

In Appreciation

A goal has been realized during this year of 1946. For many years leaders, members, and friends of the Kansas 4-H Clubs have dreamed and planned for a state camp. Now it is a reality and during the summer of 1946 the new camp site will be used for its first season.

In the 4-H Club annual of this fruitful year, we wish to acknowledge our appreciation to the people who have worked so sincerely and faithfully for the state camp. State, county, and local leaders and workers have led the campaign for the project that will mean so much to future Kansas club work. They were encouraged and supported by loyal friends of our organization who believe in our aims and work.

Members of Kansas 4-H Clubs in the coming years will profit by their experiences at the state camp. Groups will be able to come together for inspirational and constructive experiences along with wholesome fun that camp life provides. These groups will be indebted to the people who believe in 4-H work so sincerely that they worked for and established a state camp.

UNIV 534 . K2 . C64

CAMPING IN THE 4-H PROGRAM

Plan for Donations

Kansas 4-H Club members and their leaders are playing an important part in the establishment of the new state camp. In many counties each club has sponsored a money-raising affair and has given the proceeds to the state camp fund.

Auctions, food sales, carnivals, rummage sales, and work days are typical events planned and carried out by ambitious 4-H'ers. With such an exciting goal to work for, the club members planned and worked enthusiastically.

Besides the actual camp site, there are buildings and equipment to provide before the camp can be of its most value to the state. Individual contributions from people who actively support the club work are and will continue to be a great assistance in completing the camp project. It is the members of the clubs over the state who can do the most toward reaching the goal of a completely equipped camp.

With their programs and sales to raise funds for the camp the local clubs can boost the total amount available to make the Kansas state 4-H Club camp one of the outstanding camps for rural youth in this country.

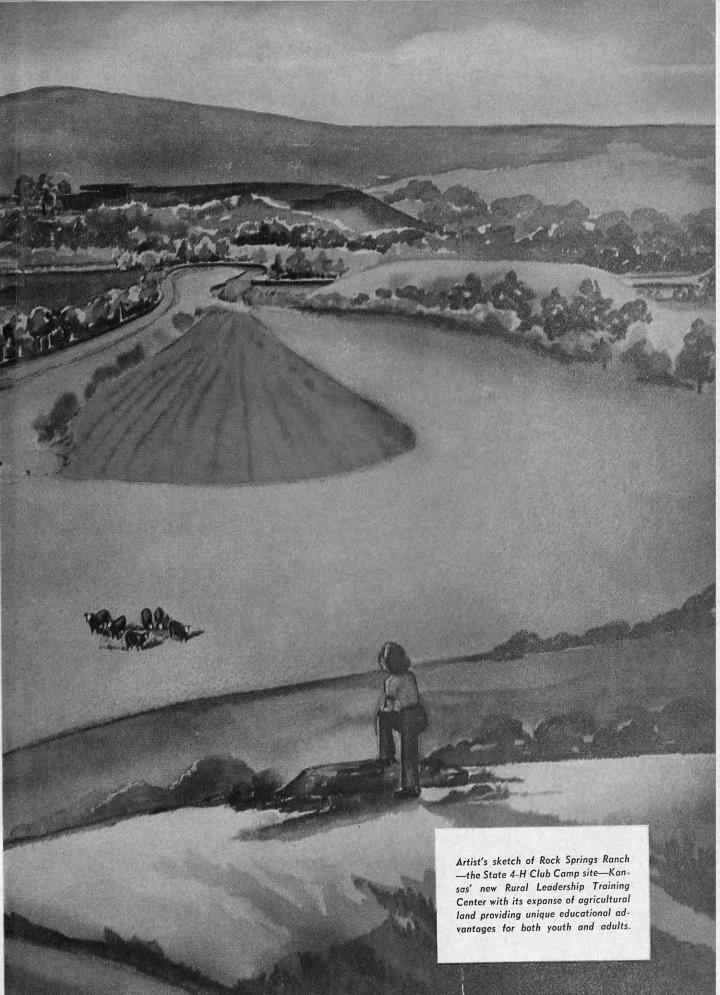

When working for the state camp one is aiding in the most important project that Kansas 4-H has undertaken in many years. Its value to the rural youth of this state will be realized more and more each year as the number of rural youth attending the camp increases.

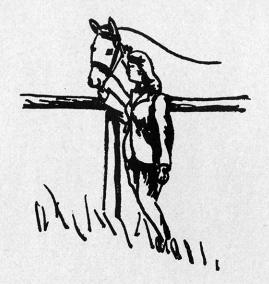

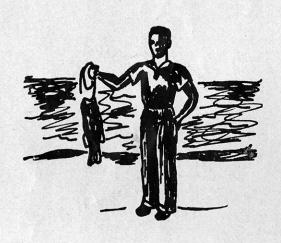

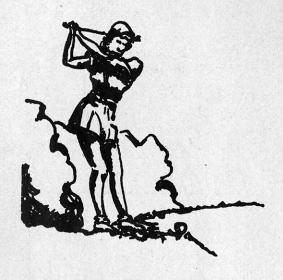

Benefits from the Camp

This camp can easily become the outstanding rural leadership training center of the middle west. The 5,000 adult and junior leaders of Kansas 4-H Clubs will find the camp a fountain head of leadership development activities. It is reasonable to assume that a minimum of 3,000 to 5,000 youth, as well as many adult groups, will be accommodated each year.

In addition to the 4-H Club camps, many other youth activities, farm organization meetings, church and school camps, will undoubtedly be held in the facilities which are planned to accommodate such groups.

Plans are under way to develop a camp to accommodate 500 campers and equipped to handle all groups effectively. The entire camp is to be equipped for year-round use.

