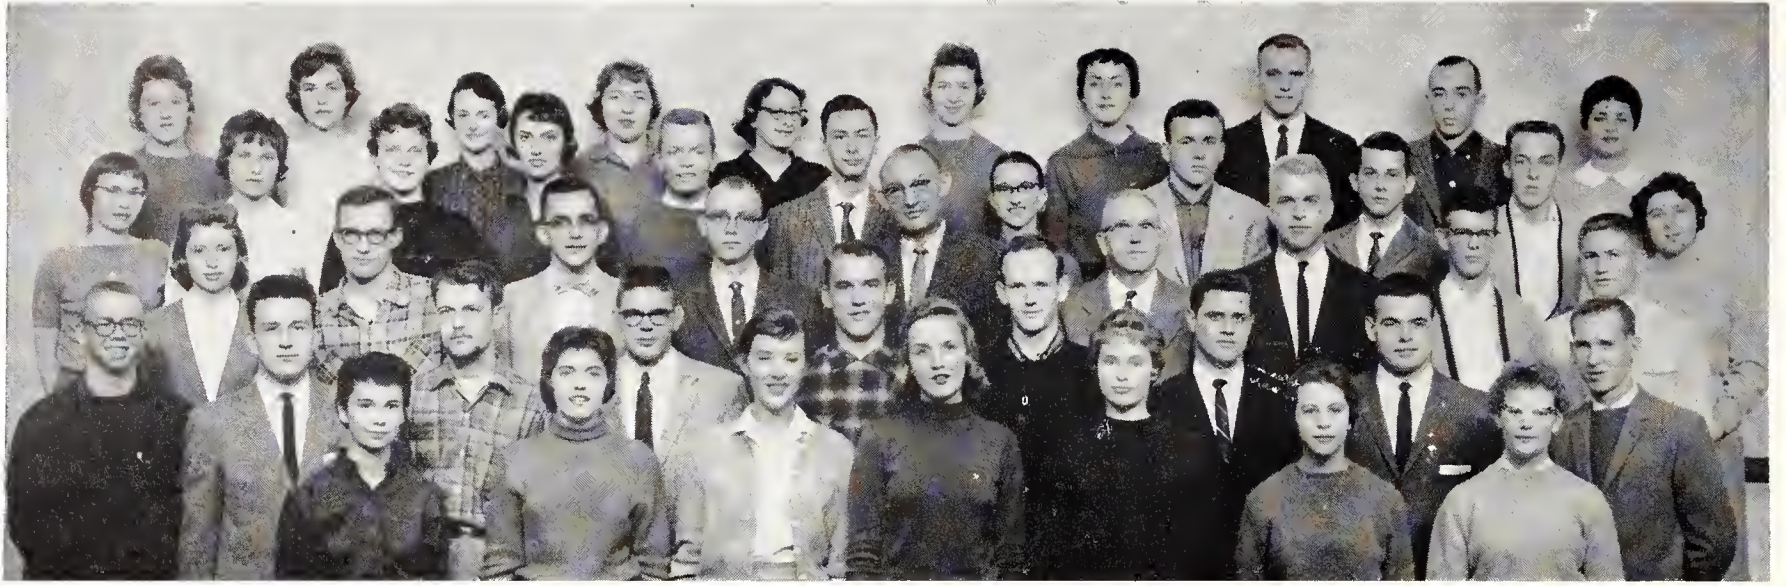

Programs included panel discussions and guest speakers. A picnic for club members and faculty was held in the spring.

KS PLAYERS

Two hundred present major productions

K-State Players, a 200-member drama group, presented four major productions this year. They were "Inherit the Wind," a courtroom drama with a 65-member cast; "Mary Stuart," an Elizabethan costume drama; "No Time for Sergeants," a comedy about the Army; and "The Land of the Dragon," a Chinese fantasy.

Lesser productions were included in the Players' studio—a series of one-act plays directed by students. These were "The Snows of Kilimanjaro," "My Night at the P. O.," "The Demon Lover," and "The Night the Ghost Got In."

Players Get Oscars

Students are rewarded for their participation in productions at an Oscar banquet in the spring. Oscars are given to the best actor and actress, best back-stage boy and girl, and best supporting actor and actress. These are elected by the members of the K-State Players.

Purpose of the organization is to further dramatic ideals and standards among students and to present productions of artistic merit for the College and community. Members are "understudies" until they earn seven

points from two areas. The areas are acting, stage crew, lighting, publicity, and ushering.

Under president Jim Johnson, the group also co-sponsored the Freshman Talent show, and exhibited displays at the activities carnival and Arts and Sciences Day. Earl Hoover is faculty sponsor.

Dick Barry, Larry Woods Speech contest winner, talks with runners-up Tausca McClintock, Gayla Shoemake.

American Chemical Society—TOP ROW: RoNel M. Yast, Delmar D. Mayhew, Oliver W. King, Carolyn S. Kingsbury, Janise K. Hudson. SECOND ROW: Marilyn J. Mauck, E. Jeannette Wells, Sheila J. Nelson, L. Ann Burch, William C. Becker. THIRD ROW: Ronald G. Rowland, James W.

CHEMICAL SOCIETY

Helps to develop spirit of common endeavor

The purpose of the student affiliate of the American Chemical society is to acquaint members with the various phases of chemistry as well as to develop a spirit of common endeavor among its 41 members. Membership is limited to chemistry or chemical engineering majors.

Under the leadership of Larry Patterson, president, and Dr. A. C. Andrews, faculty sponsor, the club presented a display at Arts and Sciences Day. Seminars in chemistry and a spring banquet were other group activities.

MASONIC CLUB

Demonstrates procedure for degrees in state

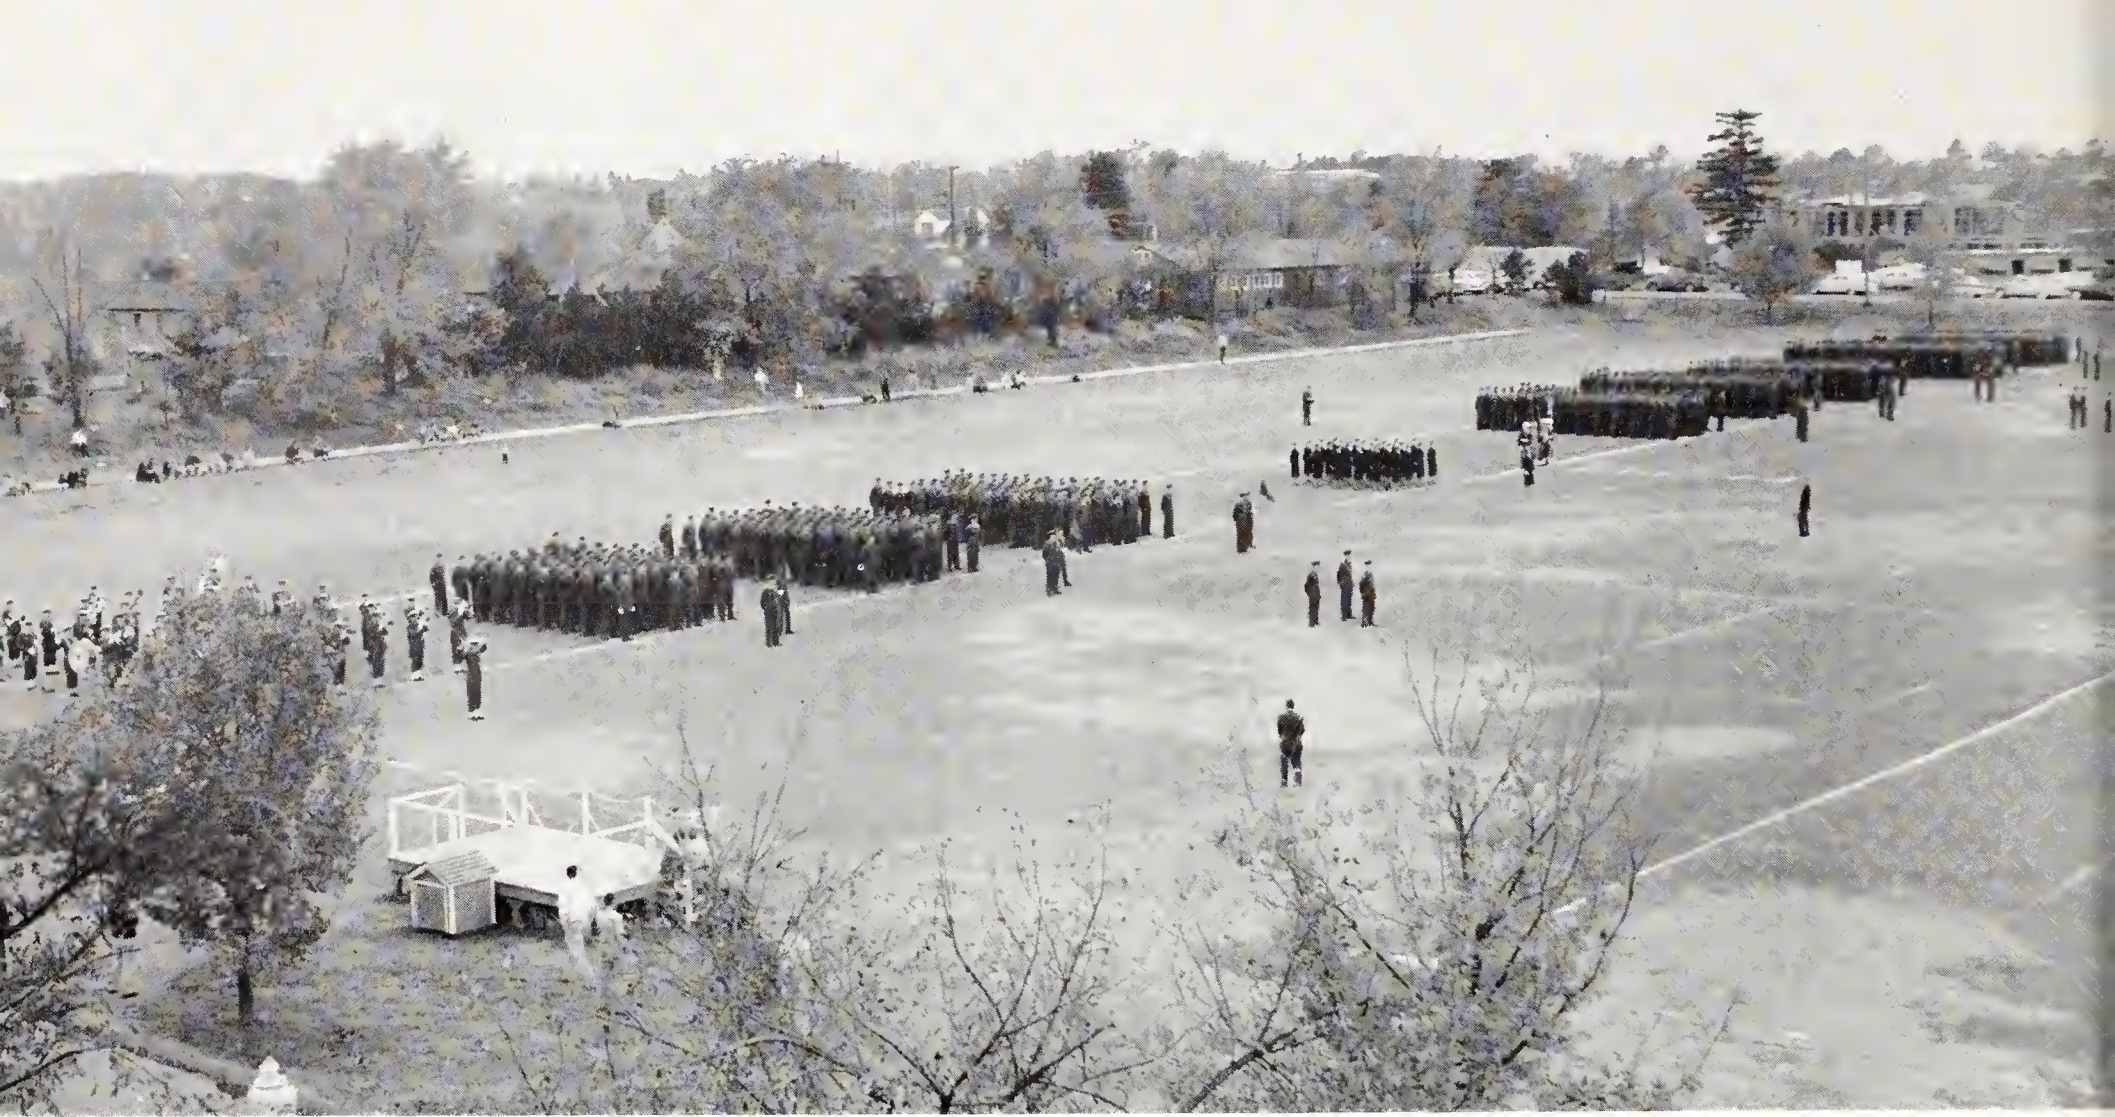

The K-State Masonic club this year organized a degree team to demonstrate first, second, or third degrees to Masonic lodges throughout the state. The club also helped support the Masonic Children's home and was represented at the Grand Lodge by a third-degree member.

The 12 members met for a stag party and invited wives and dates to a picnic in the spring. Membership is composed of first, second and third-degree Masons. J. G. Maley was president. Charles F. Haughey was sponsor.

Masonic Club—TOP ROW: Fred C. Isch, Jimie G. Maley, James E. Browne, Bill L. Pierce, Glenn R. Garrison. SECOND ROW: Richard A. Withrow, Charles K. Wanklyn, Arby L. Durnil, Armin L. Brandharst. THIRD ROW:

RIFLE TEAM

Defeats 39 teams in Southwest Invitational

K-State's Rifle team won all of its matches up to March 9 and was expected to take first in the remaining ones. The team defeated 39 teams in the Southwestern Invitational and 250 shooters in the Kansas Invitational to win 70 medals and two trophies.

The 150-member group sent three 10-man teams to Creighton, Wichita, and Kansas universities one weekend and won all three matches. Team captain Thurston Banks earned all-American honors and Roy Russell, Douglas Erway, and Fred (Jerry) Kohman were candidates for the all-American team. Other matches won by Capt. James Anderson's team were the William Randolph Hearst, the Eastern Kansas, and Nebraska invitationals and 15 with college teams.

PERSHING RIFLES

Provide sabre squad for AF, Military balls

Participating in the Homecoming parade, exhibiting a drill squad to area high schools and K-State basketball fans, and providing a sabre squad at the Air Force and Military balls are projects of Pershing Rifles. The 35-member group is one of 145 Pershing Rifle companies connected with college ROTC programs in the United States.

Limited to basic ROTC students, the organization tries to encourage high ideals in the military profession. Heading the group was cadet captain Donald C. Potter. Lt. Willard Frantz and Lt. Walter Ford were sponsors.

PHYSICS MAJORS

Join in activities of AIP student section

The Kansas State student section of the American Institute of Physics is a 33-member organization to advance and diffuse knowledge of the science of physics. With Arlyn Asch as president and Dr. Gerard van der Maas as faculty adviser, students interested in physics planned an exhibit for Arts and Sciences Day and went on a field trip. They also published a monthly newsletter.

Formed in 1951, the club experienced a 10 per cent increase in membership this year. Membership is limited to students enrolled in the professional physics curriculum.

MENC

Music majors raise standards in schools

Raising the standards of music in the public schools is the goal of the Music Educators National Conference at Kansas State.

This organization, for students majoring in music education, had Clyde Jussila as faculty sponsor and Thaine Carpenter as president. At the monthly meetings speakers led discussion centered on problems future teachers might face. The local chapter was re-established at Kansas State in February, 1958 after a five year absence from the campus. There were 26 members this year.

ORGANISTS

Guild strives to advance religious music

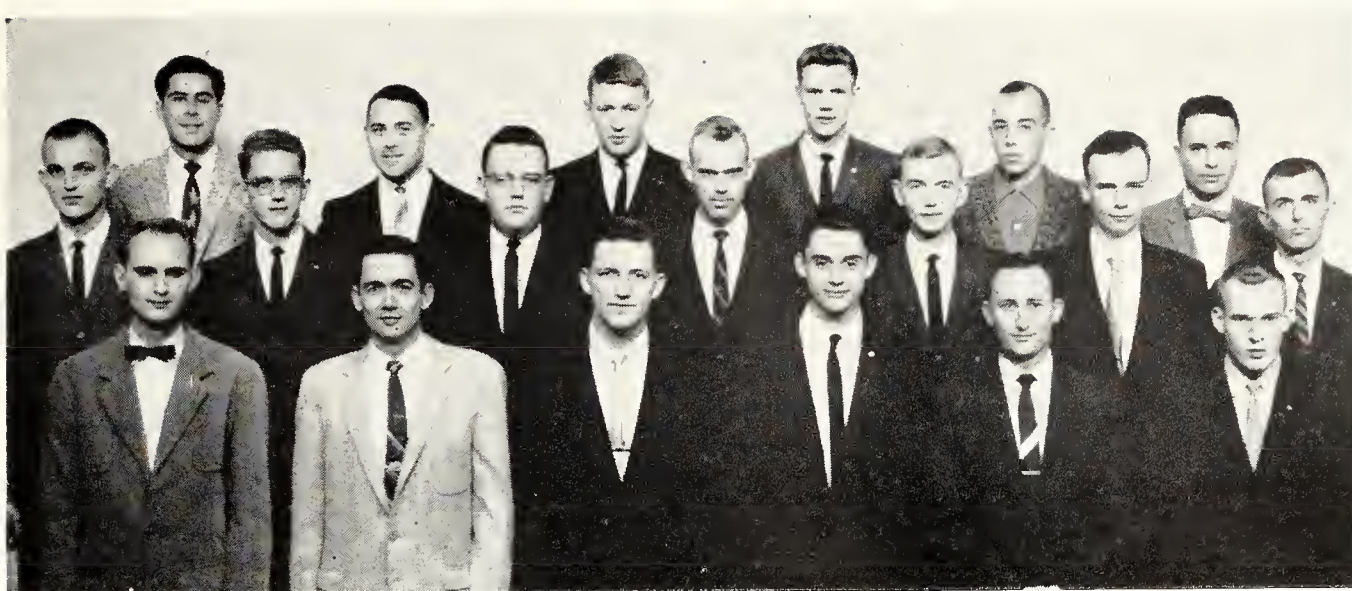

The Kansas State student branch of the American Guild of Organists was chartered in 1946 to advance the cause of worthy religious music and church music, to improve organ playing, and to evaluate church musicians.

Faculty sponsor of the 15-member group this year was Robert Wilson Hays, college organist and member of the Music department staff who helped found the K-State chapter. Donna Turner was president.

Guild members displayed their musical talents at an afternoon spring recital given at the College auditorium.

Pianist Yvonne Hodges completes her senior recital, the climax in the college career of a music major.

Kansas State Sports Car Club—TOP ROW: Edward C. Reinemann, George D. Smith Jr., Reuel T. Province, James Largent, Herbert L. Friesen, Enrico P. Mercanti. SECOND ROW: Gary N. Pratt, Leslie L. Ogg.

SPORTS CAR

Club members enter intercollegiate rallies

The event of the year for the members of the Kansas State Sports Car club was the participation in intercollegiate sports car rallies this spring. Organized in the fall of 1957, the club is one of the newest groups on the K-State campus. Since that time the membership has grown to 30 students.

The purpose of the organization is to bring together K-State students interested in sports car activities. Charles Wilkin was president of the group and Enrico Mercanti was faculty adviser. Sports car films were featured at many of the group's meetings.

Conservation Club—TOP ROW: Thomas H. Coblentz, Dean Eustace, James A. Norman. SECOND ROW: Stanley D. Ratcliffe, Bill D. Welker. BOTTOM ROW: Kenneth L. Hayes, Keith K. Gebhart, Edward L. Hancock.

CONSERVATION

Club conducts a wildlife project on farms

Conducting a wildlife food and cover planting project on farms near Manhattan was the main project this spring of the K-State Conservation club. James Norman was president of the 10 member group, while James Elder was faculty adviser. Through education and practice, the organization promotes the principles of conservation of soils, water, and wildlife resources and the understanding of the laws governing these resources.

A smoothly-purring engine attracts the interest of four members of the Kansas State Sports Car club.

REPUBLICANS

Entertain candidates for November election

The Collegiate Young Republicans entertained Republican candidates for state offices on campus before the election in November. The 95 members distributed campaign material around campus and sponsored a television election returns' watch party with the Young Democrats on election night.

The club also sent delegates to the state convention in March. Gene Olander was president and Dr. Charles Goetzinger was sponsor.

Dick Boyd receives the "Most Inspirational Player" trophy from Bus Mertes, head football coach.

K-CLUB

Varsity lettermen are hosts to athletes

K-Club is an organization for varsity lettermen in all Kansas State sports. The club was founded by Mike Ahearn, former athletic director, in the 1920s. During the year the 45 members acted as hosts to visiting athletes, and promoted high scholarship among K-State athletes.

Dick Corbin served as president and Fritz Knorr was faculty adviser. Member Dick Boyd was chosen "Most Inspirational Player" by his varsity football teammates this year.

NUCLEAR

Society has 55 members during first year

The K-State student branch of the American Nuclear society, organized in May, 1958, had 55 members during its first year. Marvin Drake was president and Richard Bailie, sponsor.

The purpose of the society is to promote professional development and to contribute to the development of nuclear science and technology at K-State through activities for student participation. A program is presented once a month and a reading room maintained for nuclear engineering students.

CHEMICAL

Engineering club has professional lectures

The student chapter of the American Institute of Chemical Engineers at Kansas State works to develop professional attitudes in chemical engineering students. President of the 50-member group this year was Bill Harrison, and faculty adviser was Dr. H. T. Ward. Members met twice a month to hear lectures by professional people in industry, teaching, and research.

Last year the big event of the club was a Big Three conference with members from Kansas and Nebraska universities attending.

AIEE

Students entertain speakers from industry

To foster and further the interest of the electrical engineering profession among students enrolled in electrical engineering is the purpose of the American Institute of Electrical Engineers' student branch.

