Round-up

The Eleventh Annual 4-H Club Round-up was the warmest on record. Beginning with a temperature of 108 degrees and passing 112 before the week was over, the weather upset some of the regular features of this annual affair. The heat tunnel lost its thrill and the humidity of the various buildings became rather monotonous. The open air meeting of games and stunts held in the stadium, was a pleasant relief. The group singing lead by Mr. Carberry was an inspiration to all.

As a whole, the Round-up showed its continued steady increase in number of counties represented, spreading its constructive influence over the entire state. A well balanced program for boys, girls, and leaders, in single groups and in a combined organization, lent inspiration to the entire week.
The 4-H club members of Kansas owe much credit to the twenty-six county home demonstration agents, the eighty-three county agricultural agents and the one county club agent in our state. These people work in cooperation with the state leaders, Mr. M. H. Coe, Miss Lora Hilyard, Miss Mabel Smith, Mr. A. J. Schoth, and Mr. Albert Pease. It is the combined efforts of this group of people that have put 4-H club work on the high level that it is today.

The 4-H members of Kansas wish to express their appreciation to the entire extension force of Kansas State College, as well as this group working out over the state.

Kansas Collegiate 4-H Club

The Kansas Collegiate 4-H Club which was organized in 1927 has now grown to be one of the most outstanding groups of students at Kansas State College. Business meetings are held twice a month. The purpose of this club is to further the ideals of 4-H club work and to bind together for systematic work those who have been 4-H club people before entering college. It is also their desire to create a wholesome social life for the members. Some of the activities of the Collegiate 4-H Club are: editing Who's Whoot, contributing to a $1500 loan fund, available to 4-H students attending college, assisting with Round-up, conducting 4-H programs from station KSAC, and furthering Rural Life Betterment.

The staff of 1934 wishes to express its sincere appreciation to those whose work has made the Who's Whoot a success, and to its advertisers for their cooperation. The staff presents this annual to the furthering of better 4-H Club Work.
Collegiate 4-H Club Quartette and Trio

The Collegiate 4-H Club Boys' Quartette was organized in 1929; the Girls' Trio in 1932. The purpose of these groups is to represent the club on their programs during the year. They have sung on the annual National 4-H Achievement broadcasts from station WREN, Lawrence, the annual Collegiate Banquet and dance, the spring party, Farm and Home Week programs, club meetings, over the 4-H Radio Broadcasts, and on many other programs.

Members of the trio are: Lucille Piper, Sherman County, soprano; Opal Bowers, Idaho, second soprano; Ruth Parcels, Brown County, alto. Ethel Rosey is the accompanist for both groups.

Members of the quartette first semester were: Dudley Flint, Monroe Coleman, Wilton Thomas and Duke Regnier. Members of the quartette second semester were: Dudley Flint, Crawford County, first tenor; Roy Freeland, Atchison County, second tenor; Wilton Thomas, Clay County, baritone, and Dwight Thompson, Sedgwick County, bass.
Collegiate 4-H Club Dinner Dance

Governor Landon was the speaker of the evening at the fifth annual dinner dance held December 15, 1933, at Thompson Hall. Other numbers on the program were: songs lead by Earl Regnier, invocation by Dr. Holtz, selections by the quartette, selections by the girls trio, "4-H Dinner Dance through the Keyhole" by Linford Truax and Robert Spencer, selection by an instrumental trio, numbers by dancers from Lillian Amos School, greetings by President F. D. Farrell.

The Christmas idea was carried out with a color scheme of red and silver. This included the Christmas tree, table decorations, wall decorations and programs. Tiny Christmas trees and candy bags were given as favors. After the dinner and program, dancing was the feature of the evening. Frank Burson, president, was master of ceremonies. There were about two hundred in attendance.
Kansas 4-H Club Radio Programs

Three times every week over radio station KSAC, 4-H club members all over the state may hear programs of particular interest to them. These programs, sponsored by the Collegiate 4-H Club, are presented on Tuesday and Thursday afternoons from 4:30 to 5:00 o’clock and Saturday afternoon from 12:30 to 1:30 o’clock.