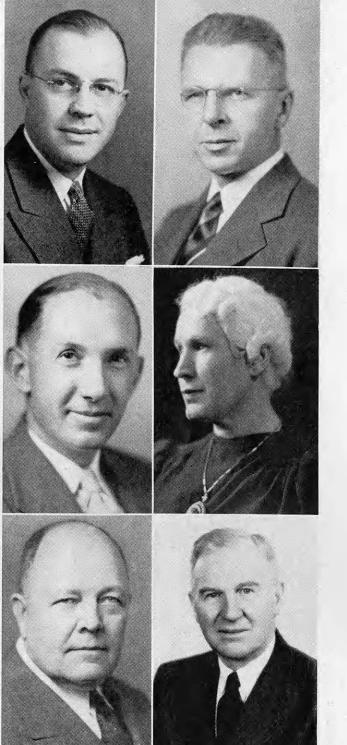

Following are a few of the 4-H camps being scheduled: state health camp, junior leadership training camp, state conservation camp, work shop for camp leaders, adult leaders conferences, district and county camps, scholarship recognition camps for outstanding club members, and agricultural and homemaking training schools for leaders.

The quality of 4-H Club work is raised to a higher level and the benefits of the 4-H Club program are brought to many more boys and girls where there are county agents devoting their full time to the program.

Nineteen counties in Kansas employ club agents at the present time. These men and women direct the organization of the 4-H Club program in their respective counties. They assist in state-wide activities, promote various county activities, train judging and demonstration teams and any activity which aids in developing better community and farm life.

Loyal Local Leaders

Club leaders in the rural communities do much to bring 4-H to the youth in their communities and help them gain the most from opportunities 4-H work presents. Leaders, both club and project, assume their responsibilities, not for material reward but because they believe in 4-H and what it offers rural young people.

In Kansas there are those leaders who have served in guiding their groups for fifteen years or more. It is in their honor this page is placed in the 1946 Who's Whoot. The quality, as well as quantity, of work done by these leaders serves as an inspiration to leaders of less experience.

The fifteen and twenty year leaders have witnessed a growth and improvement in the 4-H program in this state. Without their genuine interest and sincere hard work in the local clubs, such progress would have been impossible.

Congratulations and sincere thanks go to these leaders who by their long service to our organization have enriched it's program. Their experience and interest will be valuable in the future years as 4-H continues to develop in Kansas.

The only diamond clover yet awarded in Kansas is proudly worn by Mrs. Lucy Pottorf, for the past 23 years leader of the Magic 4-H Club in Riley County.

The Collegiate 4-H Club and the editorial staff of the 1946 Who's Whoot are proud to present an improved edition of the Kansas 4-H Club yearbook. By the use of a new design, the addition of natural color pages, and an improved layout throughout the book, the 1946 edition has undergone many changes.

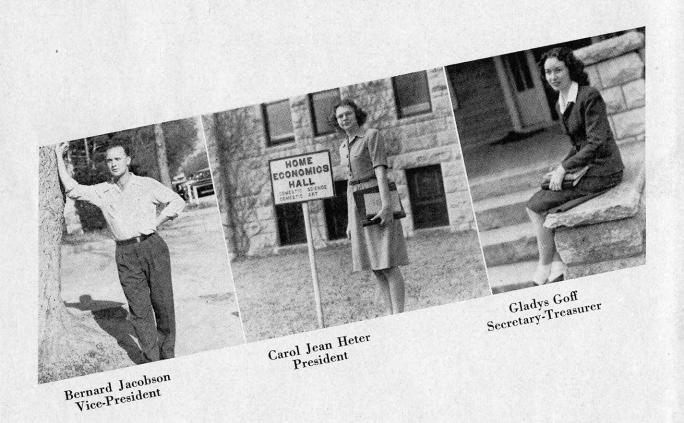

There has been a reorganization of the Who's Whoot Staff. Candidates for members of the staff were interviewed by the State 4-H Club Leader, J. Harold Johnson. With his suggestions, the officers of the Collegiate 4-H Club chose the Editor, Business Manager, and other editors. These assistant editors chose members of the Collegiate 4-H Club to work on their committees.

With the cooperation of every Collegiate 4-H Club member and the 4-H Club members throughout the state, this new and better 1946 Who's Whoot is being presented to you.

COLLEGIATE 4-H CLUB

The Collegiate 4-H Club is one of the most popular and active organizations at Kansas State College. This club seeks as members all former 4-H Club members and others who are interested in the 4-H Club movement. Most of the Collegiate 4-H Club members are boys and girls who have made fine records in their respective counties.

The Collegiate 4-H Club was organized in December, 1927, with about sixty members. The membership this past year totaled 441 members. The club has entered into many activiti s, including the publishing of the Who's Whoot, the maintenance of a student loan fund, sponsoring the annual Kansas Rural Life Association Conference, assisting at Round-up, and conducting 4-H radio programs at station KSAC. The Collegiate 4-H Club maintains equipment in its office which facilitates the work of the officers and members.

Officers are elected twice a year, with outstanding seniors being given recognition for rendering special service to the club. A delegate to the American Youth Foundation Camp at Camp Miniwanca is chosen to represent the club.

WINTER FORMAL

Johnnie Aiken, Collegiate 4-H president and date as they arrive at the dinner dance.

"Along the Navajo Trail" was the theme of the Formal as planned by this committee headed by Helen D. Jenkins and James Shaver.

The Silver loving cup is presented to Margaret Ramsdale, the member having sold the most memberships. She had 92 memberships to her credit.

RADIO PROGRAMS

One of the activities of the Collegiate 4-H Club is the weekly radio program, which is presented by Collegiate members. These programs are broadcast at 1:00 p.m. Saturday throughout the year.

During the first semester, Bernard Jacobson was chairman of the radio committee; during the second semester, the chairman was Dorothy Wilson. Other members serve on the committee, and many more help with and appear on the program.