Under the leadership of Pat Harkins, chairman, and Prof. M. C. Cottom, faculty sponsor, the 83 members of the K-State AIEE chapter had smokers and monthly meetings with films and speakers from industry.

RADIO

Engineers further professional development

The purpose of the student branch of the Institute of Radio Engineers is to disseminate knowledge on the theory and practice of electronics, communications, and other related fields and to further the professional development of students.

Chairman William D. Silkman and faculty sponsor C. A. Halijak encourage members to enter the John Costelow student paper competition sponsored by the Kansas City section.

Architect honorary, auxiliary have dances

The Student chapter of the American Institute of Architects and its auxiliary chapter had several picnics and dances during the year. The student chapter showed an increase of 15 members this year, making the total membership 65 students. M. R. Meador was president and T. A. Chadwick was faculty sponsor.

The auxiliary, which was started last year, has 40 members. Mrs. Sally Anduss was president and Mrs. Emil C. Fisher and Mrs. J. Cranston Heintzelman were sponsors.

The Student chapter sponsored many lectures and heard architects, manufacturers, and men in related fields explain the value of the architect in today's society. They prepared displays to be shown in United States colleges and abroad. Delegates were sent to regional and national AIA meetings at architectural schools.

The chapter purpose is to promote a more professional attitude among students. Students in architecture were given a chance to join the honorary at the beginning of the year and during second semester.

The auxiliary purpose is to acquaint the wives of architecture students more fully with the architectural profession. They kept a scrapbook and record of senior architects for the departmental files.

high schools. The group sold the samples of grain to approximately 40 high schools across the state.

KLOD AND KERNEL

Klub members sponsor K-State crops contest

The K-State Klod and Kernel klub is one of the student chapters of the American Society of Agronomy. Sponsoring a crops contest was one of the major projects this year for the members of the K-State group.

The 20-member organization also sponsored an agronomy news letter, a display for K-State's Ag Week, and a fall steak fry for members. Dwight Jackson was president of the club this year, while E. L. Mader, L. E. Anderson, and H. S. Jacobs were faculty advisers.

Studies and a piece of sculpture in a student exhibit hold the attention of K-Staters in the Art Lounge.

AG ED CLUB

Stages farm mechanics contest for students

A farm mechanics contest for all students at Kansas State was a major project of the Agricultural Education club this year. President of the club was Loren Isaacson and faculty adviser was Howard Bradley.

The purpose of the club is to strengthen

members' confidence in their work and in themselves while they prepare to be teachers of vocational agriculture. The membership of 90 is made up of graduates and undergraduates enrolled in agricultural education.

Seniors in the club attended the annual student-teacher conference at Kansas City, Mo., where news about teacher-training and club activities were exchanged with students from other schools. The seniors also attended a District Future Farmers of America leadership school. Members served for a luncheon at the high school FFA farm mechanics contest.

CHAPARAJOS

Sponsor spring rodeo, go on trail rides

The annual collegiate rodeo this spring was the highlight of the year for the members of the Kansas State Chaparajos club. The group also had fall and spring trail rides in the Manhattan area. The organization sponsored a float in the Homecoming parade in the fall.

Membership in the organization this year soared to 50 students, an increase of 20 over last year's membership. Jim Carlson was president of the group, while George Halazon was faculty adviser. Purpose of the club is to promote interest in the stock horse and in rodeos among K-State students.

HORTICULTURE

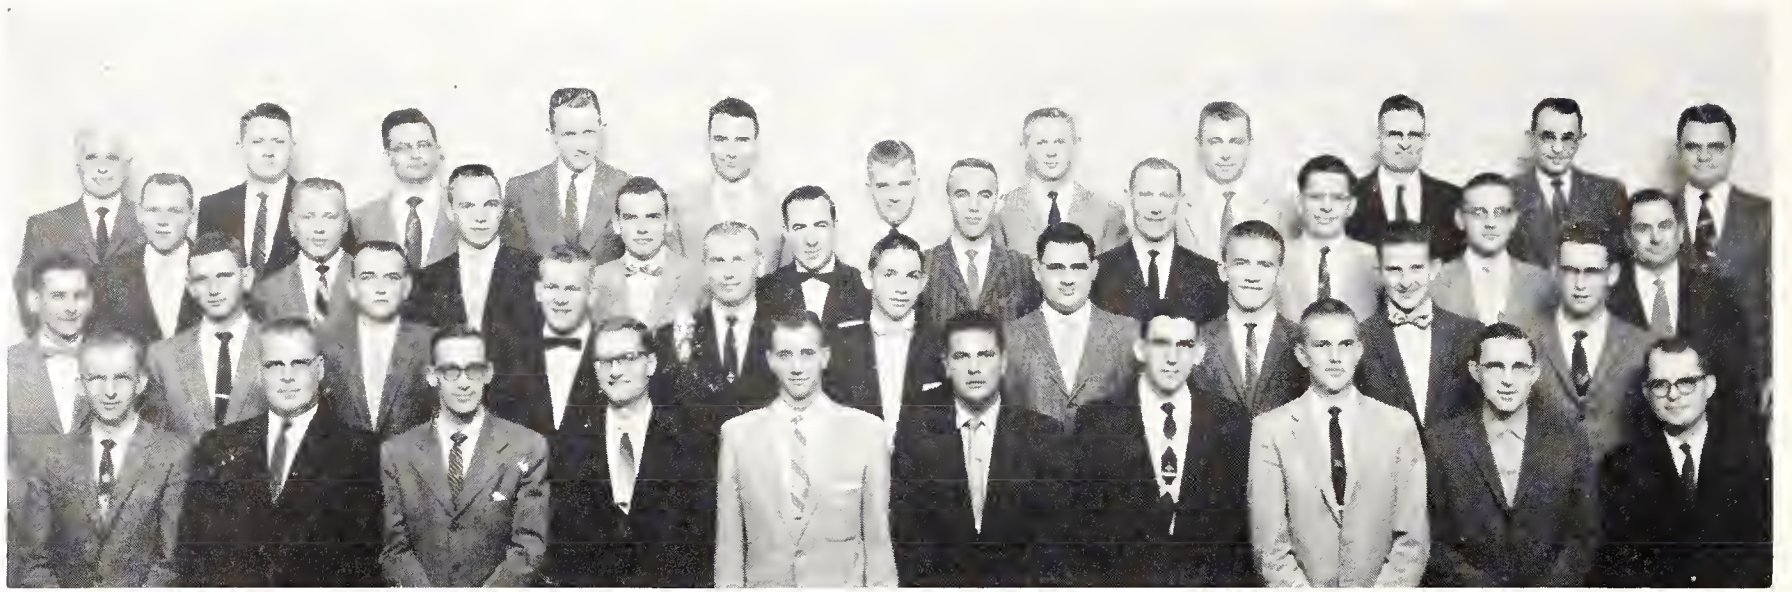

Club conducts bedding plant project

Raising and selling bedding plants was the major project of the year for the members of the Horticulture club. The group also published a horticulture newsletter for horticulture graduates and others interested in the field.

The club, which was organized in 1920, promotes interest in horticulture among its members. Twenty-three students joined the organization this year. All students and faculty members interested in horticulture are eligible for membership. Richard Runge was president. C. V. Hall was faculty adviser.

PLOW AND PEN

Helps MU agricultural journalists organize

K-State's Plow and Pen club, an organization for agricultural journalists, helped colleagues at the University of Missouri establish such a club of their own this year.

Purpose of the organization is to promote higher scholastic standards in agricultural journalism at K-State, to promote agricultural writing, and to make known the importance of journalism in a better agriculture.

Larry Odgers served as president of the club this year and Elbert Macy was faculty adviser. Membership in the organization was increased by about 15 this year.

AG ECON CLUB

Fosters united spirit among ag economists

Kansas State's student section of the American Farm Economics association had a total of 50 members this year, an increase of about 15. The organization is open to all K-State students who are majoring in agricultural economics.

The club's aim is to foster a closer relationship among its members and the faculty. It sponsored a smoker and steak fry for this purpose. Members also entered a national speech and debate contest for agricultural economics majors. Charles D. Clinkenbeard was president and John Sjo faculty sponsor.

POULTRY

Club sponsors judging contests, barbecues

The Poultry Science club at K-State was formed for anyone interested in poultry to get more interest and knowledge in the field and gain a closer student relationship with the faculty and the industry's businessmen.

Heading the 25-member group was president Kenneth Harris. Faculty sponsor was Amos Kahrs. The organization sponsors poultry judging contests and publishes a newsletter. Special money-making projects are the chicken barbecues given for conferences.

Every other year the club backs a trip to inspect the broiler industry area of Northwest Arkansas, and on alternate years the organization sponsors a trip to see the poultry industry in Kansas operate.

COLLEGIATE 4-H

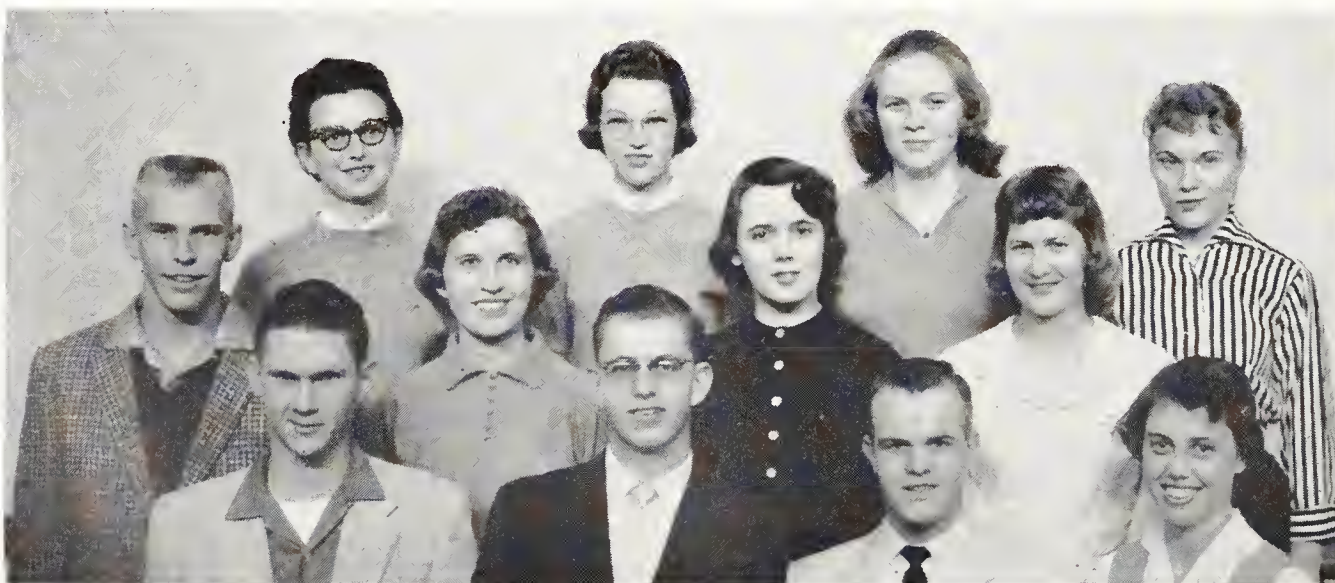

Club sponsors fall mixer, has double quartet

Collegiate 4-H club, open to any K-State student, is one of the largest organizations on campus with a membership of approximately 400. The club was organized by a group of former 4-H members and leaders attending college in 1927. As expressed in the motto, "To Make the Best Better," the purpose of the group is to develop leaders.

Charles Hamon and Ralph Gilmore were presidents first and second semester, respectively. Charles Hoyt was faculty sponsor.

The club sponsored a 4-H mixer at the start of the year, a Christmas party, a spring dance, a double quartet, a clean-up of Rock Springs camp, the 4-H in Review publication, and helped with the state 4-H Round-Up.

JOURNALISM

Club visits TV station, publication house

A trip to Topeka to visit the WIBW television and radio station and a magazine publication house was one of the highlights during the year for the 18 members of the Home Economics Journalism club. The organization's activities also included giving food to a needy family at Christmas time, preparing a club exhibit for Hospitality Day, having spring and fall picnics, and hearing a talk by a home economics journalism graduate.

This year's group was guided by Wanda Eggers, president, and Miss Helen Hostetter, faculty adviser. The purpose of the club is to help women majoring in home economics and journalism better understand the work they will be doing in their professional field.

ART CLUB

Members sell Japanese prints, have picnic

Selling Japanese prints was the big money-making project this year for the 15 members of the Home Economics Art club. The group's other activities included having a fall picnic, working on the Snowball Dance decorations, hearing talks by two people in the art field, and having a chili supper.

This year's president was Bobbie Dale Rittgers, while Miss Dorothy Barfoot and Angelo Garzio acted as faculty advisers. The purpose of the organization is to provide an opportunity for fellowship among home economics art students. The group also strives to interpret the purposes and functions of home economics and to provide for professional development and work for improved home status.

EXTENSION

Club members present KSAC radio program

The purpose of the Home Economics Extension club is to train and inform interested college women in the extension program. The group's meetings this year included talks by state extension leaders, a chili supper, spring picnic, cookie sale, and a radio program over KSAC informing the public about the club. The group also heard talks by several extension students who had completed their training with county extension agents.

Requirements for membership are that students be interested in becoming or planning to be a county extension agent. This year's members numbered 25, with Shirley McAdams acting as president and Mrs. Mary Dean Holle serving as faculty adviser.

CLOTHING

Retailing club presents spring style show

The annual spring style show in the Little Theater for all home economics majors was the highlight of this year's activities for the Home Economics Clothing and Retailing club. Other activities of the group included having talks by women working in the clothing and retailing field, having round table discussions, and having faculty members discuss the opportunities for summer work in the field.

The purpose of the organization is to promote and further interest the clothing and retailing majors in their chosen professional field. This year's group totaled 35 members, and was headed by Alberta Timm as president and Miss Alpha Latzke and Miss Gertrude Lienkaemper as faculty advisers.

FOODS

Club changes name to cover more fields

The Home Economics Dietetics and Commercial Demonstration club became the Professional Foods club through a student vote this year because of the need for a shorter name to cover more fields in foods. Fields included are dietetics and institutional manage-

ment, commercial food demonstration, foods and nutrition, and restaurant management.

The club advances interest in the foods and management aspects of home economics among its members. Jean Koerner was president this year and Mrs. Grace Shugart was faculty sponsor. The 39 members took field trips to Fort Riley General Hospital and various restaurants and hospitals in Topeka and sponsored a Foreign Foods dinner.

JR. AVMA

Auxiliary discusses vet med career aspects

Organized in 1939, K-State's Jr. AVMA auxiliary was the first such group in the United States. Since then, membership has grown from about 20 to 178 wives of students in veterinary medicine this year.

The purpose of the auxiliary is to better fulfill wives' obligations in the profession of veterinary medicine and is carried out in the activities and programs.

Under the leadership of Mrs. Virleen Mach,

president, and the two faculty sponsors, Mrs. Bessie Burt and Mrs. Ann Oberst, interest groups were formed. At the monthly meetings of the Practitioners Wives' group, speakers in the field of veterinary medicine, accounting, and other technical aspects help prepare places for wives in their husbands' practices. The auxiliary bowling team placed second in the women's bowling league.

In the fall the faculty wives entertained members of the auxiliary at a tea. The group had a Christmas party for their families and skits by members of each class highlighted the annual auxiliary class night. Dr. Anna Hurlburt spoke at annual graduation services.

Members make Vet Open House success

Working to make the second annual Veterinary School Open House a success was the major project this year for the members of K-State's student chapter of the American Veterinary Medical Association. The members of the organization, better known as Jr. AVMA, worked on displays shown Open House visitors in the various departments of the Veterinary school. Two hundred and seventy-three, 100 per cent of the Veterinary

Medicine school enrollment, were active in the Jr. AVMA this year.

Members of the K-State chapter visited the Oklahoma State University School of Veterinary Medicine this spring. Each year the Jr. AVMA chapters at the two schools alternate visiting the other campus. Purpose of the exchange visits is to acquaint veterinary students with the operation and facilities of the other veterinary school.

K-State Chapter Is Convention Host

Along with the student chapter at the University of Missouri, K-State's Jr. AVMA will sponsor the national student convention of the AVMA on the K-State campus in August. Approximately 55 delegates from the 17 veterinary schools in the United States and the

two in Canada are expected to attend the convention. Among other activities the delegates will visit the K-State Veterinary Medicine school and inspect its facilities.

Smoker Highlights Social Activities

The social activities for Jr. AVMA members start each fall with a smoker for the freshmen veterinary students to acquaint them with the organization, its members, and the veterinary faculty. The annual fall dance and spring banquet and formal rounded out the social calendar for the group. Jr. AVMA members took an active part in the intramural sports program on campus. The organization

participated in football, basketball, softball, golf, and ping-pong.

Professional Stature is Group's Goal

The Jr. AVMA is the only organization on campus which furnishes a common meeting ground for all veterinary medicine students. David Carnahan was president during the fall semester, while Richard Bowen headed the group during the spring term. Robert Barrett and Dean Folse were faculty advisers. The purposes of the organization include providing an opportunity for the members to gain professional knowledge and ethics in their chosen field. The chapter was established at K-State in 1906.

DAMES CLUB

Student wives have many varied activities

To promote a spirit of friendliness among students' wives and to stimulate general culture among its members is the purpose of the K-State Dames club. The club met once a month this year in the Union Little Theater with Mrs. Charlotte Himes, president. Thirteen interest groups, including crafts, bowling, and bridge, were offered each week to the 365 members. Mrs. Walter Robohn and

and swimming, meet weekly. Dames also had a bake sale, sunshine basket, and spring style show.

Mrs. Ralph Lashbrook, faculty sponsors, presented the club with an inscribed gavel to be handed down to each president. This year the members accepted Mrs. James McCain into the club as an honorary member.

The "Dames" had a special program each month at their meetings. In October the

members entered a float in the Homecoming parade and received honorable mention. They also participated in bridge tournaments both semesters, and had "Putting Hubby Through" graduation exercises for members, a style show, spring dance, picnic, and a sunshine basket and bake sale.

FLYING CLUB

Members add third plane to corporation

Promoting an interest in flying and providing an economical means of learning to fly is the purpose of the KS Flying Club, Inc. Membership is obtained by purchasing a share of stock in the corporation, which owns

three airplanes. The 32 members were directed by president Norman Steiner and faculty sponsor Clyde E. Wassom.

The club was incorporated in 1955 by nine students who bought an Aeronica Champ. In 1956 the club was expanded to 16 members and another plane, a Cessna 140, was purchased. This year the group bought a Cessna 170 to bring the total to three planes.

shares of stock in the corporation, which owns three planes, an Aeronica Champ, Cessna 140, Cessna 170.

The outstanding highlight of the year was the performance of the Kansas State basketball team. K-State was the first Big Eight team in 13 years to go undefeated in conference play. The Wildcats also compiled a 25-2 win-loss record and 21 straight wins, the best in the school's history. It was also the first time a K-State team was voted Number One in the nation in the final major college basketball polls.

Pi Beta Phi members dressed as pretty Southern Belles welcome rushees to a party on the first day of Rush

Week. Decorations and costumes brightened the sorority houses for the day of informal teas.

RUSH WEEK

Sororities pledge a record 252; Panhellenic provides the transportation for first time

Sorority Rush Week opened the activities of the fall semester with 301 rushees registering Sunday, August 31. Monday these girls began the week's social whirl by attending teas at the gaily decorated houses of the nine participating sororities. The next day they

were taken on tours of the houses, and entertained with skits.

This year, for the first time, they were driven to these parties by members of Panhellenic council. It was also the first time girls living in Manhattan were required to live in one of the dormitories with the other rushees during the week.

Sororities issued invitations to their parties on Wednesday and Thursday. Deciding which teas, luncheons, and evening parties to attend took much thought and concentration

Listening to instructions for the procedures of Rush Week, girls look forward to the week's excitement.

Fashions, smiles, and glamour at the Kappa Delta style review furnish entertainment for the guests.

on the part of the rushees, while the sorority members spent many hours preparing for the 33 functions of Rush Week. Often it was a quick change of decorations and costumes and last minute skit rehearsals as each house carried out clever themes ranging from a Kandy Kitchen and Circus to a Southern Mansion and African Congo.

Impressive skits, fluffy formals, and lighted candles were all a part of the final parties Thursday evening. Friday the rushees filled out preference cards, and then waited for their final invitations. That afternoon the sororities welcomed a record number—252 happy pledges.

FRAT RUSH

400 rushees trade name tags for pledge pins as 22 social fraternities take new members

Early Sunday morning, September 7, found many boys making a significant decision in their college lives. The Auditorium buzzed with excitement as the 465 nervous rushees marked their final preference cards. After living in the cramped quarters of Ahearn fieldhouse for five days, they were anxious to move into their new fraternity homes.

Turning in these bids brings to a close a four-day period filled with 11 rush dates, including smokers, dinners, and late dates. An added attraction to many Friday evening parties is a trip to sorority lawns, where the boys get a close look at new sorority pledges being welcomed with screams and tears.

All parties during the week are set up on a preferential system with the rushee accepting invitations from the houses of his choice. No more than three dates can be made with one house, and these functions can not be in succession. Once a date is made, neither the boy, nor the fraternity can change it. During the nine neutral periods of rush week, there

can be no contact between the rushees and actives or alumni of the fraternities.

After officially receiving bids Sunday night, 400 boys became new members of the 22 social fraternities at K-State. For the third consecutive year, over 90 per cent of the participating rushees pledged.

ENROLLMENT

Number of students increases for seventh straight year; game tickets become optional

Enrollment for the 1958 fall semester was the largest since the post-war veteran rush, and marked the seventh straight year K-State has had an increase. Total number of students enrolled was 6,706 compared to 6,695 for the fall of 1957. There was a brightening in the male-female ratio with 1,618 women attending K-State, the largest number in the history of the school. Men students showed a one per cent decrease with 5,088.

Purchasing football and basketball tickets was placed on an optional basis, as activity tickets no longer admit students to games. During enrollment in the field house, students had the opportunity to purchase season football tickets.

Pre-enrollment was discontinued after the fall semester because of the large number of students dropping classes. Since the plan was put into effect the spring of 1957 to avoid enrollment confusion, approximately 10,000 individual class changes were made each semester.