On Tuesday and Thursday music appreciation programs are presented under the able direction of Jessie Dean. On Saturday the program consists of music, readings, book reviews, talks by Collegiate 4-H Club members, and talks by faculty members of Kansas State College. The Collegiate 4-H Club’s share of the program is arranged by Gertrude Greenwood. Mr. Coe usually presides at these broadcasts.

These programs were first presented in 1926 and since then have been found very helpful and interesting to all 4-H members.

BOOK FOUR
The Master 4-H Club

The Master 4-H Club of Kansas is an organization of all club members who have won national recognition in 4-H leadership. The club was organized in Kansas at Manhattan in June, 1929.

With the exception of Pius Hostetler, all members of the club have been awarded trips to the National Encampment at Washington, D. C. In recognition for his work as a leader, he was chosen a delegate to the Leadership Training School at Springfield, Massachusetts.

The new members for 1932 were: Virginia Wagner, Franklin County; Lottie Keasling, Cowley County; Joe Wetta, Sedgwick County; and Ronald Robb, Ford County.

Members of the past years and the year in which they were delegates are as follows: 1927, Louise Lumb, Clay County; Mary Tilton, Mitchell County; Frank Parsons, Sherman County, and Frank Zitnik, Cherokee County; 1928, Lois Starbuck, Sherman County; Nola McCormick, Sedgwick County; Leonard Rees, Dickinson County, and Lloyd Davies, Lyon County; 1929, Ellen Blair, Franklin County, Mary Hellmer, Lyon County; Boyd Worthington, Harper County, and Ben Kohrs, Dickinson County; 1930, Jeanette Gamble, Montgomery County; Olga Larson, Lincoln County; Gaylord Munson, Geary County, and Albert Pease, Bourbon County; 1931, Vera Crispin, Jewell County; Florence Melchert, Franklin County; George McColm, Lyon County; Milton Kohrs, Dickinson, and Pius Hostetler, Harper County.

Each year the Master 4-H club holds a meeting at the round-up in which they discuss leadership problems and activities as well as a social gathering for the renewal of acquaintances.

The present officers are Morris Humes, president; Joe Wetta, vice president, and Olga Lawson, secretary-treasurer.

Leader of Merit

Florence Phillips of Lyon County has been a club member continuously since 1928 during which time she has completed 12 projects. For the last three years she has carried the leadership project.

Florence has been active in judging team work and competed in ten different contests. In 1930 she ranked first in the clothing judging contest at Hutchinson. She has won five trips to the round-up by virtue of being county winner in various projects. In 1931 she won a Santa Fe trip to Chicago for her outstanding project work in the county.

She was a successful exhibitor at local, county, and state shows, having made 27 exhibits at local shows, 40 at county shows, and 16 at state shows. The club members under her direction have been very successful in their county and state fair exhibits.
Arthur Bell has been a club member in Bourbon County since 1928 and has carried leadership for the past three years. He has completed 14 projects. For two years Arthur has been president of a club which now has a membership of 92. He has attended round-up twice and was mayor at the Hutchinson fair encampment in 1933. In 1932 he was state crops champion and was awarded a trip to the National Club Congress. Arthur has been a member of the various judging and demonstration teams that ranked high in the county and state. He was a member of the state champion dairy demonstration team and attended the National Dairy Cattle Congress at Waterloo, Iowa. He attended 85 regular and project meetings, play, model club meeting, and demonstration practices during 1933 and traveled 3,895 miles in discharging his various duties.

For distinguished work in Leadership four Kansas youths were awarded a trip to Washington, D. C., where they participated in the National 4-H Club Camp. Those attending were Miss Virginia Wagner, Franklin County; Miss Lottie Keasling, Cowley County; Ronald Robb, Ford County, and Joe Wetta, Sedgwick County, together with M. H. Coe and Miss Georgiana Smirthwaite.

The camp was held on the grounds of the Smithsonian Institute. Programs were unusually interesting since they dealt with the new farm management “set up” with which everybody was vitally concerned. The campfire programs held under towering oaks were very impressive and inspirational.

On the return trip we stopped in Chicago and visited the Worlds Fair Exhibition. Here a very spectacular display was gathered together on the shores of Lake Michigan. After a four-day visit at the fair we returned home, inspired to be still better leaders in 4-H club work.