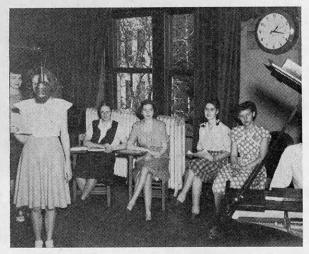

A wide variety of entertainment is given on the program. Musical numbers are an important part of the program, as well as skits, project talks, county 4-H news, Collegiate news, interviews, readings, etc. This program is presented in order that 4-H members of the state may learn what other clubs and other members are doing. This is also a means by which people of the state may learn what Collegiate 4-H is and what the club does. The program provides an excellent opportunity for students who are interested in radio broadcasting to obtain valuable experience.

Preceding the Collegiate part of the program, there is a half-hour sponsored by the State 4-H Club Offlice with one of the state leaders acting as master of ceremonies. During the half-hour, Extension specialists, professors and other speakers conduct discussions and give interesting information in regard to farm problems or 4-H work.

We hope this program helps to promote even better understanding among all the clubs in the state, and that it can be an inspiration to all who are part of the 4-H Clubs.

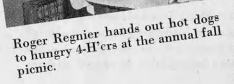

1.) 4-H Club members from Dickinson County present a skit on the 4-H Club hour.

2.) Collegiate Club members conduct a half-hour radio program.

COLLEGIATE

Johnnie Aiken, collegiate president calls a regular club meeting to order.

OUTSTANDING SENIORS

Margaret Ramsdale Sedgwick County School of Home Economics

Marjorie Tennant Riley County School of Home Economics

Helen D. Jenkins Lyon County School of Home Economics

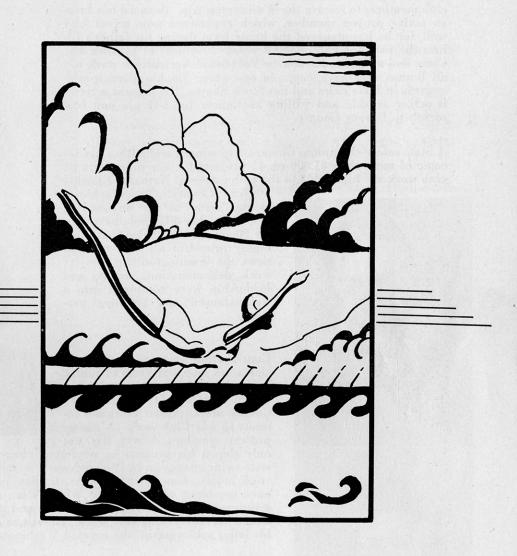

James Shaver Sherman County School of Agriculture

Beth Stratton Wyandotte County School of Home Economics

Doris Galloway Cloud County School of Home Economics

These outstanding 4-H Club members are seniors at Kansas State College. They were chosen on the basis of their activities in Collegiate Club work during their four years of college training. The names of these members will be engraved on the bronze plaque in the state club office.

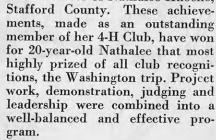

Your Leaders of Tomorrow

STATE LEADERSHIP CHAMPIONS

An auctioneer, farm manager, crops judge and club president are only a few of the achievements of Bernard Gatz 18-year-old Harvey County 4-H Club member who is one of the four Kansas club members to receive the Washington trip. Bernard has been an active project member, which experience now serves him well, for he has managed the home farm during his father's illness the past one and one-half years. President of his own 4-H Club, and a Kansas Farmer in Vocational Agriculture work are all honors that have come in one year. He has participated actively in State Fairs and Fat Stock Shows. His present activity is acting as able and willing auctioneer for 4-H pie and box socials in Harvey County.

A State safety champion, Chicago trip winner and with a net income of more than \$1,000 on 41 projects for her nine years of club work are highlights to the club career of Nathalee Knoche,

Continuation from nine years of club work and four years of junior leadership to the adult leadership of the Welcome Club in Geary County marks Albert Morgan's interest in 4-H Club work. A strong project member, Albert has not

only shown his projects to numerous championships but was state swine champion in 1944 and was a member of the state livestock judging team in 1943. Twice president of his local club and once president of the county Who's Who, recognized as outstanding boy at the 1944 Fat Stock Show and winner of the Fidler award for outstanding club work, Albert was a top candidate for his latest achievement, the coveted Washington trip.

An intensive junior leadership program within Rice County and her own Rosebud Club caused selecton of Lulu Mae Williams for 1946 Washington trip winner. Four years as a junior leader gave Lulu Mae opportunity to help organize another 4-H Club, plan 4-H Sunday programs, serve on county style revue committee, promote club work before Lions and Kiwanis Clubs and plan Achievement Days. In one year she was chosen as outstanding leadership girl and outstanding club president in her county.

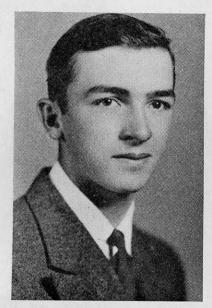

CAPPER SCHOLARSHIP WINNERS

ROY HANDLIN Ellsworth County

Roy Handlin, 20, Genesco, has been an outstanding member in Ellsworth County for 9 years. He completed 23 projects including baby beef, breeding beef, sheep, poultry, corn, sorghum and wheat.

He served as reporter of his local Wolf Creek 4-H Club for 1 year, vice-president for 1 year, then was elected president for 4 years.

Roy has been an oustanding leader in club activities, his church and community. He has set a fine standard of achievement for all to strive to equal.

Enid Keiswetter, of the Bow Creek Club in Graham County, has been a 4-H Club member for 8 years. The 18 projects she completed included food preparation, clothing, home improvement, food preservation, junior leadership, beef, poultry and swine.

Enid has held many offices including the county council secretary for 4 years and president for 2 years. She was elected secretary of her own Bow Creek Club for 5 years and reporter for 2 years.

Enid has gained a world of valuable experience in 4-H Club work which has been an enormous asset to her in adapting herself to college life as a freshman in home economics at Kansas State College.

ENID KEISWETTER Graham County

CHICAGO TRIP WINNERS

"4-H in A Changing World" was the theme of the National 4-H Club Congress at Chicago, December 2-6. Twenty-six Kansas 4-H members and four leaders attended this 23rd annual gathering of leading club members of the nation. This group included state champions and Santa Fe and Rock Island Railroad trip winners.