Deep concentration and thought are in evidence as these prospective students take their entrance exami-

ORIENTATION

Registration, receptions, tours, and tests keep students busy as fall semester opens

Orientation week for new students is remembered by many as a time for making friends—with classmates and with the school itself. Members of the Class of '62 had little time to be homesick during their first days on campus—with tours, lectures on study techniques, discussion sessions, testing,

physicals, registration, and entertainment planned for them.

The week began with the President's convocation Sunday afternoon in the Auditorium. A parent-student reception followed, which gave newcomers an opportunity to meet the President, deans, and their wives. On Monday, after a long day spent with orientation groups, men students relaxed at a Chamber of Commerce watermelon feed, and the women went to an AWS all-women's conference. A talent show on Friday and the activities carnival on Saturday rounded out the week.

It sure is good! These students are digging in at an all men's watermelon feed sponsored by the Chamber

JAMBOREE

Aggieville merchants welcome students with annual celebration, give \$2,000 in prizes

Rain put a damper on the Aggieville jamboree this year—and the "street dance" had to be moved inside the Union. However, after registering for prizes in the participating stores, students gathered at the intersection of Manhattan avenue and Moro for the first pep rally of the season on the eve of the opening football game with Wyoming.

Refreshments and prizes totaling \$2,000 were given away by Aggieville businessmen. Store owners sponsor the annual affair to welcome students—old and new—back for the school year.

DANCE-CONCERT

K-State Union sponsors "Branding Iron Ball;" 12,000 hear Ella Fitzgerald, Peterson Trio

Off hours during the first month of school kept K-Staters busy tapping their toes to snappy tunes—from square-dancing in the Union to jazz in the Animal Industries pavilion. Students were invited to swing their partners at the "Branding Iron Ball," all-College square dance sponsored by the Union Dance committee September 26.

Twelve thousand enjoyed "An Afternoon with Ella (Fitzgerald)" September 28. The Jazz club sponsored the concert, which also included the Oscar Peterson trio—with Peterson at the piano, Ray Brown on the bass, and Herb Ellis on the guitar.

Miss Fitzgerald compared the Kansas State audience to those in Europe, saying "I felt they were with me." She sang such old favorites as "Mood Indigo," "The Lady Is a Tramp," and "My Funny Valentine," thrilling the audience for more than an hour. The concert was one stop on a cross-country tour which opened in Carnegie hall. Miss Fitzgerald also appeared at Kansas State in 1955.

The Oscar Peterson trio delights a crowd of 12,000 in the Animal Industries pavilion with its rendition of

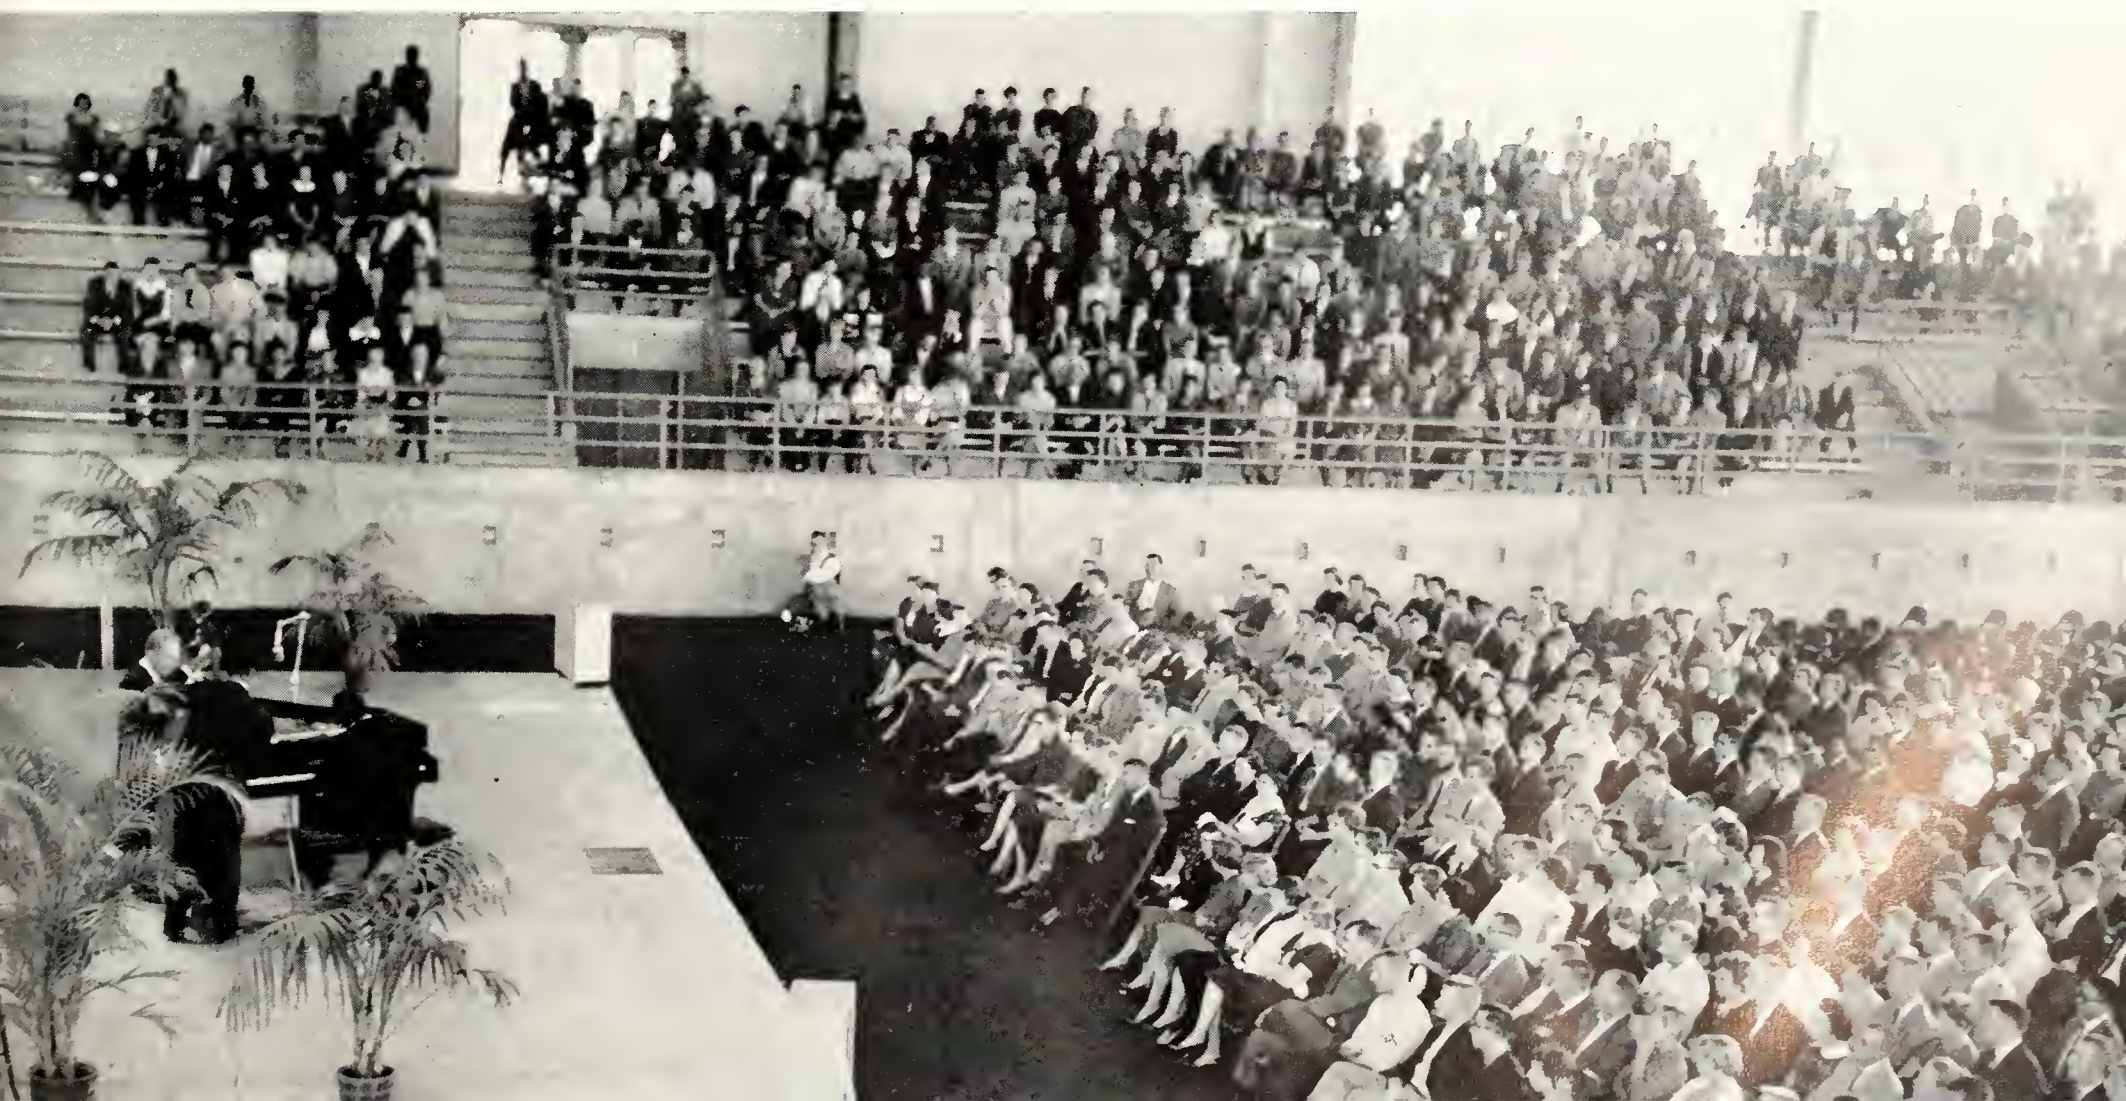

"Allemand left," cries the square-dance caller, and allemand left they do, at the "Branding Iron Ball."

Ella Fitzgerald interests reporters with her experiences after her second appearance at Kansas State.

"A Foggy Day." Billed as "An Afternoon with Ella," the fall concert was sponsored by the Jazz club.

PARENTS' DAY

Mr. and Mrs. John Nation are special guests as K-State honors students' moms and dads

Parents of K-State students were special guests on Parents Day, October 4. They toured the campus during the morning and attended the K-State-Utah State football game in the afternoon. Mr. and Mrs. John Nation of Great Bend, parents of Nancy Nation, were honorary parents of the day. They were presented an inscribed tray and flowers at halftime as the K-State band formed a heart and the flashcard section formed "Welcome Mom and Dad."

Mel Eaton, winner of the "Miss Football of 1958" contest at Berkeley, Calif., was also presented at the halftime game ceremonies.

Decorations greet parents at the Kappa Sigma fraternity house. Although prizes were not awarded for

house decorations this year, many organized houses erected signs welcoming their parents for the day.

BARNWARMER

Brenda Morgan keeps up family tradition in reigning as queen of the Ag school dance

Brenda Morgan, following in the footsteps of her sister and mother, reigned as queen of the Agriculture school's 1958 Barnwarmer dance in Nichols gymnasium. Her sister, Connie, was queen in 1956, and her mother in 1931. Brenda was presented an inscribed portable radio after being crowned.

The five finalists, Brenda, Karen Kelso, Brenda Miller, Kay Slade, and Juanita Wille, selected by the Ag school council, participated in a chore day preceding the election of the queen by the students in Ag school. Their chores included milking a cow, saddling a horse, calling hogs, and pitching hay.

Coeds toss eggs, deck-a-pledge, and shave balloons at third annual Sigma Chi event

Dorothy Groomer, representing Gamma Phi Beta sorority, was crowned "Derby Darling" to highlight the third annual Sigma Chi Derby Day. She was selected from 14 candidates, representing the sororities and dormitories. Contestants — with sacks over their

heads — were judged on the basis of their figures.

Waltheim hall, scoring 23½ points, topped the Derby Day stunts, in which approximately 300 coeds participated. Alpha Xi Delta scored 22 points, and Southeast hall, 21½. A hoola hoop contest, chip-in flour hunt, and chug-a-lug contest were some of the day's events.

1958 "Derby Darling" Dorothy Groomer is the second consecutive Gamma Phi Beta member to win the title.

Ready to be judged on figure alone, 14 "sack-covered" coeds line up for "Derby Darling" contest.

HOMEcoming

Kaydene Dashen reigns as queen; floats and house decorations carry "Ad Slogan" themes

Homecoming — favorite of fall events — was ushered in with a whirl of excitement, decorations, and traditional mums. Alumni greeted old classmates as students rushed to stuff the last napkins into their decorations.

Activities began early this year as Queen Kaydene Dashen, Chi Omega senior, was presented the Tuesday of Homecoming week, and the finalists were announced the preceding week. Attendants were Barbara Howard, Delta Delta Delta sophomore; Barbara Huff, Kappa Kappa Gamma junior; Connie Morgan, Phi Beta junior; and Bea Purcell, Alpha Delta Pi Senior.

The Homecoming royalty officially began the tour of house decorations with the judges Friday evening. The Missouri Tigers were "done away with" in every possible way with varied "Advertising Slogans" (but to no avail as the Tigers pushed over the Cats 32-8 in the Homecoming football game).

Phi Kappa and Pi Kappa Alpha fraternities and Gamma Phi Beta and Delta Delta Delta sororities placed second and third. Waltheim hall's "It's Great When You Take It Straight" won first in the independent division.

TKE, West Stadium Floats Win

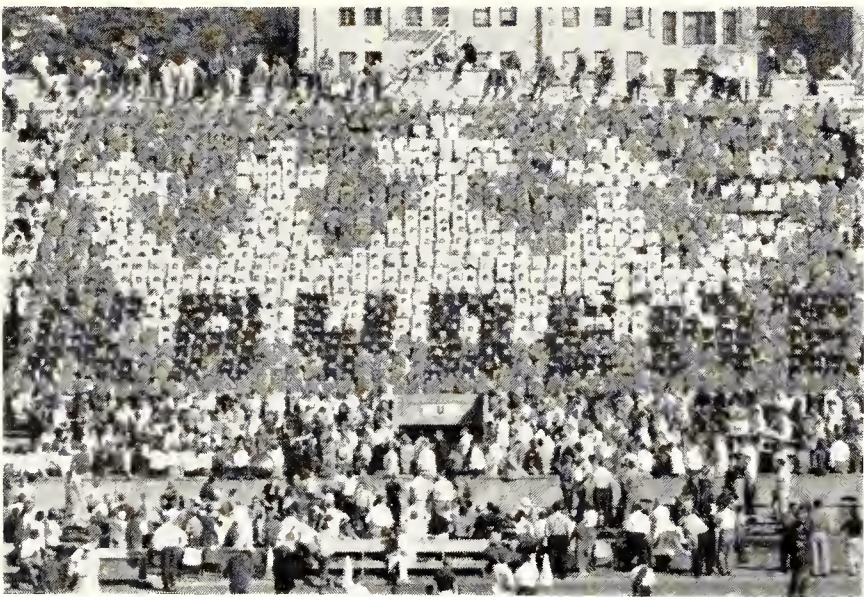

Eleven floats entered competition in the Homecoming parade Saturday. Tau Kappa Epsilon's "I Dreamed I Went on a Tiger Hunt in My Maidenform Shoulder Pads," won first among fraternities, and West Stadium's "Tigers Don't Upset My Stomach" was the independent winner. Lambda Chi Alpha and Dames club took second, and Delta Upsilon, third.

Queen Kaydene was presented at Homecoming game ceremonies by President McCain, and officially crowned at the Homecoming dance in the Union by Bill Patton, Blue Key president.

MU Tigers are stirred by a fierce Wildcat who is having them "Stewed with Pure Rocky Mountain Spring

Water." This advertising slogan won first place in the fraternity house division for the Beta Sigma Psis.

VET MED DAY

Four thousand view glass stomach in cow at Second Annual Veterinary Open House

Phases of veterinary medicine, showing the healing arts and fundamental sciences, were presented at the Second Annual Veterinary Medicine Open House to about 4,000 visitors.

Two-hundred seventy veterinary medicine students helped others understand what veterinarians do in their many daily tests in alleviating pain, caring for sick animals, and protecting animal health, in taking the public on a tour through the veterinary medicine buildings. Andy Stewart, veterinary medicine senior, was Open House chairman and exhibits co-ordinator.

Exhibits in education, physiology, anatomy, pathology, surgery, and medicine displayed accomplishments of the students. A new exhibit was a cow with a "rumen fistula," or glass stomach. The education exhibit showed the students in the steps of their training. A display concerning blood and its functions was demonstrated by the Department of Physiology.

Parading, along with sorority floats, a Phi Delt float, and fraternity bands, is the Sig Alph entry.

Delta Delta Delta received both the crown for the winning queen candidate, Judy McAlister, and the first place trophy for its float entry. The floats, entered by nine sororities, were judged at a parade preceding the game.

The K-State Kappa Sigma chapter became the owner of a traveling trophy after its third consecutive football win over the University of Kansas Kappa Sig chapter. At the Pretzel Bowl game preceding the K-State-KU football game, Sharon Knox, representing Alpha Xi Delta, was crowned queen.

Receiving first place trophy is Delta Delta Delta for its float entry in the 1958 Flush Bowl Parade.

Actual demonstrations of figure and portrait drawing, sketching, oil painting, and sculpture were art high-

lights of the festival. Here instructor E. J. Tomash is shown giving a charcoal portraiture demonstration.

FINE ARTS

Eight-day cultural festival, "Twentieth Century Arts," features music, drama, painting

Following the theme, "Twentieth Century Arts," the Sixth Biennial Fine Arts Festival was November 16-23. An extensive series of displays, demonstrations, concerts, and performances were given in order to better acquaint the students, faculty, and guests with the best in the contemporary creative arts.

Although the eight-day cultural festival centered primarily on the arts of the United States and Italy, many fine contributions from other countries were also used in the exhibits and programs of contemporary music, drama, dance, painting, sculpture, and architecture.

An outstanding Italian contribution to the festival is the production of Menotti's opera, "The Medium."

Presented in a new medium, chamber theatre, are familiar plays, like the "Snows of Kilimanjaro."

Modern dancing, a popular contemporary art, is exhibited by Orchesis members in original compositions.

Hoping to attract future art majors are Jerry Deibler and his beginning and advanced drawing and painting

students as they demonstrate oil painting techniques and compositional devices in Seaton hall.

A & S DAY

School of Arts and Sciences presents annual open house for visiting students, teachers

Twenty-two departments in the School of Arts and Sciences, and the Department of Entomology, presented exhibits and demonstrations to approximately 800 visiting high school students and teachers at the annual Arts and Sciences Day open house.

