PRESIDENT PORTER SPEAKING

Dear Future Farmers:

It is time now that we should begin new plans to make this year the most successful in the history of our organization. You all want a strong, active and growing chapter. You may have this only by constructing a well planned program of work. Without a complete, balanced, well planned program, our efforts, as an organization, are apt to be in vain. I hope that your plans are already formulated and that you have kept in mind the controlling purposes of our organization--the development of leadership, the creation of interest in, and love for farming, the encouragement of cooperation, the promotion of thrift, and the improvement of scholastic abilities. However, I believe there is one other purpose which is often forgotten by us. That is the advancement of the cause of vocational education in agriculture in our public schools.

I wonder if, in our individual chapters, we are making our work known to the community in which we live. There is no better way in which to promote the organization of Future Farmers of America than to create an interest in, and a respect for it in the community.

May we all live to exert an influence in the life of our fellow workers so that we may truly say, as does our Creed, "I believe in leadership from ourselves and respect from others".

Sincerely,

*Walter Porter*

Walter Porter, President  
Kansas Association of F.F.A.

## OFFICIAL BAND

The Iowa Association of F.F.A. will provide the official band for the convention.

## AMERICAN FARMER DEGREE

The four candidates recommended by the Kansas Association of F.F.A. for the American Farmer degree are: Albert S. Coates, Shawnee Mission chapter, Merriam; Leonard Deets, South Haven chapter, South Haven; John Wier, Arkansas City chapter, Arkansas City; Emil Heck Jr., Jayhawk chapter, Lawrence.

## STAR FARMER AWARDS

The regular application and records of candidates for the degree of the American Farmer in the F.F.A., forwarded by the States to the national office, will be used as the basis for selections. States have no responsibility for entering a candidate for a Star Farmer Award since the records of all American Farmer candidates elected to the degree will be reviewed in the process of scoring for Star Farmer awards.

In addition to the \$500 award to the "Star Farmer of America" regional rewards of \$100 each will again be made through W. A. Cochel, Editor of the Weekly Kansas City Star, to the most outstanding American Farmers in the other three regions of the country. "Star Farmers" will also be designated for the State of Missouri, Kansas, Oklahoma, and Arkansas.

National Convention of Future Farmers of America (Concluded)

PUBLIC SPEAKING CONTEST

Arthur M. Olson, of Austin, Minnesota, winner of first place in the North Central Region public speaking contest will represent the North Central Region in the national contest. Mr. Olson will speak on "Conservation of Soil, Our Greatest National Problem." While no definite announcements have been made relative to time and place, it is assumed that the contest will be held Monday evening at the Municipal Auditorium. It is presumed that the four ranking winners in this contest will broadcast their speeches on the Farm and Home Hour, on Tuesday, October 18.

BETTER CHAPTER CONTEST

Kansas will not have an entry in the Better Chapter contest this year.

STATE ASSOCIATION AWARDS

In order to encourage improvement among State Associations of Future Farmers of America, awards are made annually to those States showing the most outstanding accomplishment on the basis of their annual reports submitted to the national office for the year ending June 30. SOLOMON FFA ORCHESTRA TO PLAY AT NATIONAL CONVENTION

The Solomon F.F.A. chapter dinner orchestra, under the direction of Paul Chilen, vocational agriculture instructor has been invited for the second time to appear on the annual banquet program at the Eleventh National Convention of Future Farmers of America to be held in connection with the American Royal at Kansas City, October 15-22. The orchestra has been getting plenty of practice by appearing at several county fairs, among them the Jackson County Fair at Holton, and the Ottawa County Fair at Minneapolis. Paul and his boys will also be heard in the Peoples Pavilion at the State Fair in Topeka, F.F.A. Day September 15.

CHAPTER ACTIVITY PROGRAMS DUE NOVEMBER 1

Chapter activity programs, addressed to Professor A. P. Davidson, Department of Education, Manhattan, Kansas are due in the mails by November 1. Unless a chapter has its activity program in the mails by November 1, the chapter will not be eligible to F.F.A. competition on a state wide basis. That means chapters failing to submit activity programs on time will not be eligible for chapter ranking, participation in the public speaking contest, or will they be eligible for State or American Farmers. A chapter that expects to accomplish anything worth while will expect to have a well planned program. It is important that such programs be sent to the State Executive Advisor and that they be mailed on time. Ninety per cent of the active chapters filed activity programs on time last year. It is the hope of the State Association that one hundred per cent of the chapters will cooperate in this worth while movement this year.