Four Kansas delegates were awarded national recognition—Mary Nelson, Allen County, leadership winner; Jack Baird, Cowley County, soil conservation winner; Merle Wolf, Allen County, winner in national crops contest; and Esther Page, Shawnee County, farm safety champion.

The week's visit in Chicago was planned to include sightseeing trips to points of interest in the cty. Some of the places visited were the Field Museum, the Chicago Art Institute and many other industrial plants, museums and art galeries. Famous people of the radio, screen and stage entertained the delegates during the week.

Meeting and becoming acquainted with 4-H members and leaders from other states was one of the most enjoyable and valuable experiences of the week. Club members and leaders from 47 states and approximately 30 foreign representatives made up the 1945 4-H Club Congress.

This trip is one of the highest honors that can be given to a 4-H member. By bringing leading club members together it is hoped to increase the influence and membership of the 4-H Clubs.

MINIWANCA CLUB

Organized in 1941, the Miniwanca Club was named the Danforth Founder's Club. Since 1944 it has been known as the Miniwanca Club. It is a chapter of the American Youth Foundation Fellowship.

The Miniwanca Club is composed of 4-H members who have attended the American Youth Foundation Camp at Shelby, Michigan. The purpose of this group is to carry out the camp's four-fold program: mental, physical, social and religious development of the indvidual.

Two freshmen and two juniors from the School of Home Economics and the School of Agriculture at Kansas State College are awarded scholarships to the camp each summer. During the war the state junior leadership winners have attended Camp Miniwanca instead of the National 4-H Camp at Washington, D.C.

Washington trip wnners in 1945 were Virginia Harlow, Mitchell County; Carol Jean Heter, Rice County; John Good, Crawford County; and Jim Pratt, Sheridan County. National leadership champion was Mary Nelson of Allen County. This summer the following will attend the National 4-H Club Camp in Washington, D.C.: Nathalee Knoche, Stafford County; Bernard Gatz, Harvey County; Lulu Mae Williams, Rice County; and Albert Morgan, Geary County.

Last summer the following Kansas 4-H members attended Camp Mniwanca: Vada Walsten Reno County; Mary Schlagel, Johnson County; Lester Goyen, Pratt County. Leslie Frazier, Reno County Club Agent, and Alma Becker, Miami County Home Demonstration Agent, accompanied the members.

STATE CHAMPIONS

1. Mary Ellen Schmidt, Morris, general home economics. 2. Merle Wolf, Allen, general crops. 3. Joan Launhart, Harvey, canning. 4. Norene Francis, Mitchell, food preparation. 5. Bill Vogel, Labette, general livestock. 6. Stanley Meinen, Sherman, home improvement. 7. Carolyn Anderson, Lyon, style revue. 8. Keith Knudson, Brown, swine. 9. Wayne Upham, Geary, turkey. 10. Roberta Dill, Rice, garden and potato. 11. Jewell Walden, Sheridan, wheat. 12. Esther Page, Shawnee, farm safety. 13. Margaret Dahlquist, Pawnee, clothing. 14. Laurel Sundgren, McPherson, beef. 15. Marvin Young, Shawnee, corn. 16. Paul Enders, Rice, sheep. 17. Edward Valek, Republic, best groomed boy. 18. Richard Flottman, Neosho, sorghum. 19. Evelyn Vopata, Marshall, poultry-breeding. 20. Paul Enders, Rice, sheep. 21. Byrdie Mae McClintick, Crawford, frozen foods. 22. Reva Jean Thurlow, Clay, poultry-laying. 23. Dean Neher, Labette. dairy.

Group that attended the state Rural Life Conference.

RURAL LIFE CONFERENCE

The Rural Life Conference, held in Manhattan, was the first of its kind since the beginning of the war. Over 150 persons from 28 counties in Kansas attended this conference. Future plans for the rural life groups over the state were made, district directors being elected. Those elected for the Eastern section: Ambert Meyer, Olathe, and Mrs. Marcella Melton, Topeka; for the Southwest: Gene Mott, Iuka, and Mildred Kincaid, Mulvane; and for the Northwest district: Voiland Engle, Abilene, and Clara Duston, Smith Center.

Rural Life groups were designed to take the place of 4-H Club work for those members who have reached the limit of regular club age. However, it is not required that a member have former 4-H Club training to be a member of a rural life group.

The Collegiate 4-H Club president presides at a dinner meeting of the conference.

Nylon hose being auctioned during an evening meeting of the rural life conference. Proceeds were put into the State Camp Fund.

KANSAS WHO'S WHO CLUB

Each year Kansas 4-H Club members who rank in the upper ten per cent in their county are eligible to membership in the Who's Who Club. Applications are approved by a committee of Who's Who Club members and initiation takes place at State Club events.

To qualify for membership, a 4-H member must have contributed to the club program in the county through project work, leadership, and community activities. The members must be 15 years of age, have been in 4-H Club work for three years and have participated in county and out-of-county activities; such as, district festivals, district fairs, and state events.

Participation in such activities as spring festivals, demonstration contests, judging, health improvement, safety or conservation, exhibiting at county fairs, junior leadership and county council membership is required for Who's Who membership.

Plans include organization of county Who's Who Club groups. Along with social activities, this group of outstanding rural youth would plan ways to advance Extension work in their communities. Members of this honorary 4-H Club assume responsibility of leadership and service. The county groups present greater opportunities for this leadership service.