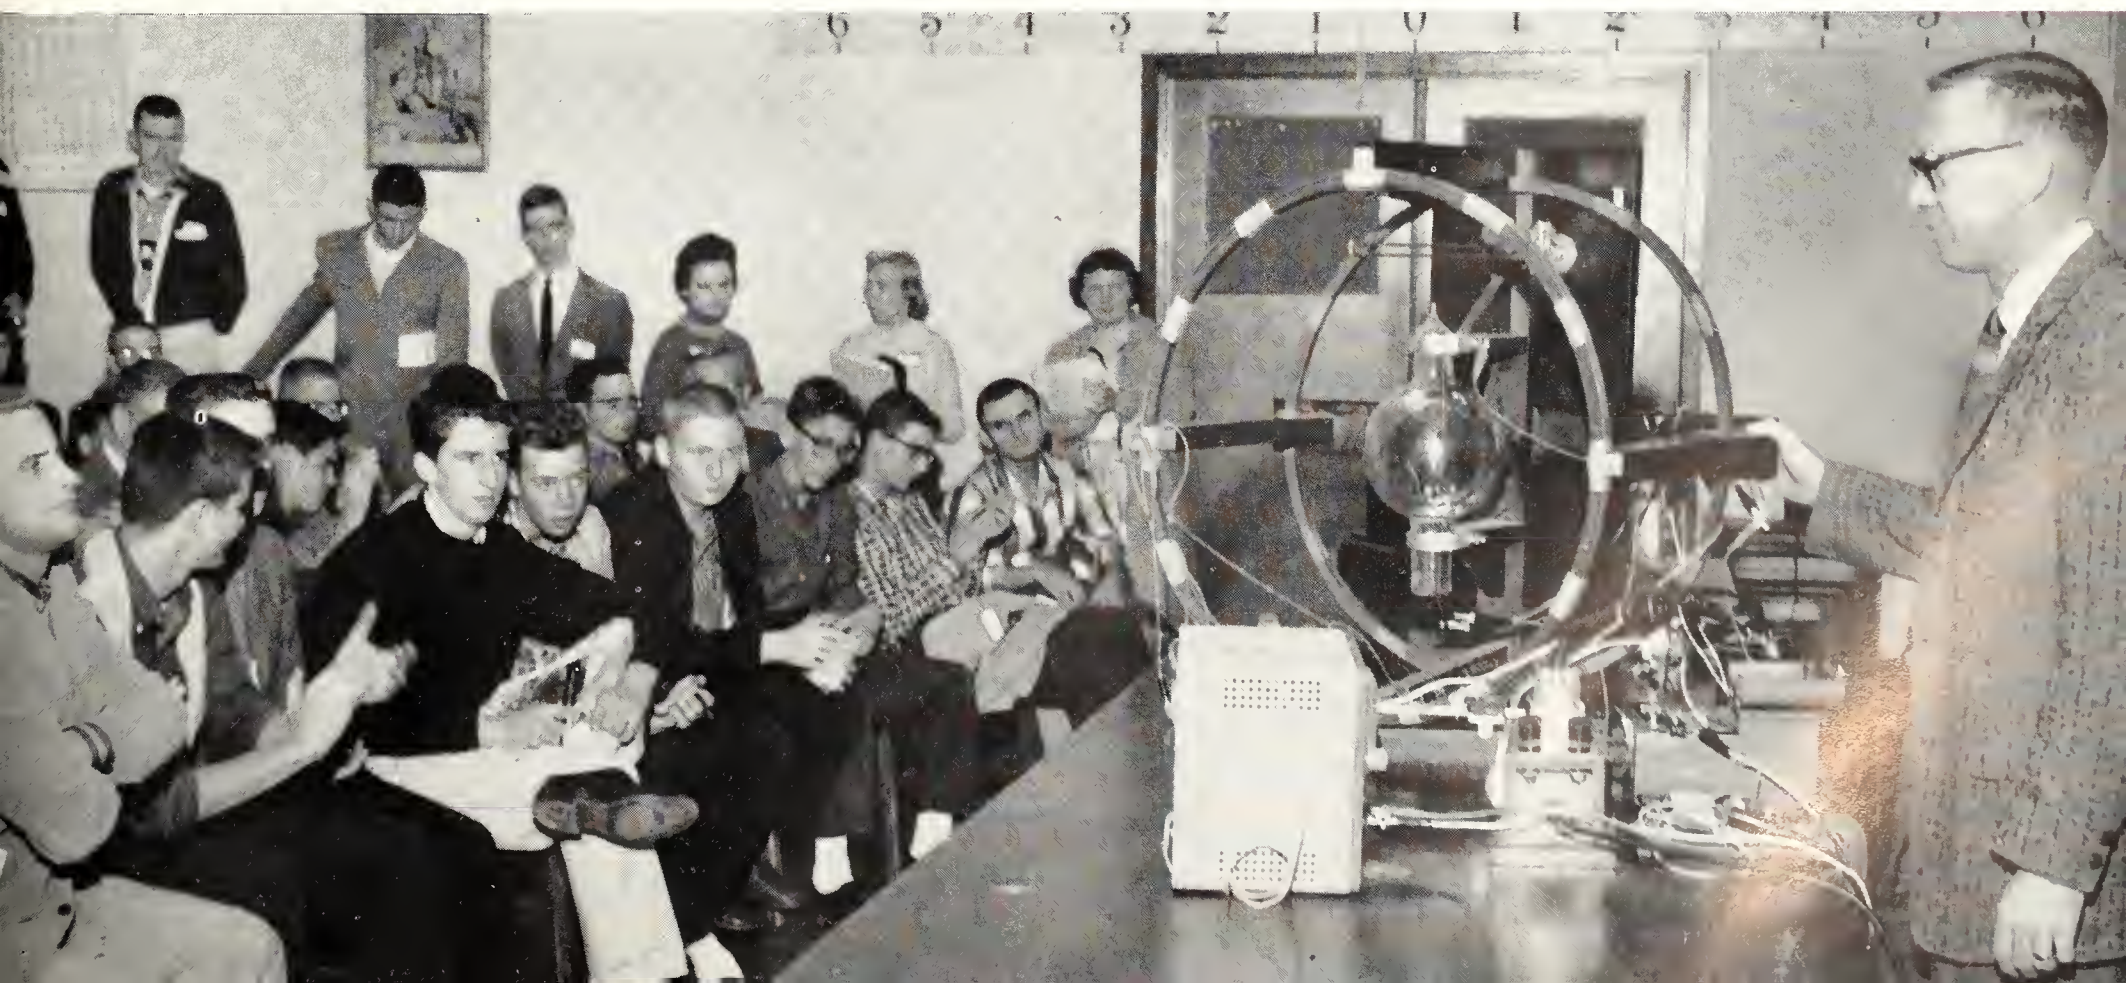

General chairman was Prof. Thomas Lord, and student chairman was Dick Kail. The day began with a general meeting and program put on by the music department, followed by a talk by President McCain, a special meeting for teachers, and a counseling period for students.

SNOWBALL

Bob Boozer, K-State's all-American basketball player, was crowned "Favorite Man on Campus" at the annual Snowball dance sponsored by the School of Home Economics. West Stadium's candidate was selected from a field of 23 in an all-women's election.

Attendants to the 1958 FMOC were Ben Grosse, Delta Tau Delta; Jim Stockham, Sigma Alpha Epsilon; Joe Gardner, Phi Kappa; and Art Grob, Pi Kappa Alpha.

ASSEMBLIES

K-Staters see Norman Cousins, Northcote Parkinson, Sara Fleming, Shaw chorale

The 1958-1959 Schedule of Artist Series programs and all-College assemblies was hailed as one of the College's finest with such celebrities as Norman Cousins and Northcote Parkinson appearing on campus.

Headed by Prof. Luther Leavengood, the Manhattan Artist Series featured Sara Fleming, soprano; Paul Badura-Skoda, Viennese

pianist; the Robert Shaw chorale; and the St. Louis Philharmonic orchestra.

Among the outstanding assembly speakers first semester were Dr. Fayex Sayegh, counselor to the Yemen delegation to the United Nations; Cousins, editor of the Saturday Review; Parkinson, author and economist; Henry Eyring, dean of the University of Utah graduate school; and Chancellor Franklin Murphy of Kansas university.

On the schedule second semester were Bosley Crowther, film critic of the New York Times; Dale McGee, senator from Wyoming; and Mary Margaret McBride, columnist.

TALENT SHOW

Eleven acts tour Big Eight in third annual program; Three acts represent Kansas State

Kansas State was represented by three out of 11 entries in the third annual Big Eight Talent Show, "Have Talent Will Travel." The three entries were Carol Stewart, piano soloist; the Co-eds, vocal quartet; and Arnita Otte and Ken Peirce, vocal duet.

Other schools participating were Iowa State university, Kansas university, Missouri university, Nebraska university, and Oklahoma State university. The show traveled to K-State, Nebraska, Kansas, and Iowa State.

Students represent 83 countries in discussing world issues at United Nations Assembly

Awareness of international relations in K-State students was greatly increased by the Little United Nations Assembly, during which students representing 83 countries discussed and voted on issues of world significance.

The three-day Mock UN, in which over 500 students actively participated, included two general assembly sessions, an all-College assembly, committee sessions, and the climax—the presentation of committee resolutions.

Speaking on foreign policy to the all-College assembly was Gale McGee, U. S. senator from Wyoming.

SPRING

*Kansas State officially becomes a university;
Steve Douglas is new student body president*

The name of Kansas State College of Agriculture and Applied Science was officially changed to Kansas State University of Agriculture and Applied Science when Gov. George Docking signed the bill on Friday, March 20.

Steve Douglas was elected president of the student body early in March. He succeeds Chuck Wingert, 1958-59 president.

March continued to be a busy month with the annual Associated Women Students' day and a concert by the Kingston Trio of "Tom Dooley" fame. Approximately 1,800 students attended the concert in the Field House.

The annual Miss K-State contest in May climaxed the University spring activities.

RELAYS

Betas race to 1958 Chariot Relays victory; Phi Kappa ends Kasbah's 'most unique' reign

Nineteen beauties and 76 "beasts" occupied the Stadium cinder track April 19, 1958. The beauties were the 19 coed charioteers in the fourth annual Lambda Chi Alpha Chariot Relays; the "beasts" were the 76 men—four to each entry—who furnished motive power for the chariots.

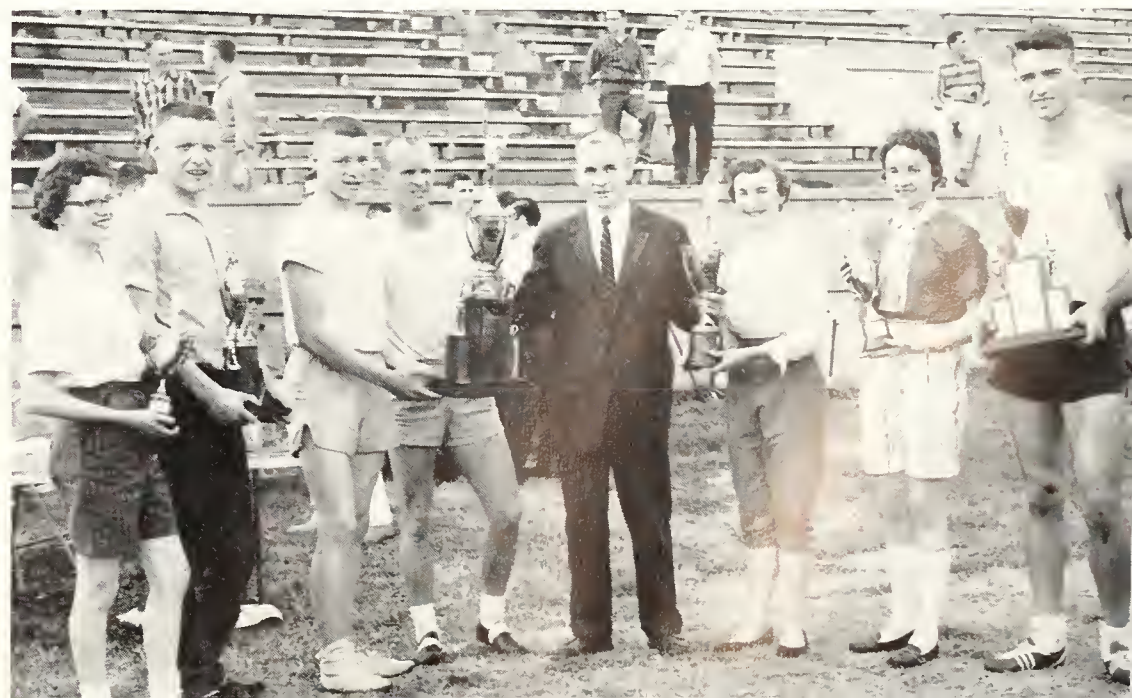

When the fun-and-run afternoon of 1958 chariot racing was history, Beta Theta Pi had become the first fraternity to win two relay championships; Phi Kappa fraternity had ended Kasbah's three-year reign as sponsor of the "most unique" chariot; and the sponsors had additional money for the Lambda Chi Alpha scholarship. The award is financed by the fraternity and administered by the K-State General Scholarship committee.

Beta Theta Pi's pair of two-runner teams spun charioteer Joanne Taylor of Chi Omega sorority to a half-length margin over second-place Sigma Chi and its charioteer, Marilyn Taylor of Alpha Xi Delta sorority. Finishing in third place, a tenth of a second behind Sigma Chi, was Sigma Alpha Epsilon and charioteer Carolyn Pickens of Clovia.

Chariot-tuggers and charioteers accept their trophies from Jerry Green of sponsoring Lambda Chi Alpha.

Y-ORPHEUM

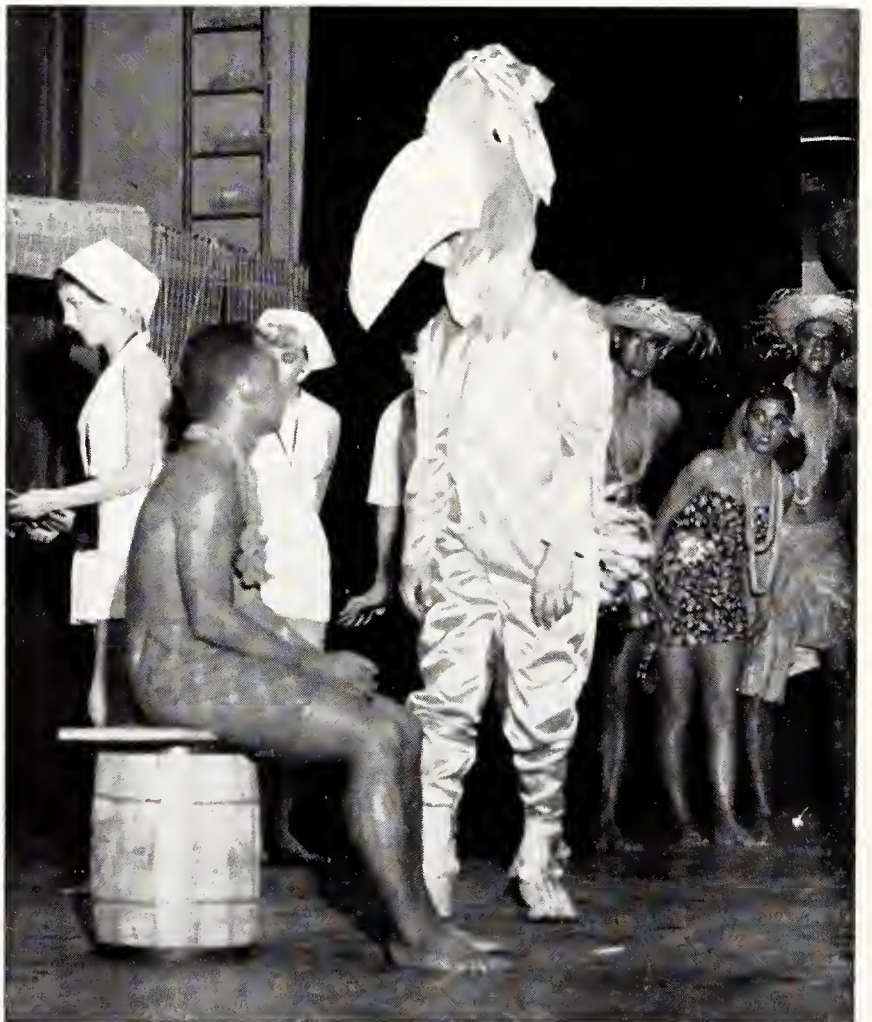

Greek meets Greek as campus pundits give new slants to old phrases in annual show

"Pardon the Expression," the 1958 Y-Orpheum presentation, showed a new look taken at old phrases with words and music. Problems of outer space, medicine, and the future were turned upside down and around for the amusement of the appreciative audience. The skits were the lighthearted results of practice, timing, and work. For the first time there were double entries.

Alpha Delta Pi-Phi Delta Theta took first place for a musical approach to science. Gamma Phi Beta-Tau Kappa Epsilon placed second. Alpha Xi Delta-Sigma Chi and Chi Omega-Alpha Tau Omega tied for third. There were eight double entries and one single entry.

No grim tale of "Snow's Plight and the Seven Minors" is given by Chi Omega and Alpha Tau Omega.

The bare facts on student health are in "Is There a Doctor in the Hut?" by Alpha Xi Delta and Sigma Chi.

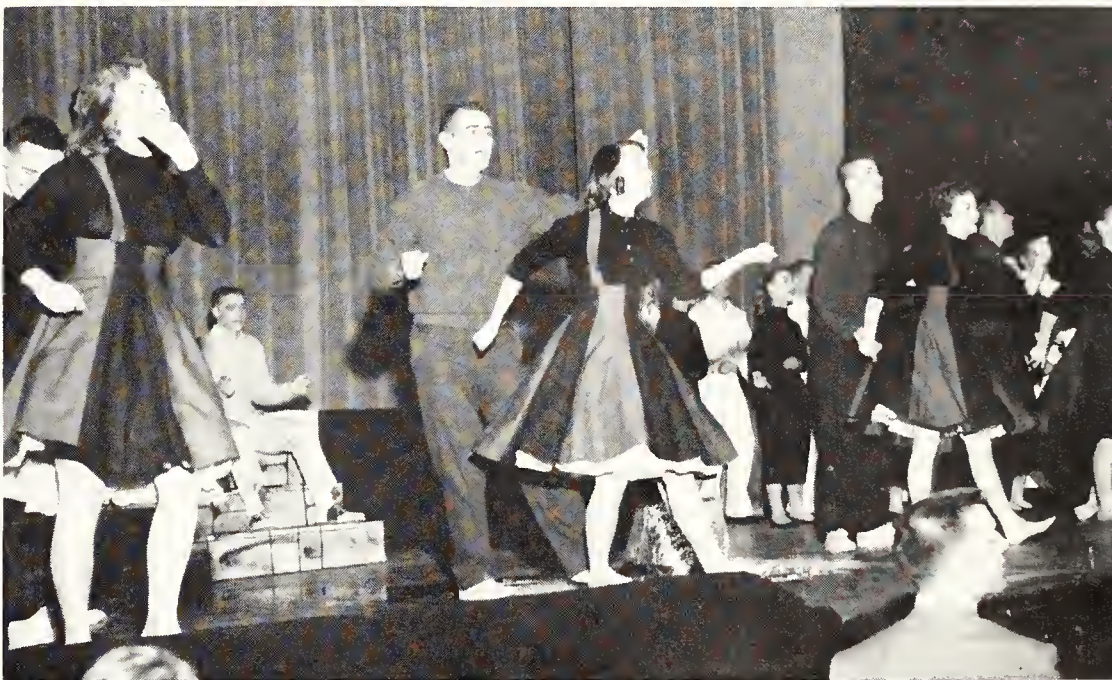

First place Y-Orpheum trophies are presented by Bob Hofmann, show producer, and Charlotte Riley, assist-

ant producer. Ann Chance and Bill Patterson, skit directors, accept for Alpha Delta Pi and Phi Delta Theta.

Actions speak louder than words in the skit, "Get Thee Behind Me, Satan," by Beta Theta Pi-Delta Delta Delta.

"Go to Hell" is a round trip for Gamma Phi Beta-Tau Kappa Epsilon in their version of Dante's Inferno.

"Out of This World" takes off for Mars, Saturn, and Venus to win first place for Alpha Delta Pi and Phi

Delta Theta. This successful effort to conquer gravity also overturned time, energy, and science fiction.

THE ROYAL

Annual fitting and showing exhibition moves to Animal Industries pavilion in 30th year

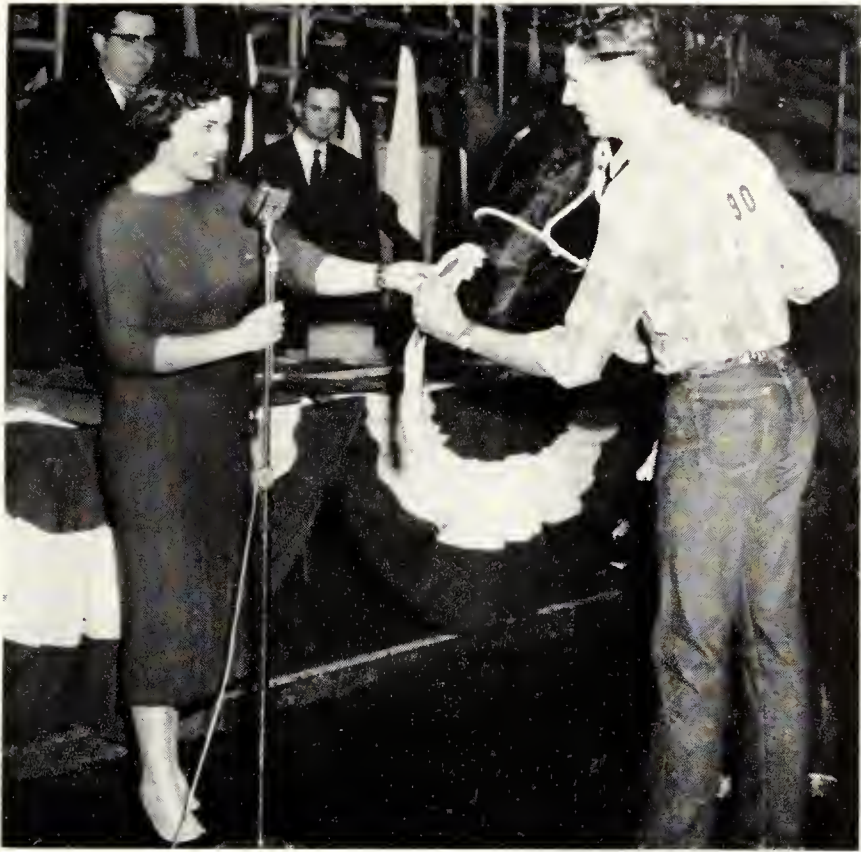

For its 30th annual presentation, K-State's Little American Royal moved to a new setting—the stock pavilion of the \$1,300,000 Animal Industries building. An estimated 2,000 persons were on hand the evening of March 29, 1958, to watch 90 students compete in the fitting and showing competition, sponsored by the Dairy club and the Block and Bridle club.

Grand champion showman of the Dairy division was Lawrence Odgers, with Ray Schooley winning the reserve championship. In the Block and Bridle division, Gary Cummings was grand champion and Don Nelson reserve champion. Three of the four coed contestants won ribbons. Judy Fisher was grand champion sheep shower; Janet Ellis and Alice Nagle were second in their classes.

HOSP. DAY

High school guests explore Home Economics Universe at K-State's hospitality program

"Exploring the Home Economics Universe" was the theme of the annual Home Economics School Hospitality Day, April 26, 1958. About 1,500 Kansas high school girls, teachers, and other visitors registered during the day. The program included campus tours, exhibits in Nichols gymnasium and classrooms of Calvin and Anderson halls, fashion shows, and a special program on careers.

At a luncheon the future college students met the dietetics students who prepared their meal. Members of the eight K-State Home Economics clubs planned the program, served as hostesses, prepared the exhibits, and guided the guests on their tours.

This annual event is designed to present a picture of college life and careers. New on the program was "The K-State Hour," a dramatization of the activities and interests of campus life. Representatives from other schools and short sketches of the lighter side of learning enlivened the final event on the Home Economics Hospitality Day program.

Color and pattern are discussed in a program on interior decoration, which demonstrates how design can

GREEK WEEK

Interfraternity Sing opens 1958 activities as Sigma Chi and Alpha Xi Delta win titles

K-State's second annual Greek Week, May 11-17, 1958, was keyed to a pair of traditional fraternity and sorority events. The annual Interfraternity Sing opened the week and the annual Community Clean-up day closed it. In between came the Greek Week banquet, fraternity officer workshops, and the Alumni Interfraternity council meeting.

Interfraternity Sing winners were Sigma Chi in the fraternity division and Alpha Xi Delta in the sorority division. Delta Tau Delta was second among the fraternities and Pi Beta Phi among the sororities.

GRADUATION

Dignity and academic ceremony make this a memorable day for the graduates of 1958

"In behalf of the people of Kansas, the Board of Regents, and Kansas State college, I hereby confer on each of you the degree of . . ." These traditional words on Sunday, June 1, 1958, marked the granting of degrees to

968 candidates. Bachelor of Science degrees were earned by 817 and Bachelor of Arts degrees by 21. The Doctor of Philosophy degree was conferred on five, the Doctor of Veterinary Medicine degree on 65, and the Master of Science degree on 59.

