

First-year students in the spring of 2014 have the opportunity to enroll in First-Year Seminar (FYS) courses. The academic content of the FYS course is the same as other sections of the course. The seminars are unique in that enrollment is offered to 22 or fewer students and limited to first-years only. Emphasis is placed on communication, critical thinking, and community building. Students benefit from a learning environment conducive to interactive learning and the application of concepts.

First-year students, new students, and transfer students may enroll in one of the FYS classes below by talking to their academic advisor. **Students who have not yet taken a FYS class will have top priority. All sections enroll by permission only.**

Students who want to take a GENBA section should contact Bente Janda (bjanda@ksu.edu or 532-6180) or an advisor in the College of Business. Students who want to take a PHYS course should contact Tracy Tuttle (truttlet@phys.ksu.edu or 532-1605) or an advisor in the Department of Physics. Permissions for all other sections are easily obtained by contacting K-State First at kstatefirst@k-state.edu.

Questions? Give us a call anytime at 532-0386 or 532-6237.

K-State First First-Year Seminars | Spring 2014

Course #	Course Name	Class #	Section	Instructor	Day	Time	Location