Your Record of Progress

KANSAS 4-H CLUB WORK

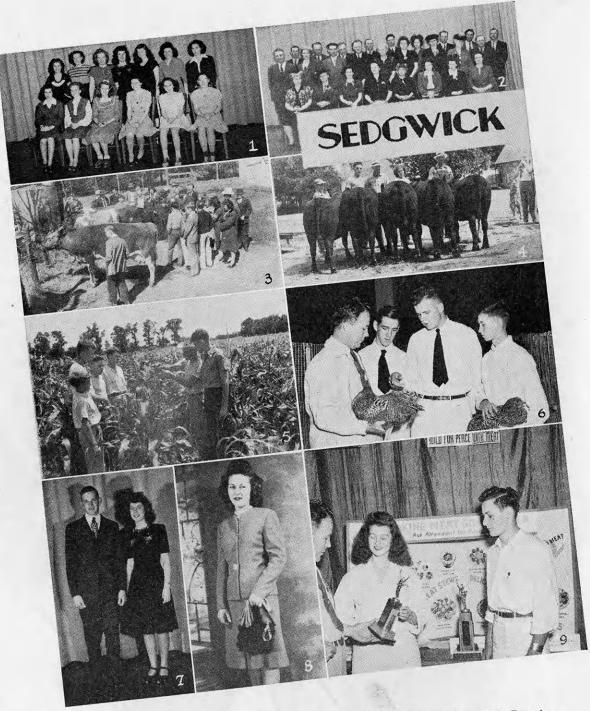

Strong projects are the basis of successful 4-H Club work in Kansas. Part of the value of the Kansas 4-H program to its members is the realization that farming is not only an occupation but a way of life. Out of this has grown the following goals:

- 1. Stronger projects—higher quality and a size to challenge ability.
- 2. Expanded leadership program—more local leaders, more training helps.
- 3. More personnel for 4-H Club work—1946, 19 county club agents; 1947, 43 county club agents.
- 4. Expanded membership program—1946, 25,000 members; 1947, 35,000 members.
- 5. A 4-H Club in every community—1,250 clubs in 1946.
- o. A State 4-H camp and improved county camps.
- 1. A program for older youth—county Who's Who and Rural Youth clubs.

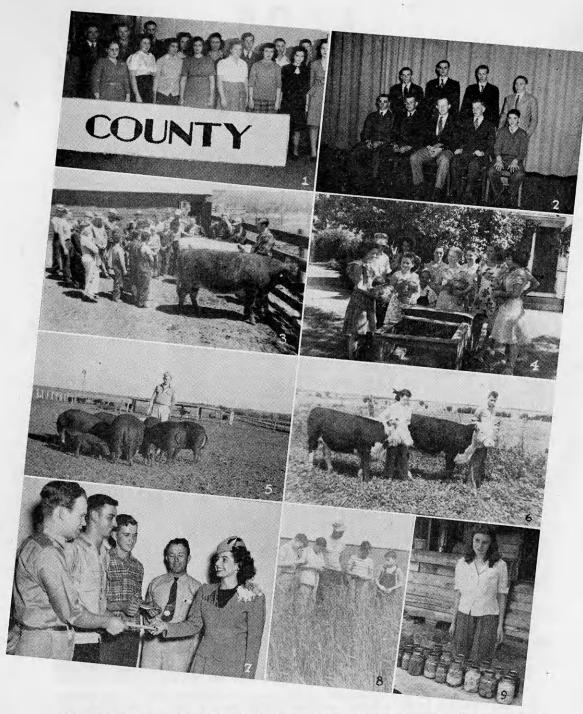

The 4-H Club work has been a big factor in bringing rural boys and girls in contact with better practices in agriculture, homemaking, and in community service. These boys and girls are trained for leadership and receive much benefit from a cultural and vocational standpoint.

1. Viola Thomas, style revue champion. 2. Ronald Ridlon, best groomed boy champion. 3. Cloverleaf Climbers champion softball team. 4. Patty Lewellen, poultry champion. 5. Calvin Orr, sheep champion. 6. Zelda Cornett, swine champion.

1. 1945 girls project champions. 2. Leaders given state recognition at 1945 achievement banquet. 3. Extension dairyman J. W. Linn tells dairy club members some important points in judging dairy eattle. 4. Baby beef projects of Marilyn and Billy Becker of Schulte. 5. Howard Somers, Community Leader at Derby, instructs club members on corn culture. 6. Champion poultry judging team at Kansas National. 7. Norma Jean Haley, Riverside, and Harold Dalbom, Viola, winners of Eagle awards for junior leadership. 8. Evelyn King, Mulvane, two times county style revue winner and two times blue ribbon winner at State Fair. 9. Champion Meat Identification and Judging team at Kansas National.

1. 1945 initiates in county Who's Who. 2. 1945 boys project champions. 3. Carl Elling, Extension Animal Husbandryman, conducts a livestock judging school. 4. Members of the Delano Club hear Betty Butler give some pointers on poultry. 5. Roger Wilke Ninnescah Valley, county swine champion and his project. 6. Marjorie and Lowell Lygrisse of Greenwich and their polled Hereford heifers. 7. Champion livestock judging team at State Fair and Kansas National. 8. Harold Dalbom, Viola, county wheat champion and club members inspect some of Harold's wheat. 9. Marie Godwin, county canning champion.