Approximately 1,700 degrees were granted during the school year, 373 in January and 300 at the end of summer school. Thirty-two United States Army commissions and 19 Air Force commissions were issued at the June graduation ceremony.

The top brass sweat out another graduation ceremony as they pay strict attention to the graduates and the commencement program in Ahearn field house.

Diploma in hand, he has the whole world ahead.

For the graduates there were as many roads open as the ways which brought them to college. From K-State some returned to their own countries—eight countries other than the United States were represented in the 1958 spring class. Some began teaching, went into research, industry, or business.

Each graduate will remember something different about his college years—a special class or a teacher—the campus and the ivy covered buildings—the sessions where the problems of life were evaluated and settled.

Each graduate will remember his day of dignity—graduation.

SUMMER SCHOOL

\$10 million building program progresses; 1,973 students use air-conditioned Union

Summer school students saw marked progress in K-State's \$10 million building program. Projects under construction were 264 married students' apartments, agricultural engineering wing, Justin hall, and the men's dormitory. Bids for the proposed wings to Kedzie and Eisenhower halls were opened, and barracks were removed to make way for a student health building.

Good news for future summer students was the disclosure that K-State had an option to buy 340 acres of land on the Tuttle Creek reservoir for a possible recreational area.

Summer students of 1958—some 1,973 of them—were the first to take full advantage of an air-conditioned Union. Family nights and the summer prom were on the program.

For the entertainment of summer scholars, the K-State Players presented "Hedda Gabler," Dean of Summer School Paul M. Young brought four artist programs to the campus, the Music department produced "The Impresario," and the summer Quelle religious lectures went into their second year.

PUBLICATIONS

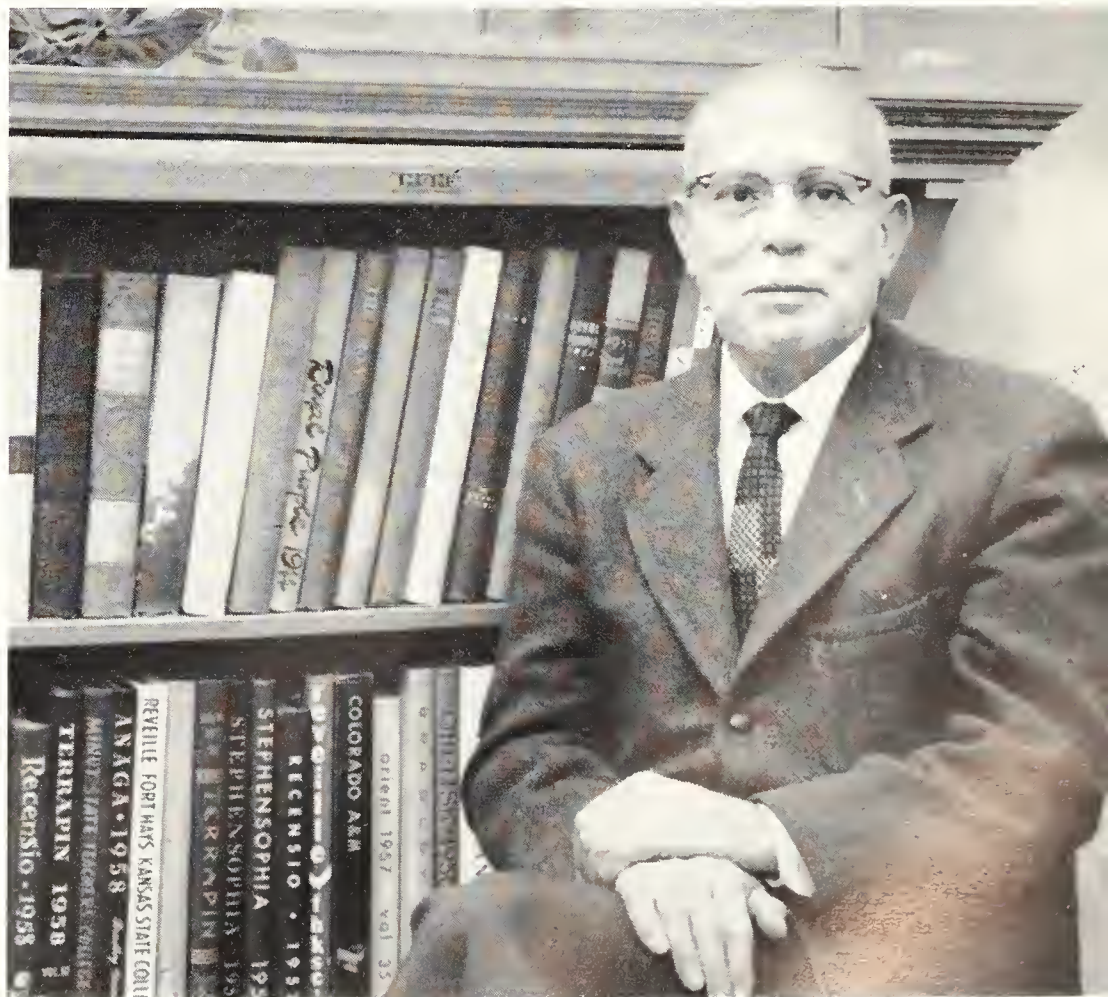

C. J. Medlin compiles unparalleled record as adviser of yearbook staffs at K-State

No yearbook adviser in the country can claim a better record than C. J. (Chief) Medlin, Kansas State's graduate manager of Student Publications. Medlin came to K-State in 1934, and — with the exception of 1934-35 — every yearbook he advised had won all-American honors.

Besides his duties as Royal Purple adviser, Medlin worked with the Collegian staff, and with the editor of the Student Directory. He got able assistance from Student Publications secretary Charlene Glenn.

Carol Sitz edited the 1958-59 Student Directory. The book included names, addresses and telephone numbers of students, faculty members and College employees. It also contained other information of interest to students. The K-Book, edited by Jim Bell, was an information guide to life at College sent to prospective students and entering freshmen.

Chief of the Student Publications operation, C. J. Medlin has advised 23 all-American yearbooks.

ROYAL PURPLE

Is all-American for 23rd consecutive year to boast longest unbroken string across U. S.

For the 23rd consecutive year, the Kansas State Royal Purple was named winner of an all-American college yearbook award when the 1958 ratings came out last fall. The Royal Purple holds the title of having the longest unbroken string of all-American awards across the country. All-American is the highest possible rating given by the Associated College Press.

Students handled the editorial and business ends of the 1959 Royal Purple under the direction of Charlene Strah, editor, and Charlotte Chastain, business manager. The staff was guided by C. J. (Chief) Medlin, who has been graduate manager of Student Publications Inc., at K-State for 24 years.

Work on the Royal Purple begins a year before publication date. Editor Charlene Strah began her work last spring, planning the yearbook's theme, page layouts, pictures, and overseeing the work of the editorial staff. The work continues through the summer and during the school year until the final deadline is met in April, and page proofs are read.

Jim Bell and Marcia Boyd were assistant editors of the yearbook. Jim was also yearbook sports editor.

Business Manager Charlotte Chastain is responsible for all the advertising in the 1959 Royal Purple.

Marcia Boyd, assistant editor during the first semester, made arrangements for taking Royal Purple pictures while Jim Bell, assistant editor second semester, was also sports editor. Jan Stewart made the picture arrangements second semester, while Carolyn Moriconi was editor of the class section.

ENGINEER

Magazine ranks among top six in colleges, has best cover; circulation goes to 3,000

The Kansas State Engineer magazine was rated in the top 6 out of 47 college engineering publications for the year. It was given the award for the best overall covers and the top individual cover. It also received an award for editorial writing.

Circulation was up 200 over last year, as 3,000 copies were distributed to students, advertisers, and exchanges. The jump in circula-

tion matched the rise in the Engineering school enrollment at Kansas State. For Engineers' Open House in March, 2,500 extra copies were printed. They were paid for by the magazine, whose only source of income is from advertising, as the students get copies free. Editor first semester was John Kennedy. Kenneth Ingram took over second semester.

Faculty sponsors Dean Richard Potter and Prof. L. F. Hobson advise the all-engineer staff's output of seven issues during the school year. A special feature of the magazine is "For Geniuses Only," in which the reader can test his ability on complex calculation problems.

AG STUDENT

Magazine places in all four divisions of rating contest for second straight year

The Kansas State College Ag Student, a magazine published by the Agricultural association six times a year, was the only one of its kind to place in all four categories of the Agricultural College Magazine associated rating at Columbia, Mo., in November. This was the second consecutive year that K-State alone has scored in all categories: covers (second), articles of interest to women (second), general excellence (third), and popular presentation of technical material (fourth).

Yeakley, Henry, Edit Winners

Magazines judged were those for the 1957-58 school year, edited by Gary Yeakley and Loren Henry. Henry's staff for the fall semester of 1958 included Richard Vanderlip and Norman Werner, editorial assistants; Chester Peterson, circulation manager; and Larry Odgers, business manager.

Husband, Wife Head Spring Staff

A husband-and-wife team tackled the job in the spring — Chet Peterson was editor and his wife Karen had charge of articles of interest to women. Others with executive positions were Vanderlip, associate editor; Werner, assistant editor; Fred Beeler, business manager; and Eugene Harter, circulation manager. Lowell Brandner is faculty adviser.

K-STATE BAND

One hundred-member group appears at parades, football and basketball games

The 100-member K-State Band made a total of 32 appearances during the 1958-59 school year. Director H. Jean Hedlund and assistant director Robert J. Quinn led the band in its performances at parades, football and basketball games, and concerts.

The four sections of the band, the Concert band, the Varsity band, the Football band, and the Pep band elected Robert DeCou president.

Highlighting the year was the annual band trip, this year to Norman, Okla., for the K-State-Oklahoma university football game.

The Concert band presented four programs during the year. Three, given in January, April, and May were on-campus concerts. The fourth was given in Salina during May. The Varsity band joined the Concert band in the third on-campus concert.

MUSIC GROUPS

Combine orchestral, vocal talents to give Handel's Messiah for assembly at Christmas

"Handel's Messiah," presented in the Auditorium at Christmastime, brought together two of Manhattan's most distinguished music-making groups—the College-Civic orchestra and the K-State A Cappella choir. Luther Leavengood directs the orchestra and William R. Fischer is A Cappella choir director.

Orchestra Membership Is Diverse

The 60-piece orchestra is composed of students, faculty members, Ft. Riley personnel, and other members of the Manhattan community. The group presented two concerts in addition to the Christmas assembly. One of

these was given in connection with the Fine Arts Festival in November and featured Warren Walker, violincellist, as soloist. A spring concert featured three soloists — Carol Stewart, pianist; Rebecca McArthur, flutist; and Robert DeCou, French hornist.

Choir soloists at the Christmas assembly were Carol Korinek, Arnita Otte, Judi Means, Ben Duerfeldt, Joan Taylor, Susan Pease, and Royce Johnson. At the Christmas vespers service, the 65-voice choir presented Hugo Cole's "On the Nativitie of Christ." Soloists were Johnson and Miss Taylor.

Choir Gives 14 Performances on Tour

Highlighting the year for the A Cappella choir was a four-day tour of eastern Kansas, during which the group gave 14 performances. A concert was presented in April, in honor of the bi-centennial anniversary of Handel.

GLEE CLUBS

Membership reaches 200; Men's group tours Kansas, appears at Farm Bureau convention

Membership in K-State's three glee clubs totaled more than 200 this year, as the groups performed for meetings throughout Kansas. Morris D. Hayes is director for all three.

The newest choral organization on campus, Men's Varsity Glee club, appeared in approximately 15 concerts. The 70 members of Section I made a tour of Salina, Wichita, and Hutchinson and appeared before the Farm Bureau convention in Topeka. A second section of the men's glee club is composed of 50 men in glee club work for the first time. This group appeared at Farm-City Week in December.

DRAMATICS

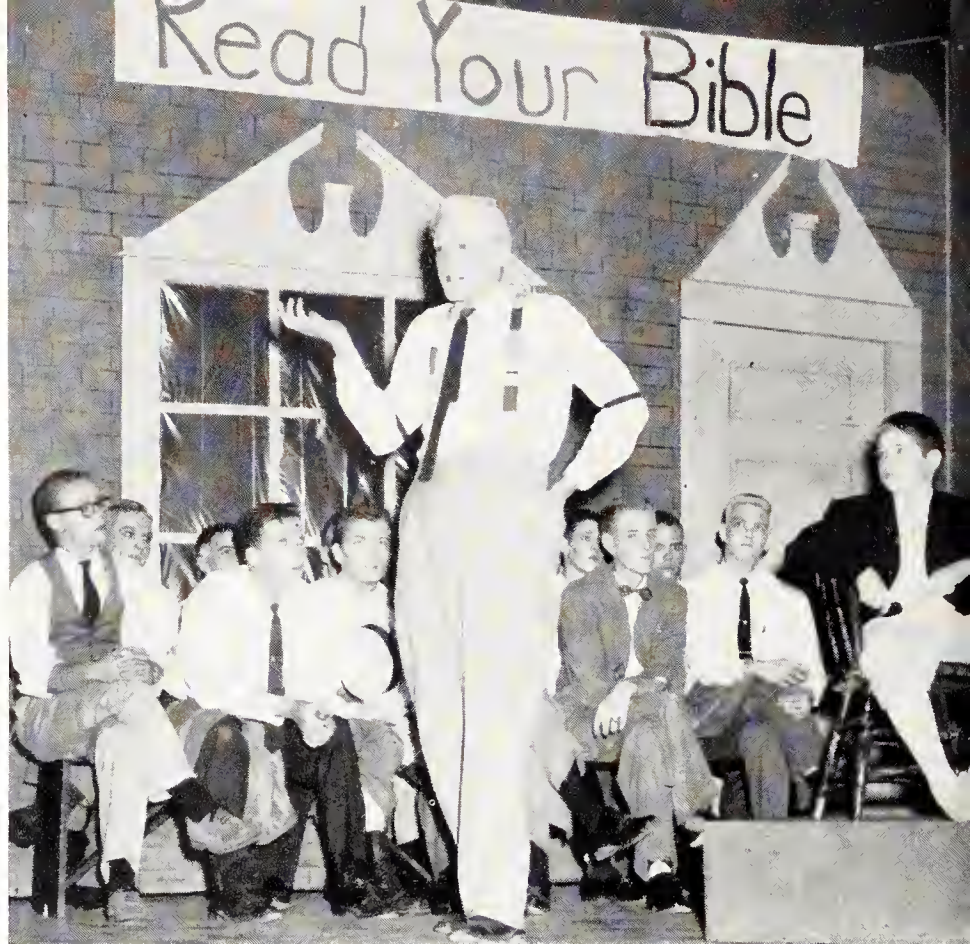

K-State Players raise the curtain on four major stage plays, five one-act productions

The 200 members of the K-State Players, campus drama group, staged four major productions, five one-act plays, and a two-act opera during the year. Any student interested in dramatics was eligible to try out for cast performances or backstage work.

After a student earned eight participation points in drama work, he or she was given a chance to join the Players. Jim Johnson was president and Earl Hoover was faculty sponsor of the group. Don Hermes was in charge of the settings for all the productions while Carolyn Hunt took care of costumes.

Players Enact Courtroom Drama

"Inherit the Wind," a courtroom drama based on an actual trial, was the first performance of the players this year. The play, with a 60-member cast, involved a court contest

The clash between Mary Stuart and Queen Elizabeth I of England was portrayed in the Players' production of "Mary Stuart." Laurel Lee Johnson had the title role of the Roman Catholic imprisoned and beheaded by Elizabeth. Patsy Dunning played Elizabeth; Douglas Moore, the Earl of Leicester, who fell in love with Mary but married Elizabeth and was forced to gamble away Mary's life to save his own. Don Hermes directed the production. Student directors were Martha Atkins and Janice Corbin.

Air Force Comedy Furnishes Laughter

Another major production of the year was "No Time for Sergeants," presented in April. The 40-member cast was headed by Glen Rhea as Will Stockdale, a boy from the hill country of Georgia who has some rib-tickling incidents happen during his military career. He returns to his home town and tells his friends how he was drafted, the medals he won, and of the many hilarious things that happened to him.

Cast members work along side backstage workers in setting up scenery for opening dramatic productions.

The final major production "The Land of the Dragon," starred four students and seven grade school children. Carolyn Hunt, director, was assisted by Laurel Lee Johnson.

The Players presented an opera, "The Medium," as part of the Fine Arts Festival in November. The two-act tragedy unfolded under the musical direction of William Fischer. Shirley Lindell starred in the title role of Madame Flora, the Medium. She portrayed a charla-

The Interpretive Reading class presented "Blood Wedding," a one-act play in January. The play involved the bride, played by Anita Taylor, who is preparing to marry her fiance, played by Bill Hiett, when a former sweetheart, played by John Sticklen, shows up and he and the bride leave together. The play was directed by Carolyn Hunt, and was read from scripts. The actors wore costumes but only a partial stage setting was used.

Four Members Turn Playwrights

The Players presented a studio in April producing one-act plays by four student authors. Students also directed the plays getting advice from John Robson, supervising director.

"Winter in Springfield," written by Imogene Robbins, was a drama about Mary Todd Lincoln, played by Laurel Lee Johnson. The play was directed by Janice Corbin and Gwen Beauchamp.

The play, "A Brew of Human Kindness," written by Patsy Dunning, was a comedy about a man who makes and sells a brew that has been described as a medicinal potion. Glen Rhea played the lead. The play was directed by Gwen Wess and Ross Miracle.

JUDGING TEAMS

Poultry team takes top honors at national; others place in other collegiate competition

Kansas State's 1958-59 senior poultry judging team won the Thirty-fifth Annual Intercollegiate Poultry Judging contest in Chicago in December. The victory over other major college teams established K-State as the number one team in the country.

Staters Build Outstanding Record

K-State poultry judges have the best record in the nation over the years, with the 1957-58 team placing second at Chicago. Loren Isaacson led the Kansas State team as the contests's top individual. John Miller was second-high, while other team members were Donald Stuteville and Robert Baruth.

The K-State crops judging team earned a second at the International Livestock Expositi-

tion in Chicago and a third at a contest in Kansas City. At Chicago, Don Stuteville was fourth high man in the entire contest, while Don Sumner finished sixth. At the Kansas City event, Stuteville led the K-State team. He was fourth in the contest, while Dave Mug-

Kansas State dairy products judges placed seventh and fifteenth in two Chicago contests. The K-State team, led by Ted Colson, placed seventh among 11 teams at a regional meet. Colson was second high, individually, in ice cream. In the national contest, the team ranked fifteenth among 30 teams.

Dairy Cattle Judging Team—Stan Smith, Chester Peterson, Dick Dunham, Gene Harter, Coach G. B. Marian.

Wool Judging Team — Coach Carl Menzies, Ralph Gillmore, Rae Luginsland, Ray Drumright.

In wool judging, Kansas State's senior team placed third among seven teams at the American Royal in Kansas City. Rae Luginsland was third high for the contest. A junior wool team bested 11 other schools at a Denver contest, with Coy Allen winning individual honors.

Cattle Judges Place in Iowa Contest

The College's senior dairy cattle judges placed tenth among 31 teams at the national

contest in Waterloo, Iowa, after finishing sixth among seven teams in a contest at Hutchinson. Stan Smith led the team in the national contest, placing first in Brown Swiss. The team was high on Ayrshires at Hutchinson, with Chester Peterson second high individual in that class, and ninth for the entire contest. A junior team placed third among 16 teams at the International Dairy Cattle contest in Chicago, with Norm Hildebrand sixth high.

Livestock Judging Team—TOP ROW: Coach Don Good, Bryan Barr, Charles Michaels, Fred Toplikar. BOTTOM ROW: Leonard Drumright, Thurston Thiel, Norval Ralstin, Frank Bell.

Livestock Judges Are Third at Royal

The senior livestock judging team finished third at an American Royal contest, with two members of the team gaining individual honors. Charles Michaels was first, while Frank Bell was second. As a team, K-State was high in judging hogs. In the national contest in Chicago, the team placed fourteenth among 40 teams. Charles Michaels was third high man in the entire contest to pace Kansas State.

Junior livestock judges finished fourth among 22 teams at the Southwest Livestock Exposition in Fort Worth. Jim Lonker led the K-Staters by finishing seventh, individually. The junior team placed second in a Denver contest, with Fred Clary winning individual honors.

FOOTBALL

Young Wildcats play 'toughest schedule ever,' win rival coaches' plaudits for hustle

Kansas State's sophomore-studded 1958 football team won 3 of 10 games playing what Coach Bus Mertes called the toughest schedule in the school's history. But despite an unimpressive won-lost record, the Wildcats won plaudits for their play. Michigan State coach Duffy Daugherty and Missouri coach Dan Devine both complimented K-State for its all-out hustle, its fight, and its determination.

The young Wildcats ranked first in the Big Eight for their passing efforts. Les Krull, senior quarterback, was the conference's leading passer. He gained 661 yards on 57 completions, but did not "blossom" as a passing star until the season was half gone. A pair of big underclassmen — sophomore Ced Price and

Mizzou Spoils K-State Homecoming

With a 2-2 season mark at this point, the Wildcats returned to Manhattan to celebrate homecoming at the expense of Missouri. But the Tigers, the surprise team of the Big Eight, struck early and often, and led, 25-0 at the half. The two teams battled through a scoreless third quarter, then traded touchdowns in the final period. Krull got the Cat score on a sneak. Final score was 32-8.

The Missouri loss started the Cats on a four-game losing streak, and Oklahoma at Norman was no help. The mighty Sooners, eventual Orange Bowl champions, crushed K-State, 40-6. The margin was 13-0 at half-time, but OU exploded for three touchdowns in the third quarter to ice the contest. Price scored for K-State on a 16-yard pass from Krull.

Hampered by injuries, Dean Skaer (left) still lettered at center, while Paul Siirila was a reserve tackle.

Next outing was against intra-state rival Kansas in Manhattan. The Wildcats came from behind to take the lead twice, but were outgunned by a persistent Jayhawk ground attack, 21-12. KU scored first, and led at the end of the opening quarter, 3-0. However, Krull hit Grosse for a 73-yard pass play to paydirt as the second quarter opened, and the Wildcats led, 6-3. The Hawks took the succeeding kickoff and marched 70 yards to a touchdown and a 10-6 lead. Moments later, Grosse kicked a field goal to pull K-State to a 10-9 deficit at the half.

