

# The School Bus Comes to Hale Library:

Moving Out of the Classroom and Out of the Stacks to Engage with the K-12 Community

Heather Healy, Sarah Hoyt, & Ashley Stark  
Kansas State University Libraries

## Elementary School

Hale Library: It's a Great Big Building! gives elementary school students the chance to match up playing card images to the real things in the library.

Smile, It's Hale Library! offers kids a chance to have their photo taken while interacting with various spaces and technologies.

## Middle School

You've Got Questions; We've Got Answers engages middle school students using the Cephalonian Method.

Hale: A History examines architecture and space usage.

## High School

Comparing Academic and School Libraries helps high school students explore different aspects of an academic library.

Hale: A History examines architecture and space usage.

## Before

Disorganized  
Lecture style  
Putting out fires!

## After

Organized  
Active learning  
Planned ahead!