LYON

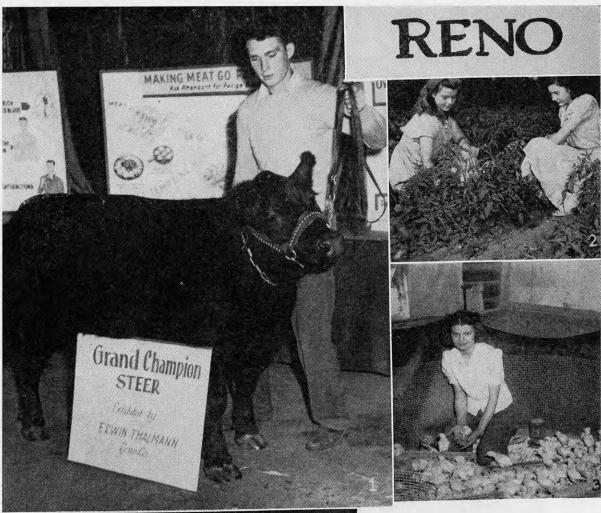

1. Dorothy Roberts, county clothing champion. 2. Square dance group at spring festival. 3. Bill Edwards, best groomed boy. 4. Carolyn Anderson, county and state style revue winner. 5. Wanda Bacon, clerk, and Wayne Stallard, assistant mayor at 4-H camp. 6. Herman Wingert, county general livestock champion, and Alfred Kitcham, blue winners of safety demonstration. 7. Sunflower 4-H Club members. 8. Richard Mayes, Jr., county champion of gardening. 9. Maxine Boyce, member of county and state demonstration team. 10. Lola Keech, member of county and state demonstration team. 11. Group at County Fair. 12. Work-to-Gether Club. 13. Winners at 4-H fair. 14. Bob Long, dairy champion. 15. Chow line at Camp Wood. 16. 4-H members at Camp Wood. 17. Agents at Camp Wood. 18. Wanda Bacon, President County Council and County Food Prep. Champion. 19. Kieth Nielsen, county champion in tractor maintenance and County Council member.

FORD

1. Fern Hahn, reporter champion. 2. Vernon Schneweis, beef champion. 3. Kay Melia, safety winner and blue ribbon poultry winner. 4. Eletha Lembright, food preparation champion and outstanding girl. 5. Doris Hahn, safety winner and blue ribbon poultry winner. 6. Robert Heinz, swine and general livestock champion. 7. Bill Brooks, sheep champion. 8. Verne Johnson, safety winner. 9. Dale Ricker, corn champion. 10. Barbara Willis, conservation champion. 11. Harry Toles, sorghum champion. 12. Darrell Williams, blue ribbon poultry winner. 13. Nancy Pinkney, home beautification champion. 14. Vera Lee Unruh, food preservation, garden, and general home economics champion. 15. Patty Lembright, style revue champion. 16. Doris Lembright, clothing champion and blue ribbon poultry winner. 17. Donald Hahn, junior leadership champion. 18. Virginia Bateman, junior leadership champion. 19. Richard Maxwell, home improvement and safety champions; also outstanding boy. 20. Julius Williams, dairy champion. 21. Eugene Oberle, blue ribbon winner in poultry.

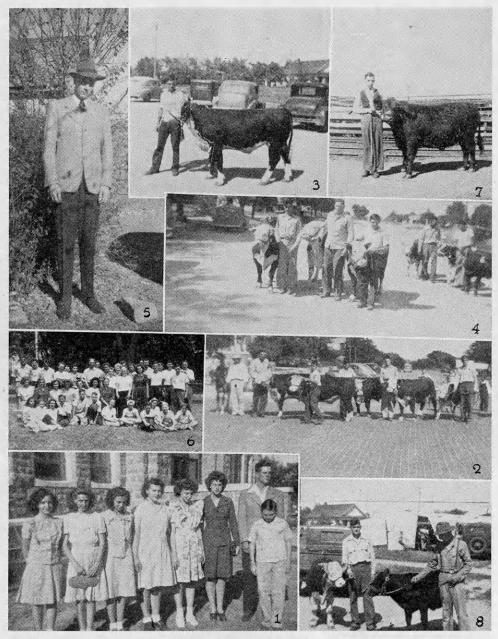

1. Erwin Thalmann and his grand champion steer of the Fat Stock Show. 2. Pat Glover, Sears county 4-H garden winner, and Pat Cooper. 3. Barbara Frazey, county poultry champion. 4. Winners at the Fat Stock Show: Donald Dirks and his reserve champion Hereford; Erwin Thalman with his grand champion baby beef of the Show; Leslie Frazier, county club agent, holding the champion lamb.

PHILLIPS

1. Style revue winners at county fair: June McCue, Gerline Wilson, LaRita Vincent, Patricia Robinson, Patricia Thomas, Jeanette Noel, Edward Kaiser, Lowell Elliott. 2. Baby beef winners at county fair. 3. Vernon Knowles and his grand champion baby beef at the county fair. 4. Bobby McClellan's baby beeves at county fair. 5. Edward Kaiser, leadership boy and best project boy. 6. Phillips county group at 4-H camp at Hays. 7. Bobby McClellan and baby beef at American Royal. 8. Glen Ross and Carol Franke with their baby beef projects.

KIOWA

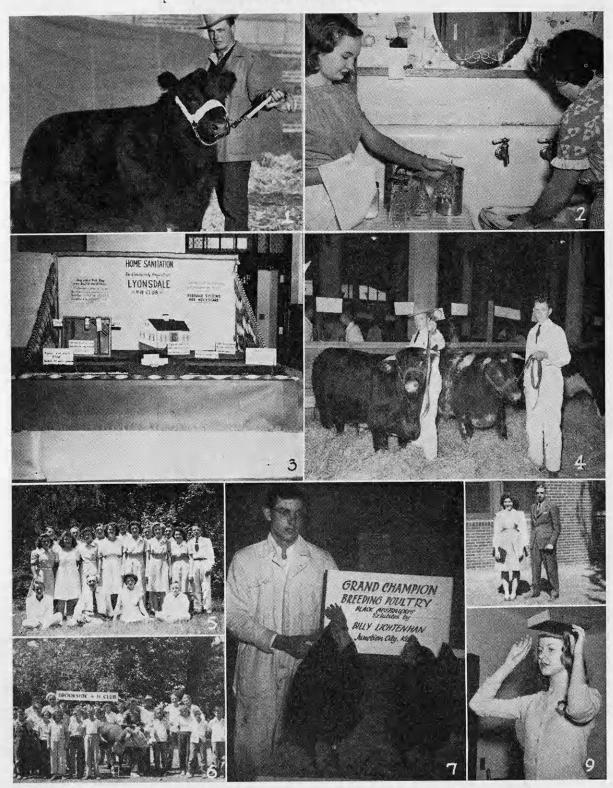

1. Laurance Copeland, wheat champion. 2. Cordella Meyer, girl leadership champion. 3. Leona Binford, food preservation, style revue and general home economics champion. 4. Joan Davis, food preparation champion. 5. Clark Sloan, third place garden in the county. 6. Upward Strivers 4-H Club. 7. John Rosenburger, garden and beef champion. 8 and 9. Allen Miller and his swine project. 10. Allen Binford, dairy and best groomed boy champion. 11. Donna Gayl Rinkel, reserve champion in food preservation. 12. Southwestern Royal's 4-H and posters they made as a club project.