With a four-game losing streak and a 2-6 season mark at this point, the Cats entertained Iowa State at Manhattan. A loss to the Cyclones would have tumbled the Wildcats to a tie for the Big Eight cellar, but the Cats ground out 277 rushing yards, and won, 14-6.

In the year's final action, K-State traveled to East Lansing and absorbed a 26-7 loss to Michigan State. The Spartans scored early in the first period on a 22-yard pass play, but the Wildcats dominated play through the rest of the half, and owned a distinct statistical edge at halftime. The Spartans hit for two quick touchdowns in the third quarter, before the Wildcats rolled 81 yards in nine plays for their only score. Evans rammed across on an eight-yard shot for the touchdown.

BASKETBALL

Kansas State posts best record ever at 25-2, tops UPI and AP polls as nation's No. 1 team

A basketful of records and a multitude of honors — that's what 1959 netted for coach Tex Winter and his basketball team. The Wildcats topped the Big Eight conference, topped both national wire polls at the season's end, and finished the year with the best record ever compiled by a K-State team.

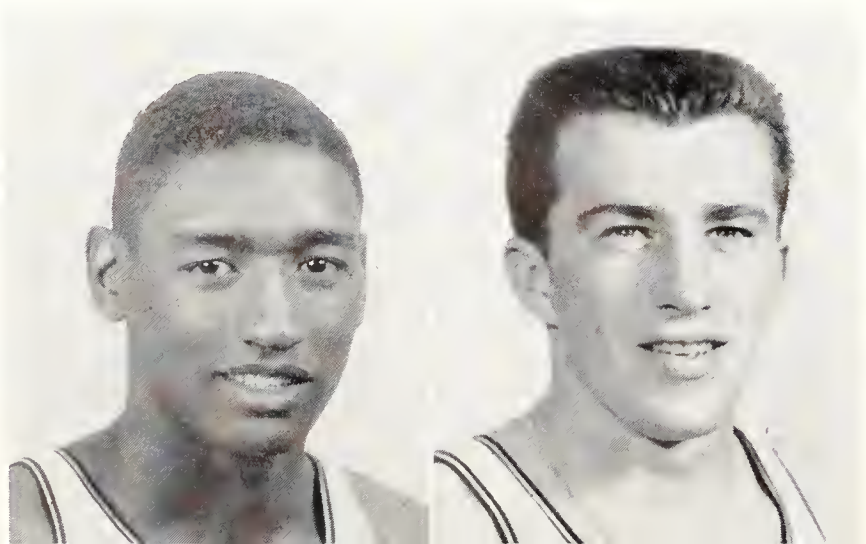

Bob Boozer, named to all-American honors in every major poll, led the Wildcats to their 25-2 season mark. He was the nation's eighth leading scorer with a 25.6 average, and he was unanimous choice for all-conference, and two all-tournament teams: NCAA Mid-West Regional, and Big Eight preseason.

Cat All-American Is Prolific Scorer

Big Bob, playing his third season as a regular forward for K-State and his second as an all-American choice, ended the season as the leading scorer by far in Wildcat history. He holds every major scoring record in the K-State book: most points in one game (45), most points in one season (691), and most points in career (1,685), to name a few.

Boozer, standing 6-8, teamed with another senior, 6-0 Don Matuszak, as one of the best big man-little man combinations in college basketball. Matuszak, the Wildcats' captain, made the all-conference and all-tourney teams just as Boozer, and was the K-State playmaker and floor leader through the season. He

was also elected "most inspirational player" by his teammates for the second year in a row.

Besides Boozer and Matuszak, the Wildcats had other stars when the occasion arose. Jim Holwerda was the only other senior on the squad. A 6-0 guard, he started seven games during the year. Wally Frank, 6-8 junior forward, was the second leading scorer with a 13-point average. He was a second-team all-conference pick, while sophomore Cedric Price, 6-6, received honorable mention.

New Marks Are Common for Wildcats

As a team, the Wildcats established some new marks. Their 14-0 Big Eight record was the first clean sweep in the conference since 1946 when Kansas won the old Big Six with a 10-0 mark. It also marked the most wins ever by a conference team. The Wildcats also established a new record of 21 straight wins. The Big Eight championship was the third for the Wildcats in four years, and the third for coach Tex Winter in six seasons.

The Wildcats opened the season against highly rated Purdue in Ahearn fieldhouse. With Boozer dumping in 45 points — a new varsity record — the Cats jumped to a 96-83 win. Matuszak hit 19 points and Frank 16.

Cats Whip Indiana in Overtime

Still on their home court and still playing tough Big Ten competition, the Wildcats eked out an 82-79, overtime win over Indiana. Boozer hit a season high in the contest when he grabbed 22 rebounds. He also hit 28 points, while Frank got 23 points and snagged 15 rebounds.

Sophomore Cedric Price came off the bench in the closing seconds of regulation play to hit the first point of his collegiate career—but it was a big one. His free throw tied the game and sent it into overtime. Starter Glen Long, 6-4 junior, was injured in the contest, and was not able to return to action until the season was nearly over.

season. K-State topped eventual NCAA champion California on the Bears' home court, 68-65, with Boozer hitting 27 points. Wally Frank flipped in 19 points in the rough contest, which saw K-State leading, 45-36, at half-time. Sonny Ballard, 6-0 guard, came off the bench to throw in nine points and get seven rebounds for Kansas State.

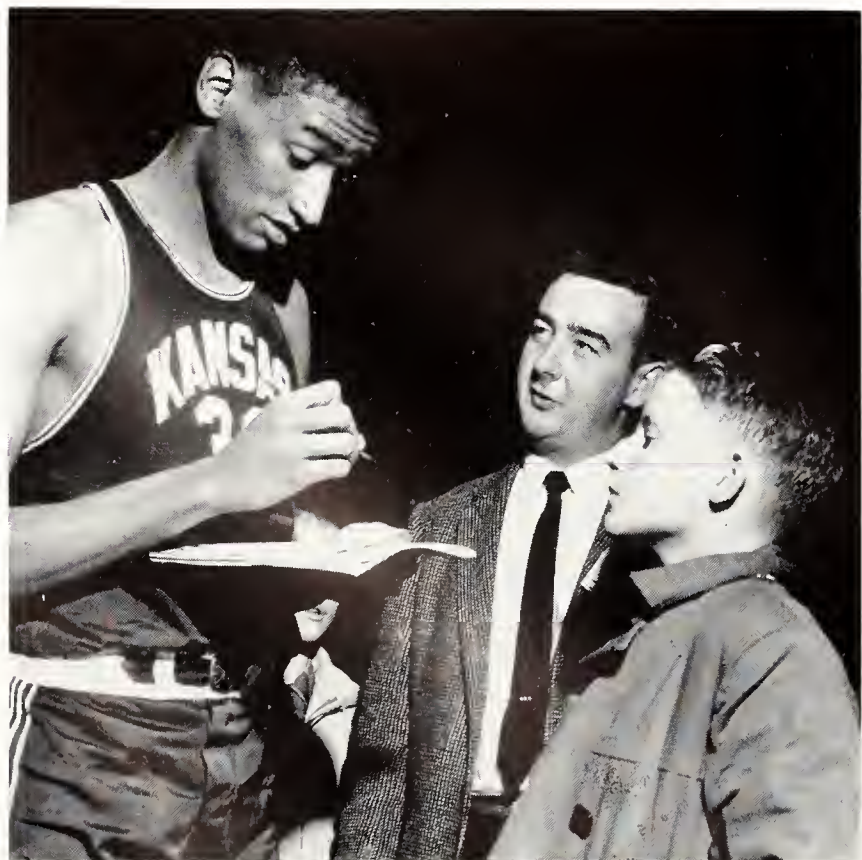

On the following night, K-State took on San Francisco, and squeezed out a tight, 53-52, victory. The Wildcats trailed, 29-21, at the half. Boozer got 21 points and 12 rebounds, while 6-4 Steve Douglas — replacing the injured Glen Long as a starter — hit 12 points.

Then the Wildcats fell. Brigham Young caught them short, 77-68, two days after the USF game. Boozer, hampered by a leg bruise, saw only limited action, and K-State hit only 27 per cent from the field. Wally Frank hit 18 points. The Wildcats trailed at the half by a 37-36 margin.

feat, despite being out-gunned—50 per cent to 37 per cent—from the field. Bob Boozer hit 19 points and grabbed 16 rebounds, while Sonny Ballard earned himself a starting spot when he came off the bench to throw in 14 points. K-State trailed, 36-33, at the half.

On the following evening, the Cats topped St. Joseph's college of Philadelphia, 68-55. Boozer led a balanced scoring attack with 26, but Ballard and Matuszak each got 12, and Frank hit 11. Douglas led rebounding with 14.

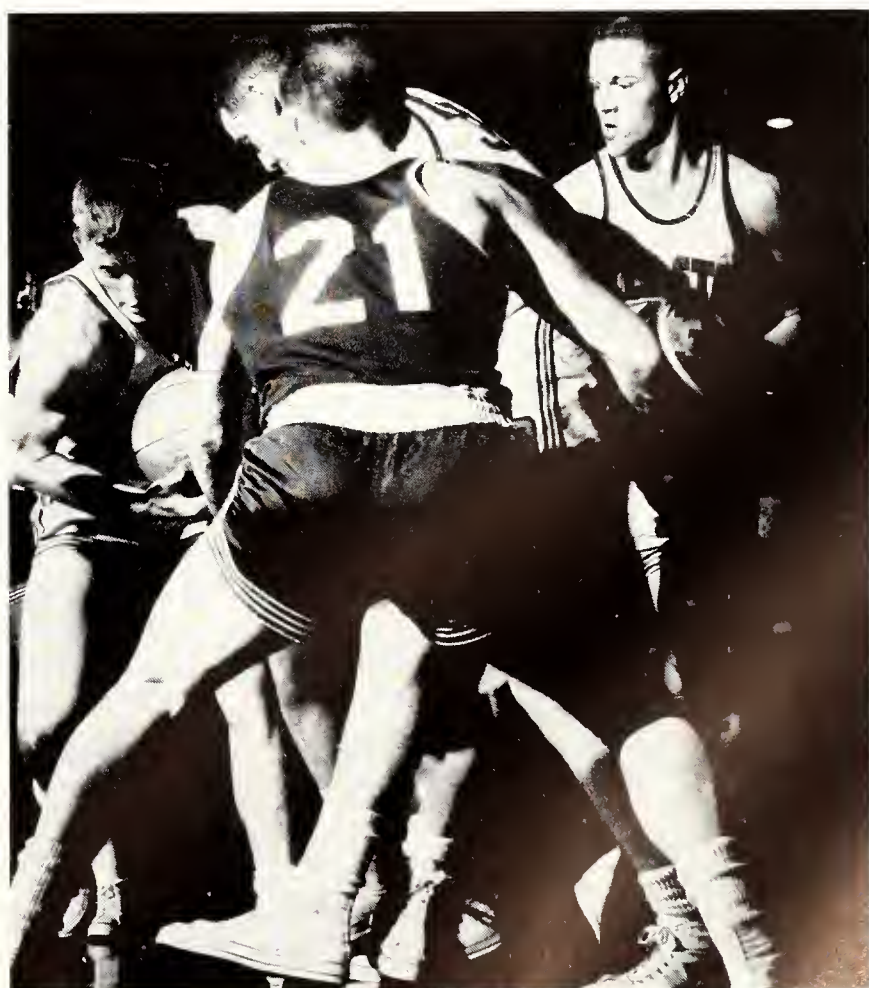

K-State Wins in KC Tournament

Turning now to the Big Eight preseason tournament over the Christmas holidays in Kansas City, the Wildcats annexed the title with wins over Missouri, Oklahoma, and finally Colorado. K-State built an early lead, then was hard-pressed by Missouri, 69-66. Wally Frank hit 23 points and collected eight rebounds to lead the Cats to the win. Boozer had 22 points and 12 rebounds, while Price got 10 points and 13 rebounds.

In second-round play, K-State won over tall Oklahoma, 73-59. The Wildcats led, 35-24, at halftime. Boozer hit 28 points and Frank 19. Frank led both teams in rebounding with 15.

Colorado Dies Hard at Kansas City

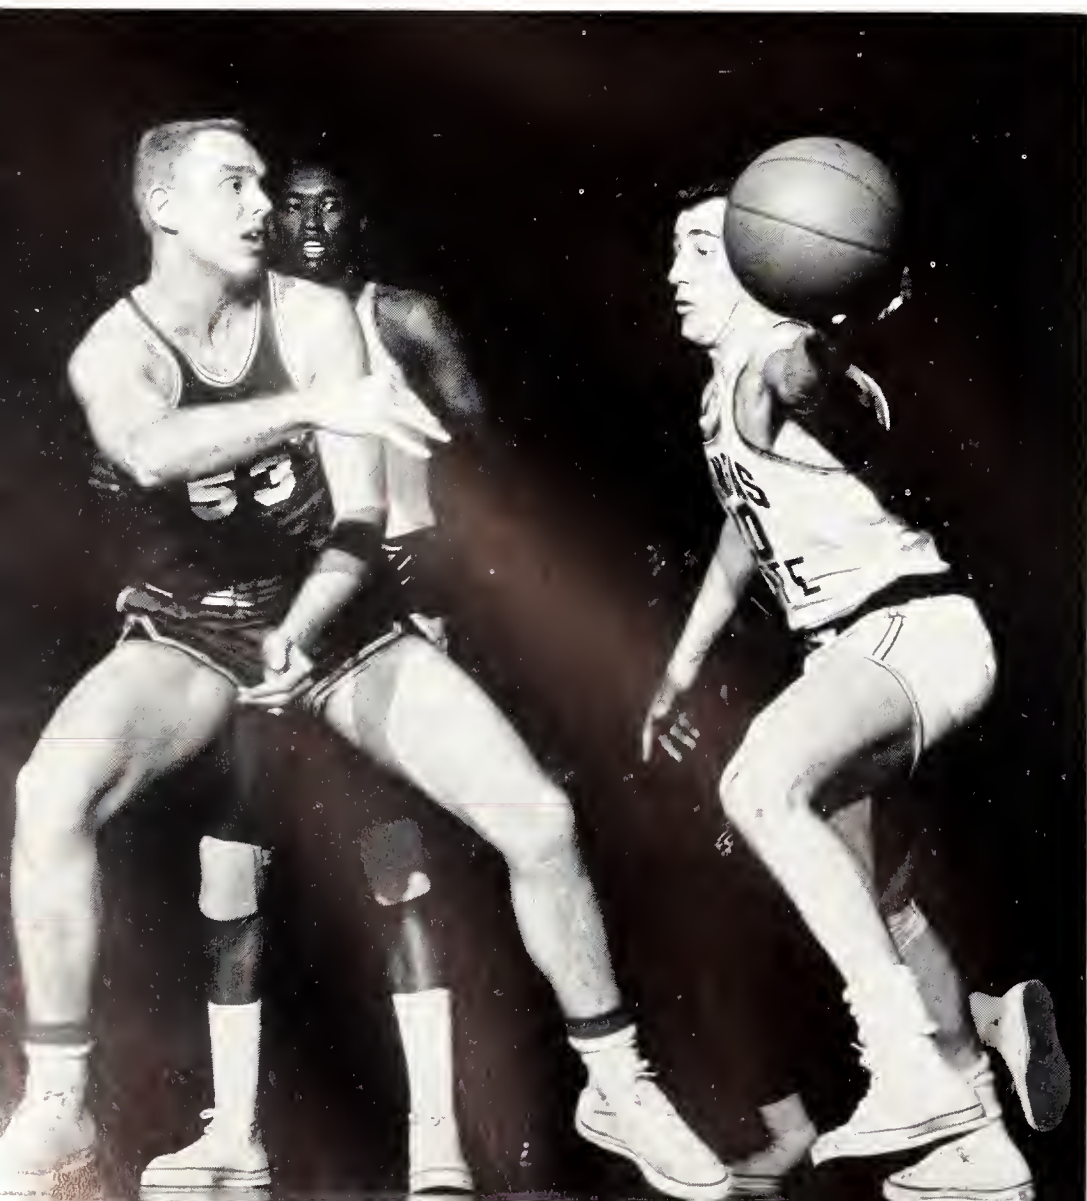

K-State went into the finals of the tourney a distinct favorite over Colorado, but the Buffaloes played inspired basketball, and led the Wildcats by as much as eight points late in the final period. However, the clutch shooting of Bob Boozer, who hit 32 points for the evening, pulled the Wildcats from behind for a 67-66 victory. The Buffs hit 52.3 and the Wildcats 52.1 per cent from the field.

Cyclones Are First Conference Victim

With a 9-1 season mark, the Wildcats settled down to the tough conference schedule. Iowa State was the first opponent at Ames, and the Cyclones overcame a 10-point half-time deficit to battle K-State down to the wire. Boozer and Frank led the 59-56 triumph with 18 and 14 points.

Colorado was the second conference foe.

Looking for a tough battle, the Wildcats surprised Colorado with an easy, 89-58, win in Ahearn fieldhouse. The K-Staters built a 45-28 margin by intermission, and the Buffs were never in the game. Boozer turned in a 31-point performance, while Douglas led rebounding with 12.

Two nights later, Oklahoma was the victim in Ahearn fieldhouse. The Wildcats had a surprisingly easy time, 90-45. Boozer again led scoring with 27, while Frank and Ballard hit 11 points each.

Boozer Hits 30 Points in Columbia

With four straight conference wins, coach Winter's team traveled to Columbia to meet Missouri. Boozer hit 30 points and grabbed 12 rebounds, and the Wildcats won, 75-60.

A week later, K-State whipped Iowa State for the second time, 78-55. The game Cy-

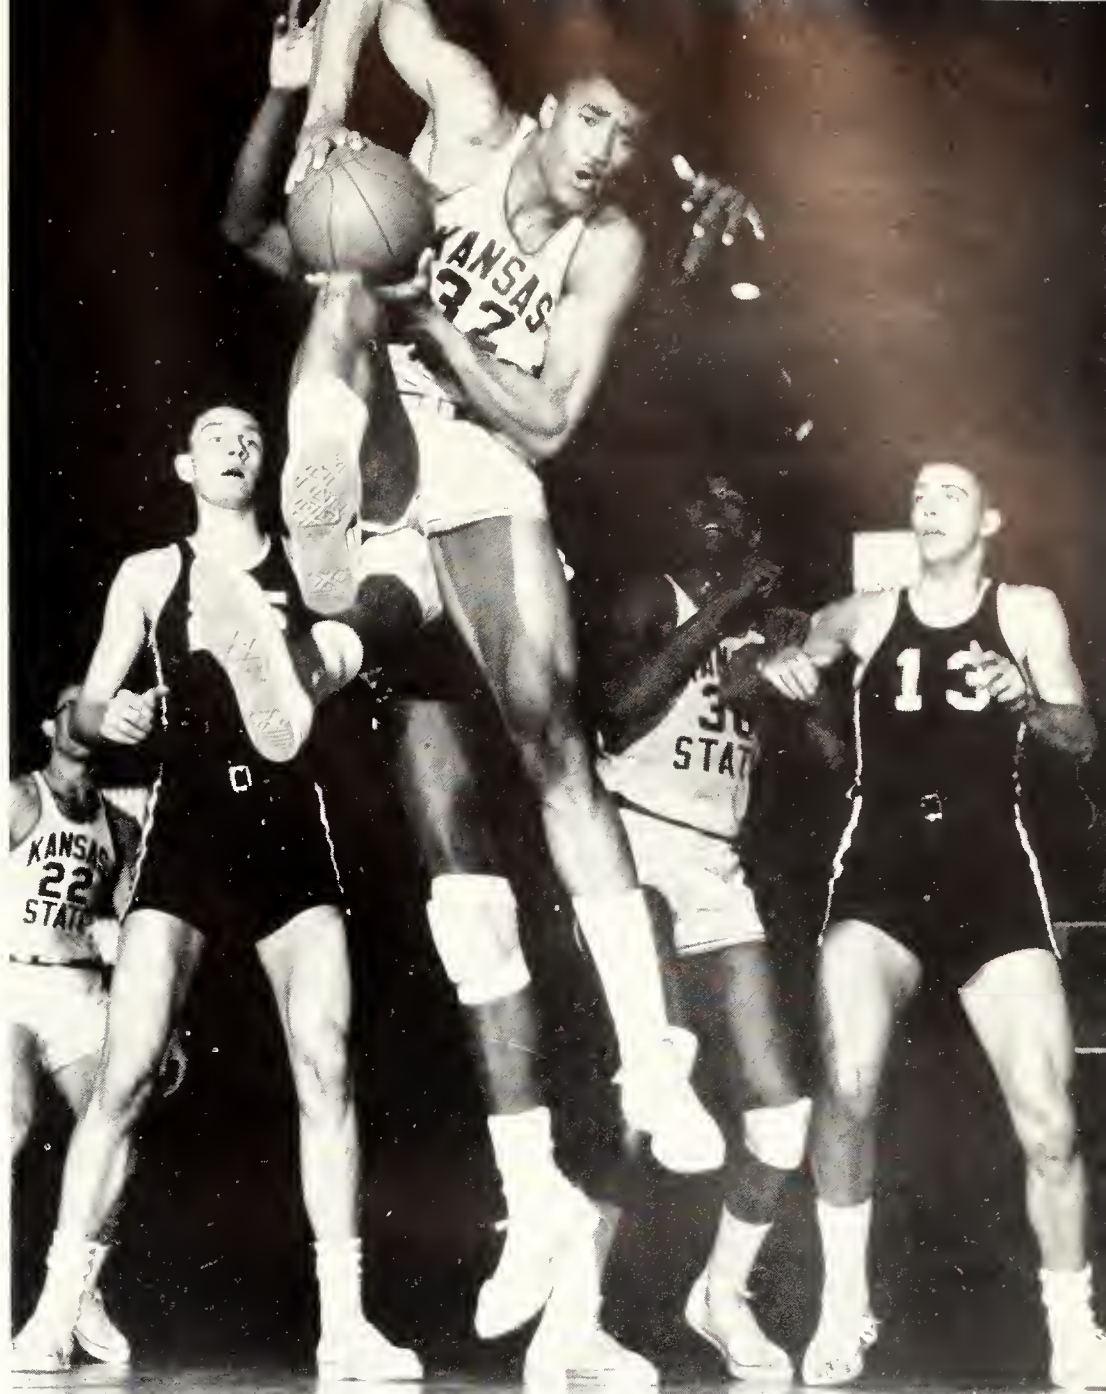

clones made a battle of it, trailing by 30-29 at the half. Boozer hit 21 to lead a balanced scoring attack. Frank got 13, Douglas 12, and Matuszak 11.