DELEGATES TO NATIONAL CONVENTION

State President Walter Porter of Council Grove chapter, and Albert S. Coates, Shawnee Mission chapter, retiring state president, will represent the Kansas Association of Future Farmers of America at the National Convention this year. It is a distinct honor to be selected as a delegate to the National Convention and the delegate is faced with heavy responsibilities. Official meetings of the delegates begin Monday morning and run continuously, morning and afternoon until Thursday noon. Committee assignments often make it necessary to work during the evenings. We have every confidence in the two delegates selected to serve Kansas, and they go to the convention uninstructed.

FILE YOUR KANSAS FUTURE FARMER NEWSLETTERS

The president of each FFA chapter should make it a point to see that each issue of the Kansas Future Farmer Newsletter is properly filed. Each issue contains important announcements and information that can be used throughout the year, and if your copies are kept where they can be referred to when the need for information arises, it will save both the local chapters and the state office unnecessary correspondence. At the close of the school year, the issues can be bound into one volume and placed in the local F.F.A. library.

## OFFICERS TRAINING SCHOOLS

The following schedule of FFA Officers Training Schools was decided upon during the August conferences. The plan is in keeping with the recommendations of the FFA Committee as adopted by the June KVAA meeting.

A committee of teachers is in charge of all local arrangements and any information concerning the school may be secured from the chairman.

<u>Place</u>	<u>Chairman</u>	<u>Date</u>
Shawnee Mission	H. D. Garver, Shawnee Mission	Sat., Sept. 24
Fredonia	J. A. Watson, Fredonia	Tues., Sept. 27
Argonia	M. W. Pearce, Medicine Lodge	Tues., Sept. 27
Clay Center	R. H. Perrill, Clay Center	Mon., Oct. 3

Oakley	Joe Green, Bird City	Sat., Oct. 8
Lebanon	Everett Yoxall, Osborne	Mon., Oct. 10
LaCrosse	L. E. Melia, Coldwater	Sat., Oct. 15

More definite announcements as to the time of meeting and program will be sent out by the local committee. The Saturday schools will consist of a morning and an afternoon session, while the school day meetings will meet in the late afternoon and evening.

The committee chairman should notify the Manhattan office of any changes in dates and should file a copy of the day's program as soon as it is completed.

It is planned to have at least one state officer in attendance at each of these meetings. Much guidance and inspiration will result from attendance at one of these schools and it is the hope of the state officers group that every local officer be given an opportunity to attend an officers training school.

ATTENTION REPORTERS

One of the most important offices in the FFA is that of reporter. It is necessary to choose some one for this office, who is alive and awake to the value of a good news story, and one who will keep his chapter before the public through interesting chapter news. Four of his most important duties are as follows:

1. Furnish news to the school and local community press
2. Furnish newsworthy items to the state press
3. Report promptly and regularly to the Kansas Future Farmer
4. Organize and bring to the attention of your chapter a complete review of each issue of the Kansas Future Farmer

The following is the plan of gathering news for the Kansas Future Farmer. The state has been divided into four sections and the chapters of each section numbered 1, 2, and 3. The chapters were then grouped into three divisions-- all the number ones in one group, the number twos in another group, and the number threes in a group. Each group will be mailed a request for news every third month. Requests for news will be mailed from the office of the State Reporter by the 18th of each month. The news of your chapter must reach the State Reporter by the first of the month following. This means PROMPT ACTION on the part of the local reporters.

If your chapter is not represented in the issues of the Future Farmer it will be because your chapter is not functioning properly, or that the chapter has been unwise in their choice of a reporter.

Due to the fact we have 137 chapters in the state association and that we publish only nine issues of the Kansas Future Farmer each year, it will be impossible for us to print regular chapter notes from each chapter more than three times during the year. However, if your chapter has engaged in some outstanding and interesting work we will be glad to give the story space in the Kansas Future Farmer, regardless of whether or not it is your chapter's turn to furnish news.

The local reporter will be sent a blank requesting chapter news, and his reply will be due in the office of Robert Randle, State Reporter, in care of the High School, Wakefield, Kansas, on the date specified on the request sheet sent him.