COWLEY

1. Jack Baird, West Bolton 4-H Club; county, state, and national blue ribbon winner in soil conservation. 2. Walnut Valley 4-H Club: Armistice Day float. 3. Jeanine Womacks, Mt. YOUR HERITAGE

Jack Thomas

Staunch the heart of the Farmland Lad,
Sturdy and stalwart the soul;
Imbued with a force and a spirit glad
That carry him on his goal!
With heritage clean and outlook bright,
And mind and body strong,
He's given the courage to dare and fight,
Upholding right from wrong!

And sweet the soul of the Lassie, fair—
Who shares God's sun and earth—
Given a grace and courage rare
By the miracle of her birth.
Knowing no course but what is right,
Carrying on with a song;
Helping her brother to dare and fight—
Upholding right from wrong.

With heritage old as the Evening Star,
And pure as the heaven above,
The hearts of these Lads and Lassies are
Imbued with a loyal love
To play the game with honest might,
And smile as they go along;
Ever with courage to dare and fight—
Upholding right from wrong!

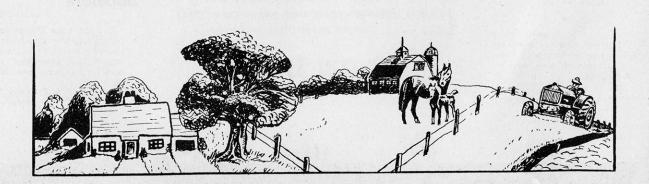

And through the years that come and go,
These Youths of the countryside,
Achieve and conquer and gallantly sow
The seeds of a nation wide.
Knowing no course, but what is right,
With minds and bodies strong,
They're given the courage to dare and fight—Upholding right from wrong!

Your 4-H Boosters

June 12, 1945
"I have been using John Deere
tractors on my farm since 1929,
and at present have four of
them in use."

Albert Wierenger Caledonia, Mich.

JOHN DEERE TRACTOR

YOU can get the most convincing proof of the superiority of John Deere Two-Cylinder Tractors from farmers who've owned more than one. There are literally thousands and thousands of them. Their actions speak louder than words.

These men were sold their first John Deere on features they thought a farm tractor should have. But they enthusiastically bought their second . . . third . . . fourth . . . even fifth John Deere because of their day-to-day, profitable experience in the field.

If you're in need of a tractor, check up on the outstanding advantages of economy in operation and upkeep of the John Deere . . . the simplicity for more dependable performance . . . the easier, on-the-farm maintenance . . . the ease of handling . . . the durability for longer life which John Deere two-cylinder engine design gives you.

John Deere Tractors are rolling off the assembly lines in a variety of up-to-the-minute models and power sizes—for every farm . . . every crop . . . every pocketbook. If you cannot get one immediately, the day is not far off when the type and size that fits your needs will be available. Get in touch with your John Deere dealer today.

JOHN DEERE

Moline, Illinois

Nov. 8, 1945

"It was 18 years ago when I purchased my first John Deere tractor—a Model "D". *** Since then, I have purchased six more John Deere tractors and have a present a Model "B", "A", and a "D". I have recently placed my order for a new Model "D"."

E. J. Schuchart Union, Mo.

Sept. 10, 1945

"I have been the owner of John Deere tractors and equipment for fifteen years. At present, I am operating seven Model "B's" and one Model "G"."

P. D. Fulwood, Sr. Tifton, Georgia

Model "GM" 3-plow size.

Model "A" 2-3-plow size. Seven types

Model "H" 1-2-plow size. Two types.

Model "B" 2-plow size. Seven types.

Model "D" 3-4-plow size.

A SALUTE To Loyal 4-H Club Workers!

And here's a tip that will help you keep up the good work:

Read the Kansas City Daily Drovers Telegram regularly.

• The Drovers Telegram 4-H column brings you news of Club activities from all over the Midwest.

• The Drovers Telegram reports in full all 4-H events and winners at the major shows and fairs

 Its purebred livestock columns will guide you to quality animals for club projects, keep you informed on their prices.

Its market news and features will keep you informed and alert on the market situation.

 Its features on farming and livestock will help you keep posted on modern farming as it is practiced by farmers all over the Corn Belt.

If you own livestock, the Drovers Telegram is your business journal!

"Do you serve women at the bar?"

"Nope, gotta bring your own." H-H-H-H

The average woman is scared to death of a mouseuntil she promises to love, honor, and obey him. H - H - H - H

"I have come to join my husband," said Mrs. Smith, arriving at the Pearly Gates.
"Delighted to meet you, Madam," replied the keeper.
"What was your husband's name?"
"Joseph Smith."

"I'm afraid that will not be sufficient for us to identify him. You see, we have quite a lot of Joseph Smiths up here. Are there any other means by which I can identify "Well, before he died he told me that if I ever kissed

another man he would turn over in his grave.' 'Oh, I know the chap. Up here we call him 'Whirling

Joe."

"GOOD CLOTHES

for Men and Boys"

We wonder why the stork gets blamed for a lot of things that some other bird is responsible for.

H-H-H-H

An infant was awakened from a peaceful slumber in the hospital. Looking down his raiment he yelled over to the occupant of the next crib:
"Did you spill water on my diaper?"

"Nope."

"Hmmm—must 'a been an inside job."

H-H-H-H

Six ages of women:

Safety pins. Hair pins. Fraternity pins. Diamond pins. Clothes pins. Rolling pins.

Mary had a little lamb; that time has passed away.