Junior Bill Guthridge, 5-10, moved to a starting spot in the Cats' next outing, when Sonny Ballard lost second-semester eligibility through low grades. K-State took a break from the Big Eight grind to whip South Dakota State, 91-65. Boozer hit 24 and Frank 12 points, and Boozer got 15 rebounds. K-State led, 47-29, at the half.

With a 15-1 season record, Kansas State topped tough Nebraska at Lincoln, 50-43. Boozer hit 22 points, and the Cats led, 24-19, at intermission. Half through the conference season with a 7-0 mark, K-State won another crucial road test, 70-59, over Colorado. Boozer hit 18, and Frank and Price 16 points each. Price moved into a starting assignment in that game.

while Frank got 13 and Matuszak 10 points. The hot Jayhawks were behind just one, 36-35, at the half.

The Wildcats moved their season mark to 19-1 with a 60-49 whipping of defense-minded Oklahoma State in Ahearn fieldhouse. Boozer accounted for 27 points in the game. Two nights later, the Wildcats won No. 20 over Oklahoma at Norman, 75-55. Boozer hit 21, and Frank and Price each scored 16 points. The Wildcats led, 31-21, at halftime.

Next time out, K-State topped Oklahoma State again—this time, 62-50, at Stillwater. Boozer hit 26 and Price 11 points. Kansas was the next opponent in a return match at Lawrence. The Wildcats won by a 10-point margin, 87-77, as they had in the earlier contest

in Manhattan. The win moved K-State's season mark to 22-1.

Boozer, Frank, and Price were the big guns, netting 28, 17, and 16 points, respectively. In addition, they had 13, 10, and 9 rebounds. The Wildcats overcame an early Jayhawk lead, and held a 46-32 intermission advantage.

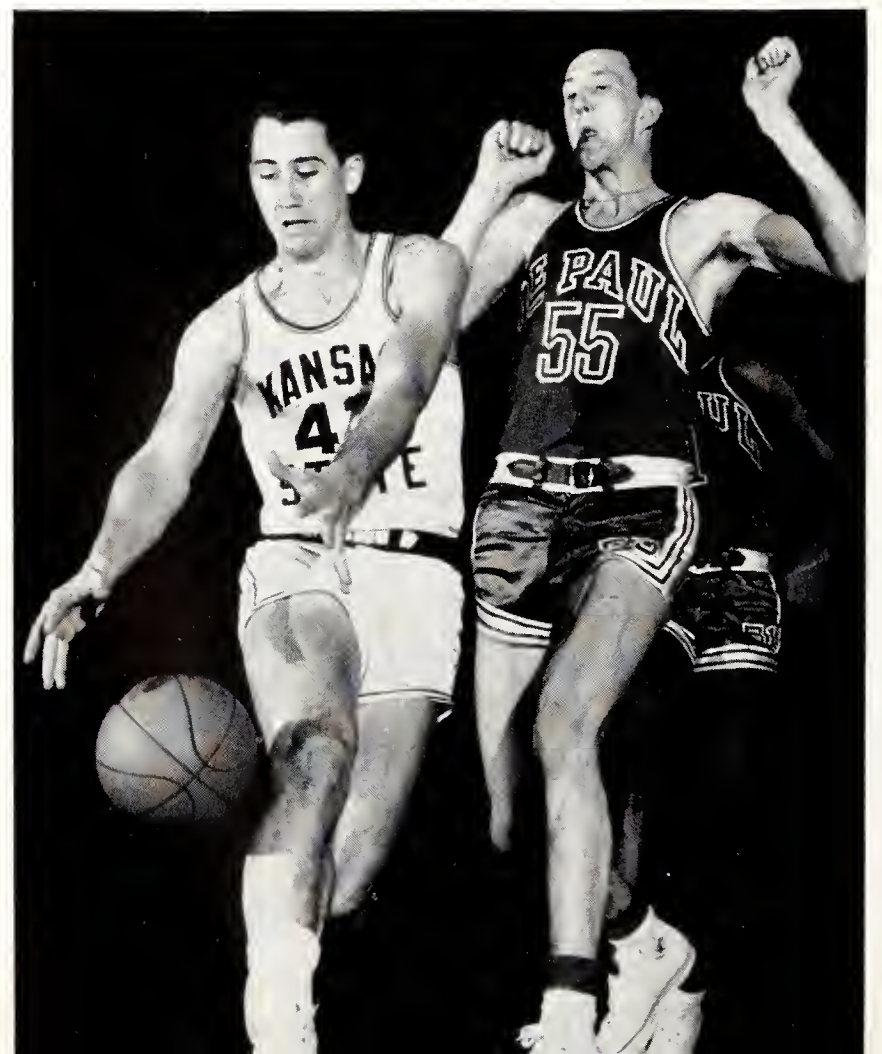

K-State Breaks 100 Against Mizzou

The Wildcats reached a season high point in a 108-69 victory at the expense of Missouri. The 108 points tied a K-State record for points in one game. K-State started the contest in racehorse fashion, holding a 22-point lead at halftime, 59-37. Playing before a regional television audience, the Cats dominated every phase of play, hitting 54 per cent of their field goal attempts.

Coach Tex Winter cleared his bench for most of the second half—and part of the first—but the score continued to mount. Boozer got 32 points and 13 rebounds, while Price hit 20 points, and Douglas and Jerry Johnson, 6-4 sophomore, each got 10.

In the final game of the regular season, the Wildcats—now rated No. 1 in the nation by both United Press International and Associated Press polls—topped Nebraska, 76-54, in Ahearn fieldhouse. The game completed an undefeated home season, and left K-State

Hitting the NCAA tournament trail, the Wildcats were favorites to win the championship. In the first game of the Midwest Regionals at Lawrence, the K-Staters enjoyed a good night, whipping DePaul, 102-70. That

marked the second time during the season—a first for a Kansas State team—that the Cats had bettered 100 points in a game.

All-American Bob Boozer had his troubles during the evening, being "held" to 16 points, but he led game rebounding with 12. Frank led a balanced scoring effort with 23 points, while Price hit 14, and Douglas 15.

That same evening, Cincinnati had a tough time whipping Texas Christian for the right to meet K-State in the finals of the tournament. The winner would go to Louisville for the four-team NCAA finals.

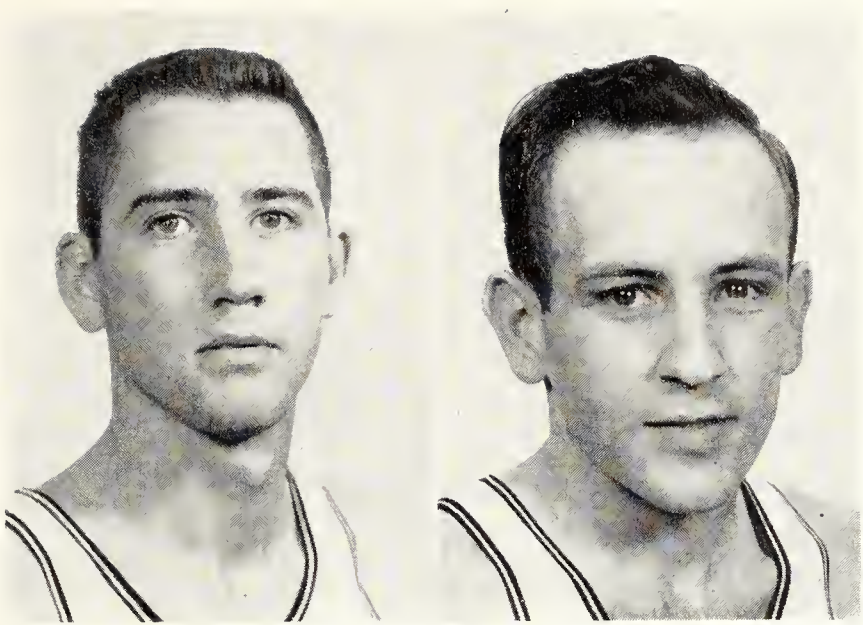

Adding reserve strength to the 1958-59 team, Mickey Heinz (left) and Bob Graham both played forward.

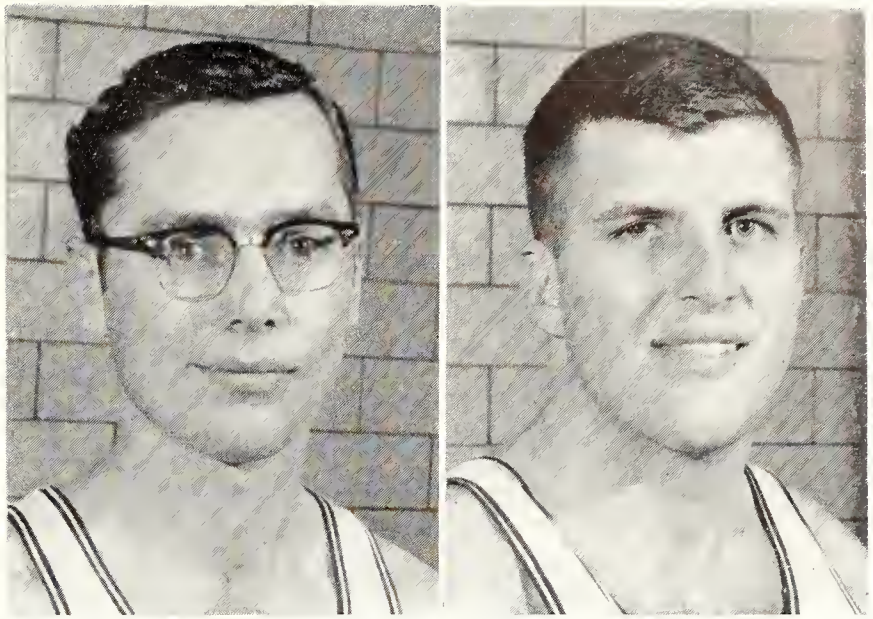

Cincy, Robertson Stop Wildcats

On the following evening, the tables were reversed. The Wildcats had a bad night, and Cincinnati played inspired ball to upset the K-Staters, 85-75. Kansas State led, 41-39, at the half, but the feeding and shooting of all-American Oscar Robertson derailed the Wildcats in the late stages of the final period.

Bob Boozer had the better of it in the scoring duel between the two all-Americans, 32-24, but Robertson got more rebounds, 17-13, for game honors in that department. The

K-State Frosh Record 3-1 Season

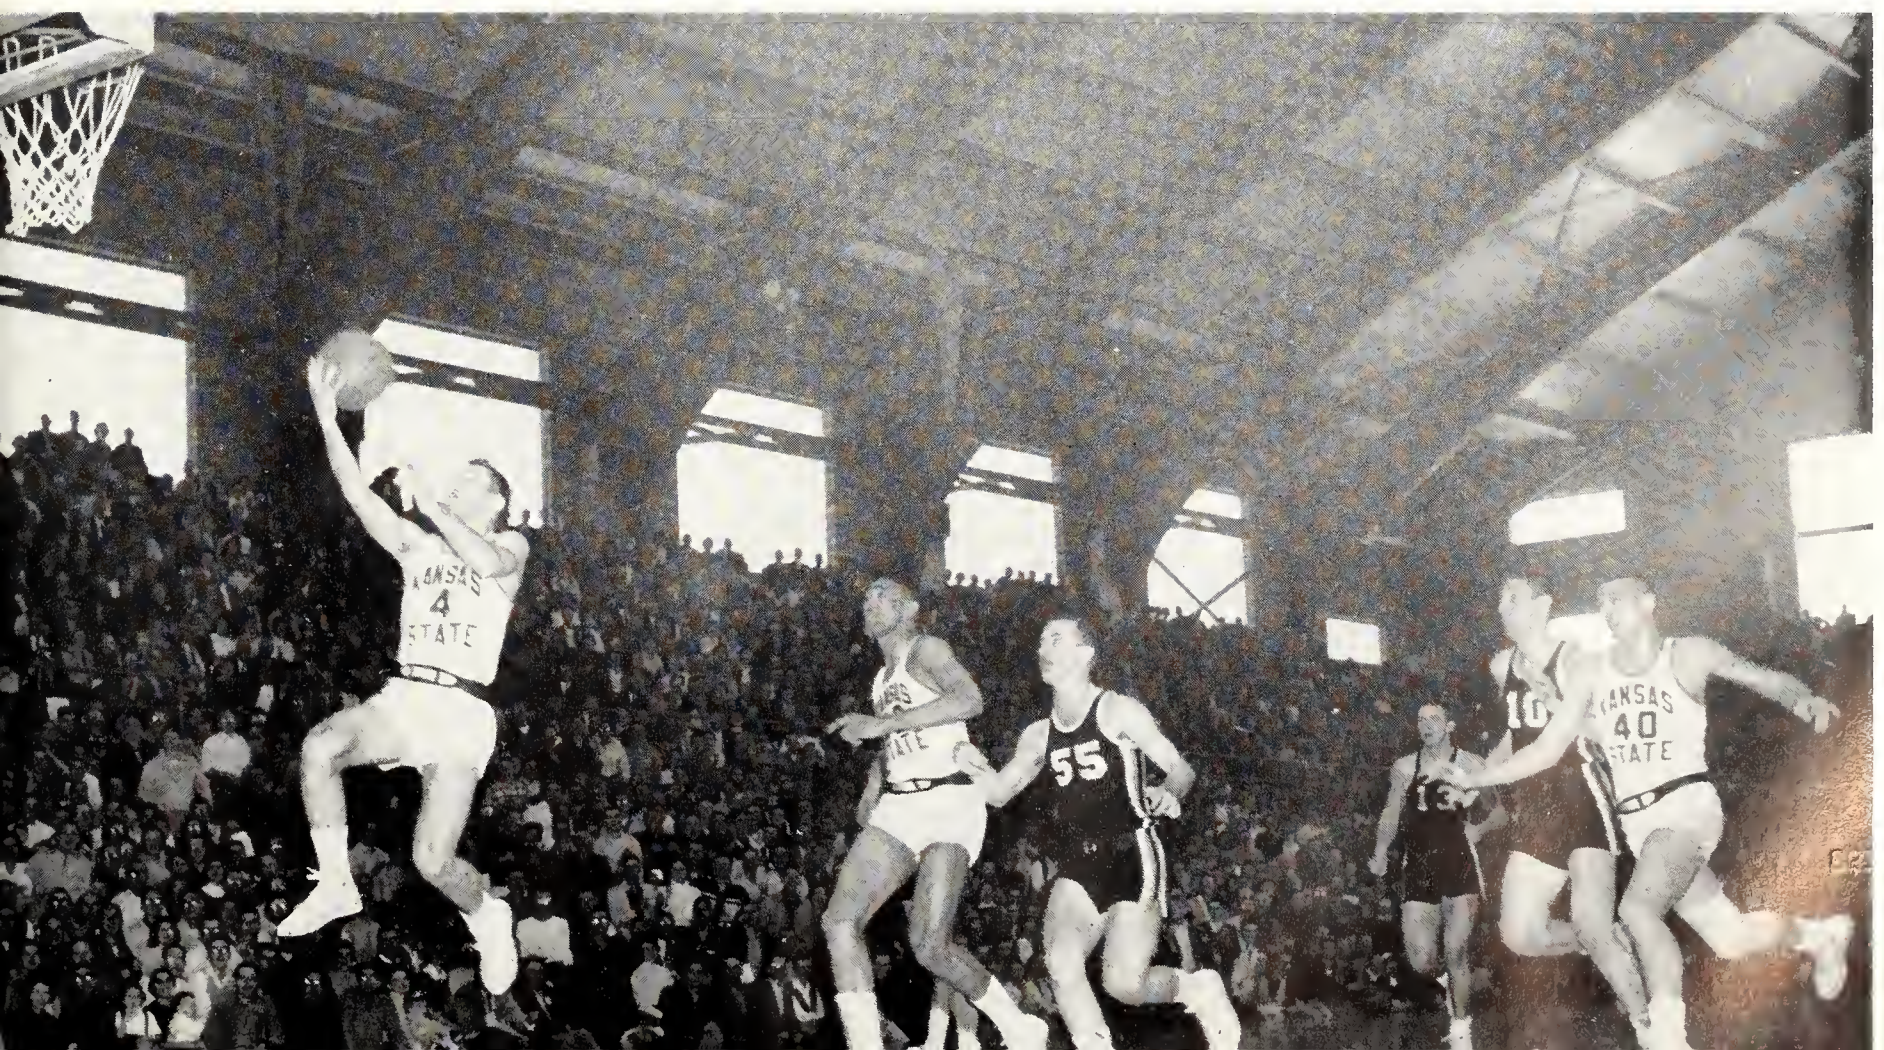

K-State's freshman team—playing against outside competition for the first time—compiled a 3-1 record under the direction of coach Ernie Barrett. The yearlings lost the season's first game, 72-57, to Kansas at Manhattan. K-State built a 28-19 halftime lead, but fell behind in the second half. Mike Wroblewski hit 15 points, while Phil Heitmeyer collected 20 points and 16 rebounds.

Washburn's "B" team was the first K-State victim, 83-49. Wroblewski led a balanced attack with 13 points. Heitmeyer and Gene Reinhardt each hit 11. In their third game, the Wildcats got revenge over KU, 97-95, at Lawrence in two overtimes. Wroblewski was high with 24 points, while Pat McKenzie had 20, Jerry Johnson 19, and Heitmeyer 16.

In the year's final contest, the Cats stopped previously undefeated Wichita university's 13-game win string, 83-74. Wroblewski again led the scoring, this time with 26. Johnson and McKenzie each hit 17.

Converting a Missouri mistake into two K-State points, junior guard Bill Guthridge finds himself all alone for

a layup. The Wildcats won the contest, 108-69, to tie a varsity record for points in a single cage game.

Darter and Darrell Huggins were the team's leaders through most of the year. Darter was high-point man for the season with 40, while Huggins scored 30. Jerry Allen, 177-pounder, scored 28 points.

The team sustained a heavy blow after only three matches when senior 167-pound captain Pat Doyle was injured in an accident over the Christmas holidays, and was not able to compete again. Kansas State's 1958-59 gymnastics team—though made up mostly of sophomores—compiled a 3-3 dual-meet record, with wins over Kansas, Colorado State, and Fort Hays State.

Coach Frank Thompson's team had just one senior, Ron Leslie. It included six sophomores and three juniors. Ivan Loomis was the team's high-point man, as well as captain. He specialized in the trampoline, but was also

outstanding in the rings and high bar. He scored 80 points during the season. High point of the year's action for the gymnasts was a lop-sided, 77-27, victory over Kansas in a dual meet in Ahearn gymnasium.

Other outstanding gymnasts were Mike Dziura on the rings and parallel bars, and in free exercise and tumbling; and Dave Cudney in free exercise and on the side horse.

Pair of underclassmen lead K-State to fourth in conference championship meet at Lincoln

K-State's 1958 swimming team posted a 7-7 dual-meet record and a fourth-place finish in the Big Eight swimming meet at Lincoln. A pair of underclassmen—diver Dallas Chestnut and sprinter Dave Hinderliter—led the Wildcats through most of the season.

Chestnut was never defeated in his specialty, the one-meter dive, all year. He was one of the few conference swimmers who could dent Oklahoma supremacy in the Big Eight championships. Chestnut also accounted for a second in the three-meter dive at the Big Eight meet. Hinderliter recorded a second in the 100-yard free style race at the conference meet, and won five times in dual meets in that event after becoming eligible at the beginning of the second semester.

CROSS COUNTRY

Cats Tom Rodda, Duane Holman lead team with outstanding races in stiff competition

K-State's 1958 cross country team placed seventh in the Big Eight meet, but the Wildcats boasted two individual stars. Senior Tom Rodda was fourth in the NCAA championships, and junior Duane Holman was a stand-out in early-season action.

The Wildcats lost to Nebraska, 26-31, in the season's first meet. Holman and Rodda finished 1-2 in two successive dual wins. The first was over Missouri, 24-33, and the second was over Drake, 27-28. Holman hit his high spot in a triangular meet with Iowa State and Minnesota at Ames. He set a course record of 14:50.4. Rodda was third, but the Wildcats were last, Iowa State winning.

In the circle of champions, KSU's Tom Rodda (86) was fourth in the NCAA cross country championships.

Rodda was sixth and Holman seventh in the conference, then those two closed out the season in the NCAA finals. Holman backed Rodda's high finish by placing eighteenth.

Wildcats cap seven-meet season by finishing in third at conference meet in Kansas City

Kansas State's 1959 indoor track team earned third place in the Big Eight track meet in Kansas City, to head a seven-meet schedule. In initial action, K-State piled up seven firsts to dominate a meet with Omaha and Emporia State. The team took seconds in the 240-yard shuttle hurdle relay and the mile relay at the Michigan State relays.

In a triangular with Kansas and Oklahoma State, the Cats finished last, though Jim Cain in the shot put, DeLoss Dodds in the 600-yard dash, and the mile relay team won. At home, K-State won over Colorado and Iowa State by piling up $72\frac{1}{3}$ points. At the Colorado invitational meet, the mile relay team and miler Tom Rodda were victorious. The Wildcats wound up the indoor season by earning six firsts at their own invitational meet.

Kansas finished first in the Big Eight meet, followed by Nebraska, Oklahoma State, Kansas State, Oklahoma, Missouri, Colorado, and Iowa State, in that order.

Cat junior miler Tom Rodda crosses the finish line in the Kansas dual meet. He ran third to two Jayhawkers.

