LIAISON 69

Kansas Technical Institute

SALINA, KANSAS 67401

913 825-0275

Students are the life line of Kansas Tech; without them, we would not be. Our students can be proud to be a part of a new educational concept in Kansas ... Technical Education. They are to be admired and commended for being pioneers in this new, but rapidly expanding field. Our students are setting precedents in many areas for future classes; what they are accomplishing in the "formative" years of the Institute will be the beginning of its heritage.

The administration of KTI is continually adopting policies and practices conducive to a well-rounded educational and social campus life, keeping in mind both the needs and desires of its students, as well as those necessary for an efficiently-operated institution of higher education.

As the state's only public technical institute, Kansas Tech has been established to provide the technicians so eagerly sought and urgently needed by industries today. We constantly strive to "spread the word" to Kansas youth about the career opportunities available in the challenging and rewarding world to tomorrow's technology. Our programs prepare graduates for immediate placement, as para-professionals in the engineering and scientific fields of industry.

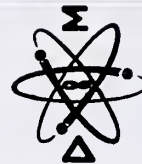

This graduating class has contributed much to the development of Kansas Tech. The results of their fine attitude and personal involvement will surely be remembered by future students and will serve as a reminder that the character and reputation of any college is dependent on its student body.

Congratulations and good luck!

Sincerely,

H. M. Neely, PE
President

H. M. NEELY

President

MRS. GLENDA EVANS

Secretary to the
President.

THOMAS
F.
CREECH

DIRECTOR
ACADEMIC
AFFAIRS

As the academic dean of the institute, Mr. Creech is always concerned with the academic status and potential of students. His efforts in curriculum development have won him the respect and admiration of leaders in education and industry.

Avoid him you may try, but avoid him you can't. As Dean of Students and Admissions Director, Mr. Carter will meet everybody at one time or another.

WILLIAM
C.
CARTER

DIRECTOR
STUDENT
AFFAIRS

GEORGE
E.
EVANS

DIRECTOR
OPERATIONAL
AFFAIRS

A good place to get advice about finance and fiscal affairs is Mr. Evans' office. He has the responsibility of guidance in the very important area of money, and as such is a favorite on campus.

ACTIVITIES

Library Services

MRS. JUNE McKEE

Librarian

A true scholar!

Some days are like that

Enrollment

10 copies of the pink ones, 5 green, 13 brown, 32 orange, then you get to pay.

But I don't want to live in the Dorm!

I'm sorry but we can't accept your 1945 Chevy as a down payment.

What da ya mean you don't have time for lunch - What's wrong with 4 p.m. on Thursday?

I don't care if you do ride an Albino Quanaco, you still gotta buy a parking permit!

ORGANIZATIONS

Fall Semester 1968 S.G. A.
Officers were:

- TOM MINDRUP - President
- MIKE OBORNEY - Vice President
- MAURENE SCIVEN - Secretary
- JOHN BONATTO - Treasurer
- ARITE MEIER - Student
Coordinator

The Kansas Technical Institute Student Governing Association was formed to provide a representative body for the students. The S.G. A. is responsible for communicating the desires and interests of the student body to the administration and appoints the committees and distributes the finances necessary for a smooth running extra curricular program. The S.G. A. has made great progress since its formation, and has become an organization of which the school can be proud.

Spring Semester 1969 S.G. A.
Officers were:

- TOM MINDRUP - President
- ART LAWSON - Vice President
- SHARIE ZUKER - Secretary
- JOHN BONATTO - Treasurer
- BOB COOLEY - Student
Coordinator

Planning

ASCET

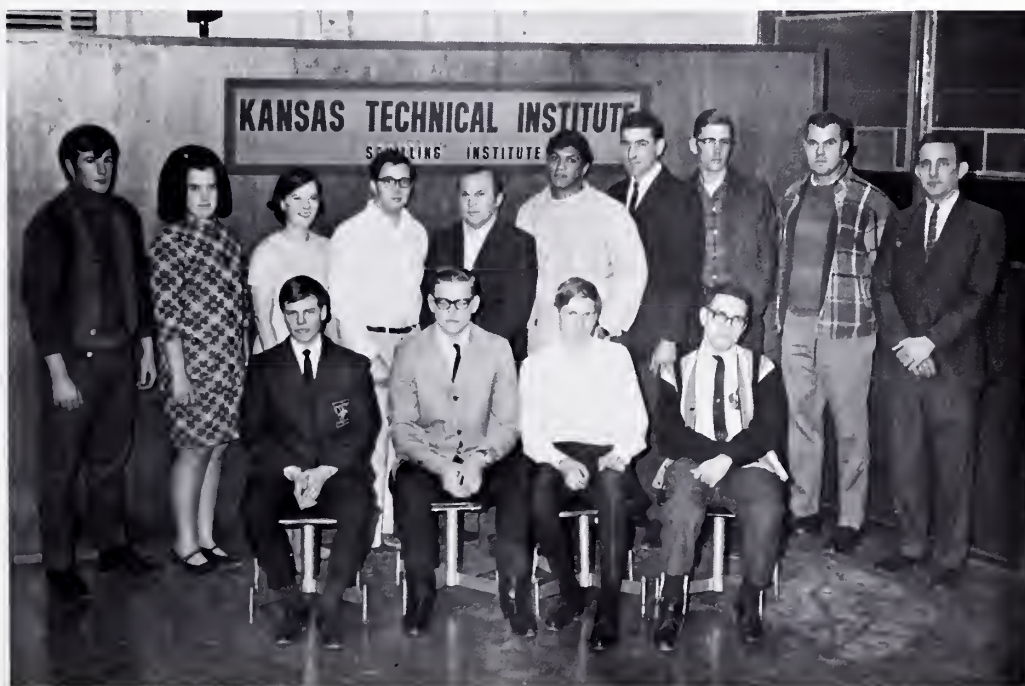

The KTI student chapter of the American Society of Certified Engineering Technicians completed its third year of activities. Since its inception as the original student chapter in the world, many other student chapters have been organized.

Socializing