No lamb could follow the pace our Mary sets today. For now she rides the air-shod wheel, in skirts too short

by half;

No lambkin shares her airy flights, but you can see her

I DON'T WANT TO GET TOUGH.

BUT-LOOK-A-HERE, PODNER... now that you've got your book larnin' I'll tell you how to shoot off those expensive corners. That's where electric service is right there on the barrel head to help you along. Cost of electricity, that straight shootin' helpmate that smooths out a hundred and one of those ornery chores at home or on the farm, is half the price it was 20 years ago.

KANSAS CITY POWER & LIGHT CO.

KANSAS CITY, MISSOURI

YESTERDAY

The great state of Kansas was one of boundless plains and rich wooded areas waiting for our pioneers.

TODAY

Kansas ranks as one of our richest states, "the bread basket of the world."

TOMORROW?

Opportunity still beckons with bountiful promise. The destiny of the state and the whole nation is in the hands of the boys and girls of today.

You young men and women of Kansas State, as well as the youth of all our other schools and colleges must be the ones to carry on.

Yours will be the responsibility of government, industry, education and the solving of economic problems of the future.

Shall postwar conditions bring adequate employment, a high standard of living, a practical permanent peace? Or, shall we see a destructive depression, widespread unemployment and a host of other economic ills?

Cooperatives see a way for economic independence for the people, opportunity for understanding between nations, the removal of greed and suspicion between peoples — a better way of life for the future. Free information will be gladly sent you. Address—

Read What EXPERTS Say About Cal-Phosphor SALT BLOCK

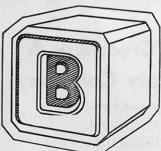

If cows need extra minerals at all, phosphorus is the one element outside of salt or iodine which they need most. Whatever mineral supplies phosphorus the cheapest, is ordinarily the thing to buy, just so it is suitable and palatible to the animals.

University of Wisconsin.

Calcium and Phosphorus along with salt are the most essential minerals for dairy cows.

Iowa State College.

Experienced experts report that calcium and phosphorus are vitally needed minerals, whether on the range or in the feedlot. And the most convenient way to supply them is by combining them with salt. Cal-phosphor salt block contains just the right portion of these and other minerals. Try this economical, practical way to protect your livestock.

Production-wise FARMERS PREFER Massey-Harris

A manufacturer figures his production 4 waysmachine output, cost, time and labor. It's the way a farmer should figure his productionand it is on the same basis that he should judge his farm equipment. With common-sense engineered features which cut cost, time, and manpower, Massey-Harris machines are designed for maximum production.

It's a Massey-Harris obligation to produce field proven, cost-reducing machines for better farming. Shown here for example is the Massey-Harris 7-foot Self-Propelled Clipper Combine which saves up to ½ bushel of grain per acre by saving that part of the crop normally lost on the opening cut. The Self-Propelled Clipper is but

one of many Massey-Harris profit - building machines -better-built, better - engineered for profitable farming.

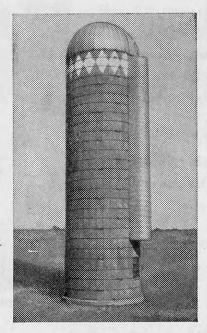

MASSEY-HARRIS SELF-PROPELLED CLIPPER COMBINE (7-Foot Cut)

In the 7-foot Self-Propelled Clipper you get Massey-Harris original 3-point construction plus the cost-reducing advantages of self-propelled combining. You buy fuel for only one economical engine—save grain, time and labor . . . enjoy more freedom at harvest time. And your tractor is free for other rush jobs. Farmers who know insist on the genuine Massey-Harris 7-foot Self-Propelled Clipper.

Branch At Kansas City, Mo.—General Offices, Racine, Wis.

TONGUE-LOCK DIAMOND TOP CONCRETE STAVE SILOS

Longest possible service with the least possible worry and trouble are the big features you will enjoy in your Mc-Pherson Tongue-Lock Diamond Top Concrete Stave Silo. You also have our 33 years of experiassure you of a better silo.

CITIZENSHIP

is the watchword for individuals and groups to-day.

In a country as large as ours, citizenship can function only through group action.

The Farm Bureau is the largest farm organization in the world.

The Farm Bureau provides for the association of agricultural people on a township, county, state and national level.

The Farm Bureau provides for study, discussion and action on any issue of interest to its members.

The Farm Bureau incorporates that action into a program of work each year.

Twenty-seven years' history shows a high "batting average" between our program of work, and measures that have been made effective and permanent.

The Farm Bureau Develops Citizenship

It Makes Citizenship Effective

"Ye've worked hard and willingly for me, Pat," said the farmer to his oldest employee, "and I'm going to give ye that fat pig."

"May heaven bless ye, sorr," said Pat. "It's just like ye."

H-H-H-H

Minister: "Do you say your prayers at night, little boy?"

Jimmy: "Yes, sir."

Minister: "And do you always say them in the morning?"

Jimmy: "No, sir. I ain't scared in the daytime."

JOHN DEERE SIGHTS WERE SET HIGH

All during the war, the experimental departments in John Deere factories continued, without interruption, their development of new and improved machines. Sights were set high . . . designers aimed at new and practical ways of making farm life easier, more profitable. And shortly, the farmers of America will see a parade of great equipment that will prove their aim was true . . . equipment matched to the 109-year-old John Deere tradition of quality manufacture—more value for the dollar invested.

Visit Our Rumpus Room In Topeka, Kans.—608 Kansas Ave.

Farm Cooperatives are the business subsidiaries of our family type farms.

Through them the family type farm is able to compete with the large factory type farms on a more equal footing.

Local Cooperative

If our farm homes on family type farms are to withstand the impact of factory type farms, we must give them a fair chance by building and supporting our local and regional cooperatives.

Boys and Girls of the 4-H Clubs of Kansas. Because of the fine training that you receive through your club work, yours will be a large share of the responsibility for the preservation of our farm homes and of our family type farms, which are the very foundation stones of our democracy.

FUJA Terminal Elevator Topeka, Kansas