A surprisingly strong Big Eight conference finish and top national ranking by the mile relay team were highlights of Kansas State's 1958 outdoor track season. The relay team was rated second in the nation among collegiate teams behind Texas university by Track and Field News.

The Wildcats competed in two dual meets during the season, winning over Iowa State college and losing to conference champion Kansas university. However, members of the squad turned in strong showings in four relays and several other meets.

Six Cats Chase Mile Relay Marks

Six men—one senior and five juniors—ran on the crack Cat relay team. Coach Ward Haylett picked team members from senior captain Gene O'Connor, DeLoss Dodds, Jim Vader, Dave Burton, Larry French, and Charles BURGAT. The team's best time was 3:10.4 at the Kansas relays. However, Texas edged the Wildcats there with a 3:09.1 clocking—good for a new intercollegiate record.

The first action of the season was at the Texas relays. The K-State mile relay team finished third behind Texas and North Texas in 3:13.7. Next action was at the Louisiana relays. The K-State mile and sprint medley

teams both won firsts, and Steve French tied for second in the high jump.

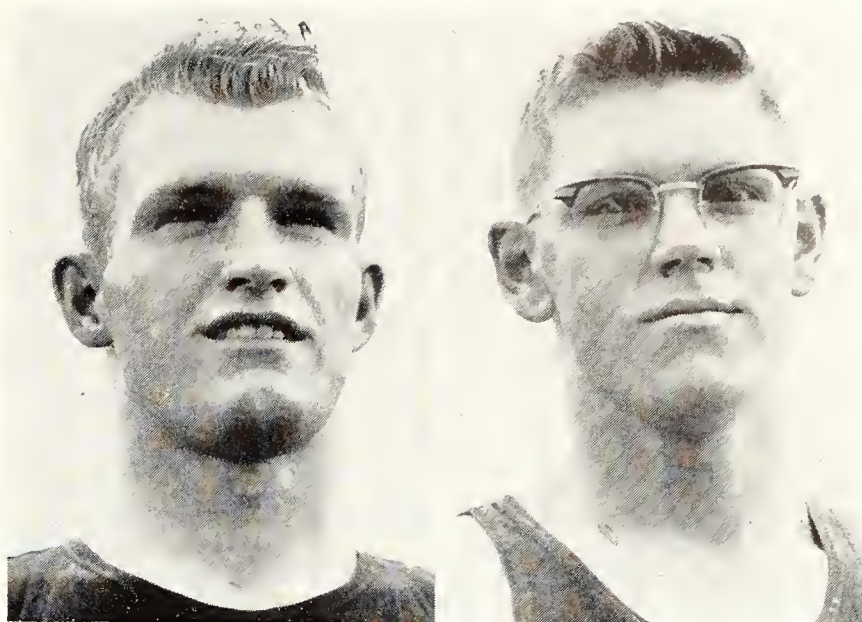

The Kansas relays was the next outing for Coach Haylett's team. The mile relay team chased Texas to its new intercollegiate mark, while O'Connor won the 400-meter intermediate hurdles in 51.3.

On the following weekend, Haylett split his forces, sending a delegation to the Colorado relays, and another to the Drake relays. At Drake, the mile relay team again ran second to Texas, and O'Connor placed second in the 440-yard hurdles. As a team, K-State tied for second behind Colorado at the Buff relays.

Dodds Misses Jayhawk Dual Loss

That finished the relays season for the Wildcats, and they returned home to battle Kansas in a dual meet. Minus star quarter-miler Dodds, the Wildcats won five events to give the Jayhawks unexpectedly strong opposition in an 88 1/6-47 5/6 loss. Vader won the 440-yard dash in 48.7; O'Connor won the 120-yard high hurdles and anchored the winning mile relay team; Lowell Renz won the javelin; and Jerry Hess headed a K-State sweep in the pole vault.

A few days later, the Wildcats completed their dual season by taking 11 firsts and sweeping four events in an 86-45 win over Iowa State at Ames. Dodds and O'Connor led

At the Big Eight meet at Missouri university, the Wildcats finished a strong fourth behind Kansas, Nebraska university, and Oklahoma State university. The Wildcat mile relay team and quartermiler Dodds accounted for firsts, while three K-Staters got seconds. O'Connor was second in the high hurdles, Holman was second in the two-mile, and French tied for second in the high jump.

Dodds Blazes 47.1 Quarter at AAU

Five Cats competed unattached at the Missouri Valley AAU meet in Kansas City, with Dodds turning in the top performance. He tied Thane Baker's varsity 440 record with a blazing 47.1. Jim Cain was second in the shot put, while freshman Rex Stucker was second in the low hurdles and third in the highs.

Final outing of 1958 was the Houston Meet of Champions. Dodds was edged in the 440 on a 46.8 performance by Ohio State university's Glenn Davis. Cain was second in the shot and Holman was second in the three-mile.

BASEBALL

Big Eight competition tough for K-State nine as inexperienced squad records 2-18 season

K-State's 1958 baseball team — a team long on sophomore talent, but short on experience — found Big Eight competition to be tough. In fact, the Wildcats won only 2 of 20 contests during the '58 season — but one of those was against eventual conference champion Missouri university, a team that was to finish second in the NCAA playoffs. The other came over Colorado university.

Bader Makes All-conference Team

However, the whole 1958 baseball picture at Kansas State was not dark. Paul Bader, fleet junior center fielder, was named to the Big Eight all-conference team, and Wally Carlson, senior first baseman-catcher, ranked among the conference's top sluggers. The football-baseball star was the only K-Stater to bat over .300 during the season. He finished with a .354 average. His 23 hits included five doubles and a home run.

Mike Lair was the top Cat moundsman during the long season. The little senior ac-

counted for both K-State wins while losing four—this record for a team with a .188 batting mark—and had a 4.50 earned run average.

Other K-State athletes who stepped into the limelight during the season included Terry Knowles, Al Thaemert, Bader, and Roy DeWitz. Each of those four players hit two home runs during the season. On the mound, sophomore Joe Vader was the workhorse of the staff. He pitched 38 innings and fanned 24.

Coach Ray Wauthier named 12 lettermen after the season's end, including five sophomores. The team was the youngest Wauthier coached at K-State in eight seasons. Sopho-

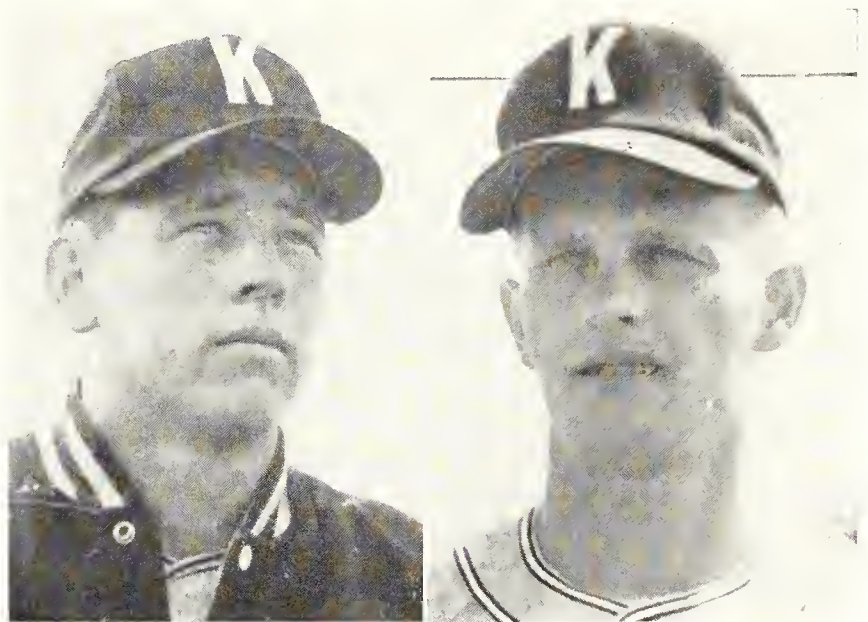

Veterans Roy DeWitz (left), a shortstop, and Wally Carlson, catcher-first baseman, anchored the squad.

Cowboys Win Three Straight

Oklahoma State university was the first K-State opponent in a three-game series in Manhattan. The newest member of the Big Eight conference built a five-run lead, then stopped a late Cat rally for a 5-4 win in a single contest. The following day, Cowboy pitching produced 3-1 and 5-0 wins in a double header. DeWitz provided most of the K-State power at the plate in the first game of the series with a three-run home run.

On the following weekend, the Wildcats traveled to Colorado. The Buffaloes won a 12-11 slugfest with a run in the bottom of the ninth, and took a 9-2 win in the first of two on the following day. However, Lair threw a strong two-hitter at Colorado batters in the final game of the series, and K-State won, 7-5.

At home again, the Wildcats met the Missouri Tigers — but there was no sign of improvement. Missouri unloaded 24 hits, including four home runs, in a 24-2 whipping of the Wildcats. On the following day, the Tigers continued to dominate the series, winning 5-0 in the first game of a doubleheader. However, Lair and Carlson teamed to give the

Wildcats a 6-3 win—the second and last of the season—in the final game of the series. Lair pitched a six-hitter, and Carlson drove in five runs with a homer and a double.

Next weekend, the Cats battled Iowa State college at Ames in an attempt to escape the conference cellar. Iowa State swept two games, 5-1 and 3-0.

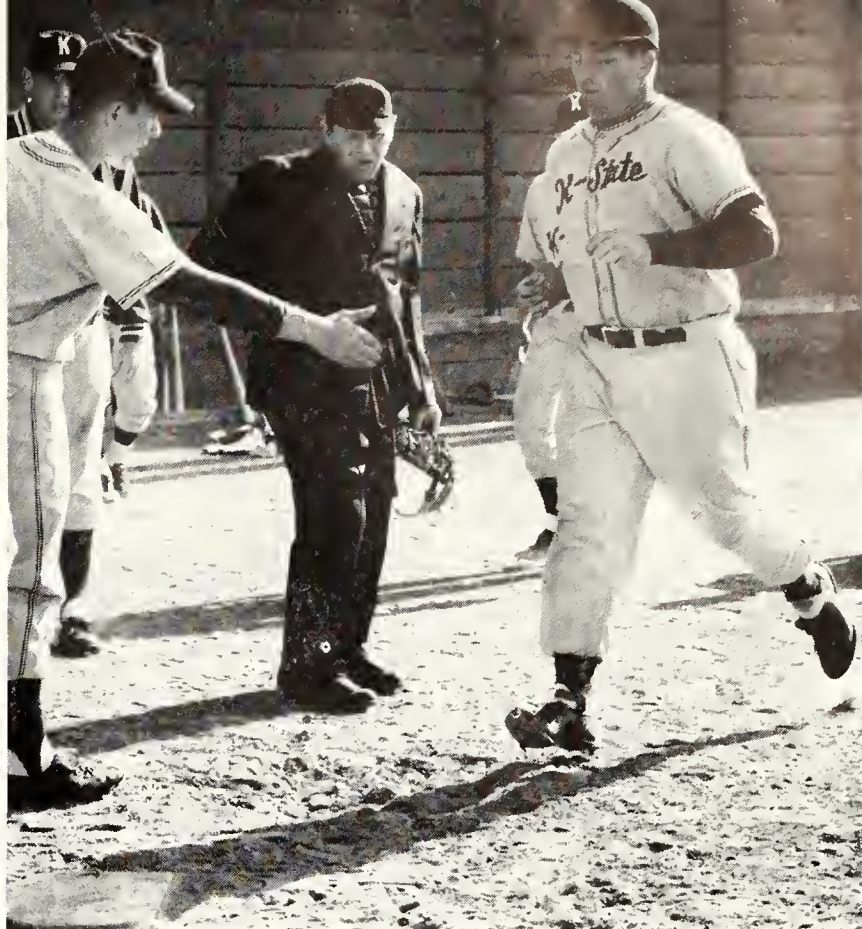

Next series on the K-State schedule was at Norman against the Oklahoma University Sooners, contenders for the Big Eight title. The Oklahomans swept a three-game series, 12-4, 8-3, and 5-2. Cat pitcher Lair pitched three-hit ball in the final game, but the Sooners pushed across three runs in the final inning to win.

Wildcats Lose Three to KU

The K-State team met Kansas university at Lawrence, and dropped another three-game series. Kansas won the opener, 10-1, but the Wildcats made a game of the second contest before losing, 9-4. Al Thaemert had a home run, and drove in all the Cat runs. The Jayhawks won the final game, 9-1.

With a chance to escape the Big Eight cellar, the Wildcats returned to Manhattan for the final series of the season against Nebraska university. The Cornhuskers, however, allowed the Wildcats just three runs and seven hits in all three games. The Huskers won 9-1, 10-1, and 4-1.

Cat senior Dave Smith shines on links with 11-4-1 record; team takes seventh in league

Senior Dave Smith posted one of the Big Eight's best individual records during the 1958 golf season, but the K-State golf team managed only a 5-9-1 mark and a seventh-place conference finish.

Smith, who later won the Kansas Amateur medal play tourney in Salina during the summer after the 1958 collegiate season, won 11 and tied one while losing four during the dual-meet season. He compiled that record playing against the toughest opposition in the conference as the top man on the Kansas State team.

Jerry Smith, cousin of Dave, won his third golf letter during 1958. He had a 6-8 dual record. Jerry Hendricks was 6-6 for the year, while Charles Hostetler was 4-11, Joe Downey was 1-6, and Max Richardson was 2-3.

The two Smiths, Hendricks, Downey, and Hostetler were named as lettermen by Coach William Harvey. Dave Smith, Downey, and Hendricks won their second golf letters. Hostetler, a sophomore, won his first.

Kansas State's 1958 tennis team posted an 8-6 dual record—to mark the eleventh straight winning season for the Wildcats—and pulled to a third-place finish in the Big Eight conference meet.

Top winner for the young Wildcat team in dual meets during the season was Ed Frankel. He compiled a 9-5 record against tough Big Eight competition. However, Winston Tilzey, Coach Karl Finney's top hand, won half his matches against each opponent's toughest individual performer.

Keith Andler, only senior on the squad, had a 5-8 record for the year, and John Bird had a 6-7 season. Jim Holwerda had a 6-2

mark in limited action, and John Stone had 4-3. Andler won his third letter during the season, Holwerda won his second, and Bird, Frankel, Stone, and Tilzey each won their first letters in the sport.

Tilzey, Holwerda, and Andler all reached the final round in the Big Eight meet before meeting defeat. The Wildcat doubles team composed of Holwerda and Frankel also advanced as far as the finals before bowing out.

The Sig Alph team took a 4-6, 6-3, 6-4 decision over Lowell Novy and Larry Foulke of Delta Tau Delta in the fraternity semifinals. The Betas whipped Jim Henderson and Bob Pulford of Pi Kappa Alpha, 6-4, 6-4, in the other Greek semifinal match. In independent semifinals, South Jardine advanced on a forfeit, while the Rebels edged by Keith Roberts and Tom Onuma of the Rho Alphas, 3-6, 6-3, 9-7.

Mariappa, Pulford take singles

In intramural tennis singles, Dandi Mariappa won the independent championship. He

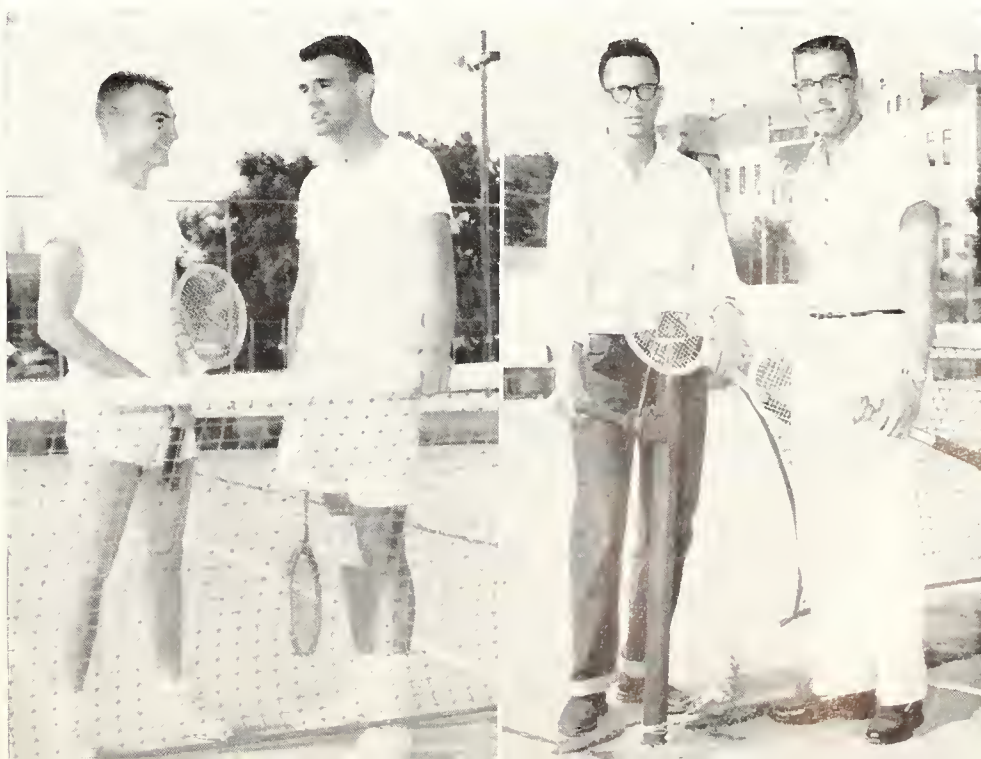

won in the finals, 6-3, 6-4, over Bob Dittoe. In fraternity play, Bob Pulford of Pi Kappa Alpha beat Jim Henderson, also a PiKA, 6-0, 4-6, 6-2, for the title.

Delta Sigma Phi and O.K. House horseshoe teams took doubles intramural titles. Bob Cole and Larry Karlen won the fraternity crown over Ray Eaton and Bob Reid of SAE, 21-17, 21-14. Bruce Barrow and Frank Bell of O.K. House whipped Vern Lindell and Roger Rankin of Jr. AVMA, 21-18, 21-11, for the independent title.

Bill Bryson of Phi Delta Theta and Bill Hecht of Newman club won their second straight horseshoe singles titles. Hecht whipped Jon Rueck of Scholarship House, 11-0, 11-0, and Bryson edged Terry Wilson, a Phi Delt, 16-21, 21-18, 21-15, in the finals.

Tops in singles—PiKA Bob Pulford and Dandi Mariappa win intramural net crowns in '58.

Doubles champs—Jesse Butts and Ralph Graham and Sam Binter and Virgil Abbott take doubles tennis crowns.

Chi Omega's Barbara Burnes accepts the 1957-58 first place women's intramural trophy from Kathy Horridge.

INTRAMURALS

Women participate in seven sports; Van Zile, Northwest, Waltheim, Blitz Babes win

Seven sports were offered during the year in the women's intramural program. The events were swimming, volleyball, basketball, badminton, table tennis—both singles and doubles, softball, and tennis. Competition in the badminton, table tennis, softball, and tennis events were run off in this year's spring intramural program.

Van Zile hall's "A" team captured the women's intramural softball championship in the spring of 1958. The team defeated Gamma Phi Beta in the finals, to end the season with a 4 win, no loss record.

Northwest Hall Wins Swimming Meet

Northwest hall defeated Waltheim hall in the finals to win the championship in the intramural swimming competition. Meet winners were Margene Edwards, breast stroke, Northwest hall; Mary Moak, free style and back crawl, Waltheim hall; Karen Iorger, side stroke and back stroke, Waltheim hall; and Carolyn Buck, diving, Waltheim hall. Leaping high for a rebound these two women's intramural teams battle for possession of the basketball.

The Blitz Babes, an all-independent team, won the 1958-59 intramural basketball championship.

Kahrs, Pat Prentup, and Janet Smith made up the winning Northwest hall medley relay team.

Waltheim hall won the intramural volleyball championship, with Chi Omega's "A" team finishing second. Waltheim had a 10 win, no loss season record, while the Chi Omega team finished with a 9 win, 1 loss record.

Blitz Babes Are Basketball Champions

The Blitz Babes were the champions of the intramural basketball competition. The team, made up of independent graduate and undergraduate students, defeated Van Zile hall in the basketball finals. The Blitz Babes ended the season with a 5 win, no loss record, while Van Zile had 4 wins and 1 loss for the season.

Officials and referees for the various women's intramural events were the 11 senior physical education majors. Members of the women's physical education faculty acted as sponsors for the various events.

SENIORS

Class of 1959 unites in Senior Week, game, dance; School honors outstanding members

Proud of their academic standing as seniors, the class united in various activities. Midyear, a senior section, complete with cheerleaders and yells, was organized at a basketball game. A dance in their honor followed, and closing hours for senior women attending the dance were extended to 1:30 a.m. Senior Week included a tramp day and barbecue. At the Senior Leadership assembly, outstanding seniors were honored and the class gift presented.

Congregating around Anderson hall for the last time, senior class members line up for graduation ceremonies.

The Last Word

Many people are responsible for the 1959 Royal Purple. Thanks are extended to the Kansas State university students and faculty members who cooperated in having their pictures taken on schedule and giving needed information.

Special thanks are extended to the photographers: Blaker's Studio Royal, Darryl Heikes, and Floyd Hanna, University photographer, and to David von Reisen and Don Richards for the full-color views.

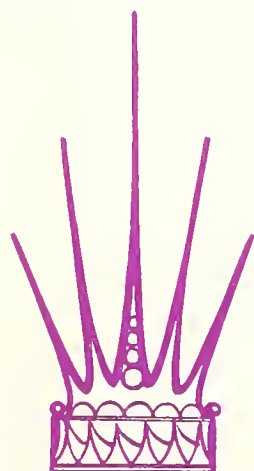

The editor wishes to express deep gratitude to all the members of the business and editorial staffs of the Royal Purple for their hard work, and to Mrs. Charlene Glenn, Student Publications secretary; C. J. (Chief) Medlin, graduate manager of Student Publications; Ralph Kolb of Burger-Baird Engraving Company; Robert R. Maplesden of Burd and Fletcher Printing Company, Tom McConnell of Kingsport Press for the covers, and to Larry Weatherman for the art work on the opening and division pages. Sincere thanks, also, to all the others who have made contributions.
